**By Captain Scott Spurr**

The weather was cool, but sunny for the annual Homecoming football game that was played on Saturday, October 17, 2009 at Acadia's University's Raymond Field. 14 Wing Greenwood was invited to participate in the event and provided a couple of fly by's of a CP-140 Aurora aircraft prior to the start of the game.

The game was between the Acadia Axemen and the Concordia Stingers who made the long bus ride from Montreal. Unfortunately, things did not go very

# Did you Stop for the School Bus?

By: **Sgt Wendy O'Quinn,**  
14 Wing MP Det

Remember a morning you were running late for work. Maybe your children were having an 'off' morning. Maybe you had a disagreement with someone in the household. Maybe you were stressed about forgetting something you needed to do.

We've all had those mornings at some point. You get in your vehicle, somewhat distracted from the morning's activities. A school bus stops in front of you, flashes the red lights, and extends the school bus stop sign. Did you stop or did you continue driving?

There has been an in-

crease in complaints of vehicles not stopping for the school bus when the stop sign was extended. The NS Motor Vehicle Act states, "The driver of a vehicle shall stop the vehicle before passing a school bus that is exhibiting flashing red lights and is stopped on or near a highway and shall remain

stopped until the school bus proceeds". Therefore, a person can not stop and proceed when safe to do so, nor can he/she drive through the lane if the children have crossed the road, drive through another lane in a 3-lane road (i.e. post office), or drive through an intersection when a bus is stopped at one and

exhibiting the flashing red lights.

Also, there have been complaints of impatient drivers not waiting for the sign to be retracted and for the red lights to stop flashing before proceeding. This is also not acceptable and poses a danger to the children within the bus. The bus drivers are required to wait until the passengers are seated, prior to setting the bus in motion. So, please

have the patience to wait until the children are seated, the lights are extinguished, and the stop sign is retracted.

If you are unsure at any time about whether or not to proceed, always stop and wait until the lights are off and the sign is retracted. Remember, it's our children on that school bus. Let's keep them safe.

# Greenwood Squash Club

The Greenwood Squash Club is in full swing this year and registration is still open for new members. A popular program last season, our junior program continues this year on Monday evenings until spring.

Squash is a great sport to get your kids involved in as it promotes participation, physical activity, and sportsmanship. Children between the ages of 12 to 15 can participate in the junior program; classes will run from 6:15 until 8:00 p.m.

As for our adult members, there are a number of activities to look forward to this season, including a tournament to be held in mid-November, with participation from throughout the province.

To help you improve your game, the club will be bringing in an experienced coach from Halifax to conduct skills clinics. The first such clinic is tentatively set for the 5th of December.

We have also reserved court time on Sunday evenings for some social squash. This is a great opportunity to meet other members of the club and play against a variety of different skill levels. As always, the ladder board is an excellent motivator for those who want to challenge themselves and make it to the number one spot.

For registration information please contact Jeff Hallam at hallamjeff@gmail.com or 765-9292, or check the notice board next to the squash courts for signup sheets.

# ~ Remembrance 2009 – Veterans of the Week ~

**Mr. Malcolm "Mac" Wentzell.**

It was a typical October day when I had the pleasure of conversing with Mr. Malcolm "Mac" Wentzell who recalled his days, as a young man trying to enlist during WWII, as if it were yesterday. Mac, (one of four brothers who enlisted) was enrolled on the 6th of November 1940 when the pay was \$1.30 a day. None of that mattered as Mac was a proud and determined young man, trying to be the first in line to have the opportunity to serve his country.

After he signed up, in Middleton Nova Scotia, Mac was selected and sent off to Halifax to become part of the 10th Search Light Battery with the Royal Canadian Artillery (RCA) and was immediately on "Active Service." During WWII he was in England as Infantry reinforcement and remembers very clearly seeing and hearing the V1 and V2 rockets launched from Germany and hit England. Mac also recalls German vessels being spotted off the coast of Halifax and Liverpool.

As a gunner in 1944 he went overseas and recalls the excitement flying over to Holland, only shadowed by the immense sense of pride to be serving his country. After the war, Mac released and returned home to Middleton where he met and wed his lovely wife Claire.

Mac continued to serve the military community, along with Claire, as members of the Legion Branch 33, as they raised their family in Brickton. He served a term as Vice President through his 59 years with the Legion. Claire was a member of the women's

auxiliary, raising funds for veteran activities in Bridgetown and then joined with Malcolm a few years later. Mac has continued to be a member with the Lawrencetown Legion.

Although very modest, about the subject of decorations and awards, Malcolm is decorated with the 1939-45 War Medal and the Canadian Service Volunteer Medal along with several others in his years with the Legion.

Malcolm Wentzell is still as patriotic today as he was as a young man proud to serve his country during the war. His sense of Comradeship is evident as he mentions that he remained in contact with the RCA Batter members throughout the years; still visiting one member who resides in Cape Breton.

Through out our conversation, as Malcolm recalls the bombs overhead and mines at sea, he states "There are some things you never forget! The war was different then as it is now, you knew who your enemy was and where they were. You never forget the trip there or the trip home!"

**Mr. Lou Redden**

The Middleton Legion is blessed with one of the most jovial World War II vets alive – Lou Redden. He served in the Navy from 1942 until the

end of the war. Much of his wartime service was spent in convoy operations both at home and abroad, including escorting supply ships from England and Iceland to Murmansk in the high Russian Arctic. This route was fraught with danger as the Germans occupied Norway. Many ships in the convoys were lost to the U-boat infested waters. For his service in these dangerous voyages, he has been honoured by the Russian government 3 times – most recently in 2005.

After the war, he released from the service, working for CIBC until 1949, when he decided to re-enlist. He spent the next 20 years as a supply technician in the RCAF. His favourite posting was a 12 month tour in France, 9 of which were spent directly

in Paris. Afterwards he was posted to Summerside for 3 years, Greenwood for 5 years, and Toronto, from where he retired. He remained in Ontario for 11 more years, working as a Certified General Accountant.

During his years with the bank, he met his lovely wife, Isabelle, whom he married in 1947. In 1980 he and his wife retired to the Annapolis Valley. They have 2 grown children, 4 grandchildren, and 4 great grandchildren.

Mr. Redden is currently the honorary president of the Middleton Legion. He joined this branch 2 times – the first in 1946 and again in 1980, from which time forward he has been an extremely active member serving over the years as president, vice-president, and treasurer.

## Poppy Campaign 2009

The Royal Canadian Legion Br. 098 will once again be conducting our annual Poppy Campaign involving the collection of money that we use to assist our Veterans who are in need. We are also able to help the Veterans spouses and dependant children who reside at home.

This money is spent on helping Veterans get to appointments and hospital trips. In the past year we have purchased new canes, wheelchairs, walkers, portable bathroom seats and a motorized wheelchair plus many other items that are lent out to the those in need. A great deal of money is spent on new eyeglasses and false teeth as well as for linings and repairs. Additionally, groceries are purchased for those in need. We assisted students by giving out three scholarships, two of \$1,000.00 and one of \$1,500.00 to assist them in obtaining higher education.

This year poppy supplies cost approximately \$5,000.00 so I am sure you can see how important your support and generosity is to our campaign.

Once again we will be asking the public for support which you have always given so generously to complete our obligations to our Veterans. I write this short article to remind people where their money is being spent and to inform everyone that Poppy Fund money is public money that the Legion holds in trust for the public and used only for Veterans.

Again, I thank you in advance for your kindness and generosity and to ask you to again make this a successful campaign on behalf of needy Veterans.

*Yours in Remembrance,

## Get a Better Grip on the Road this Winter

Winter weather presents additional driving challenges but that does not mean you have to be housebound this winter says Steve Boutilier, Service Manager for Canadian Tire, Greenwood. Use extra care on slippery roads, allow additional time, and equip your car with tires especially designed for winter conditions.

Steve explains, that even the best all-season tire is a compromise. Although they generally handle rain and light snow, they do not perform well in severe winter conditions. With snowy and icy conditions, you should consider winter tires for that extra margin of safety.

Two identical vehicles, one with all-season tires and one with purpose built snow tires will have very different performance capabilities. Studies show that the special win-

ter tires can increase traction by 50% or more, comments Steve.

### Winter Tire Design

Winter tires are made of softer components that all-season tires and the rubber are especially formulated to remain pliable in extremely cold temperatures. This pliability, along with different tread designs, gives winter tires better traction and road-gripping abilities.

Nordic Wintertrac has an aggressive tread design for exceptional traction and control in snow and slushy conditions. Molded for studs (where permissible by law) to provide increased traction. As an added bonus, the improved traction that winter tires provide will cut down on your fuel consumption.

### Look for the Snowflake

When shopping for winter tires, be sure to look for one with a symbol of a mountain and a snowflake – this

means the tire has met the severe snow service requirements of the Rubber Association of Canada.

*This symbol of a mountain and a snowflake means a tire has met the severe snow service requirements of the Rubber Association of Canada.*

Transport Canada recommends that you install four identical snow tires on your vehicle, to help maintain stability and control. Also, have your tires installed by your tire dealer to make sure that they are properly mounted.

Steve would like to remind drivers to remember to check your tire inflation at least monthly throughout the year. All tires gradually lose pressure and temperature changes can add to under inflation.

For more information contact Steve and his staff at the Greenwood Canadian Tire store.

## Mail Call! Morale Mail Packages for the Troops!

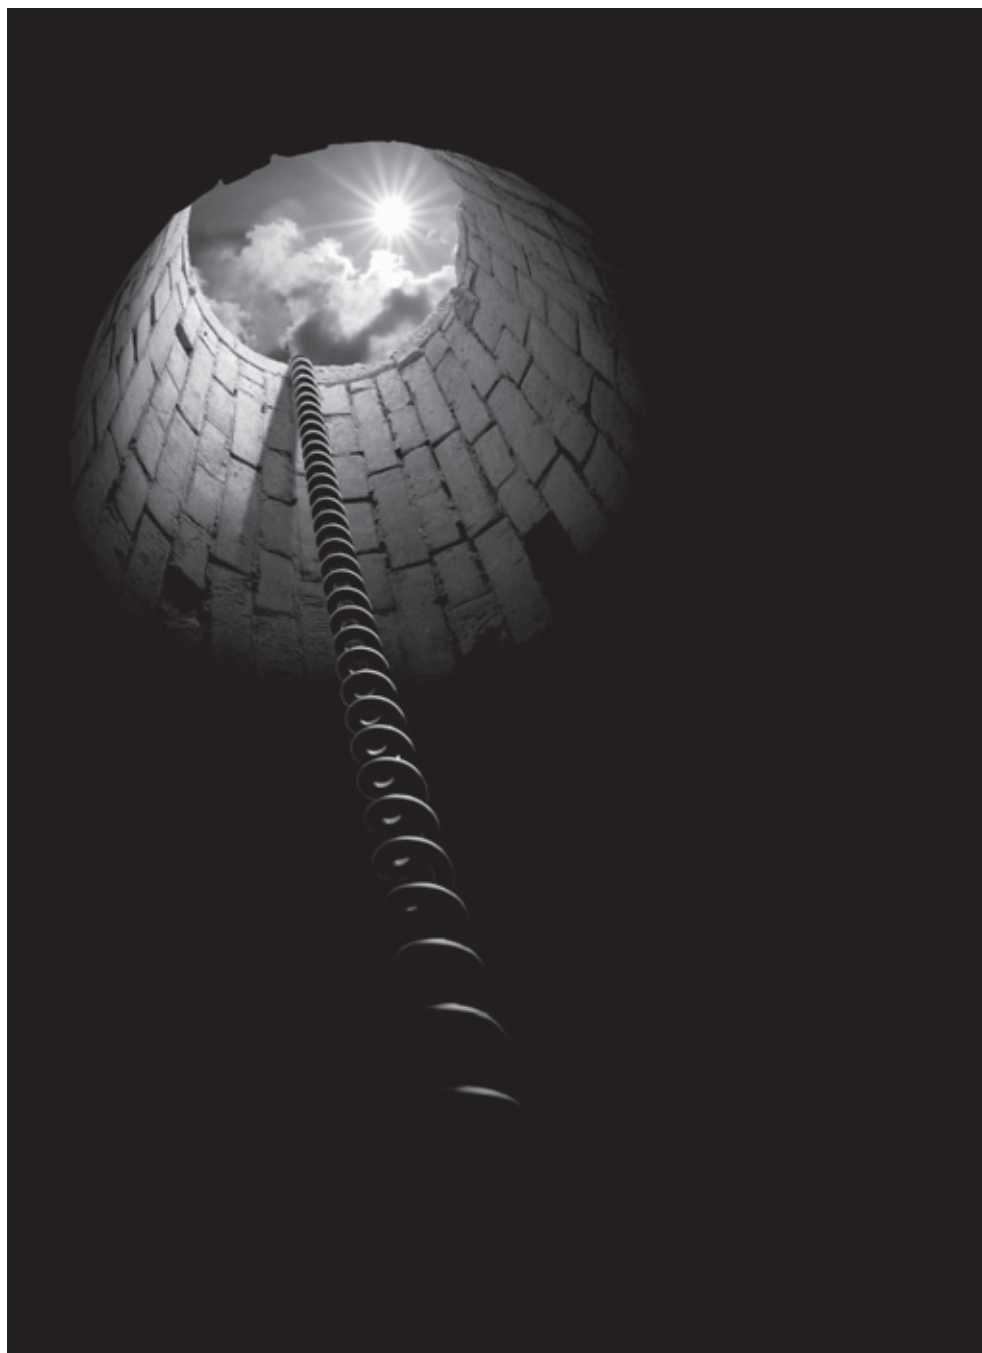

Submitted by: Michelle Thibodeau Wagner, Coordinator of Special Events and Promotions, Greenwood Military Family Resource Centre 765-1491 local 1421 [michelle.thibodeau-wagner@forces.gc.ca](mailto:michelle.thibodeau-wagner@forces.gc.ca)

Getting mail can be exciting when you are far away from home. Did you know that the Greenwood Military Family Resource Centre (GMFRC) sends morale mail packages to deployed troops from 14 Wing Greenwood? The GMFRC knows that being away from home can be challenging and it's nice to get a little something in the mail that says you are being thought of and supported at home. The positive impact of the packages on our troops is shown in the thank you emails we receive asking us to pass on thanks to all involved. It is seen in the quick visits to say; "thanks for thinking of us". It works and we are happy to support our

troops. Just this year, starting January 2009, the GMFRC has mailed 442 parcels to the troops. This would not have been possible if not for the generosity of local businesses, organizations, schools and groups who have contributed to our mail outs.

The GMFRC uses monies from the sale of Support our Troops items, as well as numerous fundraising initiatives throughout the year to fund packages. Thank you to all who have supported us, whether is be through the purchase of a T-shirt or a hot dog. Thank you.

We look forward to creating and mailing packages to the approximately 200 troops who will be deployed from 14 Wing Greenwood for the upcoming Christmas Holiday season. If you would like more information on our morale mail program please contact Michelle at 765-1494 local 1421.

# VPI Memorial Service

On the 4th of October, Maritime Patrol International (VPI) held its 12th Annual Memorial ceremony (VP is the NATO designation for Maritime Patrol, fixed wing aircraft). In 1997, the "Book

of Remembrance" was created to document the names of Maritime Patrol aviators from allied nations, who have been lost in the conduct of Maritime Patrol operations. Each year since its inception,

new names have been added to this book, thanks to the tireless research efforts of VPI members, in particular, Mr. Norm Donovan. This year marks the first occasion where no new names have been added to the book – which is kept on display at the 14 Wing Greenwood Military Aviation Museum and re-dedicated each year during this Memorial ceremony.

The ceremony, normally held at the VPI Memorial located just inside the main gate to 14 Wing, was held at the Annapolis Mess this year. Despite the inclement weather, however, the ceremony was well attended by members of VPI and 14 Wing personnel. Presided over by 14 Wing Commander and VPI Patron, Colonel Bill Seymour, those in attendance solemnly remembered the many maritime patrol personnel who have bravely sacrificed their lives in the line of duty.

Major CJ Davison, President of VPI, reflected that "this year marks the very first occasion, where there are no new names to add to our Book of Remembrance. For this, we are truly grateful, as

**Sergeant (Sgt) Mark Maher, and Sgt Andre Lamontagne stand vigilance during services at the 12th Anniversary VP International (Maritime Patrol) Memorial Service, and Rededication of the VPI Book of Remembrance. The service took place 04 October 2009 at the Annapolis Mess.**

(Photo: Cpl Shane Rudderham)

this book already contains the name of almost 1,900 Maritime Patrol Aviators who have made the ultimate sacrifice. But we do not celebrate this fact lightly, for at this very moment, VP crews from around the world continue to perform those dangerous but crucial and largely unheralded tasks, that keep our coasts and territories safe, protect the sovereignty

of our territory and that of our allies, and contribute greatly to the collective security of our great nation for ourselves, our families and our neighbours. We have seen the role of Maritime Aviation change dramatically in scope over the last few years, with VP crews from around the world embracing new technology and new taskings.

For us here at 14 Wing, whether supporting land forces in the Middle East, operating Unmanned Aerial Vehicles (UAVs) over Afghanistan, or preparing to provide support to perhaps the largest ever domestic security operation at the Vancouver 2010 Olympics, we do not forget from where it is that we came, and the brave VP aviators for whose loss we still mourn."

VPI was originally formed in 1966 at Comox, British Co-

lumbia by Wing Commander Herb Smale, as the Neptune P-2000 Club. Reformed as VPI in November 1970, following the retirement of its namesake, the Neptune aircraft, VPI welcomed into its fellowship Maritime Patrol aviators from around the world. Today, VPI which is headquartered at 14 Wing Greenwood, has over 5,500 members worldwide, with Wings located in over 20 countries. VPI's mission is to "maintain an organization of aircrew to foster goodwill and fellowship among long range maritime patrol and reconnaissance flyers through the promotion of understanding and recognition of maritime patrol operations and of their impact on military aviation." VP is the NATO designation for Maritime Patrol, fixed wing aircraft.

Hello fellow Hams, and everyone else. Our Flea Market is over for another year. This year we invited the Teen Council to help out by running the Canteen, and both were a great success. I would like to express my gratitude, and a bit of awe, at the way that our teens managed the canteen. It was decorated

and presented in a much better way than we have done in the past. Comments were received, such as, very polite, well mannered, service was fast and friendly. WELL DONE, teens. The rest of the Flea Market went over very well. Comments for the market itself were, best in years, greatest ever, enjoyed every minute. Thanks to all for

making this year great. It is at these events that we get to meet the people who are the voices on the other end of our conversations over the air. Good friendships are made, and many old acquaintances are renewed. The next event for our group is providing communications for the St. Andrews half-Marathon on the 1<sup>st</sup> of November in Mid-

dleton. We currently have a Morse Code class running, and will be starting a Basic Course in Amateur Radio on the 13<sup>th</sup> of January.

If you are interested in helping you're your local community with communications, please contact our club. You don't have to be a club member to participate, but

we would like you to support a club. It is times of distress that volunteers come to the aid of overburdened EMO staff. You can do your part by volunteering.

The Greenwood Amateur Radio Club holds monthly meeting on the first Thursday of each month in the community center conference room,

at 7:00 p.m., and we hold "Tinker" nights on the other Thursday evenings. Come out and meet the "Hams". For more information contact VE1RCF Brian at 765-3028, or any of our club members. Check us out at <http://greenwoodarc.org>. Until next time, good listening.

# 14 Wing Dragon Boat Teams Win Gold and Raises Over \$1,700.00 at the Kiwanis Make-a-Wish Dragon Boat Festival

Hot on the heels of our first place finish at the Yarmouth Dragon Boat festival this summer, the 14 Wing Dragon Boat team was ready for another challenge. We welcomed aboard some new team members and got ready to hit the water at the Kiwanis Make-a-Wish Foundation Community Dragon Boat Festival at Lake Banook in

Dartmouth on 26 Sep 09. In addition to bringing Dragon Boat teams together to race, this tournament is a fundraiser for the Kiwanis and Make-a-Wish Foundations. Not only did the 14 Wing Dragon Boat team need to get ready to paddle, we also had to raise funds to gather the \$1,000.00 minimum per team to get into the competition. The team

more than rose to the occasion in both respects.

With only one practice under our belts, we flew past the finish line of the 200 m race down Lake Banook with a very respectable time of 59 seconds. A very strong start during our second race helped to shave three seconds from our race time, and we crossed the finish at 56 seconds. Based on the times from our first two races, we qualified for the Gold Final, which was an incredible feat for a team that had just started paddling together! The sun finally appeared and we felt good as we prepared for the final race against two strong

teams. Another solid start put us ahead at the start of the race, but the boat in the next lane started gaining on us midway through the race. At the finish line, it was too close to call for us in the boat. Perhaps the Aurora that flew past just as we finished the race had a better view. It wasn't until we were on dry land that the time keeper told us we had won the race by a dragon-nose with a time of 57 seconds. In addition to the sweet taste of victory, another reason to boost our

spirits was the compliments given to our team by the world-class paddlers volunteering at the festival.

After the finals were over, the presentations began. In addition to winning medals for first place in the Gold Final, we were surprised and pleased to learn that we were the top fundraising team. Several of the twelve teams in the competition had corporate sponsorship to help them out. With no support at all except from our family and friends, the team raised over \$1,700.00, which was well over the \$1,000.00 minimum. Our top fundraiser was Pte Timothy Canrinus who raised nearly \$200.00. All told, the festival raised over \$15,000.00 for the Make-a-Wish foundation, an organization that grants wishes and creates hope and happiness for children with life threatening illnesses.

Many thanks go out to Karen Freeman, our inspiring impromptu coach. Congratulations to all of our team members – Pte Larry Bent, Pte Timothy Canrinus, MCpl Andrew Collins, Cpl Lindsay Doyle, Pte Jonathan Doyle, Elmer Freeman, Karen Freeman, MCpl Glen Gaudet, MCpl Donald Harvie, LS Danielle Lidstone, Cpl Karen Lindsay, Capt Mary MacDonald, Padre Mike Peterson (our secret weapon), MCpl Chelsea Poole, Cpl Eli Poole, Capt Leanna Scherr, Sgt Dave Shears, MCpl J.F. Tremblay, and our honorary members Ann Gaudet and Michelle Shears. Thank you all for a great day. If you have any questions about the dragon boating or you would like to sign up for the team, please contact Lt Nadia Kang, local 3940.

If you are a youth who has always wanted to learn more about fitness or have not had the opportunity to be a member at the Fitness and Sports Centre then this program is for you!

Last year, we offered the second ever Fun with Fitness program, for nine youth, which brings our combined total to over 20 youth who have now been certified! The two Fun with Fitness programs included a mixture of guys and girls who ranged from 12-16 years of age. These twenty young individuals now not only know how to properly use all the equipment at the Fitness and Sports Centre but are also now certified to work out unsupervised.

As a result of the great response we received from these two courses, the 14 Wing Community Centre would like to offer another special 4-week Fun with Fitness program for free. This program will be instructed by Josh Leddicote, a Fitness and Sports Instructor at the 14 Wing Fitness and Sports Centre. Josh has taken many Kinesiology courses and was a fitness trainer with the, Bulldog Fitness for youth, Halifax Mooseheads, Fitness Experience, and a Professional Trainer for almost 10 years.

Fun with Fitness is intended for anyone between the ages of 12 and 15, who are too young to currently use the gym. Or any 16 to 18 year olds who would like to learn more about active living, and receive additional training and information on operating the exercise equipment.

This fun 4-week program will provide the participants with a thorough introduction to active living, goal setting and exercise maintenance, as well as weekly classroom lessons and hands on practical training! The goal of the program is that by the end of the 4 weeks, you'll be able to not

only know how to properly operate the equipment at the Fitness and Sports Centre but also work out, unsupervised. Plus, at the end of the program you should even be able to put your own program together! This program is an excellent way for you to improve your strength and conditioning, and is also a great way to train for all sports programs offered later this fall or winter.

Once again there will be no charge for this program if you

have a 14 Wing Community Recreation Card. If you do not, you can simply purchase one at the Community Centre or pay the \$5.00 drop in fee, each week. Once you have completed the course you will receive a package with some cool material.

Please note that the program will be offered on Sunday evenings in the Fitness and Sports Centre classroom from 5:00 – 7:00 p.m. The program will start on Novem-

ber 1st and continue on the 8th, 15th, and 22nd with registration on a first come, first serve basis! All participants will be required to have a rec. card, wear indoor footwear, and proper gym clothing. It is also recommended that each participant brings a water bottle as well.

If you have any questions about the program or want to find out more or would like to register, please call Eric MacKenzie at 765-1494 ext. 5337.

## Notice

The 14 Wing Greenwood Bowling Centre will have reduced hours from 26 OCT to 1 DEC 2009.

For more information or to book the Bowling Centre please contact the 14 Wing Community Centre at 765-1494 ext 5341, 5331 or 5337.

# 2010 Community Centre Dance Fundraisers

**By: Eric MacKenzie, Community Recreation Coordinator**

If you are a group struggling for fundraising ideas, then we at the 14 Wing Community Centre have a service for you. We offer our facility to non-profit youth organizations that are interested in fundraising to help their club or organization. We organize monthly dances and the clubs that sponsor these dances must sign a contract and fulfill the necessary requirements to hold these dances. These dances are held at the Community Centre on Friday evenings from 6:00 until 8:00

p.m. for ages 9-12. The club or group who sponsors the dance is responsible for providing volunteer chaperons, along with Community Centre staff, and the sponsored group receives all the profits collected.

Bookings will begin for all 2010 Dances on Tuesday October 27th starting at 9:00 a.m., at the 14 Wing Community Centre Recreation Coordinators office. There are only 12 dances available, on a first come first serve basis in person. Please note that there is only one dance per group/person, and no

bookings will be taken before Oct 27th. We wish to remind the sponsors, that this fundraising opportunity is a privilege that we offer to the Community, and we ask you to keep this in mind when booking a dance for your club or organization.

For those of you, who haven't already booked with us, feel free to stop by the Centre and take a look at our facility and the dates that are available. For more information on this fundraising opportunity, please call Eric MacKenzie at 765-1494 ext 5337.

## 2009 - 2010 Junior Curling Program

Are you looking for a fun activity to do with your friends this winter? The 14 Wing Greenwood Curling Club has what you are looking for!

The 2009 - 2010 Curling season is about to start and we are getting excited to offer our junior program to anyone between the ages of 11 and 18 for *free*, to anyone with a Community Recreation Card. This great form of physical activity, for you and your friends, will be starting with a meeting at the Curling club on Tuesday, October 27<sup>th</sup>, at 4:30 p.m.

This meeting will provide an opportunity for all parents to complete the registration forms that will be available and to learn more about the program. We would like to mention that it is mandatory for all juniors to wear proper indoor footwear (carry with you when you arrive) so please come prepared. We

also encourage all participants to wear warm and comfortable clothing (jogging pants, gloves, etc) since we may even be able to spend the last part of the day on the ice!

The 2009 - 2010 14 Wing Junior Curling program is expected to run weekly from 4:30 - 5:30 p.m. on Tuesday afternoons. Brooms will be provided along with sliders for the youth to experiment with. All that is required is an interest in the game and a willingness to learn more and meet new friends. Please note, if you feel that your youth may be more comfortable on the ice with either a bicycle or hockey helmet, then we strongly encourage the use of one.

Curling is a very fun, and inexpensive way to stay active during the winter and an excellent way to meet new friends! Once again there will be no charge for this program if you have a 14 Wing Community Recreation Card. If you're interested in curling or learning more about our weekly program, please call Eric MacKenzie at 765-1494 ext. 5337 or come out to the meeting on October 27<sup>th</sup>!

## HOROSCOPES

October 25 to October 31

### ARIES - Mar 21/Apr 20

Aries, you need to be a team player when it comes to your job. Do your job as best as you can, but let it be known that you stand by your teammates. Put ego aside.

### TAURUS - Apr 21/May 21

Taurus, don't take anything too personally in the next couple of days. It is not worth the headache it could cause. Focus on work and you'll make it through the week.

### GEMINI - May 22/June 21

Sometimes the most unselfish act involves letting others do things for you, Gemini. Stand back and let someone who usually hides in the shadows enjoy the spotlight.

### CANCER - Jun 22/Jul 22

Cancer, you can fix what has been broken if you are prepared to put in a little hard work. Consider saving time by scaling back your goal to something a little more realistic.

### LEO - Jul 23/Aug 23

Leo, something you've long anticipated finally happens on Monday. Recognize the difference between a real commitment and a shallow promise.

### VIRGO - Aug 24/Sept 22

Virgo, positive reinforcement and encouragement at the office is the best way to get the most out of your employees. You will benefit from this shift in attitude.

### LIBRA - Sept 23/Oct 23

Someone has been singing your praises, Sagittarius -- unbeknownst to you. They're letting people know how well you've done your job and how no one could have done it better.

### CAPRICORN - Dec 22/Jan 20

Capricorn, you may not think of yourself as harsh but there are some things that you just can't tolerate. Ease up on the people around you; they are only looking to help.

### AQUARIUS - Jan 21/Feb 18

Aquarius, right now you are in a good position to make a connection with someone who had previously been an adversary. Extend a hand and put aside your differences.

## GMFRC 1st Annual Spaghetti Supper

Submitted by Ann Gaudet GMFRC  
Coordinator of Deployment  
Services 765-1494 local 5583

In the spirit of National Family Week the GMFRC, in partnership with Sobey's, held the first annual GMFRC Family Spaghetti Supper on Wednesday, October 7 from 5:00 – 7:00 p.m. at the Annapolis Mess. About 200 families joined us for this family fun event! Many thanks go out to the GMFRC Staff and Volunteers pictured here. Without your unwavering commitment we would not be able to provide the services we do to our families. A big thank you to Padre Claude Pigeon for jumping in and helping us serve our families supper as well as for saying the beautiful grace before the meal. A very special thank you goes out to the outstanding staff at the Annapolis Mess you made our event a fantastic success.

And to you, our wonderful families, National Family week could not have been such a success without you, Thank You!

The Winner of the \$100.00 Sobey's Gift card draw at the MFRC Spaghetti Supper held October 7, 2009 was Nadine and Thylanna Armstrong. Congratulations!

## Ghost & Goblins Help Mid-Valley Palliative Care

Friends of Mid-Valley Palliative Care and the Kingston Lions Club are working together on a project with profits going toward the purchase of a new pain pump for Mid-Valley Palliative Care.

On Halloween eve, Friday, October 30th, a "Ghosts and Goblins" dinner dance will be held at the Lions Hall. Costumes are not necessary but encouraged; however don't be surprised if you see some strange creatures serving tables.

Prepared by the Lions' wives, the meal will truly be a Halloween meal with appetizer witch's fingers, eyeballs, sea creatures and brain dip. Dinner will consist of pond scum soup and eye popping soup followed by an entree of graveyard salad and brains and veins. Sweet mud pie and witch's brew will top off the meal but not the evening. Jokers Right, the very popular local band, have volunteered to play into the darkness of the night. Also to pump up the excitement of the evening is the door prize of a 2010 family pass to Upper Clements Park, a value of \$200.00, as well as many other prizes and draws.

Cooperation from the local community has been overwhelming with donations from Upper Clements Park, Sobey's, Super Store, Robicheau Fisheries and Lola's Touch of Beauty. Tickets can be purchased at T&S Office Essentials, Kingston Pharmasave and Lola's Touch of beauty. The evening should prove to be "boootiful" fun created by two charitable organizations getting together to make critically ill pa-

tients more comfortable. There is no more worthwhile cause.
