Canadian Forces members from around the country have been chosen, along with thousands of other Canadians, to carry the Olympic Torch as it makes its way across the nation toward the Vancouver 2010 Olympic Winter Games. At 14 Wing Greenwood, twenty of our soldiers and civilian personnel, representing many different

units of the Wing, were selected to carry the torch through Greenwood, Nova Scotia around 3:00 p.m. on Wednesday, November 20th, 2009.

After being lit during a traditional ceremony in Olympia, Greece the torch will pass through every province and territory in Canada and cover some 45,000 kilometres over 100 days along the hopeful path to Vancouver. 14 Wing's portion of the route

will be approximately 1.5 km in length, starting near Shoppers Drug Mart and concluding at 14 Wing Fitness and Sports Centre parking lot, and our members will each run or walk 75-100 metre legs.

It's not for a few months, but everyone is welcome to come out and cheer on the 14 Wing team while they carry the storied Olympic symbol of peace, goodwill, and enlightenment.

Nailed It!

Michelle Walker, A 14 Wing Admin Cleaner Working in Wing CE Logistics, 5 Hangar – WLEO, displayed her Support for the Troops in a very unique way.

Her story:

While visiting family in Bathurst, NB a few weeks ago I was looking at my sister-in-law's photo album, which included many designs, she had paint on fingernails. Watching her paint my nails, it inspired me to try to free hand paint my own.

Arriving home from our trip I thought I would paint my nails red for Red Friday. I went out and purchased the paint and tools needed. I have never tole painted before so I knew it would be a challenge for me. I thought, "what do I have to lose"? It's only my nails and I can take it off if it doesn't turn out. After trying a few different designs it didn't seem as hard as I thought it would be.

Once I painted them I thought red was not the best looking color to put on nails. I wondered what I could do to spruce them up because I wanted to wear them red on Friday. I decided to go out and buy some yellow paint. I thought I would try and add the Support the Troops Ribbon.

After a couple hours of trying, much to my surprise they turned out nice and have been a big hit with lots of compliments.

It's wasn't until I started working here at 14 Wing as a cleaner last year I realized how important the military is, and what an important role they play at home and in the rest of the world.

This is one way I can support and thank all military members and their families for the sacrifices they make every day so we can live in a safe and free country.

Michelle Walker.

14 Wing Meteorological Centre Says Farewell to Departing Forecasters

By: Lt Matt Zalot

For the past 67 years, military members and Environment Canada (EC) employees have worked together at 14 Wing Greenwood in order to make sure that the Wing has had access to the most accurate and up-to-date meteorological data possible. Of course, time passes and technology changes along with it, so that now, the briefing and forecasting for 14 Wing can be conducted remotely. In response to these changes, EC recently decided to relocate its Greenwood-based Weather Service Centre (WSC) meteorologists to Gagetown in the lead-up to the full operational capability of the Joint Meteorological Centre (JMC), which is scheduled to occur in 2013. So, on August 27th, under brilliant, clear skies, 14 Wing Greenwood officially said goodbye to the departing EC employees and several recent retirees.

During the small afternoon barbeque and brief ceremony for the outgoing personnel, 14 Wing Commander, Colonel Bill Seymour, spoke prior to several Ottawa administrators, who

also gave speeches to mark the end of the decades-long partnership with Greenwood. "Sixty-seven years is a long time," began Col Seymour, before commenting on the significance of the meteorological service. "The work being done on the operational side is of immense value."

"Change is never easy, but change, we must," said Abdoulaye Harou, the acting Director of EC's Aviation and Defence Services, from Ottawa, who spoke about the decision to move the "weather team" that has provided on-site meteorological support to all 14 Wing operations. "The mission of the Canadian Armed Forces has evolved and expanded a great deal over the past 15 to 20 years and, to keep pace, the meteorological and oceanographic support services must also evolve and adapt."

The next speaker in the cloudless summer afternoon was Martha Anderson, Director of Meteorological Oceanography at NDHQ, who spoke about how the move from Greenwood to Gagetown fits into the larger strategic picture, and how the

expanding enterprise at the JMC "will make sure that the users in Greenwood are well-served."

Peter Cromwell, Acting Manager of the WSC Greenwood, closed the ceremony with the final words of the day. "To the men and women of the military, it's been a pleasure; indeed, it's been an honour."

14 Wing Greenwood wishes all of the departing EC workers well and it's certain that the new 14 Wing Meteorological Office will feel emptier without the presence of its civilian employees.

Avis aux résidents de la BFC Greenwood

Vu que plusieurs nouvelles familles s'installent après un été plein d'affectations, le détachement de la Police militaire de la 14^{ème} Escadre désire saisir cette occasion pour souhaiter la bienvenue ainsi de vous relier un message quant à la prévention de la criminalité. Greenwood est généralement un endroit très sécuritaire, avec peu de crimes violents. Cependant, des infractions contre la propriété sont plus communes. Soyez

avisés qu'il est important de sécuriser les portes et fenêtres de vos véhicules afin d'éviter la perte de vos biens attrayants. Récemment, on a reçu plusieurs de rapports de biens volés des véhicules qui n'ont pas été sécurisés comme il faut. Les voleurs se servent des aires boisées pour cacher leurs mouvements et typiquement commettent leurs crimes très tard dans la nuit. La Police militaire a dédié plus d'efforts afin de

contrer ces malfaiteurs déplorables mais de la surveillance additionnelle par les résidents sera toujours grandement appréciée. Si des inconnus ou personnes suspicieuses se trouvent sur ou proche de votre domaine, n'hésitez pas à contacter la Police militaires à l'extension 5544 qui répondra aussitôt que possible. Une description précise aiderait l'identification et l'arrestation des criminels.

Notice to CFB Greenwood Residents

As many new families are settling in after posting season, the 14 Wing Military Police Detachment would like to take this opportunity to welcome you to the area and pass on a very important message regarding crime prevention. While Greenwood is generally a very safe area, with a minimum amount of violent crime, property offences are more common. Please be aware that to avoid the loss of your valuables, it is

important to lock the door and close the windows of your vehicle(s).

There have recently been several reports of items being taken from vehicles that have been left unlocked. We believe the thieves use the wooded areas around the Residential Housing Area to conceal their movement and typically operate late at night. The Military Police have increased efforts to

specifically deter these lowly criminals, however, more alert eyes and ears will help the cause. Should anyone observe an unknown and/or suspicious person on or around their property, they may contact the Military Police at extension 5544 who will respond as soon as possible. The better the description that you can provide, the more likely we will be in apprehending the crooks.

Le 3 septembre 1939, seulement quelques heures après le début de la Seconde Guerre mondiale, le gouvernement canadien a adopté le décret 2483, qui ordonnait aux navires marchands de combattre

Les Services financiers du SF RARM au fil des ans... nos clients en parlent

Par: Marie Navarro, B.A. Comm., coordonnatrice des communications, Services des communications et du marketing, SF RARM

Nous sommes en 1984 : « J'étais au centre de réadaptation et je pensais : Où vais-je vivre maintenant? Où vais-je travailler? Je dois trouver du travail... je ne peux passer le reste de ma vie assis ici à regarder par la fenêtre! Ensuite, un coordonnateur en réadaptation des Services financiers du RARM (SF RARM) est venu me voir et nous avons discuté de ce qu'ils faisaient. »

À ce stade de sa vie, après un accident d'auto qui a laissé l'ancien technicien d'aéronefs militaires quadriplégique à vie,

Lawrence Aucoin trouva le soutien dont il avait besoin grâce au programme d'Assurance invalidité prolongée (AIP) et au Programme de réadaptation professionnelle (PRP) des SF RARM. « En tant que quadriplégique, il est impossible de faire partie d'une communauté et de subsister sans un revenu quel qu'il soit, mais les SF RARM sont toujours là. » Lorsqu'il a eut besoin d'un nouveau véhicule, les SF RARM lui ont facilité l'obtention d'un prêt sans intérêt et ils ont payé pour faire adapter l'auto à ses besoins. « Vous ne pouvez imaginer l'importance d'un véhicule, combien cela peut changer votre vie : j'ai la liberté d'aller où je veux... et c'est grâce à ces gens! »

En 1994 : « Même si je suis entièrement indépendant [maintenant] et que je vis à mon compte dans la communauté, lorsque j'ai besoin de quelque chose, je les appelle et ils [les SF RARM] font tout ce qui est en leur pouvoir pour m'aider. J'ai dû rebâtir ma vie, mais pour ce faire, il faut des outils ; les SF RARM étaient là pour me les fournir. »

Nous sommes en 2007 : Un soldat reste figé d'étonnement devant la première facture de son nouveau cellulaire : 158 000 \$ de frais supplémentaires pour un seul mois d'utilisation! Il s'avère qu'en branchant son cellulaire à son ordinateur, afin de l'utiliser comme modem pour naviguer sur Internet, il avait encouru des frais imprévus, bien au-delà des 10.00 \$ mensuels

prévus au plan. Au comble du désespoir, il se tourne vers les SF RARM. Sa conseillère financière se met en rapport avec le fournisseur du service cellulaire en question et réussit, lors de ce premier contact, à réduire la facture de 90 %. Le soldat désemparé n'y échappe tout de même pas : il lui reste une dette de 15 800 \$, qu'il doit rembourser sur une période d'un an, à un taux de 26 %! La conseillère financière persévère et, en s'appuyant sur la politique générale de la compagnie, qui se doit d'établir une limite de crédit pour ses nouveaux clients – ce qui ne s'était évidemment pas fait – elle parvient à diminuer le solde davantage, à seulement 2 000 \$. Toujours insatisfaite, la conseillère financière passe de nouveau le contrat au peigne fin; elle insiste auprès du représentant officiel de la compagnie pour qu'on lui indique la clause stipulant l'imputation de frais supplémentaires à un client. Ne pouvant donner suite à sa demande, le représentant convient alors de radier la dette au complet et d'envoyer une lettre de confirmation à cet effet. En guise de protection pour l'avenir, la conseillère financière fait établir une limite de crédit de 500 \$ pour son client!

Nous sommes en 2009 : ...et il en est ainsi depuis 1969, pour grand nombre de membres des Forces canadiennes (FC), lorsqu'ils traversent des moments difficiles; que se soit à travers l'AIP, le PRP ou les nombreux soucis financiers qui se présentent le long du chemin, les professionnels des SF RARM (représentants en assurance, conseillers financiers et planificateurs financiers) n'ont jamais hésité à pousser les limites. Un soutien inébranlable, des conseils et un petit quelque chose en plus, voilà ce que nous célébrons. Pour citer le président des SF RARM, André Bouchard : « En passant en revue les 40 dernières années – avec tous les changements et les améliorations à nos programmes, ainsi que nos produits et services – nous célébrons notre anniversaire avec fierté et c'est avec enthousiasme que nous attendons les quarante années à suivre, afin de continuer à offrir des solutions financières, toujours à votre service! »

The SISIP Financial Services experience ...through the years

By: Marie Navarro B.A.
Comm.,
Communications
Coordinator,
Communications and
Marketing, SISIP FS

It is 1984: “I was in the rehab centre thinking: where am I going to live now, what am I going to do for work? I have to get work; I can’t just sit staring out the window for the rest of my life! Then a SISIP Financial Services (SISIP FS) Rehab Coordinator came to see me and we discussed what SISIP FS is all about.”

At this point in his life, after a car accident left the former military aircraft technician a quadriplegic, Lawrence Aucoin found the support he

needed, thanks to the SISIP FS Long Term Disability (LTD) and Vocational Rehabilitation Program (VRP). “Being a quadriplegic, it is impossible to be in a community and support yourself without some kind of income and SISIP FS is always there.” When he required a new vehicle, SISIP FS facilitated an interest-free loan and paid for the modifications to his new car:

“It is hard to believe how big a factor a motor vehicle can be in your life, the freedom to go where you want ...and these people kept me going!”

By 1994: “Even though I am totally independent [now]

and live on my own in the community, when I need something, I call and they [SISIP FS] do everything in their power to help me. I had to rebuild my life and in order to rebuild your life, you need the tools; SISIP FS has been there to provide me with those tools.”

It is 2007: a Private stares in dismay at his first cell phone invoice: \$158,000 in extra charges for only one month’s use; he had connected his cell phone to his computer, using it as a modem to access the internet, incurring extra costs beyond the \$10.00/ month plan. In his most desperate hour, he too turned to SISIP FS. His

financial counsellor contacted the cell phone provider and was able to reduce the bill by 90% during a preliminary exchange. This still left the distraught Private with a \$15,800 debt, which he could reimburse over the course of 1 year, at a 26% interest rate! The financial counsellor persevered and, pointing out that general policy requires the company to set up a credit limit for new clients – and that this had obviously been overlooked – made them agree to further reduce the balance to a mere \$2,000. Not content with this result, the financial counsellor reviewed the contract yet again with the company

official, requesting they show where the contract stipulated that extra charges could be incurred. Unable to comply with her request, the agent agreed to write-off the balance completely and to send a written confirmation stating that the matter had been settled. Finally, the financial counsellor took the added precaution of setting up her client with a \$500 credit limit to protect him in the future!

It is 2009: ...and so it has been, since 1969, for countless Canadian Forces (CF) members in their time of need: through LTD, VRP and many

of life’s financial pitfalls in between, SISIP FS professionals (insurance reps, financial counsellors and financial planners) have not hesitated to go that extra mile. Unwavering support, guidance, and a little extra, that is what we celebrate. In the words of SISIP FS President André Bouchard: “We look back on these 40 years – through the changes and enhancements to our programs, products and services – and celebrate our anniversary with pride as we look forward to 40 more years providing financial solutions and *serving those who serve!*”

The Terry Fox Run – Sunday, September 13

By: Gillian Hollebhone

In just over a month we celebrate the 29th annual Terry Fox Run. Communities all over Canada will participate on Sunday, Sept. 13.

Nova Scotia has been a huge supporter of the Terry Fox dream. We’ve been helping to keep it alive since Terry dipped his prosthetic leg in the Atlantic Ocean signifying the start of his Marathon of Hope.

Osteogenic Sarcoma was the type of bone cancer that took Terry Fox’s leg. He was 22 when he died, at 4:35 a.m. - his favourite time to run, when the world was just waking up. If we knew then what we know now, Terry would still be running on his own two legs.

Terry was the inspiration behind the one man Cross-Canada tour in an effort to raise money for a cause. In a modest pair of addidas and a prosthetic leg that would be considered crude

by today’s standards, he ran a marathon (26 miles) every day for 143 days consecutively. We hold The Run to commemorate the incredible way in which Terry decided to raise money for cancer research. His goal was to raise a dollar for every Canadian. This was realized- before his death on June 28, 1981, \$24.17 million had been raised in his name.

When he was forced to end his Marathon of Hope he said, “Even if I don’t finish, we need others to continue. It’s got to keep going without me.” And go it has. From these words, The Terry Fox Run was born. It’s still running strong and this year we celebrate the 29th annual Run.

To date, The Terry Fox Foundation has raised close to 450 million dollars. Whether you’ve given 50 cents or a thousand dollars, you’ve contributed to The Marathon of Hope. This figure has been reached honouring the wishes set out by Terry and his code of ethics. This enables The Foundation to

directly apply 87 cents of every dollar towards cancer research, with the remaining 13 cents paying administration fees.

Realizing the challenge that advertising presents with no paid campaign for our events, we cherish the volunteers, as they are the true heart and soul behind our Foundation. To be able to share your name with Terry Fox goes a long way. Helping to bring a community together adds harmony among the people.

Changes have been made to some of the running events this year. Go to our newly renovated website to find out where the closest run site is near you.

So lace up on Sunday, September 13, to wheelchair, run, walk, bike, blade or to use any other modes of human-generated transportation Be sure to re-confirm start time and location at www.terryfox.org. See you out there!

Emergency Childcare – Do you have a childcare plan?

Submitted by: Kim Dixon, GMFRC Coordinator of Child and Youth Services at 765-1494 local 1812

The GMFRC offers Emergency Childcare Services that will assist families during an emergency childcare situation. Our goal is to provide CF families with the tools & resources you need to prepare for the challenges & emergencies this unique lifestyle may bring. In order to support the CF member’s ability to be available for operational duty, the family’s needs must be acknowledged & identified so we can prepare ourselves for emergency situations. For those CF families with children, Emergency Childcare Services will offer you the resources you need for emergency preparedness.

This childcare plan is NOT the same as the “family care plan” form you are required to have on file with your unit. Our Childcare Plan requires more information- is used as a tool in preparing for the family’s emergency childcare arrangements-

and is kept on file with the GMFRC. We maintain a list of screened, qualified emergency childcare providers who will provide childcare to our military families in the event that your childcare arrangements are not working. Specifically, we will provide care for the following situations:

- When the CF member is employed/deployed away from home and the spouse/caregiver is unavailable due to illness or any other family emergency
- When the CF member is required to report for duty on short notice and the spouse/usual caregiver is unavailable
- When a single parent or both parents are CF members and they are unable to access the regular childcare provider in a deployment or emergency situation
- When there is illness of a child that would prevent a

parent from accessing regular childcare arrangements for care at a time when the CF member’s presence at work is critical to the military operation

- When there is a need for respite childcare due to the total family situation- including the CF member’s work commitments
- When there are other circumstances not covered above and childcare is believed to be the solution to the problem (in these cases, approval must be given by the GMFRC Child Youth & Parenting Services Coordinator in consultation with DMFS)

If you would like more information on our Emergency Childcare Services or would like assistance completing an emergency childcare plan, please contact Kim Dixon at 765-1494 local 1812 or email Dixon.k@forces.gc.ca

The Mission of the Greenwood Military Family Resource Centre

Submitted by: Michelle Thibodeau Wagner, Coordinator of Special Events and Promotions, Greenwood Military Family Resource Centre 765-1491 local 1421 michelle.thibodeau-wagner@forces.gc.ca

The Mission statement of the Greenwood Military Family Resource Centre (GMFRC) reads as follows: *The GMFRC supports and celebrates our unique military family lifestyle.* What does the GMFRC do to contribute to the success of its mission statement?

At the GMFRC we offer welcome packages to all newcomers to the Wing to help them with questions that they may have before, during or after posting. We offer welcome/orientation tours of our centre and community (Greenwood 101 on September 16. *Have you registered yet?*) We have an early childhood education program for children ages 3 and 4. We

have parent and child programs to allow new and seasoned parents to meet, share stories, make new friends and provide a chance for kids to play together. We offer casual childcare at a low cost for the times when you just need a break. We can help you create an emergency childcare plan, which could prove to be invaluable in an emergency situation when childcare becomes an issue. If you are new to the area or in need of a new job, we can help you create a resume, brush up on job search and interview skills. We offer counselling services when you need someone to listen to help you work through a problem or situation. Coffee mornings are offered to provide a casual atmosphere to touch base with other military spouses. We provide a point of contact for deployed families, make sure they are informed of centre services and not forgotten during a deployment. We keep in touch with

our deployed troops by sending morale mail packages with a nice treat from home. We attend and create community events to raise awareness and support for our troops and their families. We also offer a variety of volunteer opportunities, which increase experience, provide an opportunity to benefit our community and provide an effective way to network and create lasting friendships.

We support our troops and their families' everyday, in everything that we do. We live the unique military family lifestyle and work everyday to support our military families. We know what it takes to be a military family and that Military Families truly are the Strength Behind the Uniform. For more information drop into the Greenwood Military Family Resource Centre in the AVM Morfee Centre on School Road, check out our website at www.greenwoodmfr.ca or call us at 765-5611.

GMFRC Adopts New "Nut-Free Facility" Policy

Submitted by: Margaret Reid, GMFRC Executive Director, at 765-1494 local 5900

Given the increase in

enrollments of children with severe nut allergies in ECE & Casual Childcare Programs, it has become vital to develop a nut-free policy for our GMFRC. In keeping

with our intent to provide a safe and healthy environment for staff, volunteers, participants, and visitors to our Centre, nut products are prohibited in our facility.

We will certainly appreciate our community's support of this new policy. Thanks so much.

Le CRFMG offre désormais un environnement sans noix

Soumit par : Margaret Reid, Directrice exécutive du CRFMG, au 765-1494 local 5900

Depuis que nous accueillons à nos Programmes de la petite enfance et Service de garde de plus en plus d'enfants éprouvant de graves réactions allergiques aux noix, le CRFMG a cru vital de développer une politique bannissant les noix et/ou produits à base de noix dans nos locaux. Dans l'intention d'offrir un

environnement sécuritaire et saint pour notre personnel, bénévoles, participants et visiteurs, les produits contenant des noix sont interdits dans nos infrastructures.

Nous apprécions le support de notre communauté dans l'adoption de cette nouvelle politique.

Merci beaucoup.

Military Families Strength Behind the Uniform

Military family lifestyles are different from any other in Canada. Families are constantly dealing with the operational demands of deployments, courses, postings..... the list goes on and on. Military families adjust and grow stronger. The Military Families Strength Behind the Uniform Campaign celebrates the uniqueness of military culture. It also recognizes the sacrifices that military families make and how those sacrifices contribute to the operational success of the Canadian Military. Military families truly are the strength behind the uniform.

GMFRC Warm Line Caller – *What's That?*

Submitted by: Janie Gagnon, GMFRC
Coordinator of Volunteer and Second
Language Services at 765-1494 local
5938

What is a Warm Line Caller?

A Warm Line Caller is a volunteer who has been trained by the GMFRC and provides a monthly call to families of a deployed member. The call is a wonderful way to connect with the families and to also inform them about the programs and services of the GMFRC.

Who can be a Warm Line Caller?

The caller can be parents, relatives, friends, caregivers, professionals or a community member who wants to give back to their community and support our Canadian Forces families who have a deployed member. If you have the ability to empathize, encourage, and have good listening skills then this is a job for you!

Am I expected to counsel the family?

The Warm Line is not a counselling service,

nor is it the role of the Warm Line volunteer to give advice. Your role is essential in helping families remain connected to their community and helping to recognize the important contributions of military families.

How often do I have to make calls as a Warm Line Caller?

Once trained, a warm line caller's time commitment is approximately 2-3 hours once a month. This volunteer position is one that is very flexible and can work within your schedule. This is a great opportunity to volunteer from home or within the GMFRC.

How do I become a Warm Line Caller at the GMFRC?

Becoming a Warm Line Caller is simple. Contact the Coordinator of Volunteer and Second Language Services, Janie Gagnon by calling 765-1494, local 5938 or email Janie.Gagnon@forces.gc.ca

# Harvest Festival

Melvorn Square & Area Community Association invites everyone to join us at our annual Harvest Festival scheduled for Saturday, September 19<sup>th</sup>. Our giant pumpkin weigh-in starts at 1:00 p.m. on the front lawn of the Melvorn Square Community Hall. Last year's top prize went to Fred Marshall weighing in at 645 pounds! Young Amelia Best, daughter of Krista and Trevor Best, took top prize for Child Heaviest Pumpkin at 388 pounds. Thanks to sponsors Tibb's Tumblers Locksmithing Service, West Nova/Gates' Petroleum, Mid Valley Construction, Brown's Auto Salvage and Loomer's Pumping for their on-going generous support. This year

there will be three cash prizes for first, second and third in both the adult and child categories. Kids who have not grown a giant pumpkin are encouraged to decorate a pumpkin grinner and show off your carving or painting skills. Lots of prizes will be awarded.

After the weigh-in the tractor skills competition will begin on the rear lawn of the Hall. Push peddle John Deere tractors will challenge the younger kids. Come out and enjoy watching the youngsters show off their skills. Larger John Deere's will be hand for teen drivers and adults. Green Diamond is a tremendous supporter of the event providing the equipment for the tractor skills competition. Prizes will be

awarded thanks to Rick Aldred, Spurr Bros, Allen Armstrong, George Phinney, Peter Brown, Dave Sabeau and Greg Banks.

Throughout the afternoon, delicious pumpkin and apple pies will be available. Tickets will be sold on a huge Harvest

Basket filled to the brim. All proceeds will go to maintain the hall.

Everyone is invited to come out for a fun-filled afternoon in Melvorn Square.

# An Accidental Reunion

L-R Peter Smith, Jim McRae and Jock Bartie

On Friday afternoon, August 14<sup>th</sup>, two Heritage aircraft arrived in Greenwood for the Silver Dart weekend. They were a Canso and a Dakota from the Canadian Warplane Heritage in Hamilton, Ontario. One of the spectators

present when they arrived was Peter Austin-Smith from Wolfville. Peter had flown Canso aircraft when he was in the RCAF. As it turns out, Peter had flown this particular aircraft! He was able to spend some time with the crew, tour

the aircraft and have some photos taken. Peter returned on Saturday, with his son-in-law and grandchildren, so they could all tour the aircraft with him. Peter then presented the aircraft commander with his SOP (standard operating

procedures) manual – a real gift to the Warplane Heritage. Peter also happened to have a Dakota SOP manual, so he presented that manual to the Dakota crew.

By coincidence another spectator, Jim McCrea of Yarmouth, was viewing the Canso at about the same time and he also had flown Cansos in the past and again this one in particular! Jim had flown

Cansos out of Yarmouth, NS and Keflavic, Iceland. Also on hand was Jock Bartie of New Minas who was a former flight engineer on Cansos. McRae and Bartie were invited to tour the aircraft and they spent some time meeting the Canadian Warplane Heritage crew and relating their stories about their flying experience in the Canso. We are not sure who enjoyed this time the most, the veteran crew members or the present day crew members.

That same afternoon, another special guest from Ottawa visited the Heritage aircraft, Colonel (ret) Russel Roane who had been the Commander of the 103 Rescue Squadron in Greenwood from 1964 to 1967. He was accompanied by his son Glen from Canmore Alberta. Glen had arranged for his dad (age 82) to come to the Fly-In by flying commercially to Ottawa and then on to Halifax. They arrived on Friday afternoon and toured 413 Transport and Rescue Squadron with the CO,

Canso crew, Jock Bartie and Peter Smith in the tan hat

Major Craig Weir. Upon visiting the Heritage aircraft, Col Roane made ties to the past with both the Canso and the Dakota. After touring both aircraft Col. Roane presented the Canso crew with technical manuals for that particular

aircraft, where they will remain. Glen and his father also attended the Big Band Dance in the Annapolis Mess on Saturday evening and those present witnessed the Col. making some smooth moves on the dance floor. Another

interesting note is that when Col. Roane was in Greenwood as the CO of 103 Rescue Squadron, he purchased a Saint Bernard rescue dog named Albert and it eventually became a key part of the Squadron crest as seen to the left.

Like many events occurring this year, Wing Welcome will have a distinct *Centennial of Flight* tie-in. The Wing Welcome Centennial of Flight Golf Tournament, taking place on the morning of Friday, the 18th of September, for instance, is so named in order to celebrate the achievement that led 14 Wing Greenwood to be established in the first place. Golf tournaments have always been an important part of Wing Welcome ceremonies and an important part of the air force life, but never has the tournament been so closely linked with the notion of flight.

The other event with a distinct air force feel is the Wing Welcome Dance, to be held also on the 18th, which will feature two distinct, competitive events. The first

is the Crud Tournament, where two teams of five players crowd around a pool table and take turns attempting to keep the 8 ball in play by throwing the cue ball at it and simultaneously best the opposition. The second is the Top Gun Competition, which will see the best simulated pilot walk away with a next-generation video game console after achieving supremacy of the digitized skies. Both should be lots of fun.

And, as detailed below, keep your eyes open for the fifth and final coin in the *Centennial of Flight* series! For the complete itinerary of the Wing Welcome events, check out <http://greenwood100years.com/wingwelcome.html>

# Centennial of Flight Celebrations

## Centennial of Flight September Show and Sale at Greenwood Museum

The Canadian Aviation Artists Association (CAAA), composed of Canada's premiere aviation artists, produced 25 paintings to celebrate 100 years of flight in Canada. This exhibition and sale returns to the Greenwood Military Aviation Museum from September 16 to 25, with official opening by Wing Commander, Col Bill Seymour, Friday 18 September at 11:00 a.m. at the Museum.

Many paintings by CAAA artists are owned by the Museum and on daily display; this particular exhibition

portrays Canada's long history in aviation and covers the range of aviation

activities.

The exhibition will be mounted in the Museum

Conference Room and is open to the public from 10:00 a.m. to 4:00 p.m. Tuesday through Saturday; there is no admission charge.

The Greenwood Museum is an exciting repository of information, artefacts and aircraft depicting the history and heritage of the Wing since its opening in 1942. A Museum Centennial of Flight display in the Greenwood Mall also traces the history of Greenwood's participation in Air Force history and is part of the many 14 Wing activities celebrating this important Canadian event.

## Centennial of Flight Series of Coins

Throughout this year, as we celebrate 100 years of powered flight in Canada, the Greenwood Centennial of Flight committee has provided a unique keepsake to associate the anniversary and the major events taking place at 14 Wing this year. It began with the 2009 Winter Carnival that used a coin depicting the Silver Dart aircraft as the token for inclusion into the carnival events. The Silver Dart was the aircraft used in Baddeck, NS on 23 Feb 1909 for the first powered flight in Canada.

Since the 2009 Winter Carnival, the Centennial of Flight Committee has provided three more coins that have illustrated aircraft, both past and present, with direct links to 14 Wing. For the annual Mess Dinner, that took place in 14 Hangar, all attendees received a coin with an image of the Anson aircraft. The remarkable Future Flyers Meet The Snowbirds event in May had associated

with it a coin that displayed the Argus and just recently the Silver Dart Weekend's coin featured the Aurora.

The next and final coin of the series will soon be available and will feature the Unmanned Aerial Vehicle -

The Heron. This coin will be associated with this year's Wing Welcome and will be used as admittance for the Wing Welcome Dance on 18 Sept in addition to entry into contests for some great prizes. Details on where to purchase the Heron coin will soon be made public in the Aurora newspaper and on the Centennial of Flight website <http://www.greenwood100years.com/>.

All five coins were designed by Mr Bruce Gormley, a graphic artist from MP&EU. For those of you who wish to purchase coins from previous events or an entire set of five coins, please visit the Greenwood Aviation Museum or purchase online at [http://gmam.ca/gift\\_shop.htm](http://gmam.ca/gift_shop.htm).

## Historic Aircraft that Played a Significant Role in Canadian Aviation Heritage

Submitted by: Bryan Nelson, Executive Director, Canadian Aeronautical Preservation Association

### Grumman CS2F Tracker

In 1954, the Royal Canadian Navy (RCN) indicated that they would purchase a quantity of Grumman S2F Tracker anti-submarine aircraft. De Havilland became the prime contractor in building the aircraft under license in Canada, in the process acquiring new techniques that would stand the company well in the future.

The major sub-components of the Tracker were built by over a dozen companies in Canada with de Havilland assembling the various components, building the main part of the fuselage and installing the electronics. De Havilland was also responsible for RCN-requested changes, which were incorporated on the production line from number 43 onwards. They also had to make the aircraft 18 inches shorter than the American version so it would fit in the hangar of HMCS Bonaventure.

The aircraft served with RCN VS880 Squadron onboard HMCS Bonaventure and with VU32 and 33, and VX10 Squadrons onshore. When Bonaventure was decommissioned all became land-based and their roles eventually became one of patrols – fishing and shipping – and training.

In 1960, 17 Trackers

variety of roles until they were retired in 1990.

De Havilland would build 99 Trackers between 1956 and 1960. In the process de Havilland learned the use of large jigs that would later be useful in building the Caribou and Buffalo. New production

were

provided to the Netherlands

Navy and flown to the Dutch West Indies by RCN and Dutch pilots. The Tracker would serve the RCN and the Canadian Armed Forces in a

variety of roles until they were retired in 1990. De Havilland would build 99 Trackers between 1956 and 1960. In the process de Havilland learned the use of large jigs that would later be useful in building the Caribou and Buffalo. New production methods were also developed that benefited ongoing and future production.

En 1954, la Marine royale du Canada (MRC) fait savoir qu'elle fera l'acquisition de l'avion de lutte anti-sous-marin Grumman S2F Tracker. De Havilland devient l'entrepreneur principal pour la construction sous licence de l'avion au Canada et l'entreprise en profitera pour acquérir de nouvelles techniques qui la positionneront pour l'avenir.

Les principaux sous-composants du Tracker sont fabriqués par plus d'une douzaine d'entreprises au Canada, et de

Havilland en assure l'assemblage et se charge de construire la partie principale du fuselage et d'installer le matériel électronique. De Havilland est également responsable des modifications demandées par la MRC, lesquelles sont intégrées sur la chaîne de montage à partir de l'avion numéro 43. Elle doit également raccourcir l'avion de 18 pouces par rapport à sa version américaine pour qu'il puisse loger dans le hangar du NCSM Bonaventure.

L'avion fait partie de l'escadron VS880 à bord du Bonaventure et des escadrons VU32 et 33 ainsi que VX10 à terre. Lorsque le Bonaventure est désarmé, tous les Tracker deviennent des avions terrestres et

finissent par servir comme patrouilleurs (pêche et marine marchande) et avions d'entraînement. En 1960, 17 Tracker sont fournis à la Marine des Pays-Bas et convoyés vers les Antilles néerlandaises par des pilotes de la MRC et des pilotes hollandais. Le Tracker demeure au service de la MRC et des Forces armées canadiennes dans une variété de rôles, jusqu'à ce qu'il soit retiré du service en 1990.

De Havilland construit 99 Tracker entre 1956 et 1960. Au cours de cette période, l'entreprise apprend à utiliser des gabarits de grande taille qui seront utiles plus tard pour la construction des Caribou et des Buffalo. On met aussi au point de nouvelles méthodes de production qui se révéleront avantageuses pour les productions en cours et futures.

# HOROSCOPES

September 6 to September 12

## ARIES - Mar 21/Apr 20

Run, don't walk to your closest friend and ask for his or her advice. You trust this person most and with an important decision looming, you need support.

## TAURUS - Apr 21/May 21

Taurus, you finally get a respite from all that has been going on. The trouble is, now that you have time on your hands, you don't know what to do with it.

## GEMINI - May 22/Jun 21

Gemini, there's a lot going on with a friend that you simply don't understand. But maybe that's the point. Instead of scratching your head and wondering, just accept the situation.

## CANCER - Jun 22/Jul 22

You have plans to vacation for a little while, Cancer. Someone is going to miss you terribly while you are away; you just can't figure out who this secret admirer might be.

## LEO - Jul 23/Aug 23

Leo, it's time to make a big change and Scorpio can be your source of inspiration in these matters. Whether a big financial venture or a change of scenery—go for it.

## VIRGO - Aug 24/Sept 22

You have been forced to make a difficult decision this week, Virgo. Although it hurts for the time being, after a few months you will return to normal.

## LIBRA - Sept 23/Oct 23

Libra, someone close to you requires a lot of emotional support. You are very good at providing it with no questions asked or thoughts of something in return.

## SCORPIO - Oct 24/Nov 22

Things haven't been going as easily as you had hoped, Scorpio. When things seem a bit overwhelming, just remember that there are clearer skies ahead on the horizon.

## SAGITTARIUS - Nov 23/Dec 21

Sagittarius, you won't be able to change someone's mind about an important issue and this will prove bothersome. But it will pass as quickly as the problem popped up.

## CAPRICORN - Dec 22/Jan 20

Capricorn, family members could feel hurt by your recent decisions and actions. Instead of putting yourself first, you may want to consider their feelings in the matter.

## AQUARIUS - Jan 21/Feb 18

Aquarius, an unruly schedule leaves you feeling tired and drained. Surrounding yourself with friends could be the pick-me-up you need to make it through the week.

## PISCES - Feb 19/Mar 20

Schedule some much-needed rest and relaxation this week, Pisces. You are not in the frame of mind to make any important decisions.

The 19th Hole

Hurricane Bill didn't do any damage, but Tropical Storm Danny certainly gave our course lots of rain. It was the weekend of the Shootout and the weather certainly played havoc with the golf. The morning draw on Saturday played their round but only 4 holes into the second shotgun start, it was called due to unplayable conditions. Sunday, the course was not playable until the afternoon shotgun, so those who didn't play a complete round on Saturday, played their round on Sunday...making it a one day tournament for everyone. The prize winners were as follows: Field Low Gross was a tie...Charlie and Dave Costin and Irwin Banks (Par) and Gary McMullen (Calgary): Congratulations guys. Nice to see Gary here from Alberta.

1st Div: 2nd LG- Stu Nauss and Dave Logan and 3rd LG- Theriault/MacLeod(Digby): 1st LN- Garland/Schofield (Av & Kw): 2nd LN Scottie Cooper/Dave Ronaldson (Gw/Par): 3rd LN- Grant/Labreque (Av).

2nd Div: 1st LG- Vantassel/Maxfield (Oak): 2nd LG- Bill McDonald/Randy Anderson(Gw); 3rd LG- Dan Smith/Pat Grist (Gwd) and 1st LN- MacAlpine/Deroacher (HP); 2nd LN- Stinson/Langill (Ab) and 3rd LN- Jakeman/MacGillvary (HP).

3rd Div: 1st LG- Roy Castel/Stroud 9Par): 2nd LG- Penny/Ferguson (BH) 3rd LG- Pellerine/Pellerine (Gwd) and 1st LN- MacKenzie/Rideout (Par/Hp) 2nd LN- Wayne Cathcart and Scott Seindells (Gwd) and 3rd LN- MacDougall/Murray (Kw).

4th Div: 1st LG- Bob Moore/BJ Lenton(Gwd); 2nd LG- Glenn Watters/ Ed Watters (Son and Dad)(Gwd/Ab) ; and 3rd LG- Swan and Swan (Gwd/HP)another Father/Son Combo. 1st LN- Swanky.

Frankie Croucher/Vern Crossman(gwd); 2nd LN- Bruce Carpenter/Renouf (Ab) and 3rd LN- Lothian/Reop (Hp).

Thanks to all the volunteers who helped with the tournament. Having people do registration, starting, scoring etc certainly helps the organizers. The meal was delicious and the ladies in the kitchen certainly helped with the

vegetables...and of course the Pig roast was from Meadowbrook Farms. Thanks to Mike McCorry and all his staff for all their help.

Now for a recap of the week's events. Aug 26th Wed Ladies: There were 26 ladies out for an evening of golf. The winners were: 1st Deborah, Faye and Marilyn: 2nd Rose, Sue, Irma and Joan: 3rd Queenie, Jane, Pat and Munly: the 50/50 winner was Laura. Not many more Ladies Nights to golf, so come out and have some fun with the Ladies on Wednesday.

Tuesday Night Mens, Sept 1st...WOW, It's September already...where did the summer go???? 1st Div: 1st LG- Scott Cooper, 2nd LG Doug Carpenter: 1st LN- Brian Walker and 2nd LN- Dan Smith. Skins- Doug Carpenter 2nd Div: 1st LG- Gary Arsenault: 2nd LG- Bill McDonald: 1st LN- Pat Robinson and 2nd LN- Glen Paul.

3rd Div: 1st LG- Phil Allan; 2nd LG- Pay Allen: 1st LN- Mike Pineo and 2nd LN- Baden Thurber; Skins: Geddes, Phil Allan and Baker The 50/50 was won by Steve Belanger.

Tuesday, Sept 8th will be 9 holes, stroke play. Since the Shootout was being held at our course over the weekend, I had the opportunity to play Paragon with Connie Armstrong. Bob and Gwen Merriam teamed up with us for a nice friendly round of golf. We decided to play a "friendly" ten cent card game...it didn't take Bob long to figure the game out and he wasn't too happy to dig into those deep pockets to pay out a couple of dimes at the end of the round. The game was fun but the best part was taking twenty cents from Bob...Thanks Bob.

Until next week, there is a still lot of golfing weather left so get out and play a round of golf with a friend. Hit 'em Long and Straight. Repair your ball marks on the greens and replace your divots. Keep up the pace of play.

See you at the Fall Ball Mixed Tournament. Give Sandy a call for more info, or check with the Pro Shop.

Youth Idol will take place upstairs in the Annapolis Mess from 4:00 until 6:00 p.m. on Saturday September 19th. This event is for anyone who is 18 years of age or younger who have been waiting to showcase their vocal chords to the community. *There is no pre-registration* since registration will only be at 4:00 p.m. on Saturday September 19th so be sure that you arrive on time to make sure you're on the evening's bill.

We have a great group of judges who have an excellent ear for talent and who are anxiously waiting for all of you to take the stage! You watch the show, you sing in the shower, you even carefully practice when you're home alone...It's now time to step up to the microphone and display your talent!

If you're wondering what type of music you have to choose from, Electric Starz will be on hand with thousands of songs to choose from! All personal entries of performance material, if preferred, must be of CD or CD-G format. A library for revue will be available to choose from, but some songs may not be available.

There will be a large stage, sound system and light show set up to make this a memorable event. There will also be two divisions (solo and duet performance) with an overall first, second and third place prize. There will also be one prize awarded to the most creative, most humours, and best-choreographed performance by either a solo or duet performance.
