A Special Visit to the Maple Grove Education Center

Members of 14 Wing Greenwood had the pleasure of visiting the Maple Grove Education Center that is located in Hebron, Yarmouth County, Nova Scotia on Thursday May 20, 2010. One of the highlights of the tour was 413 (Transport and Rescue) Squadron holding a static display of a CH-149 Cormorant helicopter in the school's soccer field. Several hundred students had the opportunity of seeing the helicopter up close and finding out what the Squadron does.

The school is located close to Yarmouth and actually has a partnership with the Yarmouth High School and together students from both schools run and participate in the Maple Grove/Yarmouth High School Memorial Club.

The club was formed in 1985 by teacher Joe Bishara as a way for the school to show support for veterans, current serving military members and the war dead. Over the years, the club has gone from twelve students to over 140 students. They have worked hard together to raise funds to erect beautiful monuments to honour the men and women who have given their lives in

past wars as well as in Afghanistan. The monuments are located at the Maple Grove school and are a testament to the student's dedication to the club as well as to past and present serving members. Their motto is: "Proud Canadians Do Proud Things!"

The club regularly tours the province and puts on a show that honours the military and they have received several letters and accolades of "thanks" from veterans and current serving members as well as politicians.

It was an honour for the Wing Commander, Colonel Bill Seymour and acting Wing Chief Warrant Officer, Mike Whitman to have the opportunity to visit this amazing school and a way for the Wing to recognize and appreciate all the support the students have shown the military over the years.

The Wing Commander and Wing Chief met with the principal of the school, Mr. Sven Ravlo and had a quick tour of the facility and then viewed the monument site. The students honoured their visit with a large display of various flags which included the Provinces and National flags.

The tour wrapped up with the Cormorant taking off from the field and flying over the school where the students below had unravelled a huge Canadian Flag which once again showed their wonderful support for their county and the Canadian Forces!

NAOSH Week 2010

By: Roger Walsh, CRSP WGSO

On 3 May 10 A/W Comd LCol Smith-McBride, A/WCWO Matthews, LCol Ubbens, WLEO along with members of the 14 Wing Workplace Health & Safety Committee mustered at the 14 Wing Main Gate to unfurl the NAOSH Flag officially marking the commencement of the week's activities. Several activities were held throughout the week to promote health & safety and this year's theme "How Safe Are You?"

In the true spirit of partnership which NAOSH Week is all about; 14 Wing General Safety & 14 Wing Health Promotions united to host a Health & Safety Fair in the Annapolis Mess on Wednesday 5 May with over 30 kiosks providing a wide range of health & safety products and services. Exhibitors included many provincial H&S service providers as well as many of our own 14 Wing affiliated H&S disciplines. In conjunction with the H&S Fair several seminars were presented to promote and enhance H&S awareness. A sincere thank you to our folks at 26 CF Health Services for the informative seminars on safe lifting / material handling and getting a good night sleep. To Mr Taylor and his staff at F&S for the informative session on how to be fit and safe at

the same time and to D/WGSO Mailman for his presentation on ergonomic safety at work & at home.

Many thanks to Colleen Hodder, UNDE Local 80403 and Marcel Journey, PIPSC Greenwood Branch for their generous sponsorship of the H&S Fair lunch and refreshments. I would be amiss if I did not also acknowledge our community partners, Sobey's, Tim Horton's and McDonalds who also generously supported our H&S Fair. Our collective thanks to MS Wilson, Function Coordinator and the Annapolis Mess staff for their efforts in ensuring our event was a success.

Wing General Safety along with Wing Health Promotions would like to acknowledge all who contributed to the success of NAOSH Week by putting on displays, participating in the seminars and Wing imaging for their coverage of events. By all accounts NAOSH week 2010 was a success and truly reflective of the NAOSH symbol of many hands coming together in support of a valuable cause. Although the NAOSH week curtain has fallen for another year it remains paramount that we remain vigilant in our commitment to health & safety and continually ask ourselves the question associated with this year's theme "How Safe Are You?"

Left to Right: L Col Ubbens, WLEO, Mr Jim Leaman, Labour member Wing WWHSC, L Col Smith-McBride, Maj Thornill, WLEO COS, Miss Ann Lidstone, Labour co-chair Wing WWHSC & A/WCWO Matthews.

Kingston Arena Requires Your Help!

WKRA Board Membership Dwindling... President Wayne Fowler states day to day business will fail without an influx of new board membership.

We are all aware the days of active volunteering have been significantly stressed in recent times. As well, our growing population of community youth are desiring to use our Arena for various sports including hockey, figure skating and basic physical fitness. All of which are positive and welcomed, but this amplifies the demand on the volunteer board of the Kingston Arena to increase availability. Personally, I began my life on the board as a volunteer with the Greenwood Skating Club and was elected as President of the Kingston Arena following a call for local residents to manage the facility or the doors may be closed permanently. I along with many others jumped on board to save the facility, and unfortunately, we are currently losing our board members again due to their own life commitments and responsibilities. As President, I will regrettably be stepping down due to a military posting to CFB Borden and in saying this, my own wife and children will be remaining and they along with all of you will require an active board to be formed, ensuring our Kingston Arena remains open to the community. The current volunteer board is proud to announce that we have managed to bring the finances for operations under control, and have begun to make strides towards reducing our debt load as quickly as possible.

Even with the unexpected break down of various electronic components, replacement of the hot chocolate machine, and significant water damage due to a faulty toilet, we have managed to come out on top and are optimistically moving forward into 2010-11. This can only happen with an influx of new board members from our surrounding communities and organizations to support Charlie Bishop, our manager and the rest of the WKRA management team to maintain and sustain this very important community recreational facility.

As some of you may already know we have a partnership in place with the Kingston Village for use of the arena in our off season in order to promote not only our community, but the arena's importance towards increasing recreational opportunities within our Village. We are very excited to have the recreation team come up with an active plan for the arena during this Spring/Summer and moving forward into the future. The yearly annual meeting and nomination of the new board will be held on Thursday June 17th 2010 and I ask those of you who care at all about our community to show up and step up... It's your rink, your responsibility! Feel free to contact me if you have any questions pertaining to this subject.

Thank-you,

Wayne Fowler, President, WKRA - 765-6557

The 19th Hole

Golfing in the Valley this past week has been like golfing in July. Pretty soon we will be praying for some rain for the course. Just can't win... we are never really happy, we want the sunshine but we really do need some rain.

There were three teams in Clare on the weekend of May 22-23 for the Lobster Classic and for the first time in many years we actually played both tournament rounds... no rain... just sunshine. None of us stayed around but looking on the net, we see that Doug Carpenter and Wendy Richardson won 3 LG in the 2nd Division. Great weather, great time with friends and a prize too... life just doesn't get any better than that.

While we were in Clare there was a men's tournament at the course. Stu Nauss and Ken Theriault tied for LG and agreed to share the prize rather than have a playoff. Scott Cooper was third in the 1st Div. The LN prizes in the 1st Div went to Bill MacDonald (1st) Charlie Costin (2nd) and Steve Lake (3rd). In the 2nd Division the winners were: LG Steve Swan (1st), Nelson Mullen (2nd) and Wayne Cathcart (3rd) and the LN prizes went to Ralph Fevens (1st LN and Field LN), Danny Snow (2nd) and Bruce Pellerine (3rd). 3rd Division winners were: LG- Bruce Whitman (1st), Neil Peckham (2nd) and Vern Crossman (3rd) and LN prizes went to Dave Stoddard (1st), Merle Toole (2nd) and Frank Croucher (3rd). Congratulations to all the winners... must have been a pretty good turnout to have 3 Divisions. Speaking of Frankie... Swanky Frankie... did you see he made the Golf News... taking putting lessons from Gail... way to go Frankie.

There will be a change in Wed Night Ladies, non-members who do not belong to another Golf Club will pay a green fee of \$5.00 to play, if you ARE a member of another Club a nine hole green fee will apply...this will be the same for the Friday

Night 2-Ball.

The only tournament planned for the week ending June 5th is the Middleton Rotary have a 9:00 Shotgun start on June 4th. The rest of the week is the usual Men's Night on June 1st, Intersection and Ladies on Wednesday, Thursday morning Ladies at 10:00 and Friday Night 2-Ball. Don't forget the Mid Am is coming up June 17-20th and volunteers are needed... sign up sheets in the hallway...see Bulletin Board.

Tuesday Night Men's Night (June 1st) 18 holes.

I am noticing a lot of Ball Marks on the greens... it doesn't take much to repair them... this is your course too...help look after it.

Bring a friend out to golf, it is \$29.00 if someone is playing with a member... can't beat that deal. Twilight rates of \$24.00 apply after 3:00 p.m. ...all rates include HST.

The results of the Founders/Builders tournament will be in next issue... that should be a fun tournament.

Until Next issue... enjoy a round of golf, keep up the pace of play, (Keep up to the people in front, not just ahead of the people behind!!!), replace your divots and once again... repair your ball marks on the greens.

The Wednesday Ladies Night fun golf is underway for the season and will be run by Betty Saltzman and Gail Croucher. Try to be at the golf club no later than 4:45pm as play will start at 5:00 pm each Wednesday evening. If you are running a bit late and wish to play please call the pro shop to get in the draw. Ladies who are not members of a regular golf course are invited to join the Greenwood lady members for a green fee of \$5.00 for nine holes of golf plus \$3.00 to the Ladies' Division to provide prizes. Ladies who are members of other clubs are also welcome to join and the twilight green fee rate of \$14.00 will apply. The kitchen is open so if you work up an appetite you will be able to get something to eat. If you have any questions on the format or fees for play please contact Betty Saltzman at 765-8131. Seventeen ladies turned out on Wednesday 26 May 10 and played 9 holes of Pinehurst two ball golf. Audrey Costin was lucky enough to have her ball skip across a water hazard but unfortunately her and her partner, Sue O'Connor, still did not make the winners circle. Winning teams were Donna Hill and Edie Herrick, Cyndi Landry and Ruth Hunter, Sandra Cathcart and Sharyn Trimm and Carolyn and Gail Croucher.

Walk the Walk: Stepping in the Right Direction for Autism

Submitted by: Jennifer Hill, BSW, SWC, Social Worker at the GMFRC 765-1494 local 1811 or email: Jennifer.Hill2@forces.gc.ca

Please come out for some family fun while supporting our local Valley Autism Support Team (V.A.S.T.) on Saturday, June 19, 2010 for the first Annual Walk the Walk for Autism.

Autism is a developmental disability that is a result of neurological disorder that affects the functioning of the brain. The symptoms of autism begin to emerge in children by approximately age 3. The cause of autism is still unknown; however advances in medical research continue to provide information in identifying and diagnosing autism earlier through early intervention programs.

Diagnosing autism involves an assessment completed by a

qualified psychologist or physician who may also collaborate with occupational and/or speech language pathologists. Early and effective intervention and treatment are vital in achieving support for autism. One key resource for autism support is the V.A.S.T.

V.A.S.T. is fully staffed by dedicated volunteers who provide a variety of services designed to educate families about autism, increase public awareness of autism and advocate on behalf of children with autism and their families. V.A.S.T. also provides support and networking to families and others involved with children with autism and related disorders.

Come on out and show your vast support for V.A.S.T. by participating in the first Annual Walk the Walk for Autism, and help raise awareness and funds to enhance the resources for autism in the Annapolis Valley. For more information

please contact V.A.S.T. directly at 765-3883.

Friends of the Greenwood Library News

The Friends of the Greenwood Library are pleased to announce that our first general meeting will be held at the 14 Wing Library (Family Resource Centre) on June 9, 2010 at 7:00 p.m.

In case you didn't catch our original article in the Aurora Newspaper, let me explain what we are and what we stand for. We are a group of interested local volunteers who are advocates and supporters of library services in Greenwood. We have no intention of interfering with the Library administration, but as the word friend suggests, we want to help in whatever way possible.

Since our last article we have become registered under the Provincial Societies Act and it is our intention to apply for tax receipt status with Canada Revenue. At the present time we are

a small group of interested people with a few ideas; what we need is a much larger group of people to provide even more ideas. The General meeting is intended to enlarge our group and produce a plan for the future. Please consider becoming part of this worthwhile project. Come out and join us on 9 June. If nothing else, there will be refreshments.

At some point in time our group may consider joining Canadian Friends of the Library, a national movement dedicated to the same goals. It is worth noting that Friends of the Library is, in fact, an international movement.

The Aurora Newspaper Offices will be closed to allow for block leave from Tuesday July 27, 2010 until Monday August 9, 2010. Returning at 8:00 a.m. Tuesday August 10, 2010. There will be no newspaper published on August 3 and August 9, 2010!

Everyone Welcome!!!!

Interested in Forming a 14 Wing Skate Park Club?

The 14 Wing Community Centre held a successful skate park focus group, on Friday May 21st, where roughly twenty individuals attended. During this meeting, it was decided to start a new Greenwood Skate Park Club, similar

to the former Greenwood Skate Union.

This Club would be opened to all ages, and all park users (skateboards and BMX). The first order of business will be to determine the benefits of becoming a member of the

Club (discounted entrance fees to competitions, portion of annual membership dues spent on upgrades to the park, etc) and decide how to spend the allocated grant funding that we have received to provide upgrades to the park.

Forming this Club will improve our chances to be approved for grants and the success of our fundraising initiatives, since we will have a group of committed members who are dedicated to helping improve our park.

If you are interested in being part of this Club then please attend our first meeting set for Wednesday June 23rd from 3:30 - 4:30 p.m. inside the 14 Wing Community Centre Conference

Room. This is your opportunity to voice your opinions and recommend the changes that you would like to see.

This Club, in partnership with Limitless Skate and Snow, will allow all users of the park to provide feedback on where our grant funding should be spent, and collectively set a plan in place for what direction we would like to see our park go. Please note that the Community Centre Conference Room is located on the second floor of the Centre.

If you have any questions or ideas, but unable to attend, please call Eric MacKenzie at 765-1494 ext. 5337.

June is Recreation Month - The Campaign

“June is Recreation Month (JRM); this campaign is part of a growing national movement honoured across the country. JRM draws public attention to the benefits and values of recreation and parks to individuals, families, neighbourhoods and communities, and works to recognize and celebrate the contributions recreation and parks makes to the quality of life to Canadians.” *DGPFFS*

Celebrating JRM is an exciting way to increase awareness of the benefits of recreation and leisure to the health and well-being of all Nova Scotians.

This province-wide campaign educates and encourages - with the help of media messaging, promotions, toolkits, children’s contests and activities - the engagement of municipalities, schools, community groups, families and individuals in more recreation and leisure activities during recreation month and beyond.

The Theme: *Live it Everyday!*

“The campaign theme *Live it Everyday!*, reinforces the message of how important it is for all of us to participate in some form of recreation or leisure activity each and everyday. Regardless of ability or age, Nova

Scotians are enjoying recreation in an increasing number of ways. This year’s theme recognizes that recreation activities do not have one definition. “Activities of all kinds, not just physical, are acknowledged and celebrated. Whether it’s lawn bowling, running a marathon, learning to play a new instrument, reading a book or star gazing ... recreation is about celebrating life and ...*Live it Everyday!*” Recreation Nova Scotia

“Recreation and Parks play an important role in the Morale and Welfare (MW) of Canadian Forces Community. CF Personnel and Family Support Services (CFPFSS) offer innovative leisure activities to meet the needs of CF members and their families. Each CF location offers a diverse mix of activities, all designed to promote wellness and enhance the time that families spend together.” DGPFFS

Celebrate June is Recreation Month at the 14 Wing Community Centre

In recognition of June being Recreation Month, the Community Centre youth will be

participating in many different recreational activities. For example, the Boyz Club will learn how to make mini pizza’s, have a campfire at Yogi-bear Campground with the Active Chicks, go golfing with their Father’s and play out-door croquet; the Active Chicks will be going on a bike ride, having a Father/daughter picnic, have a campfire at Yogi-bear Campground with Boyz Club, go swimming and play out-door water games; the Teens will also have campfire at Yogi-bear, visit Tibbetts Nursing Home, play trivia and decorate for the dance.

Not all recreational pursuits need to be so active, though. We also have regular movie nights scheduled, Teen Trivia Night, Spa Night for pre-teens and teens, a Beach Party dance, and a BBQ and Bike Rodeo at CANEX!

Summer camp will run July 5th onwards, for those wanting to take recreation into July and beyond!

King’s Transit is helping to celebrate ‘June Is Recreation Month’ by allowing all cyclists to ride transit free and encourage the use of bike racks on buses.

For more information, refer to the full page calendar in this issue of The Aurora Newspaper or call Eric MacKenzie, Community Recreation Coordinator at 765-1494 ext 5337.

Call for Deployment Planning Group Members

Due to the upcoming posting season the Deployment Planning Group is seeking individuals to help plan activities and special events for deployed families. We all experience family separations whether it is due to a deployment, IR posting, or career course, to name a few. We are looking for ideas for activities and events that will help our families feel supported and connected to each other. Maybe you have been posted in from another Wing or Base and you participated in an activity there that you would like to see here. This is your opportunity to help develop activities for you and other military families in our community to enjoy.

Is your military member away?

If you have a military family member who is away (spouse, son, daughter, partner, grandchild, etc) on operational duty - including deployments, courses, TD, & so on - & you haven't heard from the GMFRC, please give us a call & we'll set you up with any of our programs/ services/activities that may interest you. We do not know you're out there unless you let us know. All of our ongoing activities are open to ALL families experiencing a family separation due to operational requirements. We offer pre, during, & post deployment information, assistance, outreach, & support to anyone who chooses to participate. Just give us a call!

** For respite childcare offerings for deployed families, see details under Children and Youth Services*

HOROSCOPES

May 30 - June 5

ARIES - Mar 21/Apr 20

Bide your time, Aries, because change is on the horizon. You just need to have a little more patience. However, the outcome may not be what you expected.

TAURUS - Apr 21/May 21

Taurus, things are about to heat up and you could begin to feel overwhelmed in the next few days. You will have to struggle only for a little bit, though.

GEMINI - May 22/Jun 21

Gemini, take your time going through your choices this week. Otherwise you may make a bad decision that you will regret later. An old friend is in town.

CANCER - Jun 22/Jul 22

You need a break, Cancer, but you don't know from what. Analyze what is giving you the most stress and act on changing that situation. Money woes are forgotten.

LEO - Jul 23/Aug 23

Leo, relationships are strained and you're called in to act as mediator. But you don't relish the idea of acting as a referee. Be patient with the situation.

VIRGO - Aug 24/Sept 22

Virgo, it's okay to take others' advice once in a while. You don't have to stand on your own merits every day. People already know that you are a strong person.

LIBRA - Sept 23/Oct 23

Don't think about making any big changes in the next few days, Libra. Your personal life is about to turn topsy turvy and you will have a lot of choices to consider.

SCORPIO - Oct 24/Nov 22

You haven't been feeling like yourself, Scorpio, and others notice the change. It could just be stress or you may be feeling a little restless. Hang in there.

SAGITTARIUS - Nov 23/Dec 21

Sagittarius, you are in a festive mood, but others aren't receptive to your jovial demeanor. Maybe you should postpone the festivities for another week.

CAPRICORN - Dec 22/Jan 20

Capricorn, if you can't make up your mind, how are you going to be able to convey your point to others? The next few weeks are busy and you won't have much time for discussion.

AQUARIUS - Jan 21/Feb 18

Start putting your money where your mouth is, Aquarius. There's only so long you can bait a person and keep your catch on the line. Sooner or later he or she will get smart and leave.

PISCES - Feb 19/Mar 20

Travel is in your immediate future, Pisces. You just won't be sure if it will be a long adventure or just a day jaunt to get away.

A New Canada House Opens Big at KAF

Captain Andrew Hennessy - Joint Task Force Afghanistan Headquarters

After a substantial facelift, Canada House at Kandahar Airfield officially opened its new doors in a ribbon-cutting ceremony that gathered quite a crowd on April 27, 2010. Brigadier-General Daniel Ménard, commander of Joint Task Force Afghanistan, did the honours, ably assisted by signal operator Private André Rioux and Chief Warrant Officer Ghislain Daigle, the task force Regimental Sergeant Major.

When it opened in 2005 as the only focal point for Canadians at KAF, Canada House was a tent sheltering a store offering only snacks, coffee, hygiene items and DVD rentals. It has undergone many changes since then.

Today, Canada House is a two-storey structure sporting a bright, spacious lounge;

alcoves for pool, ping pong, air hockey, chess and poker; two video-gaming areas; and comfortable rooms for watching TV in English and French on televisions with 70-inch screens. The 110-seat theatre upstairs was completed just in time for the World Junior Hockey Championship and the Winter Olympics.

Canada House is now a place where soldiers, sailors, airmen and airwomen can come together to relax — and watch hockey!

Kandahar Airfield, Afghanistan; 27 April 2010 — The buffet gets plenty of attention from the soldiers crowding into the lounge of the new Canada House after the ribbon-cutting ceremony. (Image number AR2010-0101-07) (credit/source: Cpl Owen W. Budge, JTF-Afg HQ

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Volunteers – Some of our volunteers have taken some summer time off but we are still happy to have those that are staying in the area. There are always tasks that volunteers can help with.

Donations – This is the time of year when we receive book donations and while we are happy to get them, we request no National Geographics, Reader's Digest condensed, or encyclopedias. Thank you to patrons who have donated books during the past month.

Overdue Books – If you are moving please check under beds, on shelves and in closets for any borrowed books that you have *forgotten to return* to 14 Wing Library as fines add up quickly! RECREATION!

live it everyday!

The campaign theme LIVE IT EVERYDAY! Reinforces the message of how important it is for all of us to participate in some form of recreation or leisure activity each and everyday. This year's theme recognizes that recreation activities do not have one definition. "Activities of all kinds, not just physical, are acknowledged and celebrated. Whether it's lawn bowling, running a marathon, learning to play a new instrument, reading a book or star gazing ... recreation is about celebrating life and ... Live it Everyday!"

Employment Tip – Choosing the Right Resume Format

Submitted by: Kristen Lawson,
GMFRC Coordinator of
Employment Services at
765-1494 local 1816 or email
Kristen.Lawson@forces.gc.ca

“Too many people make the mistake of thinking that a resume’s purpose is to get them a job. Actually, resumes open and close doors. Their main purpose is to make an employer interested enough to invite you in for an interview.

But how do you create that interest when

you don’t exactly fit the mold? Just as people come in different sizes and shapes, so do resumes....
