14 Wing Greenwood Participates in the 77th Annual Apple Blossom Festival

By Captain Scott Spurr

The annual Apple Blossom Festival that is held in the Annapolis Valley, Nova Scotia once again took place from May 27th to June 1st, 2009. Every year, 14 Wing Greenwood participates in the festival and this year was no exception. Several volunteers got together to create a military float to enter into the parade that was held in Kentville on Saturday, May 30th. The float displayed a restored Zenair aircraft as well as other Air Force artefacts and banners to not only showcase the Wing, but also to honour the 100th Anniversary of Flight in Canada. The float took second place in the Community float category.

The festival officially started on Thursday, May 28 with the opening ceremonies at the Annapolis East Elementary School in

Middleton. On Friday, May 29th the crowning of Queen Annapolis (Lindsay Pearl – Princess Kentville) by the Wing Commander, Colonel Derek Joyce took place at Acadia University in Wolfville. Each of the fourteen Princesses who were competing in the pageant were escorted by military personnel decked out in their official military uniforms.

The Wing also provided a C-130 Hercules aircraft from 413 (Transport and Rescue) Squadron to do a flypast during the street parade and the Base's Pipes & Drums entertained the huge crowds lining the route with a robust performance. Several military personnel also

walked along the 14 Wing Greenwood float and waved to the crowds.

Queen Annapolis and the Princesses visited the Wing on June 1st and toured the Greenwood Military Aviation Museum before heading off to the Annapolis

Mess for a luncheon.

The weather managed to cooperate for about half the festival, but did not seem to deter the crowds who viewed the street parade as well as the other activities that went on throughout the weekend. The theme for this year's celebration was "Appeticious Valley!" and the festival wrapped up on Monday, June 1st, with organizers deeming this year's event as a tremendous success!

In the Grand Street Parade Reviewing Stand were acting Wing Commander Lieutenant-Colonel PJ Smith McBride, acting Wing Chief, Chief Warrant Officer M Whitman and OPI for the event Captain J Wells.

405 Squadron Pathfinders at the St-Hubert Air Show

By 2Lt Eric Switalski

On Saturday 30 May 2009, Crew 2 "ARDEES" of the 405 Squadron Pathfinders from 14 Wing Greenwood, Nova Scotia participated in an air-static display at St-Hubert, Quebec. The aim of this exercise was to inspire future aviators towards pursuing a career in the Canadian Forces: with a turnout of over 1200 Air Cadets from the local area, it was considered a huge success. As part of the Centennial of Flight celebrations, the air-static display included aircraft that demonstrated the evolution of aviation, including the Silver Dart, Harvard, Mustang, CF-18 Hornet, CH-146 Griffon, and the CP-140 Aurora.

After a scenic drive to the St-Hubert airport, the CP-140 Aurora air-static display began at 7 am Saturday morning, with lead Flight Engineer CWO Frank Balogh preparing the Aurora for flight, while pilots Capt Paul-Eric Gilbert and Flt/Lt Chris Birrer conducted the flight planning. By 9:00 a.m. Air Cadets began to arrive and within 30 minutes the first group of excited youths were boarding the Aurora for a scenic flight over Montreal, Quebec City and the surrounding area. In total, two groups of approximately 15 most deserving cadets were given the opportunity to fly.

By early afternoon the sun was shining, the wind was blowing and young stomachs

were feeling the affects of turbulence so it was time to begin the static display. Beginning with a fantastic description of the components and operation of sonobuoys, provided by Capt Jon Cyr, cadets were guided through the galley, crew stations and the flight deck of the CP-140 Aurora. The day concluded with an Air Cadet parade, overseen by MGen André Deschamps, the reviewing officer, a CF-18 flyby and many new aspiring aviators considering their bright future as members of the Canadian Forces.

The following morning, bright and early Sunday, Crew 2 departed St-Hubert and headed for Charlottetown, Prince Edward Island. The goal of the visit was to provide familiarization flights to selected Deans, Professors, and Students from Universities and Colleges from across Canada. Those present were given the opportunity to fly on both a CH-124 Sea King and a CP-140 Aurora for a scenic

tour around the Island: judging by the number of cameras and smiling faces coming off the aircraft, this event was also a huge suc-

cess.

Crew 2 arrived safely back home at 14 Wing Greenwood, with their Aurora, late Sunday afternoon. Overall, it was an

extremely successful weekend and yet another mission accomplished for the 405 Squadron Pathfinders! DUCIMUS.

~ Obituary ~

Donald MacDonald
1937-2009

MacDonald, Donald Brooks, August 4th, 1937 to May 26th, 2009, passed away peacefully in York Manor, Fredericton. Born in Caledonia, PEI, raised in Gladwyn, NB, Donald was the son of Oliver MacDonald and Helen MacDonald (nee Brooks) and stepfather, Archibald Christie, all deceased. He was also predeceased by brother, Chesley (Mary) of Truro, NS. Donald is survived by sisters, Eileen Fettes (Bob) of Kingston, NS, and Jean White (Mac, deceased) of Caribou, Maine and numerous nieces, nephews, grandnieces and grandnephews. Donnie was afflicted with Polio as an infant which led to a lifetime of canes, crutches, handpowered tricycles, wheelchairs, scooters and powered wheelchairs for mobility. The disease also left him with a speech impediment. He was often seen on the streets of Fredericton using one of these forms of transportation. Mr Paul Theriault of NB Power wrote of Donnie "What an inspiring sight it was to see Donnie literally drag himself three miles everyday on two canes to work for starvation wages at what many would call mundane tasks. This was not a one year accomplishment, but a lifetime of extraordinary courage and determination doing his job, as he saw it, without fanfare, just the peaceful intrinsic contentment associated with having great pride and sense of accomplishment". Donnie managed on his own for more than fifty years until his seventieth year when the difficulty of getting around to do everyday tasks forced him to enter the extended care facility at York manor Nursing Home in Fredericton. If there is one thing to be said of Donnie, he was not a quitter, but a real hero.

There will be no visitation by request. Following cremation, burial will take place at a later date in Kingston, NS. For those who wish, memorial tributes can be made to the charity of one's choice. Arrangements have been entrusted to McAdam's Select Community Funeral Home.

YOU AUTO KNOW

~ Going the extra mile to protect your car ~

Steve Boutlier, Service Manager for Canadian Tire Greenwood says between rain, bugs, stones and sun, there are many elements out there that can cause damage to vehicles, resulting in premature rusting which ultimately affects the life of a car. The automotive team at Greenwood Canadian Tire has a few suggestions on how to protect the car against the elements and increase its longevity.

- A front-end cover, also known as a bra, protects the entire front end of the car against stone chips and bugs. Choose one made with breathable vinyl to protect against fading or clouding and keep the car's finish looking new.
- CarFlector, a hard acrylic piece that protects the full width of the hood of the car by deflecting bugs and stones, can be easily installed with no drilling.

- To bring fresh air in, while keeping the damaging effects of rain out, an acrylic window vent visor is self adhesive and easy to install. The fact that it reduces wind noise is also a definite plus for drivers and passengers alike.
- Designed specifically for each vehicle, a grille guard is perfect for SUV and truck drivers wishing to protect the headlights and grille areas of the vehicle from many things including animals and tree branches. In addition to protecting the front end of the vehicle, grille guards help to dress it up.

Taking the time to customize and protect your car now will help cut down on repair and maintenance costs in the long run.

Fire Chief's Corner - Safety Tips for the Home

Submitted by: **Darren McCabe**

Here are some Fire Prevention and Life Safety tips for the MQ's and Home owners.

Have an Evacuation Plan, with an outside meeting place, if children are present get them involved and do a drill with them. Ensure all family members know what to do in the event of a Fire.

Kitchen:

- Use a temperature-con-

trolled electric skillet or deep-fryer for frying.

- Never leave cooking unattended.
- Use appropriate cooking appliances and keep clean.
- Keep a pot cover nearby to "put a lid on it" in the event of a fire.
- Avoid loose long sleeves when cooking.
- Check kettles and toasters for damaged electrical cords and thermo-

stats.

- Use appliances that have an automatic shut-off.
- Keep a timer handy to remind when oven and burners should be switched off.
- If medications cause drowsiness -do not use cooking appliances.

- Fire extinguisher should be purchased and installed in the kitchen area.

Living Room:

- Occupants of MQs in which fireplaces are installed shall always use a fire screen making sure it is the correct size for the fireplace opening. Ashes from the fire place shall be placed in a covered metal container and placed outside, well away from any building, flammable and combustible liquids shall not be used to ignite the fire. Problems with damper control, or breakdown of mortar around bricks shall be reported to CFHA loc 765-1294.

- Do not overload electrical outlets or use extension cords in place of additional outlets, a CSA approved power bar with circuit breaker can be uti-

lized for electrical equipment.

- Smokers should check furniture for fallen cigarettes or embers which can smolder undetected for several hours before bursting into flames.
- Ensure careful use of smoking materials and extinguish in water before disposal.
- Never leave cigarettes unattended in an ashtray.
- Use safety ashtrays with a double rim and deep centre.
- Keep matches, lighters and lit candles out of reach of children.
- Never leave lit candles unattended.

Bedroom:

- Install at least one smoke alarm outside each sleeping area. For extra protection install a smoke alarm in every bedroom.
- Test smoke alarms at least monthly.
- Change smoke alarm batteries every year.
- Smoke alarms should be replaced every 10 years.
- Check electrical appliances regularly - electric blankets, heating pads, curling irons, radios, televisions, irons.
- Bedrooms should be non-smoking areas.

Basement And Attic:

- Remove all combustible and flammable materials from the basement and attic.
- Store gasoline in well-ventilated areas - not in basements or confined areas.
- Do not store propane indoors.
- Have a thorough yearly maintenance check carried

out on all aspects of the furnace by a professional threw CFHA.

- Ensure a 24" clearance is maintained around the furnace at all times.
- Ensure Dryer vent is in good order and lint traps are cleaned on a regular basis.
- Under stairwell kept clear of combustible materials.
- **Garage And Workshop:** Flammable materials - thinners, gasoline, paints, and industrial cleaners - should be stored neatly in approved containers and away from ignition sources.
- Do not smoke or leave matches or lighters in the garage or workshop.
- Install and be knowledgeable in the use of the appropriate fire extinguisher for the area.
- Keep the area clean - remove garbage, paper products, oily rags and wood shavings regularly.
- Use only approved containers to store and transport gasoline.

3 – 5 years

\$40.00 per child

Registration Deadline: Tuesday, June 30th for the Week 1 (Monday, July 6th – Friday, July 10th).

Children ages 3 – 5 years are invited to join us for fun in the sun preschool style! Our summer camp will focus on the many summer activities that children love to do! We will be hiking, lots of running, exploring, games, playground activities, and making new friends. Our camp is a recreation based camp; therefore the children will not be making crafts – unless we have a rain day. Children must be able to use the washroom independently, and enjoy an active outside atmosphere. Parents do not need to stay for these sessions. A yummy snack will be included each day. Enrolment is limited to 12 children each session. Please register by calling reception at 765-5611. Children need to be registered each individual week.

For the Birds

By: Patrick Giffin

6 Red Crossbills continue to visit the Black Oil Sunflower feeder throughout the day; 1, adult, male and female, 2 1st year males, 2 juveniles, one is often fed by an adult female, although it seems to manage on its own too.

Recently we had a juvenile crossbill hit a nearby window when all were threatened by an approaching grackle. It was breathing when I covered it with a cardboard, box near the foundation. 4 hours later I went to check on it and it flew about 50ft at low altitude into a Honeysuckle. Yesterday it was with the group being fed by an adult female. It appeared to be moulting, tiny bits of downy feather sticking out here and there, and was very energetic. Flight was vigorous, appetite gluttonous!

In response to my request for guidance, Helene Van Doninck DVM replied;

"First off, the best advice possible for prevention of window strike can be found at www.flap.org, follow the "being bird friendly" links. As for increasing survival afterwards, it depends on how se-

vere the collision was. Even if I get one that was briefly knocked unconscious, I always keep them for several hours in a box to allow them to gain their wits back. I will often test them in an aviary to make sure their flying is coordinated as if they are released in a subnormal state, they are easy prey for predators on release even if they fly off."

Recently we spoke with Bernard Forsythe regarding the Barred Owl sightings and sounds near our home and the adjoining woodland. Based on this information, Bernard decided to help us install nest boxes in this area and provided us with his plans for a "Barred Owl Nest Box". Bernard's visit was coordinated with his meeting with Malcolm Uhlman to band any Barred Owl, offspring that were in nest boxes being monitored in this area. This meant investigating the possibility of a suitable Nest Box site, and accompanying him for the banding of this year's offspring. Arriving shortly after 0900, it took very little time for Bernard to decide on a suitable site and acknowl-

edge that the two nest boxes that our son Michael and I had built, although a little weighty, met the requirements of our 'Barred' friends. We then met with Malcolm, and proceeded into woodlands to determine the precise contents of Malcolm's nest boxes.

Enroute, Bernard and Malcolm identified Red-eyed Vireo, Northern Waterthrush, Veery, Ovenbird, Magnolia Warbler, White-breasted Nuthatch, Northern Parula, Black and White Warbler and Blue-headed Vireo.

Formerly, a Great Horned Owl sighting had been our most memorable, Owl experience. Several years ago, in a Conservancy in Florida, we were advised to look for the GHO's nest in an enormous tree that was in the centre of the property. Too easy! In the crotch of this unique tree, looking like rugby ball size, fluff balls were 4 baby GHO's. After getting used to the presence of these beautiful little creatures, I began slowly scanning the remainder of this enormous tree: WOW! A parent sighted, she or he was, glaring, at us with an unforgettable, unmistakable, ferocious, message, *DO NOT APPROACH MY BABIES*. It was frightening, causing Goosebumps! No doubt an upset Great-horned Owl could inflict serious damage!

Arriving at the first site, with Bernard and Malcolm, we, almost immediately, became aware of the two, incredibly, beautiful parents whose 4, watchful, magnificent, very fierce, glares were directed at us and simultaneously on "their" nest box. Bernard with amazing agility and strength was soon along-side the box; he lifted the lid, reached inside to retrieve and show us

Bernard Forsythe and friend 1 Jun 09.

the first, of two, exquisite baby, Barred Owls. Malcolm and Barbara took several photos of Bernard in action, as well as of the baby owls, and parents. Bernard was, as were we all, pleased that the parents, "ready to attack" did not leave their posts, which meant that Bernard was unharmed except for some significant scratches from the youngster's talons. We surmised that the presence of so many humans may have caused the adults to restrain themselves to everyone's advantage. The second nest box contained one equally, vigorous offspring.

Buoyed by these significant results we decided to proceed to Arthur Uhlman's property where we knew, from

Arthur's reports, that he expected his Barred Owl and Duck Nest boxes had equally, interesting occupants! Another exhilarating, success! Two more Barred Owls; which Bernard banded, in some comfort, using an exceptionally well-designed, lengthy, folding, ladder that Arthur made available. Unfortunately, in the duck nest-box, Bernard found 5 or 6, very cold, Hooded Merganser eggs. Arthur surmised that the brooding, parent was dispatched by a fox, coyote or hawk. Mission accomplished we returned for lunch and to help (watch) Bernard install a nest-box in a position near where Barred Owls have been seen and heard many times over the years. We remain

optimistic, at the same time realizing that, over the years, we have not found evidence of a natural, nest site.

We learned many things from being with Bernard, for example, why it is so important to place Owl and other Nest-boxes in our woodlands. That is our forests no longer contain the essential, "Old Growth" trees that are fundamental sources of natural nest sites for the Barred Owls. Therefore, their survival relies upon providing man-made accommodation. In other words, Barred Owls and other species are not equipped to create a nest cavity of any kind and must rely on natural processes like, aging and rotting of very large trees to provide a suitable nest site. Clear-cutting our forests, harvesting without reforestation, means trees never get old enough to provide natural nest sites. Many thanks to Bernard and Malcolm for an exceptional, rewarding, birding experience. We are at 765-8688, p_giffin@hotmail.com

Welcome to the Kingston Farmers Market!

The Kingston Lions Club started the process of getting a group of local farmers and artists together to form a vendor run Farmers Market in Kingston. The market will be held every Wednesday from 3:00 – 7:00 p.m. starting on June 10th. We will be set up in the former Kingston Foodland Parking

lot at the corner of Main St. and Bridge St. Kingston. We also have plans to hold a fall/winter market inside the Lions Hall pending the success of the summer market. As of late we have 15 vendors confirmed and as the season and crops progress we expect that to increase.

From the farm to your table within days of the harvest! A place where we can gather once a week to purchase products direct from the producer! This market promises to have a huge impact within our community. Local residents will have the opportunity to purchase the freshest fruits, apple cider, vegetables, meats, eggs, prepared foods and baked goods the community has to offer. There will also be a BBQ with local hamburgers and sausages. Purchasing at the market this benefits you with healthy food as well as the producers and the agriculture industry. You not only help sustain our local farms and producers, you help keep our agricultural history alive! Learn where your food comes from! We are also hoping to have local musicians weekly for your enjoyment while you pursue the relaxed market environment.

The idea of this market is to promote the buy local strategy, support our farmers, growers and craftspeople alike as well as our local economy and in turn provide you the local consumer with the highest quality of fruits veggies, meat, fish, poultry and crafts that are available right here within your own community!

At the market we will have in season fresh fruits, vegetables and herbs, beef, pork, chicken, lamb, free range eggs, transplants, cut flowers, baked goodies, fresh pressed apple cider, valley fruit juice popsicles, homemade jams and jellies, wood turned items, magnetic therapy bracelets, natural soaps and cleaning products, handmade jewellery, candles and more! Please feel free to share in the excitement with your family and friends each Wednesday throughout the summer at the Kingston Farmers Market. We would like to thank the Kingston Lions Club, Craig Parsons, T&S Office Essentials and CC Cleveland Insurance for helping to launch the market.

For more information, or if you are a vendor or musician, please contact Colleen McKinley 840-0423 or email kingstonfarmersmarket@hotmail.com. For news and updates please join our Facebook group, Kingston Farmers Market Nova Scotia.

Avro 683 Lancaster X

As aircraft production began to gain importance in Canada, the Federal Government sought ways of becoming a major manufacturer during the war and after. After long negotiations, the decision to manufacture the Lancaster was announced in December 1941.

Given the designation Lancaster X, the aircraft were essentially a British Lancaster 3 but with Canadian instruments, a new wiring system and other improvements made during production. National Steel Car's Aircraft division, located at Malton was selected as the prime contractor. When they had problems the Government expropriated the plant and formed Victory Aircraft. They would build 422 Mark Xs and

eight Mark XPPs, a passenger version built for Trans-Canada Air Lines.

Not all of the Mark X built in Canada made it overseas. Those that did served with the RCAF's 419, 420 425 and 428 Squadrons, although many aircraft remained in reserve. Pilot Officer Andrew Mynarski of 419 Squadron, was bestowed with a Victoria Cross for his efforts to free the trapped rear gunner as their aircraft was crashing. The aircraft was a Lancaster X, KB726.

Post-war, the Lancaster remained in RCAF service until 1964. Some aircraft were modified for aerial photography and reconnaissance, maritime reconnaissance and navigation training.

They served in the

Cuban Missile Crisis, locating Soviet vessels of interest and overflew Soviet "research" station on Arctic ice flows. One of the understated contributions of the Lancaster was the use of optical jig alignment, introduced from Britain, in the manufacturing process. This allowed truer manufacturing of large parts, and was eventually introduced into the United States. It also enabled Canadian companies to be able to build larger aircraft post-war.

La production d'avions commençant à prendre de l'importance au Canada, le gouvernement fédéral cherche des moyens de devenir un fabricant d'envergure durant et après la guerre. Après de longues négociations, il annonce en décembre 1941 la décision de fabriquer des Lancaster.

Nommé Lancaster X, cet avion est essentiellement un Lancaster III britannique équipé d'instruments canadiens

prier l'usine et à fonder la Victory Aircraft, qui construit 422 Mark X et 8 Mark XPP, un modèle fabriqué pour Trans-Canada Air Lines et destiné à transporter des passagers.

Certains Mark X fabriqués au Canada ne servent pas outre-mer. D'autres effectuent des opérations au sein des 419^e, 428^e, 431^e et 434^e Escadrons de l'ARC, bien que de

Après la guerre, l'ARC continue d'employer le Lancaster jusqu'en 1964. Certains appareils sont convertis pour servir à la reconnaissance et à la photographie aériennes, à la reconnaissance maritime, ainsi qu'à l'entraînement à la navigation. Durant la crise des missiles de Cuba, ils servent à localiser les navires d'intérêt soviétiques et à survoler les stations de « recherche » soviétiques sur les couches glacées de l'Arctique. L'utilisation du système d'alignement optique pendant le processus de fabrication, pratique empruntée aux Britanniques, est l'une des contributions souvent sous-estimées du Lancaster. Plus tard, les États-Unis adopteront eux aussi cette pratique qui permet d'ob-

tenir des grandes pièces de meilleure qualité et grâce à laquelle les entreprises canadiennes peuvent construire de plus grands avions après la guerre.

La plupart des Lancaster que l'on retrouve aujourd'hui dans le monde entier sont d'origine canadienne. Au sol ou dans les airs, ils ne cessent d'émerveiller les spectateurs.

et d'un nouveau câblage et comportant d'autres améliorations apportées au cours de la production. La section responsable de l'aviation de la National Steel Car, située à Malton, est choisie comme entrepreneur principal. Des problèmes incitent le gouvernement à expro-

nombreux appareils soient tenus en réserve. Le Sous-lieutenant d'aviation Andrew Mynarski, du 419^e escadron, se voit décerner la Croix de Victoria pour avoir libéré le mitrailleur arrière qui était coincé alors que leur avion, un Lancaster X KB726, allait s'écraser.

June is Recreation Month - *The Campaign*

June is Recreation Month (JRM); this campaign is part of a growing national movement honoured across the country. JRM draws public attention to the benefits and values of recreation and parks to individuals, families, neighbourhoods and communities, and works to recognize and celebrate the contributions recreation and parks makes to the quality of life to Canadians.

Celebrating JRM is an exciting way to increase awareness of the benefits of recreation and leisure to the health and well being of all Nova Scotians.

This province-wide campaign educates and encourages - with the help of media messaging, promotions, toolkits, children's contests and activities - the engagement of municipalities, schools, community groups, families and individuals in more recreation and leisure activities during recreation month and beyond.

The Theme: *Live It Everyday!*

The campaign theme *Live It Everyday!* reinforces the message of how important it is for all of us to participate in some

form of recreation or leisure activity each and everyday. Regardless of ability or age, Nova Scotians are enjoying recreation in an increasing number of ways. This year's theme recognizes that recreation activities do not have one definition. "Activities of all kinds, not just physical, are acknowledged and celebrated. Whether it's lawn bowling, running a marathon, learning to play a new instrument, reading a book or star gazing ... recreation is about celebrating life and ... Live it Everyday!"

Recreation and Parks play an important role in the Morale and Welfare (MW) of Canadian Forces Community. CF Personnel and Family Support Services (CFPFSS) offer innovative leisure activities to meet the needs of CF members and their families. Each CF location offers a diverse mix of activities, all designed to promote wellness and enhance the time that families spend together.

Celebrate June is Recreation Month at the 14 Wing Community Centre

In recognition of June being Recreation Month, the Com-

munity Centre youth will be participating in many different recreational activities. For example, the *Boyz Club* will be playing outdoor soccer, badminton and floor hockey; the *Active Chicks* will be using the Kingston Fitness Trail, and visiting the 14 Wing Fire Hall; the Teens will be taking a bike ride, playing squash and going golfing.

Not all recreation needs to be so active, though. We also have regular movie nights scheduled, a Father's Day craft for girls, a summer carnival, a Pre-Teen dance, and a Father's Day Foosball tournament on Father's Day!

Summer camp will run June 30th onwards, for those wanting to take recreation into July and beyond!

King's Transit is helping to celebrate 'June Is Recreation Month' by allowing all cyclists to ride transit free and encourage the use of bike racks on buses.

For more information, refer to the full-page calendar in this issue of The Aurora Newspaper or call Eric MacKenzie, Community Recreation Coordinator at 765-1494 ext 5337.

local 1812.**

The sun is shining and the smell of fresh cut grass fills the air - before too long the last day of school will be here and everyone will be excited to enjoy another beautiful summer in the Valley! Summer also means our camp program for children aged 3 - 5 years

will once again provide preschool children with fantastic opportunities to meet new friends and enjoy activities that are sure to have your child asking to come back for more! Our program is a recreation-based camp, which focuses on simple outside games and activities that encourage children to have fun without their TV or video games!! Snacks are included in our camp fee - and parents

do not need to stay. We'll ensure your little camper has a great time here at the GMFRC! Space is limited to 12 partici-

pants - so stop by the reception (765-5611) desk at the GMFRC and register your little camper today!

The Buzz from 14 AMS

Compiled by: WO Glen Goodall, 14 AMS

THE BUZZ...

Once again the posting and promotion season is in full force in 14 AMS. There are a lot of rumours and speculations as to what is going to happen to a lot of 14 AMS personnel. As the posting messages and promotions come in, we'll try and keep all informed.

First of all, 14 AMS would like to congratulate Combat Airman Sgt Graeme Andrews on being awarded the Chief of Air Staff coin for his outstanding performance as a CIMIC operator while on deployment in Afghanistan from Sept 08 - April 09. Sgt Graeme Andrews is an AVSTech employed in the 14 AMS ETO section. Well done Graeme.

On the 11th of May 09 14 AMS held a Depart with Dignity for CWO Dave Spencer who retired after 35+ years of loyal service with the Canadian Armed Forces. 14 AMS would once again like to wish Dave and his wife Carole all the best in their new life in retirement.

The Future Flyers Meet the Snowbirds event held on the 20th May 09 was huge success thanks to all the hard work done by Lt Clark Sollows. The logistic nightmare was calmly handled in stride by Lt Sollows. The Centennial of Flight Contests for Youths was also successful due to all the extra hours and effort put forth by Lt Nadia Kang. 14 AMS would like to congratulate Lt's Kang and Sollows on their strong commitment to these events.

For those of you who would like to contribute to "The Buzz from 14 AMS" may do so by contacting me at GLEN.GOODALL@forces.gc.ca. Some sections already have a "Buzz Rep" but there are many smaller sections not represented. If you want the rest of 14 AMS and the local area to know about the happenings and events in your shop this is the best way to promote your section.

14 AMS AMO 1 Crew - Cpl Karen Lindsay

1 Crew would like to send out our congratulations out to MCpl Chris Crowell and his wife who recently welcomed a new member to their family. Also, Cpl Dan Berthier's wife gave birth to a baby girl back in February and we never got the opportunity to congratulate them!

We would also like to congratulate Cpl's Chris Miller, Todd Detcheverry, Kevin St. Laurent, and Matt Lacey. They have all been promoted in the last 6 months. So far we have only had one crew function! We got a new crew

member last week from Borden and we are hoping if all goes well he will bring out his guitar and play some tunes at our crew outings.

Even though it's early in the season we have heard a lot of talk about gatherings amongst crewmembers. We'd like to take this chance to congratulate all of the promotions that will be awarded this summer. It's too bad things around here have to change because 1 crew has been lucky to have such a great group of people for the last year. We all just hope that no matter what happens this summer we still get such amazing turn out for crew events and functions.

There are a lot of people leaving the crew this summer but of course we will have some new people to the crew as well. MWO Anne Campagna will be leaving us for an internal posting. I don't want to say she's being replaced because we're all sure that's not possible.

The person that will be filling the position is MWO Dwight "Bowser" Sawler. WO Janice McKinnon will also be joining our crew this summer. There's going to be many other joining us and leaving us but we won't know for sure until it's all said and done.

14 AMS AMO 2 Crew - Lt Nadia Kang

Things really are buzzing around 2 Crew as many people prepare for postings and rotations. It will be a quick turnaround for Sgt Walker who will be heading for Ottawa right after he comes back from overseas. Chances are the next time any of us run into MCpl McTaggart he will be OCdt McTaggart, officer in training. A few familiar faces aren't moving too far - MCpl Peters will still be nearby in 404 Squadron, and WO Levesque can still visit us from

TSF, as well as MCpl Somerset who will be just down the road in Shearwater. We'll still see MCpl Richardson once in a while after he moves to ARO and MCpl Violette will undoubtedly be called on for help from the IT section. MCpl Vallis, Cpl Ratelle and Cpl Tucescu are just switching shifts and not geography as they move over to 1 Crew. Moving far far away are Cpl

gone back to minimum manning levels with Cpl Gidge and I farmed out to Periodic Maintenance to assist with aircraft 116, while Cpl Skipper and Pte Major have both departed to Training and Standards Flight (TSF) before starting their Propulsion Courses. MCpl Gelineau, Cpl Gargin and Cpl Foster have been doing their best to keep the shop running smoothly, de-

sonnel. Way to make your MCpl proud - well done Guys!

Periodic Maintenance

It was full speed ahead on Aircraft 116 during the last periodic inspection. In another fine example of the "Operate as One" philosophy extra 'Worker Bees' were borrowed from AMO and Shops, creating two full crews, swarming over the aircraft day and night in order to complete the

inspection on time. Hopefully, the end result of having the extra 'Bees' help will be to produce one 'Honey' of an aircraft. The plan is to carry on with this team effort when the next aircraft rolls in the door, only a few short weeks from now.

ARO also said goodbye recently to one of its own, MCpl Nancy O'Rourke-Andrews. After 27 years in the CF, the last 3 in Periodic Maintenance, she has decided to hang up her coveralls for the last time. A retirement function was held at the Jr. Ranks Mess where presentations were made, stories were

to their family, a bouncing baby boy named Max. Congratulations - and try to get some sleep while you can!

AVN Lab has also said good bye to MCpl Greg Gillis who has taken a position upstairs in ETO to be one with the computer. No replacement has been selected as of now, we'll just have to wait until the dust settles after the summer posting season.

Engine Bay

Engine bay has also been a busy place as they are dealing with the loss of Cpl Malone and Pte Piche to TSF. However, Cpls Clarke and Leblanc are back from the Auxiliary Propulsion Unit (APU) course and will help shore up Engine Bay with their new qualifications. Also welcomed back was Pte Dyer who has returned from the Propulsion Course after achieving a very high standing.

Another noteworthy accomplishment by Engine Bay personnel was performed by Cpl Chris Clarke, who while enjoying the fresh air and scenery at the Kingston Duck Pond during his off duty hours, spotted a wayward Toddler who decided to follow the Ducks into the water. In the midst of the hysteria, he managed to rescue the youngster from his impromptu swimming lesson - much to the relief of his mother! All the accolades and "Hero" title bestowed upon him by his fellow co-workers hasn't gone to Chris's head though, as he remains his usual humble self - however, rumour has it he has been secretly sporting a 'Superman' T-shirt under his coveralls. All kidding aside though, Cpl Clarke's quick and decisive actions are to be commended.

14 AMS AVS Labs - Cpl Christopher Morris

Postings, postings, and more postings from AVS Labs! As it stands, we are losing two Sgt's, two MCpl's, and three Cpl's!

Sgt Bernie Sarazin pulled the plug and started a new position in life. Sgt Rob Arsenault is hoping to go to NDHQ in Ottawa. MCpl's Tim MacDonald and Clark Walton are posted to Shearwater. Cpl James Wood has been transferred to ARO Maintenance. Cpl Brad Beaudoin has been posted to 404 Squadron and Cpl Marc Lacasse is posted to Borden, Ont. Good luck to all of you!

Even with all the postings out of the shops due the closure coming in September and October this year, we still have people being posted in. Welcome, Pte Kyle MacKinnon and Cpl Roger Houde to the AVS Labs.

We also have to congratu-

CWO Dave Spencer and his wife Carole cutting the retirement cake.

(Photo: Pte Gerald Cormier - 14 Wing Imaging).

McCaig who is journeying to Cold Lake, Pte Morin who is moving on to Bagotville, and Cpl Robichaud who is going to Yellowknife. Although many people are moving on, we're sure they'll remember the great times they had with 2 Crew, especially Cpl Robichaud who said his goodbyes soaking wet after he was dragged through the birdbath. Good luck to everyone in his or her new jobs and new places. You will be missed.

14 AMS AMSO Shops - MCpl Don Harvie COMP SHOP

Well, the more things change, the more they stay the same as Comp Shop has

spite the adversity. We are still awaiting a replacement for Sgt Bilodeau, who is currently off training for an upcoming deployment.

Our shop has been well represented lately as evidenced by a memo of appreciation given to Cpl Gidge for his artistic flare designing the winning Ice painting for the Winter Carnival, and also the new, soon to be released, 14 AMS Logo. Not to be outdone, another memo arrived which highlighted Cpl Gargin's support as instrumental in the success of the first trial run for Enhanced Mini Intrusion Detection System (EMIDS) training for Wing Auxiliary Security Force (WASF) per-

sonnel. Way to make your MCpl proud - well done Guys!

AVN Labs

AVN Labs, however, has suffered its own tragedy of sorts, the recent retirement of Cpl Carl Lyman after almost 26 years of dedicated service. With an electrical background, his vast storehouse of knowledge will definitely be missed, once again emphasising the age-old saying "there is no substitute for experience". If only we could download all that knowledge onto a computer program to pass on to the next generation!

On a more positive note, with the departure of one comes the arrival of another. Cpl Stan Constantin and spouse welcomed an addition

late MCpl's Chris Nicodemo and Warren Reinhart on their completion of the EPLQ course in Borden, as well as bid good luck to MCpl Damion Gaudet for doing his course at the current time.

Craig Fanning (CIV), our retired Sgt, has reportedly completed the L-19 Cessna project for the Atlantic Air Cadets. There were many other volunteers working along side Craig to complete this project. Good job guys!

From the Integrated Avionics Trainer (IAT), Cpl Dan Davidson and his wife had a baby boy in which they named Dominic, on the 11th of May. Dan is now preparing to go on parental leave. Congrats Dan!

That's all from 14AMSAVS Labs. Oh, wait! There is one last thing. There was a cane found labelled "Old Man Disley". If your name is *Mike* and you are a Sgt, would you please report to the AVS Labs "lower" management to retrieve your "walking stick."

14 AMS NDT - Cpl Wayne Wood

Over the last couple of months the NDT shop has been keeping busy. Currently there are only three members in the shop and with two doing their Ultrasonic written exams, advanced work ups at ATESS Trenton and finally, their practical exams; it has

meant a very busy shop. The reduced manpower in the shop hasn't reduced the frequency of the bulkhead inspections, the requirement for support to IMP and to the Cadet Glider program, as well as, our usual support to 413 Squadron and the ARO and AMO organizations.

There have been some personnel changes to the shop to report as well. We will be losing one member, Cpl Ken Thompson who will be moving on to 12 AMS Shearwater later this year. Taking his place is Cpl Paul Neale. Many of you may remember Cpl Neale as he was a member of 14 AMS from 1997 to 2007. After completing his occupational transfer in 2007 was posted to ATESS Trenton and has now returned to 14 AMS.

MCpl Mark O'Keefe has been continuing his parental leave over the winter, and will soon be returning to work soon.

Everyone in the shop would like to take this opportunity to welcome Cpl Neale and his wife back to Greenwood and wish both of them all the best as they get settled in and reacquainted with the area.

14 AMS TSF/ETO - Cpl Shawn Cooze

Well summer is almost here and we are finally able to get out and get some golfing and other outdoor activities. With

that unfortunately comes moving the lawn (postings) but you got to take the good with the bad.

From the TSF side of the house, we would like to congratulate course 0901 and 0902 for a job well done. The top student for course 0901 was Cpl Peter Jefferson and 0902 was Pte Scott Arsenault. Congratulations to both. We would also like to welcome back Cpl Tremblay from the desert. Saying good bye is Sgt Fox who is heading back to AMO, and also Sgt Ringer who is heading back to Shearwater to start his year long French course.

From ETO we would like to congratulate newly promoted Sgt Cheryl Leblanc and wish her the best on her way to AMO, replacing her is MCpl Gillis as the new MITE coordinator. We would like to welcome back MCpl Dumont from his PLQ in Borden, from what I hear his boots have never looked better. Leaving the section is MWO Briand leaving for sunny Winnipeg in July and MCpl Brideau leaving for 403 SQUADRON, Gagetown. From what he tells me, he will be missed the most. Also leaving for a short while is WO Albert to his ILQ.

That pretty well sums up all the summer moves so far and what has been going on around here. We have all been

keeping pretty busy with courses and training and look forward to seeing you all on the golf course.

14 Wing Imaging - Pte Melissa Spence

Spring is in the air, but what a busy winter it was! There was the Winter Carnival, with MCpl Andrew Collins trying out some new "Green Screen" technology for some really creative portraits. Wing Imaging also spent some time in the middle of February helping to commemorate 100 years of powered flight; with photos and video to make sure the celebrations will be recorded in history forever.

The talented, creative geniuses here at Wing Imaging are going to be busy all year long capturing all of the Centennial of Flight Celebrations. Cpl Pete Redden is hard at work compiling all of the video for a Centennial of Flight DVD.

Check out all of the awesome photos in the Aurora from the "Future Flyers Meet the Snowbirds Event". We had most of the shop out taking photos and video, and it was worth it.

I recently completed my Advanced Video Editing course in Borden, and then headed straight to Sydney, NS with Pte Vicky Lefrançois. We were there to take some exciting photos and video of

413 (Transport and Rescue) Squadron and 103 (Transport and Rescue) Squadron's joint SAR Ex.

We were kept very busy with the Apple Blossom festivities. On the 29th of May, 14 Wing's very own Col Derek Joyce crowned the new Queen Annapolis and, of course, we were there to capture the whole celebration. All of the princesses and their military escorts from 14 Wing, dressed in their finest, looked amazing. We were also out the next day at the Apple Blossom Parade in Kentville.

Here at Wing Imaging, we're very proud of Sgt Roxanne Clowe and Cpl Mary Mechalko. Their volleyball team won the Atlantic Regional Championships for Greenwood at the end of January. Nationals were held in Comox from the 25th to the 29th of April, where our ladies took home third place.

Cpl Mechalko had to wish her teammates luck, though. She's in Borden on her QL5 course. Cpl Sue Howell and Cpl Shane Rudderham are also at CFSATE on their 5's course, keeping her company.

Speaking of CFSATE, Pte Alexandre Bouchard and Pte Jessye Therrien became the newest members of Wing Imaging after completing their QL3 course at the end of March. We'll have to wait till

next year to get to know Pte Therrien and her new baby, though. Baby girl Raphaële was born on the 21st of May, and Pte Therrien gone on Parental Leave. Congratulations Jessye! Cpl Vince Carbonneau, his wife Caroline, and big brother Olivier also welcomed a beautiful baby girl to their family. Elyanna celebrates her birthday on the 17th of April.

Unfortunately, it's not all happy news for us here in photo land. We do have to say goodbye to some good Image Techs and great friends this year. MCpl Paul Lee leaves us for Halifax in August and we'll be calling WO Ron Hartlen Sir with a promotion and posting to Gagetown in July. Cpl Lori Geneau will also be making a move to Gagetown and Cpl Martin L'Ecuyer is going to Ottawa in July. All the best and we hope to see them somewhere down the line!

Final Buzz

Now that spring is well underway it's wise to be fully aware of the tick problem we have in the Valley. They are easy to spot on humans but much more difficult on your pets. So, if your pet is out and about, take a little extra time the check your pet as Lyme Disease affects animals too.

That's the Buzz from 14 AMS. It's time to start getting prepared for BBQ season.

Lifetime Achievement - Lynda Pierce, Kingston

Canadian Cancer Society Board Member Belle Grant-Fair presents Lynda Pierce her Lifetime Achievement Award on May 25th at the Kingston Fire Hall.

Lynda has been described as "the force" behind the Canadian Cancer Society in the Kingston/Greenwood area. She is the well-deserved recipient of the Lifetime Achievement Award, which is

reserved for those individuals who have dedicated over 15 years of exceptional service to the Canadian Cancer Society, demonstrating a commitment to the Society's mission and values.

Our mission is that we are a national, community based organization of volunteers whose mission is the eradication of cancer and the enhancement of the quality of life of people living with cancer.

Lynda has supported the mission for 33 years through her work raising funds and raising hope. Lynda has been involved with the residential campaign. Throughout this time she has raised countless dollars and has encouraged, supported and trained new volunteers. In addition to her commitment to the residential campaign, Lynda supports the daffodil campaign, relay for life, swing for a cure, and a number of other fundraising events. Through these activities Lynda has dedicated countless hours and raised thousands of dollars for the

Canadian Cancer Society.

Our vision is creating a world where no Canadian fears cancer.

Lynda has been key in the starting and facilitation of our local Living with Cancer Support Group. This group meets monthly and she with Lloyd Graham put their heart and energy in providing a safe environment where those going through a cancer journey can go for support, information and inspiration. The number of lives Lynda has touched through her dedication, time, and passion to serve others we may never know, but we

do know that she is helping create a world where no one fears cancers.

Without dedicated volunteers like Lynda our mission would be nearly impossible, so it is with gratitude that we presented her with the Lifetime Achievement Award on May 25th at the annual volunteer appreciation event in Kingston.

If Lynda's story of volunteering inspired you and you are interested in volunteering with the Canadian Cancer Society, please contact Amanda at 765-4029 or go to cancer.ca

Decoration of British Commonwealth War Graves

Submitted by: Mary G. Gillis
June 14th 2009 - Old Holy Trinity Churchyard, Lower Middleton.

Plan to attend this touching ceremony, which pays tribute to the sacrifice made by these young airmen so far from home. They were killed while training at Greenwood during World War II. They came from Britain, Australia, New Zealand and Canada. We would like to see more young people in attendance, so they

will be made aware of this great sacrifice, which went on right in our own area. Under the auspices of Branch No. 1, Royal Canadian Legion, Middleton, there will be a Ceremony of Remembrance, at which the IODE, who first started decorating the graves during the war, will be represented, also representation from 14 Wing Greenwood and local Dignitaries. It will start at 7:00 p.m. with a parade, led by the Pipe and Drum Band from Greenwood, followed by an Honour Guard, Airmen, Air Cadets, Legion Colour Party, Legionnaires

and an Air Cadet Band. After a brief address by the Legion Chaplain and remarks by the Legion President, the Honour Roll will be called.

After this the Last Post, played by a bugler, and the Lament played by a piper will take place. The Honour Guard will then step forward and one by one, place a red rose on each grave – a touching act. Following the ceremony the parade will march off – The public being invited back to the Legion Hall for refreshments. This ceremony is unique in Canada.

Graduate

We are proud to announce the graduation of

Centennial of Flight Photography Contest

As part of the Centennial of Flight celebrations going on this year, a photography contest was held, challenging local youth to come up with their best aviation related photographs. The entries were judged by professional photographers from the 14 Wing Imaging section. Two of the winners, Laura Richardson and Luke Smith won tickets to the exclusive Night at the Museum event at the Greenwood Military Aviation Museum. The other winner, Kayley Melanson won a plaque mounted commemorative poster. In addition to these great prizes, the winners had the satisfaction of participating in the celebration of 100 years of aviation history in Canada. The winners and their winning entries are pictured here.

The 19th Hole

The Greenwood Golf Club held our 1st Mixed Scramble on the weekend of May 30-31. There were 14 teams in the tournament and from all reports; everyone seemed to enjoy the format. Each team consisted of 2 women and 2 men and we had to use every one's drive at least 4 times...that was an interesting part of the game.

Alice and Gail did an excellent job of decorating the clubhouse in a diner theme, complete with checkered table cloths, old albums on the walls and Elvis and Connie Francis were there to greet the players. It was fun to see people looking at the old photos of the past 50 years. Shelley played all the old tunes and those of us who stayed on for the dances, had a great time singing and dancing. Doug learned a new way to clean the CD's...he was pretty impressed with that. For those of you who missed the dances... you missed out on some neat door prizes too. Next year hopefully everyone will stay around.

Thanks to the kitchen gals, food was yummy... of course the drinks are always good. Hats off to Mike, great job. He admitted that he learned it is a big job to run a tournament, but he did a great job.

The idea to have a Mixed Scramble to celebrate the 50th Anniversary of our Club

turned out to be a great idea and to honour two of our founding members seemed to just put the icing on the cake. Joe and Rita Bartkow have been members of our Club for almost 50 years. (I think I overheard Joe say that he was transferred away for one year.). Joe said he was planning to golf in the tournament, but the other two members of his team, Tiger and Lori Kane couldn't make it! It was great to honour Joe and Rita... two wonderful people and great members of the Club. (Joe, ...you've come a long way from the Pier... Kid. I'm so glad I have had the chance to know you and Rita.)

There were 5 teams who went away with prizes:

5th - Doug Carpenter, Wendy Richardson (G'Wood) Tom Banks, Connie Armstrong (Paragon)

4th- Dave Wharry, Sandy Wharry (G'Wood) Don MacKenzie, Teresa Mackenzie (Berwick)

3rd - Wayne Mackenzie, Mary Mackenzie Wayne Graves, Mary Lavigne (Paragon)

2nd - Dale Wilson, Kathy Boudreau (Clare) Don Houston, Lori Adams (Yarmouth) 1st - Peter Foy, Janice Spinney (G'Wood) Lorne McMullen (Eden), Mary Cameron-Kelly (Paragon)

Congratulations to all the winners and more importantly

Thanks to everyone who took part in the tournament and we hope to see you again next year.

There were several Closest to the Pin and Closest to the Line prizes given out as well: Sat: #3..Peter Spicer: #13 Ian MacKenzie: Sunday: #3 Wayne Graves and #13 Wayne Graves.

Sat: # 17 (Men's) Closest to the line Jim Robinson and Sunday, Wayne Graves. Sat #8 Closest to The Pin. Ladies - Mary Cameron-Kelly, # 11 Mary Cameron Kelly.

Sun #8, Kathy Boudreau, #11 Mary Pretty, Closest to the Line. #9 Sat. Joanne Spicer and Sunday Marg MacKenzie.

Men's Night report:

Next week is a busy week at the Club... Tues is Men's Night, Wed 10th the MP's have booked 14 tee times starting at 1000: followed by Intersection and Ladies Night. Thursday and Friday June 11 and 12 - Legion Tour-

namment 9:00 Shotgun start. Friday night is 2-Ball, call the pro shop if you are going to be a little late.

Ian MacKenzie has an interesting story to tell about almost getting a Hole in One, should at least have been a Par... But ended up a double bogey... How can that be? Ask IAN!

The weather is getting better so I think summer is almost here. The course is in great shape. Remember to replace your divots and repair the ball marks on the greens. Let's all help to keep the course in good shape.

Schoolyard Found Again

Clean up crew at Dwight Ross.

Students, staff and parents spent a very dusty, dirty Saturday cleaning up the pavement at Dwight Ross Elementary School. Once all the gravel and soil were removed and all the dust was blown away, we found our schoolyard again. New 4 Square lines and Snail Hopscotch boards were painted on the fresh pavement and now the students can use the new playground balls that were bought for each classroom to be even more physically active!

David Olie from the Heart and Stroke Foundation stands with Mrs. Walker Hope and representatives from each class accepting the new playground balls purchased with money earned from last year's Jump Rope for Heart.

Annapolis Valley Music Festival Golds

By: Mrs. Walker Hope

Dwight Ross Elementary School sent both the Junior Choir, consisting of 73 Grade 2 & 3 students, and the Senior Choir, consisting of 54 Grade 4 & 5 students, to the Annapolis Valley Music Festival this spring. Both choirs were entered in three categories each. The Junior Boys Chorus brought home a Bronze medal. The Junior Girl Chorus received a silver medal and the Junior combined Choir also took home a Silver Medal, having sung songs from local composer, Donna Rhodenizer.

For the Seniors, two Silvers were brought home for Unison and 2 Part Singing, and the group received a Gold Medal for their Musical Theatre numbers from Santa Goes Green, our Christmas Musical. It was a banner week!

Students representing the Musical *FOOTLOOSE*, from West Kings High School, also competed in the Musical Theatre category, with Brittany Snow, Christiana Armstrong

and Allyson Nichols performing "Learning to Be Silent" and Ryan Walker, belting out "Mama Says". They very

Chris Martin, Greg Palmer and Ryan Walker belting out "Mama Says". They very

proudly brought home a Gold Medal as well! Congratulations everyone!

Ryan Walker tries to convince Greg Palmer with the aid of his hometown boys, Devon Simmons, Chris Martin and Zac Keeping, that all he needs to do is listen to his Mama in another 'Golden' Musical Theatre moment.

Father's Day Foosball Tournament

By: Sai Sherwood, Youth Recreation Worker

What are you doing on Sunday June 21st? Are you planning on spoiling your Dad in any way? How about bringing him down to the 14 Wing Community Centre, and taking part in a Foosball tournament?

The tournament is open to teams of 2 (dad plus a son or daughter), and will run from 2-3pm, or longer as needed! Registration is *free*, and will run from 1:45 – 2:00 p.m. The minimum registration is 4 teams, with the grand prize for the winning team being a Greenwood Mall gift card.

Many thanks to Lisa Garand and family for their generous donation of the Foosball table, making this Father's Day tournament possible.

Dwight Ross Senior Choir strikes a "Golden" pose at the end of "Power to the People" in their Musical Theatre category.

Summer Camp Update!

After lots of hard work and much anticipation, the weekly themes at each camp have been planned! See below for a description of what each camp here at the 14 Wing Community Centre will be offering each of the 8 weeks this summer. **Please keep in mind that this schedule is tentative and subject to change.** Day Camp and French Camp will be offered for children ages 6-12 years old and Sports Camp for children ages 9-14 years old. The camps will start on **Tuesday, June 30th** and will continue all summer long Monday to Friday from 9:00 a.m. to 3:00 p.m. and will wrap up on August 21st. Please note there will be no camp on July 1st and August 3rd. Registration for Week #1 will cost \$40/ week per child. Registration for Weeks #2-8 will cost \$65/ week per child and \$60/ week per each additional child in the family. A before care service will be available from 7:30 - 9:00 a.m. and an after care service from 3:00 - 4:30 p.m. for an additional cost of \$10/ week

per service or \$2/ day per service. Please note that post dated cheques will not be accepted. **Registration for all camps will begin on Wednesday, June 17th at 9:00 a.m. at the 14 Wing Community Centre.** Spaces are limited and fill up quickly on a first come first serve basis, so come as soon as you can! Also, everyone interested in our summer camp programs are invited to our **Summer Kick-Off Party here at the 14 Wing Community Centre on Monday, June 29th from 1:00 - 3:00 p.m.** Kids and their parents/guardians can come meet the staff, check out the facilities, and have fun on the Bounce Kingdom and with all the crafts and games we have planned. What better way to start the summer?! Hope to see you there! ☺

For more information, updates and changes, please check the upcoming editions of the Aurora or call us at the Community Centre at 765-1494 ext. 5341, 5337, or 5331.

2009 Community Centre Dance Fundraisers are still AVAILABLE!

By Eric MacKenzie, Community Recreation Coordinator

If you are a group struggling for fundraising ideas, then we at the 14 Wing Community Centre have a service to offer the 14 Wing Youth Community. We offer our facility to non-profit youth organization looking for fundraising to help with their club or organization. We organize dances and clubs must sign contracts and fulfill the necessary requirements to hold these dances. We are still taking bookings for 2009 Dances, and there are a few dates still available! It is on a first come, first serve basis, in person and only 1 dance per group/person. We wish to remind the sponsors, that this opportunity is a privilege that we offer to the Community, so when booking a dance for your club or organization please keep this in mind. For those of you who haven't already booked with us, feel free to stop by the Centre and take a look at our facility and the dates that are available. For more information on this fundraising opportunity, please call Eric MacKenzie at 765-1494 ext 5337.

Blood Donor Clinic - Two Day Donor Clinics

By Eric MacKenzie

Here’s your opportunity to save lives! It is once again time to roll up your sleeves and take the time to give blood. Canadian Blood Services will now be holding **two day donor clinics** as a result of the support from our local communities. Let’s respond and take advantage of this opportunity by filling up two full days with appointments. If we can double our one day attendance, over both days, Canadian Blood Services may be able to collect enough donations to save over a thousand lives!

The next **two day donor clinics** will be held at the 14 Wing Greenwood Community Centre on Tuesday June 16th and Wednesday June 17th. Donors can either give during the 1pm – 3pm time slot or the 5pm – 8pm evening slot on Tuesday the 16th or Wednesday the 17th. If you are interested in giving blood, please ensure that you bring identification with your full name and signature or full name and photograph. New

donors are welcome!

This two day clinic is made possible by the generous support from McDonald’s and Tim Hortons. If you are interested in more information please call Eric MacKenzie at 765-1494 ext. 5337, and if you wish to book an appointment, please call 1-888-236-6283.

Military Families Strength Behind the Uniform

Military family lifestyles are different from any other in Canada. Families are constantly dealing with the operational demands of deployments, courses, postings... the list goes on and on. Military families adjust and grow stronger. The Military Families Strength Behind the Uniform Campaign celebrates the uniqueness of military culture. It also recognizes the sacrifices that military families make and how those sacrifices contribute to the operational success of the Canadian Military. Military families truly are the strength behind the uniform.

The Steer Has No Name

As the weather finally heats up and you are putting together your summertime agenda, plan to attend the Kingston Steer Barbeque, which will be held Sat, July 11 at the Kingston arena. Refer to Kingston's recent newsletter for a schedule of events. Details are also found on the Village website: www.kingstonnovascotia.ca.

2009 is the 50th anniversary of the BBQ so it will be an extra special event this year. And although July is a month away, the good cooks in the area should probably begin to thumb through their recipes because once again the Aurora Inn is sponsoring the delectable dessert Bake Off. First prize will be a dinner for two at the Aurora Inn. Other prizes will be presented as well. Registration forms will be available at the Village Office.

This is the moment whose time has come. For 50 years now, Kingston has held a steer barbeque on the 2nd Saturday of July. It has become our village festival and, over the years, the Steer Barbeque has evolved into a weekend of fun. Many people are working very hard to ensure that this year's festival will be the best yet as we honour the golden anniversary of our steer.

You are probably familiar with the large black steer that proudly stands in front of Super Store during the summer months to promote our barbeque. And, in more recent years, an actual amiable steer character makes guest appearances at some village events. But there is a problem that finally needs to be remedied. The steer has no name.

You are invited, young and old, to submit names for the steer to the Village Office, either by e-mail or by dropping off a written submission. Identify yourself, where you live, and your age when you enter your suggested name for the steer. All entries should be received no later than July 3rd. Let's kick off this year's golden anniversary of the Steer Barbeque by giving our famed steer a name! Thanks for your help in this project. The winning entry will be announced Saturday, July 11 at the Steer Barbeque.

7th Annual Communication & Electronics Golf Tournament

The 7th Annual Atlantic Region C&E Golf tournament will be held this year from 18-19 Jun 2009. A four-person scramble format will be used with the first round being played at the beautiful Berwick Heights golf course and the second round at the Challenging Greenwood Golf Club. The tournament is shaping up to be one of the best ever with great food, prizes and entertainment. You can sign up individually, a partial team or a complete team of four. Maj. Steven Wood 14 WTISO would like to extend a personal invitation to all former members of the C&E branch, business associates and any affiliates interested in joining our Sqn for two fun filled days. This is a great opportunity to get reacquainted with old friends and perhaps make some new ones. For more information you can contact the Tournament Chairman Cpl David Cleghorn 902-765-1494 ext. 3556 or Tee Master MCpl Jessy Trepanier 902-765-1494 ext. 5272. For additional tournament information, to register or to browse pictures from previous tournaments please visit our website: www.wtis.ca. Registration deadline is 12 Jun 09.

Military or Civilian Defence Team Members "Book Club in a Bag" Offered by your LCC

Submitted by Kim Smith,
LCC

Would you like to start your own Reading Group? Not sure how to get started? The LCC can help! Our previous book club selections have been collecting dust in our library ... but *no more!* We are now offering previous book club selections to any Unit of military or civilian Defence Team members who want to start their own club.

We will provide guidelines on how to get your group up-and-running, *plus* loan you the books. You will find Index of titles at

M:\14 Wing Public Shared
F o l d e r s \ _ L o d g e r
Units\Learning and Career
Centre\LCC Book Club in a
Bag

All titles are linked to their discussion guide.

How it Works

The LCC's new "Book Club in a Bag" is a great new program we offer to 14 Wing Reading Clubs.

One member of your club (the Chairperson) will sign for all copies of the Book Club Book. The LCC Book Club in a Bag includes:

- All copies of the selected book, bagged and numbered

- A sign out sheet the Chairperson will use to track who has the books (all our books are numbered for easy tracking, i.e. "copy 1 of 6")
- A laminated Discussion Guide which you can use to keep your discussion moving along during your discussion meeting.

When signing out the books (this must be done in person), the Chairperson will inform the LCC staff of the date of the discussion meeting. The due date of the "Book Club in a Bag" will be set within a week following the discussion meeting.

The Chairperson is responsible for the books, and the "Book Club in a Bag" must be returned to the LCC **intact and complete**. In other words, if one or two copies have not yet been returned to the Chairperson, the Chairperson is responsible to request an extension from the LCC, rather than return only a partial set.

Kim Smith has chaired the LCC Book Club meetings since our book club's inception. Please contact Kim at local 5226 for more information, and to reserve your "Book Club in a Bag" today! Happy Reading!

HOROSCOPES

June 7 to June 13

ARIES - Mar 21/Apr 20

Aries, you have to put a positive spin on a situation that pops up in the next few days. If anyone can do this, it is you. Family demands could take up a lot of your time.

TAURUS - Apr 21/May 21

There's not much going on this week, which can be a welcome respite for you, Taurus. This could be the perfect time to plan a vacation for even more R&R.

GEMINI - May 22/Jun 21

You have a lot on your plate and you're looking to share the wealth, Gemini. The trouble is you don't have too many takers out there lining up for their share.

CANCER - Jun 22/Jul 22

Rather than dole out advice, Cancer, try some of your theories on yourself. It will give you more credibility when others start questioning how you're such an expert on everything.

LEO - Jul 23/Aug 23

Leo, there's not much you can say to put the fire out on a troubled situation. The best you can do is keep mum and wait for things to blow over. Thursday is a power day for you.

VIRGO - Aug 24/Sept 22

You're singing the entirely wrong song, Virgo, and are completely clueless to the fact. Open your eyes a little wider and see what is going on around you.

LIBRA - Sept 23/Oct 23

You may have bitten off more than you can chew, Libra. Rather than sulk about your poor decision, think about whom you can ask to lend a helping hand for a few days.

SCORPIO - Oct 24/Nov 22

Scorpio, there's so much going on lately that you really don't know what to focus on. Zero in on one particular project and get that done before you move on.

SAGITTARIUS - Nov 23/Dec 21

You're off the mark with an assessment of a certain person, Sagittarius. That's not like you since you're usually a good judge of character. Some surprises are in store.

CAPRICORN - Dec 22/Jan 20

There's more to the situation than you are being told, Capricorn. That can be pretty frustrating. Don't worry, you'll be clued in soon enough and be able to participate.

AQUARIUS - Jan 21/Feb 18

Aquarius, you may be thinking about making a luxury or rash purchase, but now is not the time to do so. Wait a few more weeks when your finances are better in order.

PISCES - Feb 19/Mar 20

A new perspective puts you in a much better mood, Pisces, and you feel ready to tackle any challenge or situation.

Jenna Breckon.

Toepics - Skating Club Wraps Up Season - Provincial Awards Won!

The Greenwood Skating Club regular 2008-2009 skating season has come to an end. The months of April and May were very busy, with skaters attending spring competitions, seminars and the final testing session at the end of the Spring School.

At the annual Gala Ice Show of Skate Nova Scotia, Greenwood's own, Jenna Breckon was named the 'Competitive Skater of the Year'. Jenna is 10 years old and has been taking lessons for 6 years now. In her first season at the Juvenile level she was runner-up at the Provincial Championships in November. She will be heading to Barrie Ontario with her sister Meghan in July to train at the Mariposa Training center.

In addition Our Coaches, Cheryle Gaston and Ann Young were honoured at the Gala as nominees for coaching awards. Ann Young is the 2009 Volunteer Coach of the Year for Nova Scotia. We are very proud!!! Greenwood Skating Club Starskater of the year - Diane Malo, Program Assistant of the Year Alyssa Aquino and Canskater of the Year Kaitlin May were among the nominees also

highlighted.

In Season ending competitions, Jenna grabbed 2 medals at the New Brunswick Spring Skate in April. On the same weekend, here in the valley, other Greenwood Skaters captured medals at the Riverview Spring Skate. Gabrielle Crosseley - Gold, Alex Robert - Silver and Erika Rice - Bronze.

It has been a busy year, as usual, and skaters are already

making plans for their summer training and setting in motion the 2009-2010 season. Our coaches and Executive will be hard at work planning next year's schedules and events and hope to see everyone back on the ice in September. With-

out the support of the local community, the club would not be able to offer their programs at a reasonable price to the skaters, so big thanks go out to Berwick Building Supplies, Subway, Morse Auto Centre and JC's Hot Tubs and Pools.

Youth Happenings at the 14 Wing Community Centre

Youth Recreation Worker: Sai Sherwood

June is finally here, bringing the first official day of summer with it, Father's day - although we'll have to wait a couple of weeks for them both to arrive! - and also the oppor-

tunity to take part in some great activities, here at the Community Centre. Check the Community Centre Notice board out as you drive by it, for weekly updates, and other general information.

There are lots of great activi-

ties planned at the Community Centre this month, so be sure to drop by and pick up your copy of the June calendar, or give us a call at 765-8165! Here's what's happening this week at the 14 Wing Greenwood Community Centre.

Boyz Club

Monday June 8th, 2009
Outdoor Soccer
4:30 - 6:00 p.m.

Boys, we will be meeting at the Community Centre at 4:30 p.m., before walking over to the Apple Bowl to play soccer! Bring some water, a friend, and the desire to kick a ball around!

Teen Activities

Tuesday June 9th, 2009
Squash

6:00 - 7:00 p.m.

Teens, meet Karen and Sai at the Community Centre at 6:00 p.m.! We'll head over to the fitness and sports centre to play some squash.

Active Chicks

Wednesday June 3rd, 2009
Tour of the 14 Wing Fire Hall
6:00 - 7:30 p.m.

Active Chicks will be meeting at the Community Centre at 6 p.m. and when we've all signed-in, we'll walk over to the Fire Hall together! Girls, this is your chance to spray the big water hose and practice putting out fires and to learn all about fire safety from the best Fireman in town!!

Hope to see you there!!

Pre-Teen Movie Night

Every Saturday is pre-teen movie night. The fun starts at 6:00 p.m. and runs until 8:00 p.m. Admission to the movie is free with your membership card or \$1.00 drop-in fee. This week we will be watching *The Gym Teacher*: Rated G. Hoping to finally achieve athletic glory, failed gymnast turned intense gym teacher Dave rigorously prepares his students to compete in the national gym class fitness competition - but one scared and awkward student, Roland, needs lots of help. With the competition fast approaching, Dave does everything he can

to transform the scrawny kid into a fierce competitor.

Teen Movie Night

Teen movies run from 8:30 - 10:30 p.m. Admission to the movie is free with your membership card or \$2.00 drop-in fee. This week the teens will be watching *The Goonies*: Rated PG. Adapted from a story by Steven Spielberg, the film follows a group of misfit kids as they search for buried treasure in a subterranean cavern. Here they cross the path of lady criminal Mama Fratelli and her outlaw brood. Fortunately, the kids manage to befriend Fratelli's deformed (but soft-hearted) son, who comes to their rescue.

GMFRC Early Childhood Education Program

Submitted by Brenda Virtue-Ellis, GMFRC Early Childhood Educator 765-1494 local 5053.

The Nova Scotia Department of Community Services licenses the Early Childhood Education Program. The program is designed to meet the social, emotional, cognitive, fine and gross motor needs of children. The curriculum provides developmentally age appropriate activities that foster growth in all areas. Children are encouraged to explore their environment through cognitive activities, art, music, circle time, dramatic play and gross motor activities.

Currently the E.C.E Program is accepting Fall 2009 Registration. If you would like more information on the programs offered contact Brenda.

The Warmline Program Heats up Five More Degrees

Five new Warmline volunteers are off and running, heating up the phone lines of our deployed families. On May 25, 2009 the GMFRC PSI Unit and Deployment Services hosted a Warmline training night, involving program orientation, engagement and listening skills, and resources available to the military community. Five eager volunteers took the time out of their busy lives to learn, laugh, and support one another in a program that is new to each of them alike. These new recruits come from different walks of life, and different degrees of involvement with the military; the

one commonality is their commitment to community wellness, and willingness to provide support to our deployed families. Reasons for involvement are varied; the consistency is that each and every one of these people are committed to volunteerism and making their community a better place to live. Thank you Warmline Callers, for your time, your energy, and your bottomless well of caring.

For more information on volunteering in the Warmline Program call the Coordinator of Volunteer Services at 765-1494 local 5938. Deployed families are waiting for your call.
