Three Men Rescued by 413 Squadron off Cape Split

NR-003.10 - May 10, 2010 - 14 WING GREENWOOD – Three fishermen were rescued from their vessel (Eric and Junior 3) that was taking on water in Scots Bay near Cape Split, Nova Scotia (N.S.) this morning by members of 413 (Search and Rescue) Squadron.

The Joint Rescue Coordination Centre in Halifax was notified and requested a CH-149 Cormorant helicopter from Greenwood be dispatched to the scene to administer assistance. Once the Cormorant was on scene Search and Rescue technicians were lowered from the helicopter to the fishing vessel and

the men were quickly hoisted up into the aircraft. The fishermen were then transported to Halls Harbour, N.S. and all were in good shape and did not require any medical attention. A C-130 Hercules aircraft was nearby doing routine training as well and provided top cover for the Cormorant.

413 Squadron along with 103 Search and Rescue Squadron based out of Gander, Newfoundland provide Search and Rescue in conjunction with the Coast Guard and the RCMP for Canada's East Coast.

Calling all Units/Sports Teams/Schools/ Businesses!

Hi! My name is Julie Theisen and I am volunteering to have my head shaved for cancer donations. Once I have raised at least \$500.00 in donations to the Canadian Cancer Society, I will have my head shaved at the Middleton Relay for Life on June 4, 2010. As an incentive to sponsors, I will have the name of the most generous sponsor "tattooed" on my newly-shorn head (the henna should be visible for a few weeks). The two runners-up will have their names applied to a T-shirt which I will wear to various sporting and social events throughout the Valley this summer.

To date, the largest donation I have received is from 26 CF H Svcs C (14 Wing Greenwood Medical Clinic). If you would like the name of your unit/business/school/sports team/etc. displayed for thousands to see, please consider sponsoring this worthwhile cause. Receipts provided for donations over \$10.00.

The Strength of Military Families

Submitted by: Michelle Thibodeau Wagner, GMFRC, Coordinator of Special Events and Promotions, 765-1491 local 1421 michelle.thibodeau-wagner@forces.gc.ca

We're not talking about pumping iron to get ripped, bench pressing 300 pounds or working on impressive abs. We're not taking about building cardio with 'Sweatin' to the Oldies' with Richard Simmons in his little shorts!

We're talking about the strength of the extraordinary unit called the Military Family.

We're talking about the strength of character it takes to raise a family while your spouse is deployed time and time again. We're talking about the ability to hold it all together at home with three kids, a dog, homework and lawn care while a course or Op is happening. We're talking about rolling with the punches, weighing the options and running with it when schedules and missions change at a moments notice. We're talking about the ability to work through the "pain" to achieve positive results when things may seem uncertain during a posting. We're talking about not sweating the small stuff and being extremely flexible to deal with what's thrown at you. We are talking about working with intensity on keeping the family unit strong and united when things are changing all around.

We're talking about the huge effort put into celebrating life in the military and acknowledging the impact that military families' sacrifices have on the world.

We're talking about the power military families gain with experience, "time served"

and lessons learned. We are talking about the effort military families put forth to reach out to one another and build a community for themselves every posting.

We're talking about the pride that comes with being a military

family.

Life in a military family comes with challenges, there is no doubt about it; it also comes with a closely knit community, the opportunity to travel and meet new people, personal growth beyond comprehension

and a fierce pride in playing a huge role in serving our country.

Military Families live every day like there is a deployment tomorrow. We should all live like that, making the best of each day! Military Families are truly the *Strength Behind the Uniform*.

14 Wing Community Spring Clean-up

Hello again to all the residents of our 14 Wing Community. As in previous years, we will be asking for residents to assist in keeping our community a clean and safe environment.

The annual clean-up will take place at 0930 on 21 May 2010. Personnel will meet at the Morphee Centre at 0915 in dress of the day, or comfortable civilian attire, as appropriate. After a short brief on the morning's activities, personnel will be broken down into six teams, one per Ward. The teams will make their way to starting points within their assigned Ward, and start a sweep of the PMQ Common areas, bagging trash material as they go. As bags are filled, they will be taken to the main streets throughout the Housing area and deposited curb-side for pick up by "Clean-Up Crews" in light duty trucks.

Depending on the number of participants, Clean-Up should be complete within a couple of hours.

Valley Waste Resource Management (VWRM) has a program for supply and removal of large dumpsters/waste bins free of charge when used for Community Clean-ups. The "Clean-Up Crews" will circulate around the Housing area, collecting the filled bags and transporting them to this centrally located dumpster. When the Community Clean-Up is complete, VWRM will automatically remove the dumpster.

During sweeps, there is no requirement for personnel to proceed into individual housing lots, those are the responsibility of the residents and should have already been 'spruced up' during Valley Waste Resource Management's

(VWRM's) Spring Clean Up. The object is to collect material accumulated over the course of last Fall and Winter; no extremely heavy debris or deadfall need be collected. As with all things, the greater the number of participants, the better the end result and the faster it can be completed. This call for volunteers is not restricted to only Military members; any resident of the Community or interested party can choose to help out.

Once again, your Community Council realizes how busy schedules may be at this time of year, but hope you will take time to help us in making and keeping our Community clean and safe, so we can all enjoy summer a little more. Thanks in advance for all your support.

Town of Middleton Launches Youth Ambassador Program

Middleton - The Town of Middleton is proud to announce a new Youth Ambassador program for 2010.

The Youth Ambassador will be chosen to demonstrate and encourage community involvement, participation, and leadership skills in the town. The successful applicant will be responsible for developing and implementing a project during his or her grade 12 year that will enhance the town in some manner.

The successful candidate must be a resident of the school boundaries of the Town of Middleton, and be a grade 11 student in good academic standing at Middleton Regional High School. She or he must be prepared to act as the Town's Ambassador at various events, parades, Heart of the Valley festivities, and public speaking engagements.

"We are truly excited to launch the Youth Ambassador program in Middleton," says Jan Davis, Chair of the program

committee. "It provides a unique opportunity to a local student to develop valuable skills while, in turn, demonstrating the importance of leadership, community involvement and self-confidence to other youth."

Applications are being accepted by the Guidance Office at MRHS until May 14, 2010. On May 28, a maximum of four candidates will be selected to compete for the scholarship. These successful candidates will be notified and will attend an orientation which will outline what will be expected if they wish to continue in the program.

The Youth Ambassador for Middleton will be announced in early September, 2010 to serve their term during the grade 12 school year.

Applications may be dropped off to the Guidance Office at MRHS or emailed to jedavis@eastlink.ca

For more information, contact Jan Davis at 825-4949.

Self Care

Submitted by Jennifer Hill, Social Worker at the Greenwood Military Family Resource Centre 765-

1494 local 1811 or Email Jennifer.Hill2@forces.gc.ca

The following quote by Chuang Tzu, "the perfect man of old looked after himself first before looking to help others", represents an important message. In order to take care of others we need to take care of ourselves. It is important to view self care as an investment rather than being selfish. Some would say "well I don't have time to look after myself because of this, that and everything else"; if this is the case you need to make time and find a technique that fits into your schedule. Doing so will help you to feel better and in more control so you can help others.

As a military family experiencing a deployment, we become so busy taking care of everybody else that we may actually forget to take care of ourselves. Most of us could agree that there are not enough hours in a day to complete the never ending to-do list. Deployment can be a very busy time for families; a time where new routines and self discovery can take place. It is important that you take time for yourself to practice self care.

Some tips to practicing self care include:

Reward yourself: Find balance between taking care of

yourself and those close to you. Set some attainable goals for things you hope to achieve, personally, for the duration of the deployment. Keep a journal and reflect and reward yourself when you achieve one.

Relax: If you are feeling overwhelmed try stepping back, taking 10 deep breaths that go right into your abdomen, and then go back to what you were doing. This helps you become self aware and in control of yourself and the situation.

Exercise: Pick a day and go for a walk, go along with a friend, go to the park. If you have children wait until they go to bed and bust out a Pilates or yoga DVD. This will help you to relax and will be a nice reward to your mind, body and spirit after a long day.

Talk: Call a family member, a friend or come into the GMFRC to connect with one of our peer support groups, and/or meet one on one with our social worker.

For more information on Self Care please contact Jennifer Hill at the GMFRC. The opportunities to take care of yourself are endless, explore and find one that works for you and your lifestyle. Remember do not feel you are being selfish; you are truly making a wise investment in caring for yourself.

14 Wing Greenwood Junior Curling Wrap-Up

This photo was taken on our last official day. Starting with the back row are (left to right) Eric MacKenzie (Instructor), Chelce Cyr, Hayley McDowell, Nicholas Crummey, Jordan Cyr, Evan MacDonald, Mrs. Crummey (Instructor) and finally the front row (left to right) Wesley Hickey, Josh Rozee, Austin Bickford, Jonathan Cunningham, Brayden Patey, and Kyle Vessey.

The 2009/10 season for the 14 Wing Greenwood Junior Curling program came to an end on Tuesday April 6th. This was a fun and exciting year for our curlers, especially the second half of the season as a result of the two spiels we participated in. Both times, we had enough interest to have two teams represent our club and participate in two fun spiels at the Middleton Curling Club. These day long events saw our teams play against a junior team from both the Middleton and Berwick Curling Clubs.

The two fun spiels were a learning experience for the majority of our curlers, as most of our juniors had never curled against a team outside of our club. However, each curler demonstrated that he or she was able to apply what they had learned in practice and improved on their performance and understanding of the game.

Almost half of our members had never stepped on a sheet of curling ice or threw a single curling stone before this year. However, with the help of those who were returning to

our program, they all quickly began to show tremendous signs of improvement and always had *fun*! As a result of their dedication to the program, they all showed signs of a promising future in this game!

To end our almost six month season, our Jr. Curlers challenged their parents to the final game of the year. Even though our juniors had six months of training for the game, both games came down to the last shot!

The 14 Wing Junior Curling program would like to thank

the President of the 14 Wing Greenwood Curling Club, Mr. Dwight Richardson, and Mr. Ron Cyr for their support, kindness and assistance to the program. We would also like to express our appreciation to Bill Cox and the entire PSP arena staff for their hard work this season and always having the ice and little rocks

available and ready for us!

We would also like to wish Chelce and Jordan Cyr, as well as Jonathon Cunningham, all the best as they are being posted this summer. You may be leaving our program but another club in B.C. and N.B. will be lucky to have all three of you!

If you are interested in

joining our junior curler program next year, and will be between the ages of 11 and 18, please keep an eye out in the Aurora and for posters around your school in the fall. We would like our program to continue to grow since we have some exciting new things planned for the 2010/11 season!

14 Wing March 1st I Quit Winners

For the eighth year, the CF Strengthening the Forces teams launched its smoking cessation challenge. The "March 1st, I Quit!" challenge was set up to help people free themselves from tobacco use once and for all. The challenge was to quit smoking for at least four weeks, from March 1 to April 1.

Last year, thousands of people took up the challenge. The campaign targets CF Regular and Primary Reserve Force members, the Cadet instructor cadre, Canadian Rangers, DND civilian employees, Non-public fund employees, and Supplementary Reserve Force members who smoke regularly.

The challenge provided a quit date for smokers already motivated to refrain from smoking and who have not yet set a quit date. The program also provided an opportunity for the involvement of supporters (non-smokers), whose job was to provide encouragement and advice to smokers enrolled in the program. Participants and supporters in the challenge

were eligible to win CANEX cash prizes. Prizes were graciously provided by CANEX and SISIP Financial Services, partners of the March 1st, I Quit! Challenge.

14 Wing Greenwood had four local winners.

\$200.00 Sgt Dave McDowell 404 Squadron
\$100.00 Jacob Kanis 14 AMS
\$75.00 WO Peter Dingle LFAA TC
\$50.00 Pte Laura Way 404 Squadron (non smoking supporter for someone who entered the challenge)

I would like to thank Edith Tremblay, my administrative Assistant, for all of her hard work; she was the engine behind this campaign. I would also like to thank Ken Keddy and Marc Britney from the CANEX and SISIP Financial Services who provided all the money and prizes.

Locks of Love

Submitted by: **Lynn Guitar**

A year and half ago my daughter Grace who was then 5 saw a little girl in Zellers who was bald. "Mommy, how come that little girl doesn't have any hair?" she asked. So I thought how do I explain this to her. "Well, she might be sick and the medicine the doctors give her to make her better can make her hair fall out." I see her looking at me and I think oh, oh, I see more questions coming! Then she surprises me with "how come she doesn't wear a wig?" First I was surprised she knew what a wig was! I told her that wigs cost a lot of money and not everyone can afford one. But there are places that give kids

wigs. She asked me who and I told her about Locks of Love. "Little girls like you grow out their hair really long and then it gets cut. Then they take that hair and make wigs." So ended our conversation....or so I thought! Two days later Grace comes to me and asks, "Mommy can I grow out my hair longer and then get it cut so we can give it to a little girl like then one at Zellers the other day?" That brings us to now. On May 03 2010 my wonderful little girl had her beautiful hair cut off, 12 inches, and we are sending it off to Locks of Love! What does Grace think of her short hair? She loves it and she says she is ready to do it again! We just wanted people to know just how special our girl is!

All-day flight is no poisson d'avril

By: Sgt Stephen Decatur,
Task Force Kandahar
HQ

It was no joke on April Fools Day when the Joint Task Force Afghanistan Air Wing gave the Air Force a birthday present in the form of a new personal best.

The CU-170 Heron unmanned aerial vehicle broke the record for the longest Canadian UAV flight by staying aloft for almost 25 hours.

Aside from surpassing the normal Heron operating time of 18 to 21 hours, the flight was also one of the longest unrefueled flights in the history of the Canadian Air Force, according to Col Christian Drouin, commanding officer of the JTF-Afg Air Wing.

The aircraft provided surveillance for a full 24 hours before landing, refitting

and going back into action in less than three hours. The ground crews — made up of pilots and intelligence analysts — rotated during the mission to keep fresh eyes on the battlefield, said UAV pilot Capt Kenneth Jones. Capt Jones, who started his flying career with tactical helicopters such as the CH-136 Kiowa and CH-146 Griffon, said he never imagined he would be flying an aircraft from the comfort of the ground. He went on to explain that, despite the obvious fact that the crew is on the ground, the Heron flies much like a manned aircraft.

The Heron replaced the CU-161 Sperwer UAV in 2009 to meet a growing demand for UAV support. The aircraft has greater range and newer sensors than the Sperwer, which first

deployed to Afghanistan in 2003. Pushing the envelope on UAV flights means the Air Force will be able to provide that much more support to the mission on land, explained Col Drouin.

“The Heron is like Big Brother watching over our troops on the ground,” said Col Drouin. “This milestone... is significant as it opens the door to even more refinement in extending the endurance of this extraordinary capability.”

Whether investigating suspicious activity or watching soldiers’ backs, that capability can ultimately turn the tide in life and death situations, said Maj Jeff Davis, commander of the Heron detachment.

“Any extra amount of time we can spend conducting [observation] for the troops helps save lives,” he added.

Saving Lives During Canada Road Safety Week

May 18 - 24, 2010 will mark Canada Road Safety Week, a national campaign to make Canada's roads the safest in the world. This week has been strategically chosen, as it is the first "summer" long weekend. More people are traveling and traffic collisions are more frequent. Police vehicles will be stationed at key locations to remind people that safe driving habits save lives and reduce injuries on our roadways.

The focus during Canada Road Safety Week will be on behaviours that reduce risks for drivers, passengers and other road users: sober and alert driving, seat belt use, and refraining from all aspects of aggressive driving. All enforcement agencies across the country have been invited to participate.

"Anyone can become a victim of unsafe driving --- whether by direct involvement or when a loved one is affected," says Sgt. Dan Gaudet. "Police agencies across the country are collaborating on this project because they have seen this kind of devastation, and because they know that the involvement of the driving public is essential to achieve safer streets and highways."

Here in the Annapolis Valley, there have been 63 deaths and 112 serious injuries over the last four years related to vehicle collisions. These are just numbers, but they represent a lot of pain and heartache for members of our community --- that could have been prevented.

Canada Road Safety Week is sponsored by Transport Canada and endorsed by police and is part of Road Safety Vision 2010, which has a goal of making Canada's roads the safest in the world by 2010. Now that we have reached our target year, a new road safety plan is in the process of being created so that we can continue to strive for the goal of making Canada's roads the safest in the world.

"Dedicated to improving public safety on our roadways."

Help make History with the Terry Fox Foundation!

On April 12, 1980 Terry Fox set out on a journey of hope, courage and determination. To celebrate the 30th Anniversary of the Marathon of Hope, The Terry Fox Foundation is proud to announce our new "Share Your Stories" program.

Were you there the day Terry ran through your town? Has a story of Terry been passed down to you? Has Terry's dream lived on in your community? If so please share with us. We are looking for stories from all across the province, but need some especially from the Port Hawkesbury to Sheet Harbour leg of his journey.

Starting on April 12, 2010 The Terry Fox Foundation began sharing a story a day to coincide with the city, town or community Terry ran through during his Marathon of Hope. We urge you to share your stories with us, your stories of hope, your stories of courage, and your stories of Terry. We will also be including quotes from Terry's journal, as well as messages from Terry's friends and family.

Go to: www.terryfox.org/shareyourstories and tell us your story. We encourage you to attachment any photo's or video's that you may have.

Contact: Glenn Vogelsang
socialmedia@terryfoxrun.org

Lastly, please note that the 30th Annual 14 Wing Terry Fox Run is set to take place on Sunday September 19th 2010, and additional information will be available closer to the date.

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

The 19th Hole

The weather has turned a little cooler but it is not stopping the golfers from being out there hitting that little dimpled ball. Most days the sun is trying to peek through the clouds and it isn't snowing, so all is good.

The Ladies held their first tournament on Sunday, May 9th. It was Mothers Day and although it was chilly there were 25 ladies who came out to play in the 3 person scramble. At one point we thought it was going to rain but it held off and everyone finished. It was nice to see Mothers and daughters out sharing their special day. The Low score winners were Marlene Rowe, Jackie Conway and Laurie Prezel; next were Donna Hill, Sharyn Trimm and Erma; followed by Jane Rafuse, Elaine Rains and Cyndi Landry. All the teams were close in score; but what really mattered was that everyone had a great time and it was FUN. After the golf there was a short meeting and then a fabulous lunch. This was arranged by the Pres. Betty Saltzman.... the best of all, was the delicious Rhubarb crisp made by Betty... Yummy! Sandy Adams is looking after the tournaments this year and she wants to thank Donna Hill for her help and of course to Betty (and Sue Burke) for the lunch. (I wonder if Betty will cater desserts for all the tournaments?) Great job to all who helped. The results of the Early Bird tournament will be in next issue ...wouldn't it be nice if

we had 25 ladies out to that one as well ...we have the lady members, we just need to see you all out for the "club" tournaments.

The Tuesday Night Mens has started in there should be come results in the next issue. Ladies don't forget that there are a couple of tee times booked on Thursday morning, starting at 10:00...please be there by 9:45 so that groups can be assigned. This is a great way to meet and play with other lady golfers.

The Wednesday Ladies Night will start on May 19th. Check at the Pro Shop for starting time, 765-5800.

The first date I see for the Friday Night 2-Ball...is June 4th. Check with the Pro Shop staff just in case there is a change to that info.

The maintenance staff have done a great job with the cart signs on the course, now if everyone would just abide by them. They are there to help keep the course in better shape. Now that the greens are

filling in from the "Punching" ...everyone should take the time to repair their ball marks.

Men's Night on May 18th will be 9 holes.

Wednesday, May 19th.. WO/Sgts Mess 10:00 ...10 Tee Times; Ladies Night

Thursday, May 20th... Ladies Morning 10:00; MTEP Group 3:00 10 Tee Times

Saturday, May 22...Men's Opening Tournament...10:00

Don't forget there are still opening for the Founders & Builders Mixed Scramble,

May 29 & 30th. Check out the bulletin board in the hallway for more info....or call the Pro Shop, 765-5800.

Volunteers are still needed for the NSGA Mid Amateur. There are sign up sheets on the bulletin board.

If anyone has info they would like published in this article, please send it to wdriehardson@eastlink.ca. Until next week, enjoy your round of golf and don't forget to encourage a friend to join you.

# Thanks For Your Support

**Submitted by Karen Tucker**  
On Saturday May 8th, all M & M Meat Shops locations across the country held the 22nd Annual Charity BBQ Day, benefiting the Crohn's and Colitis Foundation of Canada.  
I would like to thank all the staff here at the Greenwood location for their dedication and hard work. A special thanks to our volunteers; Sara Oliveira & Family, Al MacDonald, Jesse Macdonald, Anne Kempton & Kelly Saunders for volunteering their time. A special thanks to Toni Macdonald, Hayley Diggins and Samantha for doing the face painting.  
I would also like to thank Leo Glavine and the Kingston Volunteer Fire Department for coming out to help us. Thank you so much for your support.  
Once again, thank-you. We had a great time, and I hope you did as well.  
And, a BIG thank-you to all of you for your support and generous donations.

## Toepics - Greenwood Skating Club Wraps Up for the Season

Skaters from around the region have been hard at work at the Greenwood Spring Skating Sessions being held at Greenwood Gardens. Skaters from Digby to Wolfville were tested this past Thursday and Sunday at the end-of-season Starskate Test Session. This wraps up a successful year for club skaters. Recently, Erika Rice, Gabrielle Crossley and Hayley VanDenHuevel competed at the Riverview Spring Skate in Brooklyn NS. Erika claimed Gold in both Junior Silver Short and Senior Bronze Long events. Hayley Skated to a silver in the Silver Interpretive category and Gabrielle was 5th in her event. Great skates by all!

On Sunday, April 25th, we hosted our club members at an afternoon banquet. Skaters enjoyed pizza and cake and certificates were handed out to all in attendance. Thanks to Francois Robert for the great DVD show of the years events...including James Hazelton's great skate at nationals!

The spring sessions included a fun-filled junior program, where our skaters have improved with leaps and bounds. The Canskate Program saw several badges handed out to successful candidates. The Powerskate sessions were well-attended and the skaters worked hard to improve their skills...we even had some adult players this year. An adult figure skating session on Wednesday nights is becoming legend and we can't forget all the hard work being put in by the Starskate and Competitive skaters as well.

The Club's AGM was held and plans are already underway for next years programs... info will be out in early August... so keep your eyes open for what's in store. Club coach Ann Young was honoured at the recent Skate Nova Scotia awards Gala as the Competitive Coach of the year for her work with the inNOVation Synchro team...congrats to Ann!
