## 14 Mission Support Squadron (MSS) Redeployment

**By Captain James Murdock**

14 Wing Commander, Colonel Bill Seymour, officially welcomed home 137 Canadian Soldiers returning from a tour overseas on Thursday, 17 June, 2010. The flight consisted of seventy-six personnel from 14 Mission Support Squadron (14 MSS), who completed a six month deployment at a forward operating Base in Southwest Asia with the Theatre Support Element in the Persian Gulf region.

Family and friends eagerly awaited the arrival of their loved ones at the Air Movements Unit

and exploded in cheer once the CC-150 Polaris aircraft touched down. After a mandatory stop at Customs, redeploying personnel and family were then emotionally reunited.

The 14 MSS was made up of personnel from a variety of support occupations which included airfield engineers, supply technicians, cooks, resource management clerks and many other specialized technical occupations. The deployment was incredibly busy and challenging for the 14 MSS as they had to deal with several issues such as aircraft maintenance,

regular re-supply flights from Kandahar, visits as well as the various troops that were coming and going from the Base back to Canada and onto Afghanistan.

The six month deployment was in support of Operation ATHENA, Canada's participation in the International Security Assistance Force (ISAF) in Afghanistan. Focused on Kandahar Province in southern Afghanistan, Op ATHENA has one over-arching objective: to leave Afghanistan to Afghans, in a country that is better governed, more peaceful and more secure.

# 14 Wing Celebrates National Public Service Week 2010

**Submitted by: Lori Gordon, HR Planning & Programs Analyst**

National Public Service Week is an opportunity to celebrate achievements of the Federal Public Service community. This year's theme was "Together, Shaping Canada's Future". It is a theme that speaks to the Wing's motto "Operate as One" as well as the CF organization as a whole with the tradition of Public Servants providing ongoing support to the CF.

On 18 Jun 10, LCol Smith McBride, acting Wing Commander hosted a luncheon at the Annapolis Mess to celebrate National Public Service Week. LCol Smith McBride expressed the importance of recognizing 14 Wing's Federal Public Servants for their contributions to the success of the Wing.

A delicious BBQ luncheon was prepared by W Foods staff. Special thank you to the staff that participated – Sgt Ellis, MCpl Harris, MCpl Langford and Wayne Meyers. As always, they did a wonderful job! Assisting the W Foods staff were some eager volunteers – they did a great job cooking and serving!

Union presidents Marcel

Journey, PIPS and Colleen Hodder, UNDE posed for a photo op of the traditional cutting of the cake with LCol Smith McBride, acting Wing Commander. This year, we had special guests to help with this task – Mr. John MacLennan, UNDE National President and Mr. Terry Kiley, UNDE Vice President from Nova Scotia. The cake was cut and efficiently served by the CO's and Branch Heads who attended the luncheon with their staff.

A very sunny afternoon brought with it a friendly game of soccerball - management vs. employees. Not too sure who won (I'm sure someone was keeping score)....but, lots of laughs and fun had by all!

A special thank you also goes out to the following managers who graciously donated door prizes to show their appreciation to the Federal Public Servants at 14 Wing.

## 1 Dental Unit Detachment Greenwood

**By Sergeant Pete Nicholson**

At the intersection of Swordfish and Administration drive is an extremely old, one story "H" hut that houses the 1 Dental Unit Detachment Greenwood. The workforce of twelve provide complete treatment for all Regular Force and B (less than 180 days) and C class Reservists and provide only emergency care for A and B (less than 180 days) class reservists; in the 14 Wing area.

Consisting of six military personnel, one Major (Detachment Commander), one Captain (dentist), Sergeant and Master Corporal and two Corporals (all Non Commissioned Members are Dental technicians) as well as six civilian employees; one dentist from Calian (a

(Image: Sergeant Pete Nicholson, Photojournalist)

civilian contractor), two dental hygienists, two dental assistants and a receptionist. The parent unit is 1 Dental Unit located in Ottawa to which the Detachment Commander reports to for Canadian Forces (CF) policy and to the Wing Commander for Wing related issues.

Ensuring CF members are dentally fit is the objective

at the Unit. Dealing with dental emergencies, cleanings and dental treatment, the Canadian Forces members are fit to do their duties! There is a Regional Specialty Care Center located at CFB Halifax, Stadacona where members are sent when required. Orthodontic work is outsourced to the local area as there are no Orthodontists

in the Canadian Forces Dental Services.

Suffering with the usual staff shortages due to deployments, augmenting the school in Borden, training with US Navy hospital ships the Unit maintains a steady pace at all times! They administer 1750 patients yearly, maintaining a 90% dental fitness level. Remember to keep your appointment and call if you cannot.

Everyone is eagerly awaiting the new infrastructure that will be collocated with the hospital. The dental facilities will have the same amount of staff but more operatories (rooms/chairs) so that they will be able to continue to provide the same great care to all of us. No wonder there are a lot of smiling faces here in Greenwood!

On 18 June 10, after six weeks of work-up training, 26 CF Health Services Center Greenwood completed our first annual Battle Fitness Test. We began early in the morning with a 13 kilometer rucksack march carrying 24.5 kilograms each. Our route took us to the Greenwood Golf Club and through the residential areas on the Wing. Morale was high due to the cool weather and the great teamwork shown by all. The march was completed successfully with no injuries and very few blisters!

We very much appreciated the support shown by various members of the clinic, dental unit and the Wing along our route and at the finish line! Congratulations to all, for their accomplishment!

# A Special Thought for Our Troops on Canada Day

Submitted by: **Michelle Thibodeau Wagner, Coordinator of Special Events and Promotions, GMFRC.**

How proud are we? On Canada Day you will hear our national anthem sang proudly in many towns and villages all across this vast country of ours. There will be young and old alike singing to celebrate the birthday of this beautiful country we call home. How many times have we heard and sang the national anthem? Hundreds of times! A line that stands out is "Oh Canada, we stand on guard for thee." This line brings to the forefront our Canadian Military and how they not only stand on guard for our country but also help other countries in need.

Our Canadian forces train and work each day to allow us to live in a country where we feel

safe; where we can work hard and get ahead; where education is a right; and hospitals are open to all. Canada Day is a great day to reflect upon how great our country really is and why it is the way it is. Canada Day is a time to think of our Canadian soldiers here at home and especially those deployed on behalf of our country. Think of the deployed men and women away from home and away from their families on Canada Day. Think about their contribution to this great country. Their commitment and resolve are second to none and for that they deserve our support.

On Canada Day say a special prayer for the safe return of our deployed members, display a yellow ribbon, or wear a red t-shirt in honour of our Canadian forces. We proudly Support our Troops.

## Business of the Week Dr. B.L. Kinney & Dr. M.P. Duffey OPTOMETRISTS

The Optometrist office of Dr. Brett Kinney and Dr. Mike Duffey has been in operation for over 60 years. Dr. James Stoddart originally opened the office in the early 1950's in a building on Bridge Street, Middleton. Dr. Duffey bought the business in 1978. This year the business changed hands again when the practice was purchased by Dr. Kinney.

The latest piece of equipment in technology purchased by the office includes a Digital Retinal Camera which takes a high-resolution image of the inside of your eye to create a record of some very important structures. This allows the Optometrist to assess whether a patient has any

lens fittings, deal with ocular emergencies (eye infections and injuries), offer LASIK surgery consultation and follow-up care. As well, they have a large selection of fashion eyewear for men, women and children to choose from.

Dr. Duffey remains on staff working with Dr. Kinney. Along with their staff of six they continue to offer patients the same quality service.

The office is now located on 291 Marshall Street Middleton. For more information call the office at 825-3314.

risk for eye disease, as well as creates a permanent digital record of how the retinas look. The software also enables optometrists to tell if any subtle changes have taken place from one exam to the next that may place a patient at risk for any problems such as monitoring conditions such as diabetes.

The office offers a full range of services and accepts new patients and referrals from infancy to seniors. In addition to performing comprehensive eye examinations, they also offer testing for glaucoma, do contact

# \$18.00 a Day Goes a Long Way in the Opp Shop!

Compiled by Shirley Houghton & Rae Margeson, written by Candace May Ernst

In 1960, on the main street of Kingston, Nova Scotia, in a small brown store with white trim five wives of the RCAF personnel based at 14 Wing Greenwood devised a very unique way of raising funds for Soldiers' Memorial Hospital located in Middleton. They opened a store called the "Opportunity Shop." With a smile from ear to ear they called themselves the Greenwood Chapter of the Middleton Hospital Auxiliary. The team consisted of the President, Norma Torontow; Vice President, Ann Polkinhorn; Manager of Opportunity, Peggy Bradley; Recruiting Workers, Goldie Palmer and Dorothy King. From 1960 to 2002 the Honorary President was the wife of the Base Commander. This wasn't like any other store you would see around Kingston. These ladies accepted everything from hairpins to horse collars!

Now having said this you are wondering what the Greenwood Chapter of the Middleton Hospital Auxiliary is. This is a chapter that doesn't get much recognition and after reading this article you will see exactly why they play such an important part in today's world. These people are very special, without being asked they volunteer to help the Opportunity Shop to stay running. What is an Opportunity Shop? Good question. The one story structure sells a variety of second hand goods at attractive prices. The goods in the shop are donated from sources throughout the valley and the shop was open ten hours a week. Over the years they have bumped it up to eighteen hours a week. The store accepts any donations from the community and they sell them at a low cost. By doing so, they make a profit and use the profit to donate money

to the businesses in our community. To date they have donated a total of \$238,203.00 to Soldiers' Memorial

Hospital and \$83,375.26 to the Western Kings Memorial Hospital (Health Centre).

These five RCAF women realized their community hospital was in need of more facilities and opened the shop in September to help them with finances. The women started by sponsoring a pediatric ward and playroom located at Soldiers' Memorial Hospital. The airmen wives realized that twenty percent of all admissions to Soldiers' Memorial Hospital were family members on the base. The shop's biggest seller was clothing and household items.

The Greenwood chapter has accomplished many miracles and their

1971, they bought a colour television for the Greenwood Base hospital and in 1975; an emergency Health Care Radio system between hospitals and ambulances was initiated in the Valley area. Within a few years the Greenwood Hospital Auxiliary raised money and bought special equipment to donate to the hospitals such as a bassinet resuscitator, gas oxygen machine, diffrubulator, pacemaker, EKG machine, mobile cart and ice machine. If it wasn't for this group the hospital would not have had the equipment they needed to help the community stay healthy. To this day they continue their generosity.

The Greenwood Chapter of the Middleton Hospital Auxiliary is still up and running. Over the years they have changed their name many times. In 1998, the auxiliary changed its name to Greenwood Health Auxiliary. In 1985, they moved into the Greenwood Mall where they have approximately forty members and counting. The chapter meets five

The President is Shirley Houghton; 1<sup>st</sup> Vice President, Ida Hall; 2<sup>nd</sup> Vice President, Mabel Dominie; Secretary, Kaye Amos; Treasure, Shirley Keddy; Publicity, Rae Margeson; Callers, Gertie Hartdman and Mary Osmond and Supplies, Eilenne Connors. The Canadian blood services rep is Sally Merrian. In 2002, the Greenwood Health Auxiliary got their official title by having a banner and lapel pins designed for the members.

In 2002, shortly after the move to the Greenwood Mall, the Greenwood Health Auxiliary elected Ann Polkinhorn as their Honorary President. Ann has seen it all over the years and was one of the smiling faces you would have seen when you walked into the Opportunity Shop in 1960. Ann has played a huge part of this organization and to this day you will still see her smiling from ear to ear.

As you already know the majority of the money is contributed to Soldiers'

graduating students that will be studying health related subjects. Starting in 1991, they donated \$100.00. This year they will be donating \$1000.00 to one student from each school.

The Beehive located in Aylesford plays a very important part of the Opportunity Shop. For fifteen years, once a week they pick up the merchandise in the shop that they were not able to sell. They then take these items and recycle them. From day to day the shop never knows what kinds of things they will receive. Some things sell very fast and others don't.

The Greenwood Health Auxiliary would like to take this time to thank the community, the Beehive and Darrell Wade for their tremendous support over the last fifty years. Without the community's help they would not be able to raise the money they do to support the facilities they do.

These ladies are one of a kind and tremendous people. Our community would not have the equipment we do today if it wasn't for all their countless hours of volunteer work. You wouldn't think such a small group could accomplish so much. The next time you walk by the Opportunity Shop make sure to stop by and say hi to the smiling faces. Their shop is open from Monday to Saturday from 1:00 p.m. until 3:00 p.m.

A big thank-you to all the past and present members of the Greenwood Health Auxiliary. Your work in the past, present and future is greatly appreciated in our community. Just remember, without the support of the community they would not be able to continue to make lifetime memories.

Now you are wondering how \$18.00 a day can go such a long way. Since 1960, the Greenwood Health Auxiliary has raised and donated approximately \$478,947.85 not counting 2010. You would never think that \$18.00 a day could have such a huge impact on our community!

They also donate to Mid-Valley Palliative Care, The Breast Screening Bus, Fidelis House located in Kentville, VON, Valley Regional Hospital, Pharmasave Shuttle Bus, Relief Fund Helicopter Crash, IWK Telethon, Education Bursaries and many more services. Each year they give West Kings District High School and Middleton Regional High School bursaries to

**Large dressing room renovation partnership announcement announced**

What ended up being a gorgeous day turned into an even better day of golf... As president, I Wayne Fowler am happy to announce that after all the bills were paid the arena ended up just shy

of the \$16,000 mark. I would like to take this opportunity to thank the players, as well as the sponsors by making the day such a huge success! The day was filled with many memorable moments

including owner of Sport Swappers, Shawn Scotney shooting a flawless hole in one on 15, winning a 2010 Toyota Yaris from Best Toyota. On hole number 2 there was a car donated from Ralph Freemans

Auto Sales placed to "Hit it, and Win it", after all failed attempts were made Scott donated it for auction... in turn buying it back in the end! Wow, thanks Scott for all you generous contributions, and thanks to T&S Office Essentials & Printing for the creative striping and advertising packages placed on the car, and the course.

**Now for the announcement of the dressing room renovation partnership initiative.**

Five local business ownerships announced that they would be pulling there resources to give the arena's dated and much needed dressing rooms a face lift. The partnership will entail painting, structural, plumbing and modernizing upgrades. Over the last couple of weeks the partners have agreed to take this under there collective wings to ensure the safety and comfort to the users of the Western Kings Arena. No dollar amount has been finalized, but it

# 20<sup>th</sup> Lake Pleasant Campers Club Annual Fishing Derby

The Derby was held on Saturday 12 June at Lake Pleasant Campers Club. Forty eight children registered and a total of 36 fish were caught. It is amazing that this derby celebrated its' 20<sup>th</sup> anniversary. Quite an accomplishment for a Military Club.

Each child received a certificate, prize and were treated to a hot dog BBQ. Based on the smiling faces, I would say that all children had a great time.

Even though the lake was stocked the day before with over one thousand trout, the children managed to catch only one trout, 12 inches long, a lot of Perch and a couple of

Cat Fish.

Noah Gallant won the trophy and prize for the largest fish and tagged fish.

Porter Beck received a trophy and prize for the smallest fish (perch) which measured a whopping 2 ½ inches.

Adam Coyle won the prize for the best over all length of 5 fish with a measurement of 43 ½ inches.

As you know it takes several volunteers to make these events happen. So thanks to Marsha, Tom, Toni, Mike and the LPCC Staff for making this a fun morning for the children.

Hope to see you all next year.

On Friday, June 18, children attending the Little Ladies Tea Party at the GMFRC were treated to a surprise visit by the reigning Princess Kingston. Our lovely ladies enjoyed a morning of lemonade tea, finger sandwiches, and dainties. Programs such as this provide young children with opportunities to connect with other children their age in a fun and exciting way. If you would like more information on programs for your child to participate in this summer, call Kim Dixon at the GMFRC at local 1812.

## Call for Deployment Planning Group Members

Due to the upcoming posting season the Deployment Planning Group is seeking individuals to help plan activities and special events for deployed families. We all experience family separations whether it is due to a deployment, IR posting, or career course, to name a few. We are looking for ideas for activities and events that will help our families feel supported and connected to each other. May be you have been posted in from another Wing or Base and you participated in an activity there that you would like to see

here. Have you been through a deployment recently? Was there an event or activity you really enjoyed or you think another family would like to participate in. This is your opportunity to help develop activities for you and other military families in our community to enjoy.

## Is your military member away?

If you have a military family member who is away (spouse, son, daughter, partner, grandchild, etc) on operational duty - including deployments, courses, TD, & so on - & you haven't heard from the GMFRC, please give us a call & we'll set you up with any of our programs/services/activities that may interest you. We do not know you're out there unless you let us know.

All of our ongoing activities are open to ALL families experiencing a family separation due to operational requirements. We offer pre, during, & post deployment information, assistance, outreach, & support to anyone who chooses to participate. Just give us a call!

# HOROSCOPES

June 27 - July 3

## ARIES - Mar 21/Apr 20

It's okay to ask for a little help when you need it, Aries. Not everything can go according to plan for you. Accept a few helping hands this week.

## TAURUS - Apr 21/May 21

There's no debate this week, Taurus. You'll find that the two sides are black and white with no gray areas. Now you must choose which side you're rooting for.

## GEMINI - May 22/June 21

Patience is needed when a family member takes over a situation. This person means well but can be a little overbearing. Keeping mum will help the situation smooth over.

## CANCER - Jun 22/Jul 22

Relaxed and recharged, Cancer, you are ready to celebrate your birthday in style, if you haven't already done so. Blow up those balloons and get to partying.

## LEO - Jul 23/Aug 23

There's more to a situation than meets the eye, Leo. It's better to reserve judgement until you have all of the facts. Sagittarius presents a proposal.

## VIRGO - Aug 24/Sept 22

You've learned many things by experience, and now you have to let others learn by their own mistakes and successes, Virgo. This is especially true this week.

## LIBRA - Sept 23/Oct 23

Stay focused, Libra; otherwise it is very easy to get dragged off course with distractions. You need a helping hand to keep you on track. This could be a spouse or friend.

## SCORPIO - Oct 24/Nov 22

You can't control everything all of the time, Scorpio, but this week you certainly will try. The results may not be what you expected, but you'll pull through.

## SAGITTARIUS - Nov 23/Dec 21

The power of positive thinking can take you far, Sagittarius. But don't put all of your eggs in one basket. You still need to work hard to achieve what you desire.

## CAPRICORN - Dec 22/Jan 20

Without a goal you have no set course to take this week, Capricorn. Jot down a few ideas of what you want to get accomplished. Handling money issues is a good idea.

## AQUARIUS - Jan 21/Feb 18

You are ready to scream, "Hallelujah," to a situation you thought would never be finished, Aquarius. Now you can sit back and enjoy your hard work this week.

Unreasonable requests from friends leave you feeling a bit perplexed, Pisces. Just do what you think is right.

# Friends of the Greenwood Library Society News

The first General Meeting of the Friends of the Greenwood Library Society

**Society Chairperson Joanne Sealby presents the Society's first gift to 14 Wing Greenwood Librarian Judy McCool, these five books are from the libraries want list of new books.**

was held on 9 June 2010, approximately 20 people attended. Considering the time of the year, it was a good turnout.

The meeting was used to introduce the executive and to provide an introduction to the objectives of the society. The society being a group of interested local volunteers who are advocates and supporters of library services in Greenwood. As the word friend suggests, we want to help in whatever way we possibly can by augmenting all of the present sources of library support. Bottom line, we do not want library services to degrade or become user pay.

One of the greatest misconceptions about the 14 Wing Greenwood Library is that it is only open to membership from Military and Ex-military families. This is not the case! Every one in the local area is welcome to use this facility. If you have never been to this library then you are in for a surprise because it is an excellent library providing a full range of products and services.

The Society is a registered non-profit organization that is in the process of applying for charitable tax status with Revenue Canada. We have plans for numerous fund raising projects which will raise funds to further improve this great library. Keep posted.

# 14 Wing Library - Serving those who read!

By Judy McCool and Liz Tappen, AVM Morfee Centre, Greenwood. 765-1494, local 5430

Hello from your local library. Happy Canada Day! We hope you enjoy the festivities in our local area. The Library will be closed July 1<sup>st</sup>.

**HAPPENINGS** – Big news this month is that the newly formed **Friends of the Greenwood Library Society (FOGLS)** held their first public meeting and presented the library with five wonderful newly released books for our collection; for which we are very grateful. **Thank You So Much!** See listings below.

A Display of summer reading has been set up for those lazy, hazy days. Come in and choose some.

**ADOPT-A-BOOK** – Is a new programme which we are introducing to 14 Wing Library. Due to budget cut backs this year there is **NOT** a budget available to purchase **NEW BOOKS** for the library. We have created an “Adopt-a-Book” list and have it posted in the library. The list consists of new releases by various authors. Patrons wishing to support the library will “adopt-a-book” by purchasing a book from our list to add to our collection.

**DONATIONS** – Thank you for the book donations. It is always a pleasure to receive books in “like new” condition. They enhance our collection by being added to it, if we do not already have them, or by being sold in our ongoing book sale.

**OVERDUE BOOKS** – If you are moving please check under beds, on shelves and in closets for any borrowed books that you have **FORGOTTEN TO RETURN** to 14 Wing Library as fines add up quickly!! Cost of replacements is not in our budget. If you are unable to come to the library personally, don't forget that there is a 24 hour drop box for your convenience.

**Fun By The Numbers**  
Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

# The 19<sup>th</sup> Hole

The Mid Amateur is over and from all reports it was a great success. The course was in top notch shape and the Greens/Maintenance staff should be really proud. Great job guys and gals. Leon Carter from Dundee must really like our course, he won the Amateur here a few years ago and now the Mid Amateur. To all the ladies and gentlemen who volunteered and helped keep the tournament running smoothly...Thanks. Everyone knows that volunteers are what keep clubs afloat.

Once again I have to say, the gardens on the course are looking "SOME" nice.... great job ladies. Margie's rose garden on #18 tee area really makes you appreciate the expression "wake up and smell the roses"...smells like PONDS Hand cream (for those of us who remember Ponds)...sure wish I had a green thumb but I wouldn't know a weed from the flowers...unless they were in full bloom.

The Chester Mixed was held the weekend of the Mid Amateur...their course is in excellent shape as well. Sandy Adams, Wendy R and Doug Carpenter were down to the tournament but decided to leave the prizes to everyone else...our putting was less than stellar.

There were only 8 ladies out for Wed Night Ladies so they played 4Ball Best Ball and the winners were Sandra, Sharyn, Cyndi and Betty. Sandy Adams won the 50/50.

Mike was showing off his gourmet cooking skills and I didn't hear any complaints... You're Hired! Next issue will have the results of the Rose Bowl tournament. The next big Ladies tournament will be July 18th...President's/ Vice- President's...look for the sign up sheet in the Ladies Locker Room.

The Guys and Dolls tournament is planned for July 25th...get your partner and be sure to play in that one.

The Schedule for next week looks like this: Monday - June 28<sup>th</sup> nothing on the calendar • Tuesday - June 29<sup>th</sup> - Men's Night • Wednesday - June 30<sup>th</sup> - Intersection and Ladies Night • Thursday- July 1st... CANADADAY...Be Proud... WEAR YOUR RED AND WHITE; Ladies Morning is still on the roster • Friday July 2nd - Friday Night 2-Ball • Saturday and Sunday... nothing on the calendar.

The Greenwood Mens Shootout is planned for August 28-29. Be sure to get your entries in. Give Doug Carpenter (848-6663) or Scottie Cooper a call...it doesn't take long for this to fill up and there are quite a few entries in already.

The Fall Ball Mixed tournament is planned for September 11-12. Give Sandy Adams a call for info on this (765-3705).

Thanks to Scottie, Frank and Doug for letting me play during Men's Night...our Tee time was before 3:00 so I guess that is why I was invited to play. Lots of joking back in forth from one group to the other but everyone was afraid I would start taking notes for the article...one thing I did notice was Frank chipped in for Par on #1, Scottie chipped in for Birdie on #2, I chipped in for Par on #3 and then Doug said it must be his turn....but that didn't happen. Scottie was scrambling from everywhere,...he sure can turn an ugly hole into a good one... nice to watch. They took my money and I even lost the beer hole...not a good day. Think I will stick to Ladies Day.

I noticed a lot of divots not being replaced...when you take a huge chunk of soil...a divot...please take time to replace it. How hard can that be!!!!?? The greens are in great shape, lets keep them that way...repair your ball marks. The sand traps have all be filled and if you land in one of them, be sure to rake it before you move on.

Remember to keep up the pace of play. Recently we were out golfing, following a tournament and it took us 5 hrs and 40 mins to play 18 holes...I think you could use just your putter and get around 18 holes quicker than that...you don' have to be the energizer bunny, but it should only take 4-4 1/2 hours max to play 18 holes. Enjoy your round of golf and be a proud Canadian on July 1st...Wear your Red and support our troops.

## Terry Fox 30th Anniversary

This year the Terry Fox Foundation is honouring the 30th anniversary of The Terry Run. Terry's Marathon of Hope may be one of the most iconic events in Canadian history with Terry running an unprecedented 143 straight marathons, one for every day. Along the way he inspired a country and to date supporters of The Terry Fox Foundation have raised over 500 million dollars toward cancer research.

When Terry dipped his artificial leg into the Atlantic Ocean on April 12, 1980, he had no idea how important his name and legacy would be, not only to all Canadians but to people around the world.

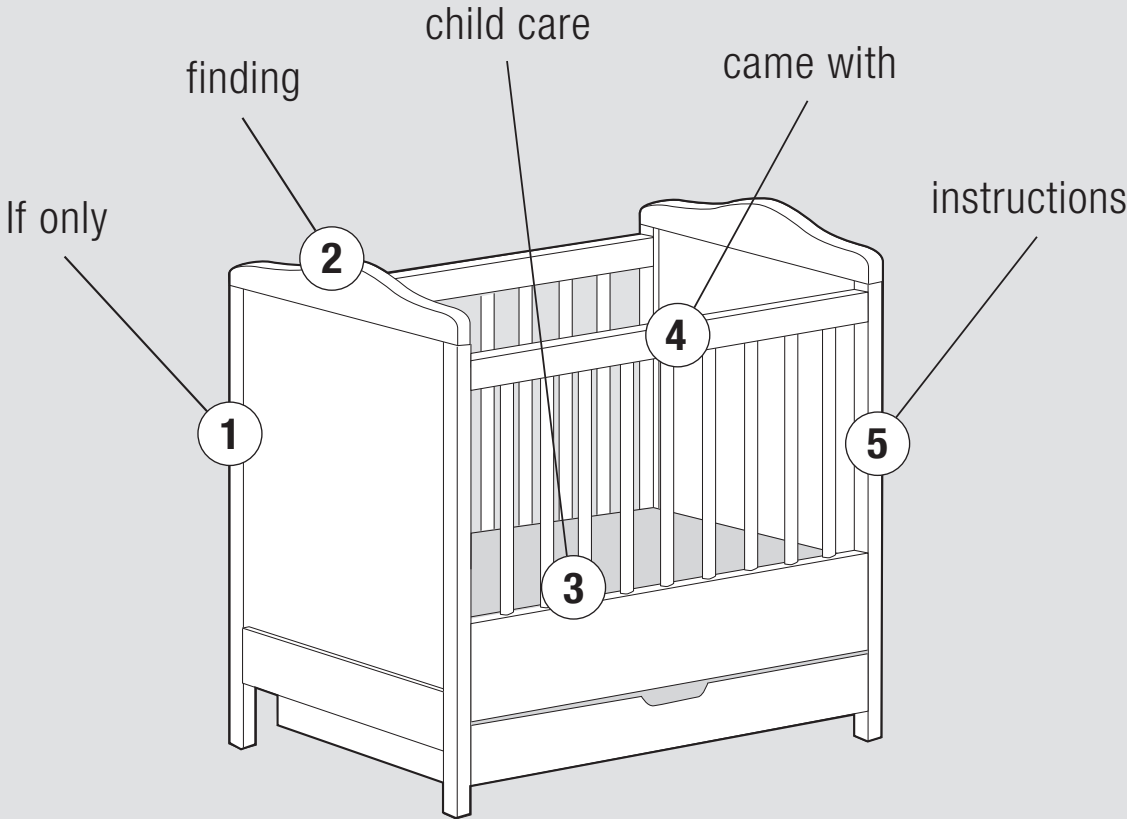

In at least thirty countries in the world you can meet someone who Terry has touched with his display of selflessness and determination. Today we can only strive to emulate his example.

This year The Terry Fox Run is being held on Sunday, September 19th and we encourage everyone to come out and get involved with this year's historic run. As this is the 30th anniversary of The Terry Fox Run we would love to make this one of our most successful years to date. Nova Scotians have always been more than generous and we are once again counting on your support. For more information on Terry Fox Events or how to donate please contact our toll free number: 1 888 836-9786 or the Nova Scotia Office at 902 423-8131.

"From the very beginning, from this day forward 30 years ago, Terry challenged all of us to work together to eradicate cancer. He would be so thankful and proud that we have continued to run and walk together." – Betty Fox, Terry Fox's mother.

# Welcome Home: Messages from Our Local Schools

Submitted by Jennifer Hill  
BSW, SWC GMFRC  
Social Worker 765-1494 ext. 1811 & Ann Gaudet Deployment Services Coordinator 765-1494 ext. 5583

The GMFRC would like to extend a warm welcome home to our troops who have recently returned from a six-month deployment.

Thank you to the local schools who participated in designing some amazing posters to welcome home

the troops. Your support has been an inspiration and we truly appreciate your thoughtfulness.

When Ann and I sat down to write this article we discussed what we should write about...then we decided that there would be no better way to welcome home the troops then to share with the community some messages from our schools.

We wanted to capture the moment with the wonderful messages to military families

that were displayed beautifully throughout the many posters we received.

**Kingston Elementary SAYS:**

- "Thank you for keeping us safe, welcome Home. Have a nice summer, good job"
- "Thank you for Supporting Canada."
- "Thank you for all that you do and making peace for you and me. We all want to say Welcome to you."
- "I hope that you will enjoy your summer because you

all had to do hard work."

- "I love my Dad"

**Dwight Ross Says:**

- WELCOME HOME!! And shares beautiful images of hearts and the names of many of the students.

**Pine Ridge Says:**

- "Welcome Home 14 Wing Greenwood MSS"
- "Thanks for all you do"
- "All of you are helping the world"
- "2, 4, 6, 8 who do you appreciate Y-O-U"
- "You make us Proud"

Nobody says welcome home better then the expressions of children.

**The Greenwood Community Says"**

- "I am very grateful for all you do"
- "All of you deserve to be proud"
- "Thank You"

**École Rose Des Vents says:**

- « Rebienvenue a la maison! Et un gros MERCI pour votre excellent travail et tous vous efforts »
- « Félicitations »
- « Bon Retour »

Again - Thank you to our troops and our families for their efforts in making the community that we live in the best!

## Support the New Kingston Legion Quilt Fund

The Legion has had a beautiful quilt of a tree made to help us raise funds for a new Legion. The tree was chosen because it's used to build so many of the day to day things we have come to depend on and the bricks are the foundation that ensure stability and longevity. Anyone can purchase a cloth leaf or brick which will have your name or name of a love one or company place on it and sewn on to the quilt which will be hung proudly in the Legion for all to see. The cloth leafs can be purchased at the Legion for \$10.00 and the bricks for \$25.00. Please except our sincere gratitude for your support in our endeavour to offer our veterans, community and members better service.

More details will follow in the coming weeks. Anyone wanting more information can call the Kingston Legion Office at 765-4920.

**Kathleen, thanks for 30. Love, Stephen.**
