# POSTPONED DATE for 14 Wing Family Snowshoe and Sleigh Ride Day

**Submitted by: Eric MacKenzie, Community Recreation Coordinator**

Due to the mild weather, the 14 Wing Family Snowshoe and Sleigh Ride Day has been postponed until Friday February 12th 2010. Please note that if we are not able to hold the event on February 12th, then the event will be cancelled until January 2011.

Please note that the only change in this event is the date since all timings, activities, etc will remain as originally planned for the

event scheduled for Friday January 29th, and mentioned below;

The 14 Wing Community Centre and GMFRC will be partnering to offer a day of outdoor fun on Friday February 12th, at the 14 Wing Greenwood Golf Course. This day, which features snowshoeing and sleigh rides, is an event to challenge to all Military and Defence Team members to get active, and enjoy the afternoon with their families. The event is offered from 3:30 p.m. - 5:30 p.m. and is designed for all families to attend (including

non-military).

This event is also a "Take the Roof off Winter" celebration. According to Recreation Nova Scotia, "Take the Roof off Winter" is a physically activity campaign designed to help Nova Scotians of all ages improve their health and quality of life by getting outdoors and being more active this winter. To learn more about this winter campaign, please visit [www.taketherooftoffwinter.ca](http://www.taketherooftoffwinter.ca).

like to enjoy both activities.

As mentioned, this third annual Family Snowshoe and Sleigh Ride Day is an event designed for the entire family. We have snowshoes to fit any size foot, big or small. Plus, there will also be a Kid Zone where your child can enjoy a face painting, crosswords, etc.

There will be sleigh rides during the two hour event for those who do not want to test their luck with snowshoes and for those who would

like to enjoy both activities. In addition, there will be complementary hot drinks and sweet treats to warm the soul. Plus, prizes can be won along the course and additional prizes will be handed out back in the club house.

2010 is officially underway, and with the New Year, our community will see the return of the third annual 14 Wing Wellness Campaign. The ongoing

campaign is based on the idea that a healthy community is a happy community, and a happy community is a supportive community for our troops.

This event, now two weeks away, is a great way to "Take the Roof off Winter" and kick start the Opening Ceremonies of the 2010 Olympic Winter Games with physical activity for the entire family. To learn more please call 765-1494 ext. 5337, 5331 or 1421.

## Man Stranded on Ice Flow Rescued by 413 Squadron in the Arctic

NR-001.10: January 27, 2010

By: Capt Scott Spurr, Greenwood Public Affairs Officer  
14 WING GREENWOOD – Search and Rescue Technicians (SAR Techs) from 14 Wing Greenwood successfully rescued a male hunter off of an ice floe which was drifting fifteen miles south of Resolute Bay in the arctic in the late afternoon on Monday, January 25, 2010.

The man became stranded on Friday, January 22, 2010 when he went hunting and upon making his way back home found a large crack in the ice which left him with no way off of it. A CC-130 Hercules aircraft from 17 Wing Winnipeg was first

on scene and dropped supplies to the stranded hunter as well as survival gear. 413 Transport and Rescue Squadron (Sqn) were then tasked by the Joint Rescue Coordination Centre (JRCC) in Halifax at approximately 10:30 p.m. (on January 22) to fly a CH-149 Cormorant helicopter to the site. The request originated with the JRCC in Trenton, Ontario, which was responsible for the overall coordination for the rescue. The inclement weather made it impossible for the Cormorant to complete the rescue until Monday.

Two SAR Techs hoisted down to the ice floe and then hoisted the cold and tired hunter up to the Cormorant and he was flown to the airport in Resolute Bay where he was met by his family.

# Important Change to Saturday Respite Childcare at the GMFRC

**Submitted by: Kim Dixon,  
GMFRC Coordinator  
of Child and Youth  
Services at 765-1494  
local 1812**

The GMFRC offers Respite Childcare Services that will assist CF families during a deployment as well as for the challenges this unique lifestyle may bring. The GMFRC understands that finding short term childcare in our area can be difficult; therefore we are pleased to offer this service to deployed families who would

like to take some time for themselves on the weekend without having the stress of trying to find a babysitter for a few hours. Maybe you want to have a lunch date with your friend, do some grocery

shopping or simply take time just for you.

Due to a significant increase in the number of families registering for our Saturday Respite Childcare, the GMFRC is pleased to offer deployed

families with the choice of 1 of the 2 monthly Saturday Respite dates as we try to meet the recent demand for childcare on Saturday's at the GMFRC. Deployed families can now choose from one of the two

Saturday Respite dates.

Saturday Respite for the month of February are: February 13<sup>th</sup> OR February 27<sup>th</sup>. Both days will allow deployed families' FREE childcare at the GMFRC from 10:00 a.m. –

5:00 p.m. Families wanting to take advantage of this service can do so by coming into the GMFRC and registering with our receptionist. Space is limited to 15 children per session.

# 14 Wing Winter Carnival Pep Rally

## Cover story.

On January 15<sup>th</sup> at 1400 hrs the 2010 Winter Carnival committee hosted a Pep Rally at the Annapolis Mess. This years Pep Rally was also the venue for the 14 Wing Leadership Challenge. The rally started with words of encouragement from the Wing Commander and the Wing Chief Warrant Officer. What followed next gave new meaning to "Dress with a Difference"? Each team, Commanding Officer and Chief Warrant Officer, were given a frozen CADPAT shirt, straight out of the freezer, complete with rank badges, name tapes and Canada flags. The goal: to properly dress the CO as quickly as possible and pass the inspection of the Winter Carnival team leaders. The following criteria were used: Name tape matches Rank slip on (Navy/Navy, Army/Army, and Air Force/Air Force), buttons done up, drawstring tied and secured, Canada Flag on straight and overall appearance to pass inspection with no penalties. Of course any infractions added 30 seconds to a maximum of 150 seconds to their time. The year instead of competing for bragging rights, teams would be competing for the various winter carnival teams. Neither the judges nor the teams knew who was on which side. This carefully guarded secret was not announced until the end of the event. The judges were actually judging their own teammates. Bragging rights were won by 413 Squadron closely followed by Wing Operations and 14 Software Engineering Squadron. Winter Carnival Team scores were awarded as follows:

- Team Jr Ranks - 8 Pts;
- Team Officers - 6 Pts;
- Team Civilian - 4 Pts; and
- Team WO & Sgts - 2 Pts

During the afternoon 50/50 tickets were sold with MS Barker winning \$395.00. Winter carnival participants were challenged to wear red for a prize supplied by Freemans's ESSO of Kingston. WO Begin of Wing Foods won \$100 of gasoline. Thanks to all participants for making this a most enjoyable event.

# 14 AMS the BUZZ...

**Compiled by: Warrant Officer (WO) Glen Goodall, 14 AMS**

14 AMS is back in full force after the festive season concluded. All the sections are again operating at peak performance. Over the Christmas – New Years timeframe AMO was manned by a mixed group made up of many sections from 14 AMS to keep up with the flying programme. This group once again proved that 14 AMS can “Operate as One”.

Starting on the 4th Jan 10 the AMO section within 14 AMS began a new work schedule. Even though the new shift is still in its infancy the majority of the personnel involved feel as though the new way of doing business will work well. With all change there will be a few hiccups but things have a tendency to eventually smooth out and run a little better.

With the Olympics rapidly approaching, 14 AMS was busy ensuring our contributions of a couple of Overland Equipment Mission Suite (OEMS) CP140 Auroras were flown out to the west coast. Excellent work was carried out by all involved in the installation of the OEMS. This was accomplished under the close eye of WO Glenn Hussey.

For those of you who would

like to contribute to “The Buzz from 14 AMS” may do so by contacting me at GLEN.GOODALL@forces.gc.ca. Some sections already have a “Buzz Rep” but there are many smaller sections not represented. If you want the rest of 14 AMS and the local area to know about the happenings and events in your shop this is the best way to promote your section.

**14 AMS AMO 1 Crew – Cpl Karen Lindsay**

A lot has happened in the last couple of months! In December we had our crew Christmas party. There was an absolutely amazing turn out. There were some very entertaining games played, which included Major (Maj) Mike Smith, Captain (Capt) Max Leclerc, and Lieutenant (Lt) Clark Sollows dressed up as what was supposed to be Santa Claus. Maj Smith looked the most like Santa, while Capt Leclerc looked like a terrorist, and Lt Sollows looked more like a Keebler Elf. We also had Sergeants (Sgts) and WOs dressed like Rudolf. Everyone had a good time and the staff at the Kingston Fire Hall was excellent. We already look forward to next year!

1 Crew has welcomed a number of new members to the

team coming in from Borden. We have Corporal (Cpl) Kent Billingham, Privates (Ptes) Tracey Gaudet, Guillaume Puliot, Andre Pelletier, Chris Baker, and Jason Ross. They will soon be heading off for another course, with still many to come. I’m quite certain they are all much happier here then they were at Canadian Forces’ School of Aerospace Technology and Engineering (CFSATE), as most can attest for that! We also welcomed back a number of people from 404 Squadron (Sqn). It will be excellent to have more qualified people around. Especially since we said goodbye to a couple when the shift schedule changed to 12 hour days. Unfortunately it was just too hard of a schedule to maintain for some people. Cpl Belisle, one of our major crew canteen sponsors headed to TSS. Also, Cpl Maureen Lunn headed over to ARO.

1 crew would like to send out congratulations to Cpl Brett Belbin and his new bride Erin. There was a bit of confusion at first, someone was running around saying that they had a baby! Thank goodness that got straightened out or he would have had some explaining to do! Another congrats goes to Ptes Taylor and Dany Major

who welcomed another addition to the family. Also, Master Corporal (MCpl) Jeramy Ratelle’s wife also had a baby girl in January. There’s a couple of more members of the crew who will in the next couple of months be celebrating the arrival of new family members.

With the excitement of posting season around the corner we are all anxiously awaiting the news of who else may be coming and going, but until then we’ll all keep our fingers crossed in one way or another.

**14 AMS AMO 2 Crew – MCpl Don Harvie**

Hello again, everyone. Hopefully the break over the holidays has left you recharged and ready to face the New Year. It has for 2 Crew and a good thing because we have started a new shift schedule. The long hours have left a few of us bleary-eyed and scruffy-looking (the Winter Carnival beard-growing contest is on again). However, more aircraft are serviceable at the end of the day, so the new shift appears to be having the desired effect.

Of course, some of us enjoyed the holidays more the others – just ask Cpl Guillaume Tessier, who recently returned from his honeymoon in Mexico all smiles and sporting a nice tan.

Obviously he must have found some time to frolic in the sun.

The long hours spent at work during four days on has been noticed at home with my daughter asking me where I’ve been “hibernating” lately. One positive spin-off of the new schedule is that profits at Tim Horton’s must be up as the early morning crews fuel up on extra large double-doubles and sugar-laden donuts.

AMO 2 Crew has gained some new faces on the flight side with Cpl George and Cpl Beaudoin joining us from CFB Borden and Cpl Malone from Engine Bay. We also welcome back from course MCpl Dwyer, Cpl Vatcher, Cpl Foley, and Pte Ward.

Just as quickly as the manpower reinforcements arrive, others will be lost. Starting their flight system course soon will be Cpl George, Cpl Wright, Pte Wright, Pte Fraser, Pte Canrinus, Pte O’Quinn, Pte Stairs and Pte Venedam.

Congratulations go out to Pte Savannah Ward as she has been selected to go to attend the upcoming Olympic Games in Vancouver during Op Podium.

From the propulsion side of the crew, one member has been lost as Cpl Adam Martin has

been selected to joint he ranks of the NDT trade (Non-Destructive Testing) and is currently doing OJT in their shop. (If he appears to be glowing, you’ll know he hasn’t quite mastered the use of the x-ray machine yet.) Adding to the ranks of the prop side is Pte Gravel fresh from CFB Borden.

AMO 2 Crew also welcomes the addition of WO Hussey who replaced WO John Lane who is off to oversee periodic maintenance down in 10 hangar as ARO Warrant Officer.

Time to put on my coveralls again, as the big grey aircraft waits, until next time...

**14 AMS AVS Labs – Cpl Christopher Morris**

Not a whole lot to report from AVS Labs this time. As the lab shutdown persists, mixed feeling arise. Some cannot wait for it to be over so they can start fresh in another section, others are sad to see it go. Either way, I believe everyone here cannot wait for the speedy takeover to be complete.

We would like to congratulate Cpl. Marty Myre and his wife Stephanie on the birth of their second child. Isabelle was born on the 8th of January, 2010, at 9:45 in the morning, weighing in at 6 pounds, 12 ounces!

## Filling All Your Antifreeze Needs

Steve Boutilier, Service Manager for Canadian Tire, Greenwood says, the #1 Antifreeze/coolant in North America and the Official antifreeze of NASCAR, Prestone Antifreeze/coolant provides maximum freezeup and boil over protection (from -84° to +276° F) for cooling systems in automobiles and light duty trucks. Prestone Antifreeze/coolant's patented Dual Action Formula uses high quality inhibitors to protect against the

ravages of rust and corrosion to all cooling system metals, including the thin aluminum radiators found in today's new vehicles.

Use a mix of 50% to 70% Prestone Antifreeze/coolant and water for outstanding protection. Optimum change intervals - Once per year to provide unsurpassed protection.

Steve explains, that unlike engine cooling system antifreeze products, Prestone RV Antifreeze is specially formulated for winterizing

all types of potable water systems, such as those found in vacation homes, boats, RV's as well as swimming pools and heating systems. This propylene glycol-based antifreeze enables users to prevent water supply pipes from suffering bust damage down to -50°F, while protecting against the build up of rust and corrosion. The nonpermanent-staining pink colour indicates that it is in the system. Steve reminds motorists when you are ready to use the

water system, just flush out until the water runs clear.

Ideal for winterizing all types of portable water plumbing systems. Use undiluted. Optimum change interval - Winterize annually.

### ...The Buzz continued.

Now Isabelle and brother Luc complete their family. We are very happy for you guys.

I do have to mention one more thing...while playing a friendly game of poker; a flush is 5 cards of the same suit, not 4! Sorry Craig, well, not really! ha-ha

### 14 Wing Imaging – Pte Melissa Spence

The Holiday season has come to an end and just about everyone made it to work on time after the break. As usual, we're gearing up for another busy year here at Wing Imaging.

Pte Vicky Lefrançois has

just returned to the Valley after completing the new Non Commissioned Member (NCM) Public Affairs course in Ottawa. I and Cpl Vincent Carbonneau have also found our way back from Ontario after completing our Qualification Level 5 (QL5) course at the CFSATE in Borden. Sgt Sue Hersey has just returned from her Intermediate Leadership Qualification (ILQ) course in St-Jean. I wonder if she brought us back any poutine?

We are all looking forward to meeting the latest addition to the 14 Wing Imaging family.

Little Tyson Clay Washington was born on December 14, just in time for Christmas. Cpl Mary Mechalko, her husband Derrick, and daughter Abby are all doing great, though they may be a little more tired than usual these days! Pte Alex Bouchard and his wife, Annie, are also expecting a new addition to their family. This will be their third child, joining five-year-old Victoria and 20-month-old William.

MCpl Andrew Collins is busy preparing to deploy to Vancouver for OP PODIUM. His gear is already packed; I just

hope he doesn't forget to bring his Team Canada jersey!

Well, that's all for now. In the meantime, remember to smile when you see us around the Wing. We'll be the ones with cameras around our necks!

### Final Buzz

That's the Buzz from 14 AMS. The month of February should prove to be an exciting month in uniting Canadians as they cheer on our Olympians in their quest for Gold. "Oh Canada" will hopefully be heard many times over as our athletes attempt to make their dreams come true.

# Acadia University Hosts Military Appreciation Night Hockey Game

By Sergeant Pete Nicholson

On Saturday 23 January 2010 Acadia University (located in Wolfville, Nova Scotia) paid tribute to the men and women of 14 Wing Greenwood, by inviting them to a Military Appreciation hockey game between the Acadia Axemen and the Saint Francis Xavier X-men.

This was the second such game that the University has hosted and donated 200 tickets to 14 Wing. It was a very cold Saturday night and the arena was filled to almost max attendance! The Axemen played superbly and outscored the X-men 4-0!

Lieutenant Colonel (LCol) Pamela Smith McBride, the Wing Administration Officer

and Master Warrant Officer (MWO) Geraldine Lefebvre, the Wing Administration MWO were the representatives for the Wing Commander and the Wing Chief Warrant Officer. They were piped onto the ice by Piper Sergeant Sandy MacMillan to do the official puck drop at centre ice before the game.

LCol Smith McBride had this to say of this auspicious occasion, "I would like to thank Acadia University for the kind invitation and outpouring of support that we received at the hockey game last Saturday. It was a wonderful turnout, we were treated to a great game and the good guys won. It was a great evening and very much appreciated."

An occasion such as this encompasses a lot of hard work. The whole show went off without a hitch due to the efforts of Eric

Cederberg, the Universities Sports Information/Events Management representative as well as Acadia University itself.

Acadia University, Wolfville Nova Scotia hosts a Military Appreciation hockey game between the Acadia Axemen and the Saint Francis Xavier (St. FX) X-men. # HOROSCOPES

Janaüary 31 to February 6

### ARIES - Mar 21/Apr 20

It pays to trust your gut, Aries, because it seldom leads you in the wrong direction. Avoid temptation on Tuesday. It'll certainly be your downfall.

### TAURUS - Apr 21/May 21

A remarkable thing happens when you slow down to enjoy the scenery, Taurus. It pays to take it easy for a few days. You'll benefit from the slower pace.

### GEMINI - May 22/Jun 21

Don't procrastinate, Gemini. There is an urgent matter that needs attending to in the days to come. Sagittarius will be on your mind on Thursday. Think through the situation.

### CANCER - Jun 22/Jul 22

You need to get a message to someone you love, Cancer, but don't know the best form of delivery. Go with the first idea that comes to mind and you'll find success.

### LEO - Jul 23/Aug 23

When someone looks to take advantage of your forgiving nature, Leo, you aren't so amenable to the idea. You are going to show another side of yourself this week.

### VIRGO - Aug 24/Sept 22

Frustrations abound, Virgo, and the only way to get through them is to shuffle onward. Help arrives from an unlikely source and you're not sure if you want to accept it.

### LIBRA - Sept 23/Oct 23

Something you say at work could land you in hot water, Libra. Backtracking to gloss over your words will only dig you deeper into trouble. Accept your mistake.

### SCORPIO - Oct 24/Nov 22

It's easy to feel frazzled with the amount of things you have on your plate, Scorpio. Fortunately you have a keen sense of keeping things in balance.

### SAGITTARIUS - Nov 23/Dec 21

There is more than one way to reach your goal, Sagittarius. Choosing the path of least resistance may not be the best option this week. Your home life will be scrutinized. Be prepared.

### CAPRICORN - Dec 22/Jan 20

An important lesson is learned this week Capricorn. It involves how you are treated being the product of how you treat others. It could be time to change your ways.

Aquarius, you are finally feeling like some of the stress in your life is lifting. Many things are falling into place, and an exciting event is on the horizon for you.

## Winter Carnival Family Games

**Where: Greenwood Community Centre Gym**  
**When: Saturday, 06 Feb 10 from 1000-1130 hrs.**  
**By: Eric MacKenzie Community Recreation Coordinator**

Winter Carnival is set to happen this weekend! Since Vancouver will welcome the world, in two weeks to celebrate the Olympic Winter Games, this years 14 Wing Winter Carnival theme will be focused around the upcoming Olympics. The 14 Wing Community Centre is ready to once again offer you some fun indoor games for the entire family.

We will be offering a number of great family games, which will be taking place inside the gym of the Community Centre, for all to enjoy. This year's Winter Olympic theme will be incorporated into our fun indoor games, which will include the famous candy hop station, as well as the always popular cookie decorating station. The always popular Bounce Kingdom will once again be set up for the children. Plus, face painting and an Olympic Winter games craft corner will also be available.

Thanks to Zeller, in the Greenwood Mall, we are able to include some very cool official Vancouver Olympic prizes, which you will be able to qualify for a draw to win!

Please note that this event is free of charge to all families, provided a member of each family has a 2010 Winter Carnival key chain, so make sure you remember to include us in your Winter Carnival weekend of Fun!

If you have any questions about the Family Games please call Eric MacKenzie, at the 14 Wing Community Centre, at 765-1494 ext. 5337.
