The 6th Annual Wing Welcome Youth Idol was held on Saturday 19 September 09 in the Annapolis Mess, in front of a record crowd. A total of nineteen individuals, who ranged from grades 5 to 10, helped break the record for the number of contestants at all previous five Wing Welcome Youth Idols.

Our nineteen performers came from as far away as Halifax, Dartmouth, and Annapolis East. Even though Taylor Swift and Miley Cyrus were popular song selection choices, those in attendance were able to witness a wide variety of tastes and styles of music. All four duet performances and twelve solo performances were very memorable as each one was special.

Maya Read, from Dartmouth, sang "Good Morning Baltimore" and was the recipient of the best overall award. Emily Doyle, who is grade seven

student at Pine Ridge Middle School, sang "When You Say Nothing At All", with only her guitar, and won the most creative award. A.J Walsh and Trevor Walsh, who are both grade 10 students at West Kings High School, won the best choreographed category for their duet performance of "One Time." Lastly, Hannah, a grade four student at Annapolis East and Jennifer, a grade seven student at Middleton Regional High School, gave a great duet performance of "Butterfly Fly Away" which was deserving of the most humours award.

We would like to thank everyone for participating, and the order of performances and the names of those who made our 6th Annual Wing Welcome, one to remember, are listed below;

Jenna Breckhan, Zoe Hicks, Elizabeth Furniss, Emily Doyle, Jenna and MacKenzie, Jennifer Winfield, Rosalie Dowling, Joanna Noseworthy, Maya Read, Helen Richard and Maya Read, Aleia

Trimm, Chelsea Trahan, Emily Litalien, Daphné Roy, Hannah and Jennifer, A.J Walsh and Trevor Walsh.

This event would not be possible without the generous sponsorship by Valley Credit Union and all the great services provided by Electric Starz Production. Finally, our volunteer judges deserve a big thank you for their feedback and assistance. We greatly appreciate the help and support from Margaret Reid, Janet Brooks and Jeffery Peacock.

Thanks again to all the brave and courageous youth who showcased their talent, especially those who had only performed in front of their mirror prior to our event! We hope everyone enjoyed themselves and we will look forward to the 7th Annual Wing Welcome Youth Idol, as we hope to make it bigger than ever.

If you have any feedback or suggestions, please call Eric MacKenzie at the 14 Wing Community Centre at 765-1494 ext. 5337.

GMFRC Early Childhood Education Program

Submitted by: Brenda Virtue-Ellis, GMFRC Early Childhood Education Teacher at 765-1494 local 5053

The Early Childhood Education Program at the GMRC is a site-specific program, licensed by the Nova Scotia's Department of Community Services. It has been serving this community since 2002. The program is designed to meet the social, emotional, cognitive, fine and gross motor needs of children. The program strives to meet the unique individual needs of all children.

The curriculum provides developmentally age appropriate activities that

foster growth in all areas. Early literacy and school readiness skills are incorporated into the program. Children are encouraged to participate and explore their environment through art, music, cognitive activities, circle time, gross motor, and dramatic play. Children are encouraged to participate in the selections of topics for the in-depth studies. This provides concrete learning opportunities for the children.

This fall a new and exciting component, "Singing English" has been added to the E.C.E program. This program fosters phonological awareness/

literacy skills, social skills, listening and communication skills. This program helps children explore and learn language through song.

The E.C.E program is separated into two groups: one for each age level. Currently there is a 2.5 to 3 year old program and a 4 to 5 year old program. Fall Registration for 2009-2010 is currently underway. Space is limited. If you would like more information on these programs contact Brenda.

Un militaire canadien tué et onze blessés lors de l'explosion d'un engin explosif

COMFEC

le 17 septembre 2009 - OTTAWA— Un militaire canadien a perdu la vie lorsqu'un engin explosif improvisé a explosé près de son véhicule blindé alors qu'il était en patrouille dans le district de Panjwai. L'incident est survenu le 17 septembre 2009, à environ 10 h 15 (heure de Kandahar), à environ 25 kilomètres au sud-ouest de Kandahar.

Le militaire décédé est le soldat Jonathan Couturier. Il servait comme membre du Groupement tactique 2e Bataillon Royal 22e Régiment et il était originaire du 2e Bataillon du Royal 22e Régiment basé à Valcartier, au Québec.

Onze autres militaires ont été blessés lors de cet incident alors qu'ils patrouillaient à pied dans le même secteur. Les militaires blessés ont été évacués par hélicoptère aux installations médicales multinationales de l'aérodrome de Kandahar et leur condition médicale est jugée bonne. L'identité des militaires blessés ne sera pas révélée.

Nos pensées et nos condoléances vont à la famille et les amis de notre camarade tombé au champ d'honneur.

Les militaires canadiens collaborent avec les forces de sécurité afghanes pour le grand bien de l'Afghanistan. Nous demeurons déterminés à apporter la paix, la stabilité et une bonne gouvernance et ce, malgré les défis que nous posent les insurgés. Nous maintenons notre engagement envers l'Afghanistan.

One Canadian Soldier Killed and 11 Injured in an Explosive Device Strike

CEFCOM

September 17, 2009 - OTTAWA — One Canadian soldier was killed when an improvised explosive device detonated in the vicinity of his vehicle while on patrol in Panjwai District. The incident occurred approximately 25 kilometres South-West of Kandahar City at around 10:15 a.m., Kandahar time, on 17th September, 2009.

Killed in action was Private Jonathan Couturier from the 2nd Battalion, Royal 22e Régiment, based in Valcartier, Quebec. He was serving as a member of the 2nd Battalion, Royal 22e Régiment Battle Group.

Eleven other soldiers on foot patrol in the vicinity of the explosion were also injured. The injured soldiers were evacuated by helicopter to the Multi-National Medical Facility at the Kandahar Airfield and are in good condition. The identities of the injured soldiers will not be released.

Our thoughts and condolences go to the family and friends of our fallen comrade.

Members of Task Force Afghanistan work with Afghan security forces for the greater good of Afghanistan. We remain focused and determined to bringing peace, stability and good governance despite the challenge imposed on us by the insurgents. We remain committed to Afghanistan.

The Aurora Newspaper Judged Best CFN for 2009

Submitted by Anne Kempton

The Aurora Newspaper known by many retired military personnel and veterans as Wings Over Greenwood or The Argus. During the past 28 years, Managing Editor Stephen Boates has brought the newspaper from the days of dark rooms, pasteboards, and waxing to a publication, which is totally designed, in house with the most up to date computer equipment and technology.

The Canadian Newspaper Association recently judged The Aurora Newspaper as the Best Canadian Forces Newspaper for 2009. The

newspaper has placed in the top three for many years.

Before their departure WComd Col Derek Joyce CD presented the staff with the Wing Comd Commendation while Wing Chief WO J. (Hammy) Hamalainen CD made a presentation for the outstanding support provided for Winter Carnival 2009 Vintage Wings.

This year marks 100 Years of Powered Flight in Canada 1900-2009. The Greenwood Aviation Museum has taken a key role in this celebration by submitting former aircraft and their history, which is published on a weekly basis. The Centennial of Flight committee is busy organizing

events to help in the celebration with 12 months of ongoing events for Military, Defence Team Civilian employees and the general public to attend.

The Aurora Newspaper has a staff of four, Managing Editor, Stephen Boates; Production Coordinator, Brian Graves who has been in the Graphic Design industry for more than 20 years. Brian has been called upon on many occasions to design brochures, poster, or logos for Wing events.

Marketing Consultant, Anne Kempton has been in the newspaper industry over 20 years. Anne brings to the newspaper a wealth of

information on Editorial, Marketing, Promotions, Advertising, and Sponsorship. A former military member himself, Finance-Newspaper Clerk, Keith Pinkerton has brought the outdated ledger bookkeeping system to a more accurate way of computerized accounting. The staff is well known for volunteering in various ways at 14 Wing as well.

The Aurora Newspaper is supported by the different sections at 14 Wing and local community groups who submit editorial content and photographs on a regular basis. Wing Imaging are relied upon to capture the

many Change of Command parades, Bravo Zulu, social events such as Winter Carnival, Wing Welcome, Adventure Challenge and the other events that take place. The dedication of the community at large who continue to support and help keep the newspaper vibrant is greatly appreciated by the staff and readers.

Each week a total of 5900 copies are printed. Approximately 1500 copies are delivered to occupants of military housing. Paper carriers deliver 2550 copies to homes in most local subdivisions in Kingston and Greenwood. Distribution is carried out in strategic

locations in business establishments from Kentville to Lawrencetown. Issues are sent to other Canadian Forces bases and to all deployed members serving overseas.

The newspaper is offered FREE of charge to readers who wish to pick up a copy at one of our locations or the entire newspaper can be viewed on our website. www.auroranewspaper.com or downloaded to your desktop.

The Aurora Newspaper is located on School Road in the Morfee Annex at 14 Wing Greenwood. We are here to Serve you!

Organ Concert at Kingston United Church

The Annapolis Valley Centre of the Royal Canadian College of Organists (RCCO), under the guidance of its president Maureen MacLean, is organizing a concert of local musicians in Kingston United Church on Sunday October 4 at 7:30 pm. The concert format is similar to that of the immensely successful Sacred, Secular, and Silly concerts held each spring in Bridgetown. Another part of the Annapolis Valley is now

being invited to enjoy the pleasures provided by the king of instruments, the pipe organ. A feature of this concert will be the presentation of certificates to the 2009 winners of its scholarship program for aspiring organists. This program, instituted by the Annapolis Valley Centre RCCO in 2005, encourages proficient musicians to sample the workings of the pipe organ. Two Nancy Fraser Memorial Scholarships have been awarded to Victoria Baker of Kingston and Cally Keddy of North Kingston; a Martha Ausserleitner Memorial Scholarship was given to Mary Ann Ruggles of Kingston; the Mary Montgomerie Memorial Scholarship went to Michael Gnemmi of Hantsport. These young musicians have been invited to play at the concert, following the completion of their set of organ lessons given by Elizabeth Harwood, local organist and accompanist. Two Valley choral groups will sing at the concert:

Annapolis Valley Children's Chorus and Kitty Howse's Children's Choir. Soprano Shannon Patterson Young will perform, as will organists Elizabeth Harwood, Maureen MacLean, John Montgomerie and David Skidmore. Provision has been made in the program for three vigorous audience hymns; a freewill offering will be taken for the Organ Scholarship Fund. All are invited to a reception in the church hall following the concert to meet this talented group of organists and singers.

WHMIS Training Winners

Submitted by Janie Gagnon, Coordinator of Volunteer and Second Language Services.

Congratulations to our two winners, Amy Snow and Shelly MacDougall, who have won a free WHMIS training course, compliments of the GMFRC. The WHMIS (Workplace Hazardous Materials Information System) training is an online course and upon completion, they will receive a training certificate. Again, congratulation ladies!

If you would like more information about the WHMIS course or volunteering, please contact Janie Gagnon, Volunteer Services and Second Language Services Coordinator at 765-1494, local 5938.

Avis de rappel

Notice: Product Recall

Radiateur Patton

La Société Canadian Tire vient d'annoncer que le radiateur Patton (n° d'article 43-5956) fait actuellement l'objet d'un rappel volontaire. On a déterminé que cet appareil présente une défectuosité qui pourrait le faire surchauffer, faire fondre son boîtier en plastique et produire de la fumée.

Même si aucun cas de blessure n'a été signalé, Canadian Tire demande aux clients de cesser immédiatement d'utiliser cet article et de le retourner à un magasin Canadian Tire pour obtenir un remboursement. Cet article a été vendu chez Canadian Tire entre septembre 2008 et juin 2009.

L'article visé par ce rappel comporte 2 caractéristiques permettant de le reconnaître :

1. La broche de la fiche possède un code de date de fabrication compris entre A186DH et A322DH. Si le code ne se trouve pas entre A186DH et A322DH, l'article **N'EST PAS VISÉ** par le rappel, et le client peut continuer de l'utiliser conformément aux instructions.
2. Si le code de date de fabrication est compris entre A186DH et A322DH, veuillez examiner l'étiquette argentée apposée à l'arrière de l'article. Si l'étiquette **NE COMPORTE PAS** d'autocollant rond vert, l'article doit être retourné à un magasin Canadian Tire, où un plein remboursement sera accordé.

Les articles dont l'étiquette comporte un autocollant rond vert **NE SONT PAS VISÉS** par le rappel, peu importe leur code de date de fabrication. Les consommateurs peuvent donc continuer d'utiliser ces articles conformément aux instructions.

Si vous n'arrivez pas à déterminer avec certitude si votre radiateur est visé par ce rappel, veuillez communiquer avec la compagnie **Jarden Consumer Solutions** en composant le 1 800 333-1930.

Exemple de code de date sur la broche de la fiche :

A305DH

Exemple d'étiquette argentée :

Les articles ayant un autocollant rond vert **NE SONT PAS** touchés par le rappel.

Patton Utility Heater

Canadian Tire is voluntarily recalling the Patton Utility Heater (**Canadian Tire product number 43-5956**). It has been determined that the product may have a defect where the unit may overheat, causing the outer plastic housing to deform (melt) and produce smoke.

While we have not been notified of any instance of injury, it is requested that customers immediately discontinue use of the product and return it to their nearest Canadian Tire store for a refund. These products were sold at Canadian Tire from September 2008 through June 2009.

Products included in this recall will have two identifying features:

1. The product will have a date code on the prong of the plug that falls between A186DH through to A322DH. If the date code identified does not fall between A186DH through A322DH the product is **NOT** included in the recall and the customer can continue to use as directed.
2. If the product contains a date code that falls between A186DH through A322DH, examine the silver rating label located on the back of the product. If the product does **NOT** have a round green sticker on the rating label it is included in this recall and should be returned to Canadian Tire for a full refund.

Regardless of the date code, those products with a round, green sticker on the rating label are **NOT** included in this recall and the customer can continue to use as directed.

If you are unsure whether your heater is included in this recall, please call **Jarden Consumer Solutions** at 1-800-333-1930.

Example of Date Code on the plug:

A305DH

Product with round, green sticker is **NOT** included in recall.

Greenwood Amateur Radio Club

News and Views

The summer is over, and we are into the busy part of the year. Fall... This is the time of year for EMO preparedness, Marathon runs, and all kinds of activities that require us to "get up and get moving". The Greenwood Amateur Radio Club Annual Flea Market will be held at the Greenwood Community Center on the 17th October. This is a great meeting place for "Hams", and a place to find radios and electronics. Our Flea Market is different from the

normal ones that a person might think of, because there isn't any clothing or toys, etc. Come out and meet your fellow amateurs.

Upcoming events are, GARC Flea Market, and the St. Andrews Half-marathon. New Link radio has been spoken for, and work should start with it within a couple of weeks. All interested hams, and those thinking about becoming a ham can contact us about these and other events.

The Greenwood Amateur Radio Club holds monthly meeting on the first Thursday of each month in the community center conference room, at 7:00 p.m., and we hold "Tinker" nights on the other Thursday evenings. Come out and meet the "Hams". For more information contact VE1RCF Brian at 765-3028, or any of our club members. Check us out at <http://greenwoodarc.org>. Until next time, good listening.

Each year during National Family Week the Greenwood Military Family Resource Centre adopts apple trees in honour of our military families. This year on October 4th from 1:00 p.m. – 3:00 p.m., the GMFRC invites our military families to join us as we enjoy an afternoon of picking apples and meeting friends. The orchard is located at 2380 Harmony road (look for the barn with the orange roof). It's a nice chance to get out and spend time with other military families, get a free bag of apples, meet new people and of course participate in one of the coolest fall activities...picking apples! If there are any questions, free to call us at 765-5611.

YOU AUTO KNOW

~ Get a Better Grip on the Road this Winter ~

Winter weather presents additional driving challenges but that does not mean you have to be housebound this winter says Steve Boutilier, Service Manager for Canadian Tire, Greenwood. Use extra care on slippery roads, allow additional time, and equip your car with tires especially designed for winter conditions.

Steve explains, that even the best all-season tire is a compromise. Although they generally handle rain and light snow, they do not perform well in severe winter conditions. With snowy and icy conditions, you should consider winter tires for that extra margin of safety.

Two identical vehicles, one with all-season tires and one with purpose built snow tires will have very different performance capabilities. Studies show that the special winter tires can increase traction by 50% or more, comments Steve.

Winter Tire Design

Winter tires are made of softer components that all-season tires and the rubber are especially formulated to remain pliable in extremely cold temperatures. This pliability, along with different tread designs, gives winter tires better traction and road-gripping abilities.

Nordic Wintertrac has an aggressive tread design for exceptional traction and control in snow and slushy conditions. Molded for studs (where permissible by

law) to provide increased traction. As an added bonus, the improved traction that winter tires provide will cut down on your fuel consumption.

This symbol of a mountain and a snowflake means a tire has met the severe snow service requirements of the Rubber Association of Canada

Look for the Snowflake

When shopping for winter tires, be sure to look for one with the symbol of a mountain and a snowflake – this means the tire has met the severe snow service requirements of the Rubber Association of Canada.

Transport Canada recommends that you install four identical snow tires on your vehicle, to help maintain stability and control. Also, have your tires installed by your tire dealer to make sure that they are properly mounted.

Steve would like to remind drivers to remember to check your tire inflation at least monthly throughout the year. All tires gradually lose pressure and temperature changes can add to under inflation.

For more information contact Steve and his staff
at the Greenwood Canadian Tire store.

Starting the 1st week of October the Service Bay
will be open Thursday & Friday Nights

Class of 2010 - Information for Graduating Students

September 2009 - Your final year of Public School Education is now underway! On behalf of your teachers we would like to congratulate you on your accomplishments to date. A committee comprised of students, parents and staff

will be meeting very soon to plan for a memorable and enjoyable graduation week. Attached please find a checklist of your responsibilities during your grad year. Please make good use of this checklist, it is meant to make your life easier.

Please ensure that you have the necessary credits to graduate and that you will be meeting the entrance requirements for post secondary study. In homeroom you will receive an unofficial transcript of marks that lists the courses that you have completed and enrolled in for the 2009-2010 academic year. Remember it is your responsibility to make sure that you meet the graduation requirements for a Nova Scotia High School Graduation Diploma. If you need assistance to check your credits please meet with your school counsellor as soon as possible. Although we have in

place a policy that does not allow for course changes exceptions are made if you require a course to meet the entrance requirements for post secondary study. The marks you attain first semester are very important as these marks determine your ranking within the Grad Class that can impact not only acceptance in a post secondary program but also may determine your scholarship and/or bursary eligibility. If you plan to complete your secondary studies at the conclusion of Semester One please be very careful when you are doing a credit check.

It is important that all graduating students check the West Kings web site for up-to-date information on financial awards, scholarships, bursaries, special programs, visits from post secondary representatives, student loans and any additional information that maybe of interest to

students and parents. Information of Grad activities including fund raising, yearbook, grad photos and important meetings will also be listed on our web site. Once again it is your responsibility to constantly check our web site. If you do not have access to a computer at home you are encouraged to use one of the computers in the school library, computer room, Counselling Department or a computer available at the local community library.

The grad fee for this year is \$100.00 and payable in the Main Office. Cheques should be made payable to West Kings District High School. A receipt will be issued to you for payment of fees and please make sure that you keep that receipt. This fee is payable prior to the March Break. Following the March Break the fee will be \$125.00. These monies are used for the

following:

- Rental of grad gowns and stoles
- Purchase of grad hats/tassels and certificate folders
- Major costs of prom including the facility rental, music, decorations and refreshments
- Subsidize ticket price for graduation banquet
- Printing of all tickets
- Graduation flowers, curtains for rink and program
- Labor for setting up and removal of graduation seating
- Subsidize your Safe Grad activities.
- Grad gowns are ordered in early April from Gaspard & Sons in Winnipeg. It is imperative that we have confirmation that you plan to take part in Graduation Exercises at that time providing that you meet the requirements for a Nova Scotia Graduation Diploma. If you do not pay your grad

fees before June 1st will risk missing their graduation ceremony. You must have a graduation gown in order to participate in Graduation Exercises.

Additional expenses that you should be prepared for this coming year include:: yearbook, grad photos and gad apparel. Graduation write-ups for yearbooks are the responsibility of each graduating student. You will be receiving information from the yearbook staff with regard to content, format and length of these write ups.

The School Photographer at no charge takes graduation photos in the fall to the graduating student. It is very important that you have your picture taken at this time, even if you plan to have your grad photos taken by an outside photographer. Failure to make use of this free service could mean that your photo will be left out of the yearbook and/or composite photo, which are placed in the Senior Wing of the school. Students who do plan on purchasing photos from the school photographer will be required to pay a sitting fee for their proofs. Additional information will be made available to you at a later date.

Grad week activities will be planned as the year progresses. Please check the Morning Announcements and the West Kings web site for information on these activities. Your graduation committee will make sure that this information is provided to you as the date for graduation approaches. A meeting for Grads and their parents will be held in February. A detailed brochure outlining important information on the list of activities, times and location will be distributed to you in early June. For students who will be completing their studies in January please contact the Counselling Department in

early June to receive this information. Graduation Exercise takes place at the Western Kings Arena on June 28th, 2010.

Safe Grad 2010 will be held immediately following the Prom. A TADD and Safe Grad committee will be established to plan for this important event. A number of special fund raising activities will be planned to help defray the costs for this event. We do need the assistance and support from parents to organize fund raising events and chaperone at the Safe Grad. A special meeting for parents will be held in October to solicit support and also to outline details on events being planned.

If you are planning to graduate and are in a Grade 11 homeroom please see Mrs. Hatt in the Counselling Department to ensure that you moved to a Grade 12 homeroom.

In closing we do want to extend best wishes to you for a successful and enjoyable year.

Ms. Briandd, Ms. Hennebery and Mrs. Hatt

 - Your additions:

CUCINA AURORA

Salsa Romano

8 Roma tomatoes, diced
3 tbs. Red onion, diced
3/4 cup Basil leaves, julienne
1 tsp. Garlic, minced
3 tbs. Olive oil
1 tsp. Salt

With the many pounds of tomatoes ready on the vines, try this easy, tasty recipe!

Thoroughly combine all ingredients in a mixing bowl. Allow to rest at room temperature for about an hour before serving.

This salsa has no heat at all but is excellent with pasta or on grilled bruschetta or pizza.

"Youth Happenings" at 14 Wing Community Centre

By: Recreation Youth Worker, Megan LeMoine

It's hard to believe September is almost over and fall is now here. There are many great recreational activities to do in the fall like, hiking and walking, play a card game, or plan a weekend family trip!

We had a great Wing Welcome weekend! There were so many activities and events going on, I hope everyone was able to see everything that was offered to the community! The weather was cold

but we had a great time at the Skate Competition, what awesome talent we have in the community!

Come down to the Community Centre and get your October calendar, sign up for a fun trip, or just come down and hang out!

Here's what's happening this week! If you have any questions please call a Youth Worker at 765-8165!

LookOff 2030 – Phase 2 PUBLIC MEETINGS

Through its **LookOff 2030** initiative, the Municipality of Kings has established a long term Vision to guide decision making for the next 25 to 30 years.

The Municipality is now developing Action Plans to address the Vision. The Vision and Action Plans will become part of a new Integrated Community Sustainability Plan (ICSP) for Kings County that will encompass economic, social, cultural, and environmental aspects of our community.

In order for all residents to have an opportunity for input into this process, two (2) public meetings have been scheduled:

WEDNESDAY, OCTOBER 7, 2009
PORT WILLIAMS COMMUNITY CENTRE
(MULTI-PURPOSE ROOM)
1045 HWY 358 (7 - 9 P.M.)

THURSDAY, OCTOBER 8, 2009
KINGSTON FIRE HALL

Greenwood 101 was a Great Success!

Submitted by Nicole Godin, GMFRC Coordinator of Outreach and Community Information Services at 765-1494 local 5941 or email at Nicole.Godin@forces.gc.ca

On Wednesday, 16 September, early in the morning, a group of military families newly posted to Greenwood went on a journey to explore a bit of 14 Wing Greenwood, Village of Greenwood, Town of Middleton and finally Village of Kingston. The Greenwood 101 Tour was a new component of the Welcome Program of the GMFRC. The purpose of the Tour was to orient new families, make them feel welcome, ease the transition from one community to another, but the most important thing that happened was how everyone was interacting, making

connections and socializing when they all returned to the GMFRC for a Family BBQ. While sitting in the Gym filling out paperwork and evaluation, I was amazed at watching them talking, exchanging notes, information and experiences. It gave me a great feeling of accomplishment.

I would like to thank everyone who participated in

Greenwood 101 participants getting ready to leave for the bus tour.

the Greenwood 101 Tour. To Toni Craig and Marie-Josée Bessette, the Greenwood 101 Volunteer Team for their involvement from the start with planning, organizing and as tour guides who were explaining everything while driving around on the bus. Thanks, to Sylvie Verville for

stepping in at the last minute as the francophone tour guide. To our wonderful Special Events Volunteers, Norman Wredenhagen and Benoit Godin for their wonderful help with setting up and cooking for the BBQ. The GMFRC staff, for your help before and after the

event. Great teamwork.

A Big thank you to WComd, Col Bill Seymour for his continued support, his approval for the bus and for joining us on the tour, even if at the end he couldn't make it for the tour due to his busy schedule, and few hiccups with the bus. To the WAdminO, LCol Pamela Smith McBride for helping us promote our Greenwood 101 Tour and also for her continued support of the GMFRC and to our families. To Wing Transport for their professionalism when they had to get a new bus and a driver after everyone was already sitting in the bus ready to leave and the bus wouldn't start.

Finally, but not least, to Alex and Elizabeth Morrison from the Milford House, "A Rustic Resort for over a Century" in the beautiful Annapolis County, for their great generosity with the donation of a family weekend pass including meals at one of their 28 rustic cottages, a value of \$500. Congratulations to Cavelle Kirkwood, winner of the family weekend pass.

We hope to do this again next year, BIGGER and BETTER.

Autumn in the Air!

Submitted by: Kelly Clancey

Cooler mornings and warm sweaters are upon us, some of the first signs of autumn to be sure. At the Morfee Annex Nursery School the children have been busy learning about the many changes this season brings.

Last Monday school friends Hunter, Jaymie-Lin and Faith helped to gather some colourful leaves to share during “circle time”.

If you are looking for information pertaining to our English or French Immersion, Nursery or Preschool Programs please contact the schools director Maurina Duret at 765-1494 local 5301.

Kenneth James Joseph Power, S.C., M.B., C.D.

Veteran of the Month

Kenneth James Joseph Power, S.C., M.B., C.D.

Ken Power joined the Canadian Armed Forces October 16th 1972, he proceeded to Cornwallis for recruit training. Upon successful completion he was transferred to CFB Borden for trades training as a Safety Systems Tech. After graduating in July 1973, he was posted to CFB Summerside, PEI, to the BAMEO organization, where he worked on Argus.

In January 1977, he was accepted for Rescue Specialist training at the school in Edmonton, AB. After six months he successfully received his rescue specialist wings, and was posted to 103 RU Gander, NFLD. After two years he was posted to 440 Squadron Edmonton. While in Edmonton, he met his wife, Susan, and in 1983, they returned to 103 RU Gander, where they were blessed with their daughter Allison.

In 1986 Ken was posted to 413 Squadron Summerside, where they welcomed their son, Ian. In 1991, Ken was posted to 442 Squadron in Comox, BC. In 1996, Ken returned to 413 Squadron, now located in Greenwood. In 2001, Ken was given a ground position at Shearwater as an Air Cadet Advisor. In July 2004, Ken was posted back to the 413 Squadron in Greenwood in a ground position. On April 6, 2007 Ken retired after more than 35 years of service. He accumulated approximately 8,500 Flying hrs., half on rotary aircraft.

During his career with the Air Force, Ken received the Star of Courage, the Medal of Bravery and had the honour of throwing the first pitch at a baseball game during the last match between the Montreal Expos and the Jays at the Skydome in Toronto, ON. Ken and Susan now reside in Wilmot, N.S.

Kingston Legion Br.98 is proud to present Ken as “Veteran of the Month” Oct./2009.

Sept 18: Bus Evacuation Drills for Regular buses 236 and 299. These buses will return from PRMS and do their drills at that time and will be late arriving home.

Sept 21: Full day In-service - No school for students
Sept. 22 & 23: School Picture Days (See schedule below)
Sept 24: Meet the Teacher Night 6:30 p.m.

Large Class Sizes Mean a New Teacher Began Sept. 15th

Many parents are aware, but we wish to inform all families that because classes were too large in each of the English grades 2, 3, 4, and 5 rooms, we had to reconfigure every one of those classes. Some teachers changed assignments, and a new teacher has been hired for grade 4. Students were moved in and out of every room so that all classes are no larger than 25 or 26. No changes were needed in any of the P/1 rooms or any of the French Immersion rooms. Students changed classrooms on Tuesday afternoon.

Communication Plan Night

Every school is expected to offer an evening of information for parents early in the new school year. This is an opportunity for parents to hear about outcomes, communication channels, discipline practices and homework expectations from the teacher. This is not an evening in which the students come, because it would be a very boring and restless time for them. Parents who have more than one child in our school may attend two different sessions: one at 7:00 and one at 7:30. Handouts will be distributed. Anyone who is not able to attend the evening presentations will have their handouts given to their child to take home on Friday.

We will begin in the gym at 6:30 where Mrs. Harris will introduce all of the staff, and the Home and School President, Cynthia Martin will bring a few words of welcome and information.

Home and School Association

Our first meeting of the Home and School Association will be held on October 5 at 7:00 p.m. We will have a guest speaker from KEYYS (Kings Early Years Screening for Schools). RaeAnne Bekkers will speak to the parents of our association of the value and impact of the Early Years Screening Program. Please come out and join us for our meeting.

French Immersion Focus Group

We write this piece to advise parents of students in French Immersion that our Home and School Association nominated two parents last spring to serve as representatives for our

school's French Immersion program. To that end, Bob Spurrell and Lyn Little-Gallant will attend a meeting on Oct 6 at West Kings High School facilitated by our Director of Programs and Services. There are nine questions/discussion statements that will be the focus of their discussion for long-term sustainability of our French Immersion program.

Picture Day Schedule

Tuesday, Sept 22 - Elliott/Avery, S. Robicheau, Nichols, H. Robichaud, Lincoln, Fitzpatrick, L. Charlton, MacNeil/Beals, T. Robertson, Shipp, Peddle, and Best
Wednesday, Sept. 23 - McAleer, McAlpine, Rice, Carter, Bower, M. Charlton, Foster-Veinot

Extra Curricular Activities

Choir - Every Tuesday and Thursday at 8:00 a.m.

School Hours

The school offers supervision after 8:30 am. For safety and security, please ensure that your children arrive after this time.

Volunteers Needed

If you have a desire to serve the school community we are looking for volunteers in various areas.

- **Breakfast Program** - providing a healthy breakfast to students (approx 1 hr in the morning)
- **Lice Check Team** - important service we provide only if we have the volunteers - as needed basis. Our numbers on the team are dwindling and we desperately need your help. Even if you can only come some of the time. We do three checks throughout the year. Please call the school office if you are willing to help, and training can be provided.

- **Home & School Association** - fundraising activities - meet one evening per month

Child Abuse Registry/Criminal Records Check

If you have not already filled out the above noted forms, and you plan to volunteer in the school or accompany your child on any school trips, please contact the school office and you will be given the appropriate forms. At this time, the requirement is that you fill out these forms only once during your child's school years. As it takes as much as six weeks for forms to return, it is a good idea to get this done now so as to not be disappointed later.

No Child Without - Medic Alert Program

The Canadian Medic Alert Foundation is partnering with the Lions Clubs of Canada to introduce this program at no cost to families. Children will receive one free custom engraved bracelet or necklet with their medical information on it. For more information, please contact the school office for a brochure.

School Insurance Program

Every student at Kingston & District School is covered

by the School Insurance Program's (SIP) basic student accident coverage. This coverage is provided at no cost and with no deductible. Basic coverage protects your child from expenses resulting from school-based accidents including dental, ambulance and tutorial fees. Please check out the web site sip.ca (click the red apple at the top of the page) for full information - including brochure, claims procedures and forms - on this coverage.

School Supply Fees

This is a reminder that school supply fees of \$40.00 per child are due to the homeroom teacher before the end of September. Thank you for your assistance in this matter.

FROM THE COMMUNITY...

The Playhouse is a drop-in play centre located in room seven at the AVM Morfee Annex Building in Greenwood. Military and non-military members are welcome. For more information email theplayhouse2009@hotmail.com or Facebook - Greenwood, The Playhouse.

Mary's Islanders School of Dance is now accepting registrations for instruction in Maritime Step Dancing, Clogging, Acadian Step, Highland, Scottish Country, Tap, Hip Hop and Irish River Dance. Call Mary at 847-3782 or Caitlin at 532-2264.

Safe Arrival Program

We are once again offering a Safe Arrival Program for those children who walk or bike to school. Once registered with the program, if their name appears on the absentee list, and we have not heard from you, a call will be made to the parents to advise of the absence.

Please call the school if you wish your child's name put on the list for this program.

And From You...

It is our belief and practice that there is no problem too small or too big to capably and effectively solve. Please contact us with any problem or concern that you have. Heather Harris and Linda McAloney are most easily reached by e-mail or phone. However, if it is convenient for you to drop in we will do everything that we can to make time to meet with you.

The school telephone number is incorporated in the school letterhead. Our e-mail contacts are as follows:

heather.harris@avrsb.ednet.ns.ca

linda.mcaloney@avrsb.ednet.ns.ca

We look forward to hearing from you and seeing you at our monthly Home and School meetings, school events and activities and any other occasion throughout the year.

There are always things you intend to ask or bring up. We invite you to use form available at the school, to write a note to anyone on staff. Thanks.

What is the Greenwood Military Family Resource Centre (GMFRC) all about? Here's your chance to find out! The Greenwood Military Family Resource Centre's annual Open House and Military Family Fun Day is scheduled for October 6<sup>th</sup> from

3:00 p.m. to 6:00 p.m. The Open House will be an opportunity to learn about the programs and services offered by the GMFRC. You can have a chat with staff regarding any of our programs or activities from awareness committee volunteering to emergency childcare plans.

The afternoon is not only about us, it's about you, our military families. We have planned a family fun afternoon including bouncers, the Great Timbeanie, face painting, family

games, live entertainment, cotton candy and prize draws. The Military Police will be here to do child identification kits; Military Family ID's will also be available, make sure to bring identification and your military member!!

It will be a fun family afternoon and we look forward to meeting new community members, catching up with old friends and just enjoying our time together as a military community. See you on the 6<sup>th</sup>!

The GMFRC took part in Wing Welcome 2009 with a booth and as a childcare provider at the Rexpo. The GMFRC participates in as many events as possible to raise awareness and to be available to answer questions about our centre. We had an opportunity on Saturday, Sept 19<sup>th</sup> to answer many

questions, have a banner signed for our deployed troops and to meet many new members of our community. Thank you all for coming out. Congratulations go out to Sandra McLaren, the winner of our Support our Troops goody bag. We look forward to seeing you all at our next big event, the GMFRC Open House on Oct 6<sup>th</sup> from 3:00 p.m. – 6:00 p.m.

**NOTICE TO RESIDENTS OF GREENWOOD WATER UTILITY**

**FIRE HYDRANT FLUSHING**

The Municipality of the County of Kings' Department of Engineering and Public Works wishes to advise customers of the Greenwood Water Utility that water mains and fire hydrants will be flushed between the dates of October 5<sup>th</sup> to October 23<sup>rd</sup> during the hours of 8:30 a.m. to 4:30 p.m.

Customers may experience low water pressure or discolored water during this time. Customers should flush their own lines by allowing the water to run until the water clears.

Flushing of the water system is conducted twice each year to maintain water quality in the utility's piping.

The Municipality apologizes for any inconvenience this may cause.

## Historic Aircraft that Played a Significant Role in Canadian Aviation Heritage

Submitted by: Bryan Nelson, Executive Director, Canadian Aeronautical Preservation Association

### Canadair CL44 Yukon

Comme Canadair a réussi à convertir la cellule du *Bristol Britannia* pour l'utiliser sur l'*Argus* de l'Aviation royale du Canada (ARC), on lui demande ensuite de convertir cette même cellule pour l'utiliser comme avion de transport à longue distance. Le résultat est le CL44, appelé le *Yukon* dans l'ARC, et qui est également utilisé commercialement par des entreprises de transport de fret aérien.

Le CL44 est construit en plusieurs versions, la plus impressionnante étant peut-être le CL44D, avec son empennage à charnière. Même si ce concept existe dans le milieu aéronautique depuis 1917, l'ingénierie de Canadair est la première au monde à en doter un avion de transport de fret aérien, soit le CL44. Cette caractéristique facilite grandement le chargement et le déchargement du fret et constitue un net avantage pour les exploitants de transport de fret aérien par

rapport à la plupart des autres avions cargos de l'époque dotés de portes latérales.

Les 12 *Yukon* de l'ARC sont munis de 2 grosses portes de soute, du côté gauche. Mis en service en 1961, ces avions remplissent très bien leur rôle dans le transport du fret et des passagers jusqu'à leur retrait du service, en mars 1971. Dans le domaine des opérations de transport de fret, il y a à l'origine quatre acheteurs : Flying Tiger Line (12), Seaboard and Western Airlines (6) et Slick Airways (4), des États-Unis, ainsi que Loftleidir (4), d'Islande. Après son retrait de ces transporteurs aériens et de l'ARC, le CL44 continue de desservir de nombreux transporteurs aériens plus petits, dont beaucoup sont exploités à partir de la Grande-Bretagne.

En service, le CL44D présente des avantages importants par rapport aux avions des concurrents,

notamment celui d'être très économique. Par rapport au *Lockheed Constellation*, il possède l'avantage de voler à 160 km/h (100 mi/h). Alors qu'en raison des politiques d'atténuation du bruit en vigueur à de nombreux aéroports, les avions à réaction des concurrents sont limités quant aux heures auxquelles ils peuvent atterrir, le CL44D peut atterrir 24 heures sur 24 à la plupart des aéroports.

Des 39 *Yukon* construits, un seul pourrait être destiné à un musée. Ancien avion de l'ARC, il pourrait devenir la pièce centrale d'un musée d'aviation prévu à Guayaquil (Équateur). Il en existe deux autres : un appareil converti par Conroy Aircraft, qui possède un fuselage surdimensionné et qui s'appelle le *Guppy*, aux États-Unis, et un qui est laissé à l'abandon, à l'aéroport de Tripoli, en Libye.

### Canadian CL-44 Yukon

Having successfully converted the Bristol Britannia airframe into Royal Canadian Air Force (RCAF) use in the Argus, Canadair was next asked to convert the airframe into a long-range transport. The result was the CL-44, designated the Yukon in RCAF service, and which also was used commercially by air cargo companies.

The CL-44 was built in several versions, perhaps the most impressive being the CL-44D, with its swing tail. Although the concept had been around since 1917, Canadair's engineering made the CL-44 the first swing-tail cargo transport in the world. This feature appealed to air cargo operators as it made loading and unloading much

easier than through the side doors fitted on most cargo aircraft.

The RCAF's twelve Yukons were fitted with two large cargo doors on the port side. Entering service in 1961, the aircraft performed very well in both cargo and passenger roles until they were retired in March 1971. In cargo operations, there were four original purchasers: Flying Tiger Line (12), Seaboard and Western Airlines (6), and Slick Airways (4) of the United States and Loftleidir (4) of Iceland. After retiring from these airlines and the RCAF, the CL-44s went on to serve in many smaller airlines, many of which operated out of Great Britain.

In service, the CL-44D showed significant

advantages over competing aircraft including being very economical. It had a 160 km/h (100 mph) advantage over the Lockheed Constellation. While its jet competitors were restricted in their hours they could land at many airports due to noise abatement policies, the CL-44D could land at most airports 24 hours a day.

Of the 39 Yukons built only one may be bound for a museum. This lone example, a former RCAF aircraft, may become the centerpiece of a planned aviation museum in Guayaquil, Ecuador. Two others exist, a conversion by Conroy Aircraft with an oversized fuselage known as the "Guppy," in the United States and one aircraft in abandoned at the airport in Tripoli, Libya.

# Falcourt Inn's New Lounge Dedicated to the Airmen Who Lost Their Lives

**Flight Lt Richard Miles DFC.**

By: Heather Killen  
(re-printed with permission from The Annapolis County Spectator)

She thought there was something familiar about him when he walked through the door, but it took a memory of the spotted dog to make the connection.

Dianne Hankinson-LeGard has entertained countless guests since 1994 when her family bought the Falcourt Inn, but there was something about the Englishman who dropped in for a visit two summers ago that stirred recognition.

"He asked me what I remembered about the RAF officers who stayed here during the war. I told him I only remembered one, a Flight Lt Richard Miles DFC because he had a spotted dog named Jock," she said. "That's when he told me that his father flew many missions over Germany and had a spotted dog while he stayed here in 1942."

Hugh Miles' father was among the Royal Air Force officers who stayed in Nictaux during the Second World War, when the air base at CFB Greenwood was still in its infancy.

Miles' mother didn't like to talk about the war, so all he had were a few photos to know a father who died months before he was born. He made this special trip to Nova Scotia to see where his family had stayed shortly before his father was killed.

His visit inspired Hankinson-LeGard to dedicate "The Club Room," a section of the inn's newly licensed dining room, to all the young men who came here during the Second World War and lost their lives during training exercises at the RAF base.

She says she remembers the Falcourt from the time it was a private home owned by her father's friend Max Naftal. As a child, she would visit the stately home with her parents and her memories of playing at the house during the Second World War are still vivid.

Throughout its nearly 90-year history, the inn has hosted some notable guests ranging from Vanderbilts, who came when the inn was fishing lodge for American anglers, to modern notables such as Stephane Dion and the Stampers this past August.

The Falcourt's social heyday probably occurred in the 1940s when Max Naftal, a Jewish lumber exporter, and his wife Liza, a White Russian, bought the property. They came to Nictaux after narrowly escaping Hitler's death camps in Poland.

As early as 1937, the Naftals understood the deadly threat posed by the rise of Hitler's army. It was nothing short of a well-timed phone call and a stroke of luck that saved Naftal's life.

Fearing what awaited his family, Naftal sent his wife and daughter ahead to Paris. He stayed behind to wrap-up business when the phone rang and a well wisher told him he must leave at once. Naftal summoned his chauffeur, planning to escape to a ship that was waiting to take him to safety.

He became suspicious though, when the chauffeur appeared in no hurry. Naftal asked him to stop at a tobacco shop in order to stock up on his favourite cigars. After the chauffeur was inside the shop, Naftal slid behind the wheel and escaped alone to rejoin his family.

They may have been

**Diane Hankinson-LeGard and Jock.**

forced to leave their former lives behind, but the Naftals brought a European flair and sophistication to their new life in Nictaux. Old pictures show them as a stylish couple happily entertaining the RAF personnel during the holidays.

They recounted horror stories of the ghettos and camps to Hankinson-LeGard's parents and their other friends. When people here were asked to help the war effort and take in airmen from the nearby base, the Naftals gladly opened the upstairs of their house to RAF officers. Other families also took in RAF Airmen and Officers.

Hankinson-LeGard said she was too young to remember most of the pilots from those days, but Flight Lt. Miles captured her attention with Jock, his spotted dog.

"They told me Lt Miles flew his plane here from England and that Jock was in the cockpit with him," she said. In December 1942, the officer's wife and baby daughter joined him for Christmas at the Naftal's residence.

They remained here until the spring of 1943, when Lt. Miles was killed after his plane crashed into woods near Auburn. His wife and daughter then returned to England and the following August, Hugh Miles was born.

Jock, the spotted dog, was taken in by the Hankinsons and became a lasting and happy reminder of Lt. Miles and the war. She also remembers visiting the first Haunted House on the base during the Halloween of 1943. "We'd never seen anything like it," she said. "They converted one of the hangars and invited all the children. That's what they did for us."

Even though Annapolis

County was an ocean away from the fighting, everyone was touched by the war, according to Hankinson-LeGard. Most area families would invite the officers over for Sunday dinner.

Women like her mother would knit endlessly for the Red Cross in order to send war packages overseas.

"I remember how in Grade 1, or 2, they brought us out of school to stand on the sidewalk and watch as the hearse went by, when one of the pilots was killed," she said. "We would stand at attention out of respect for the sacrifice made."

She added that the caskets she saw were a reminder of lost lives, not just another number signifying a nameless casualty. Blackouts and wartime rations also brought the war home for people here. She remembers how some people had to stop driving cars because they could no longer afford gas, and that many returned to more traditional methods of travel such as horse and buggy.

But it's the young men who lost their lives and the loved ones they left behind that Hankinson-LeGard still thinks about. "I don't think we should ever forget the sacrifices that were made to make our world a safer place," she said.

"Everyone should serve their country and find a way to give back to the community. It builds a stronger society."

Local musician & entertainer Frank Dobbin performs Friday & Saturday evenings, for your listening pleasure at Falcourt Inn. Reservations are requested for the Dining room, however feel free to drop in for a beverage and a listen in "The Club Room" Lounge.

# HOROSCOPES

September 28 to October 3

### ARIES - Mar 21/Apr 20

Aries, no matter how many times you say something this week it just doesn't sink in for the recipient. Keep your patience and try your message again.

### TAURUS - Apr 21/May 21

Taurus, there's nothing you can do to help with a situation that has already escalated out of control. It's best to just sit back and watch it play out. Romantic ventures look promising.

### GEMINI - May 22/Jun 21

Where have you been, Gemini? An extended absence or extreme quiet has led many to ask that very question. It's time to catch up with friends and family this week.

### CANCER - Jun 22/Jul 22

Cancer, this week you'll have a good time without many responsibilities. The party will end, though, when you come back to a long list of work and things to get accomplished.

### LEO - Jul 23/Aug 23

Leo, you are bound to get a little recognition this week. Something you have done is in the limelight and others will prove quick to praise you.

### VIRGO - Aug 24/Sept 22

Virgo, you will need the help of others much more in the months to come. Swallow your pride and don't be afraid to accept whatever assistance is given.

### LIBRA - Sept 23/Oct 23

Libra, things are about to get a little hot under the collar at work. You may wish to lie low while things blow over, otherwise you may get caught in the crossfire.

### SCORPIO - Oct 24/Nov 22

Scorpio, your finances will be tight for a few weeks so start thinking about ways you can creatively conserve money. Dining out may have to be squelched for a while.

### SAGITTARIUS - Nov 23/Dec 21

Sagittarius, it's easy to lose your temper in bad situations. However, you have to learn how to hold your tongue when others push your buttons —especially the case this week.

### CAPRICORN - Dec 22/Jan 20

Capricorn, it's not a sign of weakness to ask for help. Rather, it's a sign that you know your limits. Furthermore, others may want to pitch in.

### AQUARIUS - Jan 21/Feb 18

When work becomes a bit of a bore, Aquarius, you're tempted to start looking elsewhere. The trouble is the economy has not rebounded to the place where that is a wise move.

### PISCES - Feb 19/Mar 20

Pisces, if you just slow down for a few days, you'll find that the things you were hoping for will land right in your lap.

### FAMOUS BIRTHDAYS

# For the Birds

By: Patrick Giffin

Like many of us, Edna Brunt would prefer to be feeding fewer Blue Jays. It is not that we care less about the Jays; it is that the Jay's prohibit a number of physically smaller, less aggressive species from gaining access to the same feeder. To their credit, the Black-capped Chickadees are avoiding the competition and have become regular visitors at our Nyger feeder while the Jays monopolize the Black-oil Sunflower Seed feeders. We also have a semi-circular feeder, mounted against a

windowpane. This feeder has a cover(roof) which may be adjusted in height above the seeds to prevent larger species from gaining access. Consequently this feeder attracts a steady stream of Chickadees, Nuthatches, Finches, and Downy Woodpeckers while the Jays are in town! Hanging and pole mounted feeders, which have small, cylindrical perches are less likely to attract Blue Jays. Often this type of feeder has a tray on the bottom to catch uneaten seeds and rejected seed casings, however, this

tray also provides a comfortable perch that enables Blue Jays and other relatively large species to monopolize the feeder at the expense of their less aggressive, smaller, relatives. We removed the tray and were pleased to notice a significant reduction in Jay visitors. On a number of occasions, Edna has sighted Turkey Vultures in the vicinity of the Vault Rd. As the years go by this species has expanded its range beyond Brier Island, it will be interesting to see the details when the Maritime

Breeding Bird Atlas is published in the next few years. On the deck beneath our dining room window I discovered an American Goldfinch: motionless, on its back, legs in the air, no sign of breathing: I firmly believed it was lifeless! Regardless, I placed an empty pail over it: a cardboard box would have been a better choice but I didn't have one. Approaching about 3 hours later I was surprised to hear an unmistakable fluttering and scratching coming from under the pail. Carefully tilting the

pail for a look, I was delighted in making eye contact with a very bright, goldfinch, standing, seemingly fearless, looking up at me, motionless for at least a minute. I lifted the pail slightly, and it flew away with such vigour that it easily convinced me that its recovery had been complete. In Morden, Gary Myers wrote: "We had the first sighting of a Gray Squirrel in our apple tree here in Morden this morning Also a flock of 50+ Blue jays who thankfully (for my sunflower seed stock) didn't stay around."

The latest "Finch Forecast" prepared by Ron Pittaway of the Ontario Field Ornithologists is an interesting read. In summary, the poor seed crops in their normal range will make the Maritime Provinces a likely alternative for a number of species. If you would like the complete report go to: <http://dendroica.blogspot.com/2009/09/winter-finch-forecast-for-2009-2010.html> Or email me and I will send you the complete report. ## Religious Education: Still Time to Register

Registration for Religious Education at Queen of Heaven Roman Catholic Chapel has been extended until October 4, 2009. As well, the commencement of Religious Education classes has been delayed until September 27, 2009, due to a lack of volunteer teachers. All lessons are pre-planned, so if you have a couple of spare hours a week and a little creativity, please consider teaching, and contact the Coordinator (Samantha Ford - 765-6525) ASAP. The Chapel offers full classes for grades primary to grade six, from September until June. Sacrament preparations for First Communion (Grade 2), First Reconciliation (Grade 4) and Confirmation (Grade 6) also run the full year, and your child

must be registered by October 4, 2009, to receive these sacraments. Parents, please be reminded, that part of your responsibility in registering your children for Religious and Sacramental Education, is regular attendance at Mass. The Celebration of one's faith, in conjunction with educational formation, is intrinsically linked to one another and finds a greater fullness in the living out of our faith. We look forward to seeing you in the midst of our worshipping community. (Fr. Tim Nelligan – Chapel Life Coordinator). Any questions, please call: Samantha Ford, Coordinator at 765-6525 or call the Wing Chaplain's Office - 765-1494, Ext. 5883.

Wing Welcome 2009 Skate Competition

By: Recreation Youth Worker, Megan LeMoine

Even though the weather was cold, we had a great turn-out this year! With 5 Divisions we had 30 competitors! I would like to thank Evan Banks from Limitless Skate and Snow Shop in the Greenwood mall, for helping us out, generously donating prizes, and making this event possible! I would like to thank REMAX for sponsoring this event, we appreciate your support. I would also like to thank the judges, volunteers, PSP Manager Mike Taylor, MC Connor Bell and anyone else who had a hand in making this event happen!

Now for the winners. In the Beginner Division John Mann placed first, Andre Griffin placed second and Jake Titus placed third. In the Intermediate Division; Connor Bell placed first, Dylan Griffin second and Kenneth Dolliver third. In the Expert division Wesley Norris placed first, Theo Saunders second and Alec Hebb third. For the 19 and older division Les Elles placed first, Justin Markey Thomas second and Dean MacKenzie in for third. In the BMX division we had Jeremy Geatreau first, Dan Dennis second and Garrett Beals third. The Coolest helmet award was given to Jerome Pinch. Everyone that participated did a great job; it takes a lot of courage to do what you do!

I hope everyone enjoyed the Jam Session; this was something new this year and something to gain some extra points if you felt under pressure during your solo run. Well, thank-you to all who made this event possible, it was a great success, and it couldn't have happened without all that participated in this event, the skaters and bmxers.
