The MND and the CDS Visit 14 Wing Greenwood

The Chief of the Defence Staff, General Walt Natynczyk (Centre), speaks to Air Cadets, their staff, and 14 Wing Greenwood Personnel in the lounge of the Annapolis Mess on the evening of Monday, August 10th.

Last week, the Honourable Peter MacKay, Minister of National Defence and Minister for the Atlantic Gateway, and General Walt Natynczyk, the Chief of the Defence Staff (CDS), visited the cadet facilities at 14 Wing Greenwood and elsewhere in the Annapolis Valley.

After touching down briefly in Greenwood around noon on Monday, the dignitaries embarked on a tour of the HMCS Acadia in Cornwallis, Canada's largest sea cadet summer training centre, where they inspected and gave impromptu speeches to a group of naval cadets and their instructors while learning more about the training performed there.

The Minister and the CDS returned to 14 Wing to speak to a group of several hundred assembled air cadets and several regular force members in the 14 Wing Annapolis Mess lounge.

Minister Peter MacKay was the first to speak to the group. "In a province our size, everybody knows where Greenwood is," he said, deciding that the venue was appropriate, before remarking that many "people in the CF today are our best citizens" and making further comments directed at the cadets.

General Natynczyk gave a short speech after the Minister of National Defence, discussing the virtues of the cadet program and distributing sev-

eral CDS coins, which are given for excellence. The sole recipient of the coin at the presentation who was not affiliated with the cadets was Chief Warrant Officer Frank Balogh of 405 Squadron. While presenting the award to CWO Balogh, the CDS commented that "we have an incredible air force and it is due in a large part to guys like you."

After the presentations ended and the cadets filed out of the mess, Minister MacKay and General Natynczyk attended a dinner with the 14 Wing Commander, Colonel William Seymour, the unit commanders from the base, and various other senior officers and non-commissioned members.

2009 Terry Fox Run! Volunteers Needed

By Eric MacKenzie
Community Recreation Coordinator

The 2009 Terry Fox Run (Site # 1060) will be held in less than one month, on Sunday 13 September 09 which is the weekend prior to our annual Wing Welcome. Registration will take place at the 14 Wing Community Centre at 12:00 p.m. where a warm up will be offered at 12:45 p.m. prior to the official start at 1:00 p.m.

Individuals can either participate by walking, running or biking either the 5KM or 10KM routes planned. If you plan on cycling, then please note

that helmets are mandatory and you will not be permitted to bike either route if you do not have a helmet. If you do not have a helmet you can still walk or run either route if you wish. Plus, please be aware that participants under the age of 8 must be accompanied by an adult. Finally, it is important to note that both the 5KM and 10KM routes have changed since the routes will only travel around the PMQ's and Base but will once again start and finish back at the 14 Wing Community Centre around 3:00 or 3:30 p.m.

This is the second year that the Village of Kingston

has partnered with 14 Wing and with this great partnership, we expect this event to be even larger and more successful than ever. It is also our goal that this partnership will increase the amount of donations that we are able to collect in support of the Terry Fox Foundation!

However, as a result of this growing event, the demand and need for volunteers has also grown. This event is less than a month away and we would like to remind everyone that the success of this annual fundraiser requires a great deal of community assistance and support. If you are

interested in volunteering, please contact Eric MacKenzie at the 14 Wing Community Centre at 765-1494 ext. 5337.

We are pleased to announce that this year the 14 Wing Community Centre has once again partnered with the 14 Wing Bowling Centre in support of cancer research. The 14 Wing Bowling Centre is offering FREE bowling (up to three strings) for all those who are unable to participate in the 5KM or 10KM routes but who will be collecting pledges for the Terry Fox Foundation. If you have a pledge sheet of \$20 or more, you will be able to bowl up

to three strings between 1pm and 3:30 p.m. on Sunday 13 September 09. In order to bowl for free, you must bring your pledge sheet to the Terry Fox registration desk, at the Community Centre, at 12:00 p.m. on Sunday 13 September 09. Once you have passed in your pledge sheet of \$20 or more, you will receive a stamp and be able to head down to the Bowling Centre! For more information, please contact Eric MacKenzie, at the number provided above or Tim Martell-Norman at 765-1494 ext. 5631.

Lastly, the Terry Fox Pledge sheets and posters

have been placed around 14 Wing, and both the village of Greenwood and Kingston. Please bring your completed pledge sheets to the Terry Fox Run and fill out a Terry Fox Run Entry Form. **The pledge sheets are available in the following locations:**

14 Wing Greenwood: Community Centre, Bowling Centre, Fitness and Sports Centre, MFRC and CANEX

Our August meeting will take place at the Melvern Square Community Centre on the 19th of August at 7:00 p.m. The program will be a slide show presented by Marion Foster. She will share some of what she saw at a Flower Show in Harrogate in North Yorkshire, England.

Those of us who attended our Flower and Vegetable Show

on July 17th were thrilled to see the large number of entries. Attendance was up from last year and there was a general feeling that all went very well. Our hats are off to Sharon Hutton and her helpers!

The next big event is the election of officers in the November Annual General Meeting. We'll be looking for a secretary, a vice president and various committee members. The

Nominating Committee begins its work for this in September/October, so please talk to Fred Hole, Paul Despres, Sharon Hutton, Gail Wrenn and/or (me) Margaret Moore, if you are interested in filling any new position or interested in continuing your present role.

Letter to the Editor

Dear Editor;

It looks like the Tall Ships put on a good show in Halifax. It drew crowds of people and they liked what they saw.

I can remember as a boy when every day two and three masters were seen on the Annapolis River and where ever they could dock.

I can remember often seeing one go into Bear River. There

were two bridges, railway, and road where spans had to be opened to let them through. All trains and traffic had to be stopped and it took four men to open a span, which was not easy by any means. The two masters went as far as the village where they loaded, as there was a sawmill quite near.

Some two and three masters went as far as Annapolis,

and they were able to load from the sawmill, just a few hundred yards away.

This was shortly after World War I and there was a building boom in U.S.A. so there was no problem to sell good building products.

I can remember seeing several two and three masters anchored off Digby. They were waiting for high winds in the

Bay of Fundy to lesson so they could get away.

In the late teens, there were quite a few shipyards in the Annapolis River, where two and three masters were built and lots of people employed.

I can remember the last ship built in the Annapolis Basin; it was at Port Wade, about three miles from my home. I was nine years old so a bunch

of us boys, decided to watch; it was only a three mile walk, no cars back then.

There was a lot of people there, as a launching drew a lot in those days, some walked ten or more miles.

I watched the workers grease the ways, as they sloped down to the water, and eventually the vessel started to move. The two master was now in the

Annapolis River, and she got quite an ovation from the spectators. From there, she was taken in tow to Digby for refit and its now clear what happened to her after that, she was named the Jean F. Anderson.

This was the last two master built in the Annapolis River, as steam power had come into being.

The Ultimate Survivor Challenge

This week at the 14 Wing Sports Camp, campers had to outwit, outlast, and outplay! We started the week off by dividing into four teams and creating team names, cheers and posters to represent each group. Then, we competed in a bunch of relay races and contests to earn points for our teams that tested both teamwork and individual strengths! Tuesday, we started off the morning making shelters in the gym and then we had a food challenge that was both disgusting and delicious! Wednesday, we took a break and headed to Aylesford Lake for a day of fun in the sun. Thursday, we had an "Egg Drop Challenge" and ran through some cool obstacle courses. Friday, we had a dodgeball tournament with all the teams and then had a huge scavenger hunt around town for our final challenge. We would like to thank the bus driver for taking us on our trip, the lifeguards for their help at

The RHU (PMQ) Summer Beautification Contest is On

Submitted by: Capt Keith Cusson

We are approaching the end of another beautiful summer in the 14 Wing Community. But before we can let it end, the Community Council is once again running an RHU Summer Beautification Contest. Driving around the RHUs, it's easy to tell that Summer is here—folks have got the barbecues lit, they are sitting outside with their favourite refreshments,

and the gardens they planted in the spring are in full bloom. If you haven't started already, you still have two weeks to spruce up your property in preparation for the contest.

For your chance to win one of the great prizes available, you will need to have your yard at its most pristine by August 28. Judging will take place in the evening, with the judges to be determined. Prizes will be awarded for 1st, 2nd and 3rd

Place, in the form of Gift Certificates from local merchants here in the Greenwood area. Winners will be notified the following day (August 29th), and will be announced in The Aurora Newspaper.

There's still plenty of time, so break out the lawn gnomes and garden tools and let the decorating begin! Good luck to one and all!

Adopting an Adult Pet

Submitted by: Janet Young

Here in the real world, most families are pretty busy. Younger households have school and soccer. Empty nesters are enjoying the liberty of new interests and rediscovering old ones. Whatever the age, most homes already have a pretty full plate.

Yet very few folks are so busy that they don't want the companionship of a good pet. Scientists are just beginning to discover what pet owners have known all along ... that having a pet is

good for our physical, emotional and mental well being.

For a very brief period of time, baby animals have an irresistible appeal. Its all too easy for prospective pet owners to overlook how much time, energy and money they will need to invest in their new best friend. Getting a youngster off on the right paw takes many months of patience and stamina. Responsible pet owners will be investing in everything from vet care to obedience classes.

There is absolutely nothing wrong with going down this road, but it is not always suited to a busy lifestyle.

So how can an active family, who would have much to offer a pet, find their next best friend? Adopting an adult pet from rescue just might be the purrfect solution for a busy household.

To begin with, you won't be starting from scratch with an adult. They are normally house-trained and are just as fond of sleeping

though the night as you are. Adult pets are often more appropriate for children because they are calmer.

What you see is what you get. Adult pets are as big and beautiful as they are going to get. Their adult personalities are formed, so it's easier to tell if they are truly a kindred spirit.

There are fewer vet fees. When you adopt an adult pet from a responsible rescue or shelter, they will already be vet checked, vaccinated and spayed or neutered. The adoption fee

is small potatoes compared to the cost of that.

Well cared for pets can live for fifteen to twenty years these days with good food and care. All of the adults available for adoption were youngsters for a brief period of time, but still have years of love and devotion to offer.

Adopting from rescue is a safe way to bring a new pet into your family. Known health and behaviour issues are never kept hidden by reputable groups. The adoption

process is designed to find the right fit that will last for a lifetime.

Best of all, adopting an adult pet is a great way to teach children good values. Lets face it – we live in an extremely materialistic society where TV teaches children that anything can be bought. Adopting an adult pet from rescue represents a wonderful opportunity to let children find out firsthand how rewarding kindness and compassion to a secondhand pet can be.

The Story Behind Making the Banner

By: Trudi Kwakernaak

When the Canadian Government decided to send ground troops into Afghanistan it was a shock. We had a small Armed Forces and our equipment was antiquated. As peacekeepers, we had earned an enviable reputation around the world. We hadn't taken part in significant front line fighting since the Korean War. Canadians were divided on whether we should be accepting a combative role in the fight against terrorism. But the government said Yes and our troops were deployed. When 4 young men became our first casualties of the Afghanistan war many of us cried in shock and disbelief. We grieved for the family and friends but also faced harsh reality. These soldiers could be just the first of many. More deaths

were likely before the war ended. Unfortunately and sadly our greatest fears have become reality. We've now lost many more than the original 4 – too many lives in the fight against terrorism. And the fight is not over.

I've created banners for postings, retirements, births and numerous other occasions. When the 50th soldier died and I had dried my tears, I envisioned a tribute to these brave men and women who had gone into battle and had given their lives for a cause they believed in. I wanted to do something significant that could and would serve as a reminder of the War and its injustices. I decided that I wanted everyone to know and remember our heroes names. This banner was created because I cared. It was created because I wanted these brave souls to be united as one no matter what their position, regiment or rank. The names on this banner must never be forgotten. They are the reason we exist. And, they represent each and every soldier that fights for our freedom. While most of our deployed return home to their families, these individuals will never experience life again but we need to

(Left to Right): Ken Sparks; Frank Turton; Ray West; Trudi Kwakernaak; Kelly West; Dave Saulnier; Gord Stephen.

ensure that they continue to live on in our memories.

The Regiment of Poppies on which their names are written signify courage, strength, commitment, pride and remembrance; The Cross represents faith, hope and belief in God, love and life; The Flags fly for the Nation which we represent and are proud citizens of; The Rifle and Helmet signify the laying down of arms by those who have fallen because they have found peace and shall fight no more; The Ribbon signals our support for all the troops who battle for our freedom. The Poem and Other Words are written for them – the ones who came home because they had no more to give.

This Banner is a salute to all our troops but especially to those who so willingly fought and died for our freedom.

Save the Last Ants!

Last week at 14 Wing Greenwood Community Centre's French Camp we were Enviro-Heros. We wrote letters to the government and during our exploration of the earth we made crafts with items from nature. We even planted our very own seeds which we cared for all week! We also used tasty ingredients like pudding and gummy worms to make delicious "cups of dirt". In-keeping with our theme, we created hanging earths that remind us to reuse, reduce and recycle. We also had a super fun time bowling at the Greenwood Bowling Centre. To explore the Earth's natural wonders even further, we ventured to Aylesford Lake for a day of refreshing beach fun. We would like to thank the Bus driver for taking us on our trip, Tim Martell for the use of the Bowling Centre as well as the lifeguards for their daily su-

pervision. As we start our final week of the summer, 14 Wing Greenwood Community

Centre's French Camp would like to remind everyone to take care of our world, its crea-

tures, its plant life and its people. You can be an Enviro-Hero too!

Notice to 14 Wing Greenwood Married Quarters Residents

Reference:

DAOD 4007-2 Fire Protection Services NFPA 291

The 14 Wing Fire Department will be conducting Hydrant Flow Testing on base and in the Married Quarters. The purpose of conducting the Hydrant Flow Testing is to identify any deficiencies and to ensure the water main and delivery system is serviceable.

The testing will be conducted Monday through Saturday between 1730 and 2100 hrs during the month of August 2009.

Throughout this process, residents may incur some water discoloration or sediment during the time of testing. Although the water will remain potable throughout this process, residents may wish to let their water run for a two minute period if they do experience temporary discoloration. Given the unpredictability of the water discoloration, it is recommended that households refrain from doing any laundry during this timeframe, as the water may discolour clothing.

For more information concerning Hydrant Flow Testing, please contact the 14 Wing Fire Department at 765-1494 extension 5206.

First of all, sorry there was no article last week, but I didn't have much to report and thought I would give the readers a break.

For those of you who like to read your name in print here are a few bits of "Old News".

Mens Night, July 28th.

There were 42 golfers out for the three person scramble...

Skins were won by McDonald, Fitch, Lenton #1 & #3 AND Cooper, Smith and Hennessey #16. The 50/50 was won by Jackie, Erin and Helene. Then on July 29th, the Ladies Night, there were 16 ladies out on a very hot and humid evening. Wednesday night Ladies, Aug 5th. There were 19 ladies out and there were some interesting things happening. L to R: Betty Saltzman, Donna Hill, Cyndi Landry. (Photo Submitted)

Paulette/ Sandra, Millie, Elizabeth and Susan. The 50/50 winner was Elizabeth. Thanks Donna for looking after Wed. Night, I know the ladies enjoy it and I also know it takes time to organize it, great job.

Friday Night 2-Ball, August 7th. It was a perfect night for golf. There were 55 people showed up and each and everyone of them had a great time. There were lots of new faces and of course there were the regulars. It is great to see so many people supporting the club and this golf/party night. The Big winners were Smokey Robinson and Tammy Ring: Low putts went to Ian MacKenzie and

Shirley Weightman. High score winners ??? went to Bob Trimm and Pat Cross and high putts went to Bob Cross and Irma Raines. Hats off to Dallas for organizing Friday Night 2-Ball...this is a big job and it is great to have a volunteer willing to do it. Remember: in order to play in the Friday Night Closing tournament, you have to play 5 Friday Night 2-Ball events...there is still time to get those 5 nights in...the closing is scheduled for September 26th...MARK THAT DATE ON YOUR CALENDAR.

This past weekend the Ladies held the Ladies 2-Ball.

There were 22 ladies out and it was a great day, lots of sunshine but not too much humidity. Just what the gals needed to enjoy the Pinehurst format. There were two winners of closest to the pin: #8, Fran Delong and #11 Betty Saltzman. The prize winners were: Field Low Net...Cyndi Landry and Betty Saltzman (they were also the low gross winners) Field Low Gross- Donna Hill and Sheila Johnson: 1st Low Net Sandra Cathcart and Hazel McEwan (We played with them and both were really hitting well and the energizer bunny Hazel was sinking putts from everywhere...even chipped in for a Birdie on #13) 2nd low net was Alice Langill and Gail Croucher: 3rd Low Net was Audrey Costin and Kathy Mathews: 4th Low Net was Sandy Adams and Wendy Richardson (good for Sandy, playing with her bad hip, I enjoyed the round...you'll be back in true form soon) and 5th Low Net Elizabeth Robinson and Fran Delong. The 50/50 was won by Margie Welin. Thanks to Betty for organizing yet another good tournament and you must have a direct line to the Good Fellow upstairs...the weather was awesome. The Club

Championship is the next tournament to sign up for, it is Aug 22 and 23. It is a 2 day tournament and we would like to see as many ladies members out for this one. sign up in the locker room.

The FALL BALL is coming up in September: There are still openings. Give Sandy Adams a call 765-3705 for more info. This is a great Mixed tournament, two days of Pinehurst, Glow Ball putting contest, Pig Roast and PRIZES...lots of Prizes. Don't miss it...it is too much fun.

The schedule for next week looks like this: Tuesday, August 18th...Mens Night, Wednesday, August 19th, IPE 1000hr: 14 Tee Times, Intersection.

Ladies Night, Thursday, August 20th, Annapolis Mess 1000hr.

Friday, August 21- Friday Night 2-Ball

Saturday and Sunday...CLUB CHAMPIONSHIP TOURNAMENTS 0800hr.

Congratulations to Doug Laidlaw on his Hole In One...#3, 174 yds. using his 3 Wood and the event was witnessed by James Irvine. That's a shot to be proud of and one that usually means your wallet is a little lighter...never could understand that...You get the hole in one and You buy the drinks...shouldn't everyone else be buying YOU a drink?...guess that is just one of those crazy traditions.

There is still lots of golfing weather left, so for those of you who don't have a membership, give the Pro Shop a call and take advantage of our great prices.

The course is in great shape. Still see a lot of ball marks on the greens. It doesn't take much to fix them and I am sure you must know when you make one. Remember to keep up the Pace of Play...that means keeping up to the group in front...not just AHEAD of the group behind! Be courteous and let golfers play through if you are playing slow.

Til next issue...Hit 'em Long and Straight...like Sir Charles!

Sobeys Supports our Troops!

Submitted by: Michelle Thibodeau Wagner, Coordinator of Special Events and Promotions, Greenwood Military Family Resource Centre 765-1491 local 1421 michelle.thibodeau-wagner@forces.gc.ca

Wow. The staff of Sobeys Greenwood has once again shown their support for our troops and the work of the Greenwood Military Family Resource Centre (GMFRC). Each week Sobeys staff participate in Red Friday/Casual Friday, their accumulated weekly donations added up to a whopping \$1000 donation to the GMFRC. Their combined support helps us to provide programs like sending morale mail packages to the troops, respite childcare to deployed families, counseling services and help with emergency childcare plans. We couldn't provide the services that we do without the help of people like our friends at Sobeys. We send them a big Thank You for their dedication to Supporting our Troops and our centre.

Thank you Sobeys.

This week at 14 Wing Day Camp went by with flying colours... literally. To get the creative juices flowing on Monday morning we designed and decorated some folders, to make sure we had a safe place to store our masterpieces, before we let things get a little messy with a paper-mache invention involving lots of tissue paper, tonnes of paint and even more glue. Tuesday we put our heads together to create some beautiful group paintings with our friends. We let loose on Wednesday learning the technique of drawing to music and capturing movement on paper, with a quick break to learn some new dance moves of course. Thursday was all about admiring the gorgeous landscape around us by taking a sun-soaked trip to Aylesford Lake for the day. Finally, once all the crayons were dull and the paint dried up camper's ended off the week with some radical tie-dye. Stop by the 14 Wing Community Centre to learn more about our camp and its staff or to register your child today! Until next time campers: remember to always be yourself & don't be afraid to let your true colours show!

2009 Wing Welcome

18 - 19 September 2009

UPDATE

By NCdt Dempsey

This year, the annual Wing Welcome weekend will kick off on Friday, September 18th and go until Saturday, September 19th, 2009. The Wing Welcome will be themed around the year's Centennial of Flight Celebrations. With the great buzz generated by the many Centennial of Flight activities thus far, this is shaping up to be the greatest Wing Welcome ever!

Each year, 14 Wing Greenwood holds Wing Welcome activities as a way to welcome recently posted CF members and their families to the Greenwood community. The activities provide a relaxed atmosphere for personnel, family and friends to get out and have some fun while meeting new faces, networking, and enjoying each other's company. The Wing Welcome also provides an opportunity for 14 Wing members and their families to learn about their community and the wealth of activities and clubs both on and off the base. Clubs and groups will set up their displays in the Fitness and Sports Centre on Saturday. So come and check out what fun and exciting events are available in Greenwood.

This year's Wing Welcome

Veterans' Meet & Greet

The 14 Wing Centennial of Flight Committee is pleased to announce a "Meet the Vets" afternoon at the Kingston Legion Branch 98 on August 22nd from 1:00 to 4:00 p.m. 14 Wing Greenwood personnel and members of the local community are invited to come out and spend an afternoon with their currently serving and retired Air Force family. The dress is casual. We promise an afternoon of camaraderie, light snacks, cool drinks and tall tales. This event is sponsored by the 14 Wing Centennial of Flight, Royal Canadian Legion Branch 98, The Canadian Association of Veterans in United Nations Peacekeeping and the 107 Valley Wing RCAFA. We hope to see you there.

promises to provide an array of fun activities for all ages. For young children, there will be activities such as an extreme bouncer slide, an extreme maze and temporary tattooing. For the youth, there will be a youth bouncer, the popular skateboard competition and a Youth Idol so be sure to bring your singing voice. The active kids in the community can take part in the 5km Fun Run and the Iron Kids Triathlon. For young adults we have speed dating and a plan is in the works for

a wine tour for the grown-up crowd. For the entire family, there will be activities such as a family skate, family swim, glow in the dark bowling, and a family movie.

Other extraordinary activities include a Wing Welcome Golf Tournament on the Friday morning, a pancake breakfast on Saturday morning and a third consecutive visit from Highland Games strength event athletes. Friday night, 14 Wing will host the "Hangar Dance in the Mess". This will be a packed

The GMFRC Went to Camp Aldershot

GMFRC display generating alot of interest while at Camp Aldershot's Open House. Thanks to all our volunteers.

Submitted by: Michelle Thibodeau Wagner, Coordinator of Special Events and Promotions, GMFRC 765-1491 local 1421 michelle.thibodeau-wagner@forces.gc.ca

The Greenwood Military Family Resource Centre was fortunate to have participated in Camp Aldershot's Open House on Saturday, August 8th. Our booth was responsible for the panicked look on parents faces as they were trying to figure out where all the yellow support our troops foam fingers came from. Camouflaged kids (and some adults) had fun blasting their way their way through the kiddie commando course, a simulated firing range, a heavy equipment display and getting the most gruesome fake wounds ever. "Juno" even took a minute to snap a picture with our amazing volunteers and staff. Deployed troops were very much on the minds of all who stopped by our booth and signed the GMFRC banner to deployed troops.

Beta Sigma Phi's Maritime & New England Area 2009 Convention

In this happy photo are four Sorority Members, L-R Cheryl Murphy, Alana Penton, Esther McKnight and Joyce Jacques. Cheryl, Esther and Joyce are Xi Kappa, Greenwood members and Alana Penton is a Summerside, P.E.I. member. Over one hundred women attended this Convention. It was a summer weekend of fun, tasty meals, prizes, entertainment and memory making. Friday night was a Down Home Kitchen Party when members were to wear their Wildest, Most Loved or Most Useful apron. Cheryl Murphy took first prize for her Most Useful apron. It was a winning week-end for Cheryl as she

also won a prize on Saturday and on Sunday she won a 50/50 draw and came home with winnings of over \$200.00. Members from all over the Maritimes and New England attended this Convention held at the Crowne Plaza Hotel (Lord Beaverbrook) located on the bank of the majestic St. John River in historic downtown Fredericton. It was a perfect week- end for a Lively Kitchen party, a sit down dinner w/entertainment on Saturday and a Be GREEN Sunday, Think Green, Wear Green, Be Green! Members were very creative with this theme.

Historic Aircraft that Played a Significant Role in Canadian Aviation Heritage

Submitted by: Bryan Nelson, Executive Director, Canadian Aeronautical Preservation Association

Lockheed / Canadair T33 *Silver Star*

The T-33 is one of the most successful jet trainers of all time. When Canada decided to move to jet trainers Lockheed won the competition and Canadair awarded the contract to build the aircraft under license. The RCAF gave the T-33 the name *Silver Star* in honour of the first Canadian airplane, the *Silver Dart*.

As with other aircraft Canadair built under license, there was extensive redesign work and new technologies to master. Canada chose the more powerful Rolls Royce Nene engine, which required extensive redesign work. The manufacturing technique for the aircraft was also new to Canadair, as the aircraft was literally split in half and then joined after the engine was installed.

The *Silver Star* began appearing in squadrons and schools in large numbers in 1953. Among operational

RCAF squadrons, both Regular and Auxiliary, as well as some Royal Canadian Navy squadrons, the T-33 was used as a trainer and utility aircraft. Perhaps the best-known use of the T-Bird was the Red Knight – the RCAF's official solo aerobatics act. RCN had their own solo display under the name Red Herring in an apparent parody of the RCAF.

In the NATO Air Training Plan, which ran from 1950 to 1958, Canadian and NATO pilots received their advanced flying training on the T-33. The T-33 continued in the training role until 20 June 1974. Thereafter, the *Silver Star* was used as a utility aircraft, towing target drogues for surface to air gunnery for the army and navy, and simulating enemy aircraft for combat training and

when equipped with special electronic pods it could simulate an anti-shiping missile. The last T-33 retired on 31 March 2005 having been used by the Aerospace Engineering Test Establishment at 4 Wing Cold Lake as an ejection seat test bed.

Canadair built 656 *Silver Stars* for the RCAF between 1952 and 1959. Some also appeared in NATO air forces, as aircraft surplus to the RCAF were transferred to France, Greece, Portugal and Turkey under NATO Mutual Assistance in the late 1950s. The fact that the aircraft served for 54 years speaks to the excellence of its design and the quality of its construction and maintenance.

Le T33 est l'un des avions d'entraînement à réaction qui a connu le plus de succès. Lorsque le Canada décide de passer aux avions d'entraînement à réaction, Lockheed remporte l'appel d'offres et Canadair se voit octroyer le contrat de construction sous licence de l'avion.

L'ARC donne au

T33 le nom de *Silver Star* en l'honneur du premier avion canadien, le *Silver Dart*.

Comme pour d'autres avions que Canadair construit sous licence, il faut revoir la conception et maîtriser de nouvelles technologies. Le Canada choisit le moteur Rolls Royce Nene, plus puissant, ce qui nécessite d'importantes modifications à l'intérieur du fuselage. La technique de construction de l'avion est également nou-

velle pour Canadair : l'avion est littéralement séparé en deux parties, qu'il faut assembler une fois le moteur installé.

En 1953, les *Silver Star* commencent à faire leur apparition en grand nombre dans les escadrons et les écoles. Parmi les escadrons opérationnels de l'ARC, tant réguliers qu'auxiliaires, ainsi que dans certains escadrons de la Ma-

rine royale du Canada (MRC), le T33 est utilisé comme avion d'entraînement et avion utilitaire. L'utilisation sans doute la plus connue du *T-Bird* est celle à titre de *Red Knight*, le seul avion de voltige aérienne officiel de l'ARC. La MRC a aussi son propre avion de démonstration, qu'elle nomme *Red Herring*, apparemment pour parodier l'ARC.

Dans le cadre du Programme d'entraînement aérien de l'OTAN, qui a cours de 1950 à 1958, les pilotes du Canada et de l'OTAN reçoivent leur entraînement avancé

au pilotage sur T33. Cet appareil continue à servir comme avion d'entraînement jusqu'au 20 juin 1974. Par la suite, le *Silver Star* est utilisé comme avion utilitaire afin de remorquer des cibles pour l'artillerie surface-air à l'intention de l'Armée et de la Marine et simuler un avion ennemi pour l'entraînement au combat. En outre, une fois équipé de nacelles électroniques spéciales, il peut simuler un missile antinavire. Le dernier T33 est retiré du service le 31 mars 2005 après avoir servi de montage d'essais pour des sièges éjectables au Centre d'essais techniques aérospatiale, à la 4^e Escadre Cold Lake.

Canadair construit 656 *Silver Star* pour l'ARC entre 1952 et 1959. Certains, devenus excédentaires pour l'ARC dans les forces aériennes de l'OTAN, sont transférés à la France, à la Grèce, au Portugal et à la Turquie aux termes d'un accord d'assistance mutuelle de l'OTAN vers la fin des années 50. Le fait que l'avion ait fourni 54 ans de service témoigne de l'excellence de sa conception et de la qualité de sa construction et de sa maintenance.

HOROSCOPES

TAURUS - Apr 21/May 21

Taurus, there's no time like the present to embark on that home improvement you've been considering. Encourage others to give you some friendly assistance.

GEMINI - May 22/June 21

Gemini, if you've been thinking about taking a trip, now is the time to do so. Grab a friend or family member to take the ride with you and it will be much more fun.

CANCER - Jun 22/Jul 22

Cancer, you have been feeling under the weather, and you can't seem to bounce back quickly. Rest is key this week. There's no point in getting even more run down.

LEO - Jul 23/Aug 23

Lions may be the king of the jungle, Leo, but this week you're having trouble mustering a meow. Get your energy back so that you can enjoy your birthday.

VIRGO - Aug 24/Sept 22

Virgo, a move you made a few weeks back is not panning out as you had hoped. You just can't seem to get along with your new housemate. It may be time to move again.

LIBRA - Sept 23/Oct 23

It seems you have been taking advantage of loved ones, Libra, and now is the time to change your ways. Do more for those you love and you will receive it in return.

SCORPIO - Oct 24/Nov 22

Scorpio, you want to run the show this week and others will be anxious to let you. Don't let the power go to your head or else you'll make enemies very quickly.

SAGITTARIUS - Nov 23/Dec 21

A friend in need has you running, Sagittarius. But don't be so quick to jump every time this person beckons or else the situation could get out of control very quickly.

CAPRICORN - Dec 22/Jan 20

A lot on your plate at work, Capricorn? If you feel like you're doing too much it may be time to start speaking up about your workload. Don't get worn out.

AQUARIUS - Jan 21/Feb 18

The finances should be an open book with your partner, Aquarius. Controlling spending is a way to cause arguments; this is a two-way street. Start seeing it as so.

PISCES - Feb 19/Mar 20

Pisces, if plans don't work out the way you expected this week don't get discouraged. Bounce back and set a new agenda.

GMFRC Early Childhood Education Program

Submitted by Brenda Virtue-Ellis, GMFRC Early Childhood Education Teacher 765-1494 local 5053

The Early Childhood Education Program at the Greenwood Military Family Resource Centre (GMFRC) is a site-specific program, licensed by the Nova Scotia's Department of Community Services. It has been serving this community since 2002.

The program is designed to meet the social, emotional, cognitive, fine and gross motor needs of children. The program strives to meet the unique individual needs of all children.

The curriculum provides developmentally age appropriate activities that foster growth in all areas. Early literacy and school readiness skills are incorporated into the program. Children are encouraged to participate and explore their environment through art, music, cognitive activities, circle time, gross motor, and dramatic play. Children are encouraged to participate in the selections of topics for the in-depth studies. This provides concrete learning opportunities for the children.

This fall a new and exciting component, "Singing English" has been added to the E.C.E program. This program fosters phonological awareness/literacy skills, social skills, listening and communication skills. This program helps children explore and learn language through song.

The E.C.E program is separated into two groups: one for each age level. Currently there is a 2.5 to 3 year old program and a 4 to 5 year old program. Fall Registration for 2009-2010 is currently underway. Space is limited. If you would like more information on these programs contact Miss Brenda.
