# h Canada! cover story

Submitted by: Eric MacKenzie, 14 Wing Community Centre.

Canada Day on the Wing was an excellent way to celebrate our 143<sup>rd</sup> birthday! The 14 Wing Community Centre and Greenwood Military Family Resource Centre partnered to offer a great afternoon, with blue skies and warm weather, of family activities and games.

Like last year, it was nice to come together as a community to celebrate the birth or our country, our military community and especially to honour our deployed troops and their families here at home. Below is an overview of some of the highlights during each of the events offered:

#### **Canada Day Skateboard Competition:**

The Canada Day festivities got started with the annual Skateboard Competition where roughly two hundred spectators came out to watch the event. The Skateboarding Competition was a great success with 5 divisions, and a total 31 competitors. Great big thanks to Evan Banks, from Limitless Skate and Snow; your support and generous donations are what make this event possible! Thanks to Magic 94.9 for donating their PA system and hooking all the skaters up with free Jones soda. Other thank yous include Conner Bell (once again, you were the world's best EMCEE), Eco Shock (who rocked the park with great tunes), and Jackie Deschenes who assisted with providing First Aid.

In our Beginner division, first place was Andre Giffin, second place Duncan Gagnon and third Alex Gagnon. For our Intermediate division, John Mann placed first, Kelby from Bridgewater placed second, and Robbie Frontain placed third. For Advanced, Kyle from Halifax placed first, Connor Bell second and Jake Titus third. For our BMX division, we had Jeremy place first and Colin place second. For our last division, 19 and older, we had Wesley Norris in first, Bobby Harry for second, and Theo Saunders third. Everyone that participated did an excellent job!

Our next competition will be on Saturday September 18th 2010, as part of our Wing Welcome, so keep your eyes posted on The Aurora Newspaper for more info. If you'd like more information about the Greenwood Skateboard Union membership or how to become a member, please contact Megan LeMoine or Eric MacKenzie at the Community Centre.

**Canada Day Family Activities:** 

All the kids loved talking to Sparky, playing games and enjoying the bouncers. Bounce Kingdom Party Rentals had four different stations set up, in addition to their cotton candy concession. Two of the four bouncers were sports, with a large basketball and football game. The seventy foot obstacle course was very popular, as well as the classic bouncer and slide.

Canada Day Kiddie's Games:

The 14 Wing Community Centre Summer Camp staff once

again provided fun activities for the young children who came with their families. The fun games for the kids included a fish pond, Canada quiz and a hula hoop game. Lots of kids of all ages were there to join in on the fun and everyone walked away with cool prizes and a Canadian flag donated by the Canadian Heritage Society. Thanks to everyone for the donations and support in running the games and to all of the kids for coming out to participate.

Lots of thanks go out to all who helped make the event such a success. Thank you to the guys from TEME for their help with set up. The group from EXIT Realty were awesome with their wonderful tent which included face painting and balloons. Sparky and his firefighting crew were a big hit, and the Canadian flag looked great at the top of their ladder. Thank you to Alex and Dana at Bounce Kingdom for generously contributing to the event. Finally, a huge thank you to all of our wonderful volunteers for their hard work, we could not have done it without them! Great Job!

The 14 Wing GMFRC and Community Centre thoroughly enjoyed offering our Canada Day Festivities to the over five hundred community members who came to celebrate our Nations 143<sup>rd</sup> birthday! Our next partnered event will be the "14 Wing Christmas on the Wing" in early December.... See you there!

# What is the Family Navigator'

BSW, SWC, Social Worker at the Greenwood Military Family Resource Centre -765-1494 local 1811 or email: Jennifer.Hill2@forces.gc.ca

The Family Navigator is an online toolkit designed for Canadian Forces Families who are caring for a child

with health concerns, an aging family member and/ or a CF member who has an operational injury. This bilingual online kit helps to assist families through navigating community resources that are available in ones local area. This

Submitted by: Jennifer Hill, with special needs, a spouse website provides information bases/content/greenwood. and direct links to agencies, services and resources within the greater community of each CF base. To discover the programs and services that are available within Greenwood and surrounding area please visit: http://www. familynavigator.ca/index.php/

If you wish to visit the community surrounding any CF base please visit: http://www.familynavigator. ca/bases/ and click on the province you wish to view or search the drop down menu for a listing of various bases.

This is an amazing tool for families who are new to a community or for those who are trying effortlessly to navigate through a tricky system. There are so many resources out there and this

best place to go for a quick contact directory

The Family Navigator also composes monthly newsletters which contain stories and testimonials along with informative articles about a particular theme. Your GMFRC has plenty

of pamphlets regarding the Family Navigator on hand. To learn more about the Navigator Program and to receive a free copy of the most recent newsletter, please

French camp has officially begun! We kicked off the week playing lots of fun games in the gym with all the camps! Tuesday, we got messy making paper maché piggy banks. Wednesday, the Canada Games Torch visited the Community Centre! We played some fun relay races and even walked with the torch! Thursday, we met up with Day Camp for an action packed field day. We ended the week off with an adventure walk and a picnic! We would like to thank the lifeguards at the indoor pool for letting us come over for a refreshing swim everyday. Check back next week for some more French camp news!

## Village of Greenwood Pedestrian Bridge Modifications **TENDER**

Sealed Tenders plainly marked on the envelope "Tender for Village of Greenwood – Pedestrian Bridge Modifications.'

The above noted project is located in the Village of Greenwood, NS. This project includes increasing the elevation of an existing pedestrian bridge by 2'-6" by modifying the existing approaches and abutments. In addition, approximately 300-ft of timber walkway is to be constructed and installed in conjunction with the updated bridge approaches.

Project Documents may be obtained from Stantec Consulting Ltd. at 40 Highfield Park Drive, Suite 102, Dartmouth, NS B3A 0A3 by contacting Nathan Guy via phone or e-mail. Closing Date: Tender Documents are to be delivered to the Stantec Dartmouth office by July 26, 2010, 4PM.

Each Tender must be accompanied by a certified cheque drawn on a Canadian Chartered Bank or Bid Bond in the amount of ten percent (10%) of the tender price.

The right is reserved to reject any or all Tenders or to accept any Tender that may be considered in the best interest of the Village of Greenwood.

Further inquiries may be addressed to Nathan Guy, P.Eng., via e-mail Nathan.guy@stantec. com or by phone 902-468-7777 ext. 7432.

# Thundering Herd! (previously Buffalo Chips)

404 (Long Range Patrol & Training) Squadron (Sqn) has been a hive of activity in the last few months on the aircrew side of things. For the front end, we are still thundering away at Multi-Mission Operational Aircrew Training (MOAT) course 1001 with both the Flight Engineers (FEs) and Pilots having commenced the simulator stage and on schedule to finish September and October respectively! Faced with the challenges of aircraft serviceability and Maritime weather, we've recently had to get creative in many of ways we conduct business. Recent MOAT courses have begun to incorporate the new Full Flight Simulator more than ever before, and it is apparent that technology is changing all aspects of the way people train. At 404 Sqn this is manifesting itself not only in increased use of simulators, but though interactive online learning and even utilization of 3D component modeling, where complex systems can be broken down into pieces for ease of learning. Change isn't always easy, but with the right group of people, some

dedication and perseverance, we are taking aircrew training to a new level. The pilots also graduated five new students this spring, congratulations to Captain (Capt) Colin Bond and Capt Naval Zilka from 405 Sqn, Lieutenant (Lt) (United States Navy) Aaron Kaiser, Capt David Orieux and Capt Patrick Leblanc from 407 Sqn.

Spring for the FEs has also been busy, graduating three students: Master Warrant Officer (MWO) Bruce Richmond, Sergeant (Sgt) David Pawulski and Sgt Ian Perreault all from 405 Sqn. While the current MOAT is seeing some new faces and one returning FE (MWO Wilson), it is also seeing another 14 Wing Aerospace Engineering Officers (AERE) representative, Lt Harrison. This is fourth course in a row to incorporate (AERE) on board which gives them a unique perspective on Aurora operations to broaden their knowledge for aircraft maintenance planning. On the personnel side the FE pit has recently said goodbye to some of its people with WO Bob Rix moving over to 405

Sqn and Sgt Armand Gallant retiring from uniform. Sgt Gallant moves on to a career as a civilian in Public Service with the Flight Simulator section and WO Rix will be stepping out to live life amongst the crews again. Good luck to both of you and know that you will be sincerely missed by the guys in the pit. On a brighter note, WO Kevin Peddle is advancing through his on the job training just in time for an upgrade to A category and then jump into Standards, replacing WO Lowell O'Keefe, who moves on to 407 Sqn. Good luck Lowell. MWO Glenn Priddle was promoted on 10 June and has moved on to 405 Sqn.
As for the backend of the

aircraft the Airborne Electronic Sensor Operator (AES Op) cell have graduated the last student from MOAT 0902, congratulations to recent graduates: Corporal (Cpl) Daryl Whaley, Cpl Ken Pike, Cpl Dave Dorosz from 405 Sqn, as well as Cpl William McMillan, Cpl Yan Senachal, Cpl Edmond Delorme 407 Sqn, and additionally one retread, WO Martin Way from14 Software Engineering Squadron. However, with little pause we welcomed our new students of MOAT 1001. Two of the six students on course are Privates and have come through the new direct entry path vice the re-muster path that was previously the norm for new AES Ops. On a happy or sad note depending on your perspective, Sgt Terry Dickerson will be retiring from the Forces this summer and will be replaced by Sgt Stu Greenslade from 405 Sqn. We will also be saying good bye to WO Tony Matthews, as he will soon commence his training for his deployment on the Unmanned Aerial Vehicle Detachment Rotation 11A We wish him well and a safe return.

Three AES Ops have also recently graduated the Acoustic Sensor Operator (ASO) MOAT as of 25 May and have moved onto their respective units. Congratulations to Master Corporal (MCpl) Matthew Whyte from 405 Sqn, MCpl Glen Whitaker from 405 Sqn, MCpl Glen Zubiak

from 407 Sqn, as well as one returning ASO Capt Adrian Matheson. The Acoustic cell will also be saying goodbye to personnel, as Captain (Capt) Dorothy Wiebe is posted to Yellowknife to pursue a career as Northern Canada's newest recruiting officer, while Capt Pete Courtney is posted to Colorado Springs. However, the ASO cell will soon see the addition of Capt Glen Gullison, an experienced member and welcomed addition to the cell.

As for the Tactical Navigators, course 1001 is quickly coming to a close with students now in the flying phase and approaching check ride. Meanwhile the Navigator-Communicator's (NAVCOM's) having recently graduated three students, await the start of their next MOAT course in August, while keeping busy with the new Coordinated Operations Course in house. Also posted out is Capt Don Jamont to Ottawa. Congratulations to

the recent NAVCOM grads: Lt Brian Fox from 407 Sqn, Capt Mathieu Kuhn from 405 Sqn, Capt Nicholas MacDougall from 405 Sqn.

As for things coming down the road, 404 Sqn has begun training its instructors on the Overland Equipment Mission Suite (OEMS) system and ran its course on 8 June. With most of the instructor cadre trained on OEMS, we aim to see OEMS training implemented into the MOAT syllabus in the near future. On top of this we anticipate additional postings in and out, internal moves, deployments and more changes to come with the incorporation of the new Block III Aurora systems starting to come online. When one looks toward the future, it will truly be a dynamic and exciting time to be a member of the 'herd' here at 404 Sqn.

Have a great summer. Until next time...

If you want to drink ~ That is your business If you want to stop drinking ~ We can help.

# **Sports Camp Kick-Off!**

loaded with fun! On Monday, all the camps got together for some crazy games to break we painted flags and played

Our first week at sports the ice. Tuesday we played camp was action packed and some badminton games and flag football. Wednesday, the Canada Games torch came to visit and

games to celebrate this fun event. Thursday, we played basketball and field games and Friday, we ended the week off with a tricamp dodgeball tournament. We

at the indoor pool for letting us come over for a refreshing swim everyday. See you next week for "World Cup Soccer."

Submitted by: Kim Dixon, GMFRC Coordinator of Child and Youth Services at 765-1494 local 1812

Our little campers have had a fantastic first week of summer camp at the GMFRC. The children have had some great fun creating chalk drawings, playing with the parachute, trick or treating in July and so much more! Our camp program provides young children with the opportunity to interact and socialize with children their own age.

Miss Vanessa, our Summer Camp Leader, has an exciting summer camp program planned with activities such as pyjama day, bubble bonanza, teddy bear picnic and more still to come this month. A big thank you to our dedicated GMFRC Volunteers, Eva, Sarah, Stephanie and, Natalie who has been assisting with our camp program this week. If you would like more information on programs for your child to participate in this summer call Kim Dixon.

## **Madness** Summer Camp

It's Day Camps first week and we had a great start! On Monday, we joined up with the other camps to play some ice breaker games! Tuesday, we hand made some cards to wish the winter athletes good-luck! Wednesday, we broke into groups and played some relay games in the gym then headed outside to do a run with

the Canada Games Torch, which came to visit with all the camps! Thursday, we hit up the Apple Bowl across from the community centre with French Camp for some field games which prepared us for our big dodge ball tournament with all three camps on Friday! Overall it was a great week with lots of smiling faces, both new and old! We can't wait for week two, Anchors Away!

January 20/1944 - July 13/2008

God saw you getting tired, and a cure was not to be. So he put his arms around you and whispered With tearful eyes we watched you and saw vou pass away. Although we loved you dearly, we could not make you stay. A Golden heart stopped beating, hardworking hands at rest, God broke our hearts to prove to us, "He only takes the best."

Always Remembered Forever Loved

## ~ A Big Thank You ~

A big thank you to everyone who responded to a fire at Mimie's Pizza, Greenwood in the early morning hours of Monday, July 5. To our neighbour, Candace Penny who responded quickly by calling 911; after her daughter Riley Penny saw flames through the window of their home; the RCMP officer who was not on duty but arrived at the scene within minutes to help; officers on duty from the Kingston and Berwick RCMP Detachments; to 14 Wing Greenwood and Kingston Fire Department fire fighters.

The quick response by everyone involved ensured the fire didn't spread to the rest of the homes and community. The hard work and dedication of everyone involved was a tremendous help to us.

A special thanks to the Kingston Fire Chief Watson Armstrong who managed to get inside long enough to reach a brief case with personal papers that was inside the building where the fire was burning.

Our apologises to the neighbors who had to evacuate their homes for hours during the night due to safety reasons.

Big hugs and loving care; asking God to watch over everyone and keep them safe.

We are going to work very hard to get Mimie's Pizza open again very soon. Our apologise for any inconvenience to our customers.

Chamoun, Rawaa & Family

#### **Summer Camp for Preschoolers**

Session #3 (July 19, 2010 - July 23, 2010) Session #4 (July 26, 2010 – July 30, 2010)

9:00 a.m. - 12:00 p.m.

\$45.00/child

Ages: 3 - 5 years

Registration Deadline: Thursday prior to each weekly session

Children aged 3 - 5 years are invited to join us for fun in the sun preschool style! Our summer camp will focus on the many summer activities that children aged 3-5love to do! We will be hiking, lots of running, exploring, games, playground activities, and of course making new friends. Our camp is a recreation based camp; therefore, the children will not be making crafts - unless we have a rain day. Children must be able to use the washroom independently, and enjoy an active outside atmosphere. Parents do not need to stay for theses sessions. A yummy snack will be included each day. Enrolment is limited to 12 children each session.

# ~ Special Thanks ~

I would like to take this opportunity to give special thanks and recognition to Dr. Sara Bates currently working at the Greenwood Animal Hospital.

On July 2/10 it became necessary for me to make that awful decision to have my little Shitzu dog "Meeko" of only 3 years put down.

Sara's incredible love and compassion for both pet and pet owner allowed for my decision to be that much easier. Without Sara, I would not have had nearly the courage nor the strength to do what needed to be done.

Sara, you deserve so much recognition for your knowledge and the outstanding person that you are

Thank you so much! Your presence made a world of difference during this very difficult time.

Yours truly Michele Callan

# Business of the Week Capitol Pub

Capitol Pub, formerly known as Capitol Lounge & Grill, has made many changes since John Bartlett bought the business almost two years ago. With the change in name comes a newly launched menu that features new meals, such as clams and chips made with whole Digby clams, Stir fries, and new salad choices.

"The name change was done to better reflect what we are, a pub", John says, "While we are not traditional in the looks of a pub, we want to stay true to the heritage of our building."

There are 14 draught lines with the best selection in Annapolis County and the best wings in the Valley. We feature daily specials and seniors discount on Sundays. The 50-inch Big Screen is great for all sports fans and our new fireplace will add warmth and atmosphere to your evening out. John also says there is room available for anyone wanting to book holiday functions or office luncheons.

The Capitol Pub has weekly entertainment that features local musicians, DJ's and Karaoke. They are community driven, sponsoring local charities and even a local ladies soccer team.

John, a chef for 27 years, manages the establishment, and says we are nothing without our staff, they are the driving force behind what our customers experience whenever visiting here.

For friendly service and great food call Capitol Pub at 825-2742.

Taking Care of People. It's What We Do.

# Red Cross Tips to Beat the Heat

says simple steps can reduce health risks associated with heat waves, as above-average temperatures and humidity are forecast in many parts of Atlantic Canada over the coming days.

"In recent years, excessive heat has caused more deaths than any other weather events. and it only takes a few hours of exposure to sun and heat without proper precautions to cause serious problems," said Wayne Young, director of injury prevention for Atlantic Canada with the Canadian Red Cross. "It is vital to think about the risks to yourself and those around you and be prepared.'

#### **Red Cross tips to help stay** cool include:

- Stay indoors or in the shade during the hottest part of the day from 10:00 a.m. to
- Postpone strenuous outdoor activity, or schedule it earlier in the morning or the evening.
- · Take frequent breaks if working, playing or exercising in the heat, and use the buddy system.
- Dress in light, loose-fitting clothing and wear a wide-

- Drink plenty of cool fluids, but avoid caffeine and alcohol.
- Check often with family, friends and neighbours in the groups most vulnerable to heat, especially the elderly, small children, the overweight or those with heart disease, high blood pressure or other chronic medical conditions or who have limited mobility.
- If you do not have air conditioning, spend the hottest part of the day some place that does, like a shopping
- If heading to pools or beaches to cool off, use waterproof sunscreen, limit direct sun exposure and closely supervise children at all times.
- Discuss heat safety precautions with all household members and plan appropriately for specific risks.
- Be aware that certain medications impair the body's ability to regulate heat or perspiration. If in doubt; check with your doctor or pharmacist.
- Be aware that vehicle and industrial emissions combine with heat and humidity

in urban areas to produce smog, which will worsens the effects of heat, especially for those with respiratory illnesses.

- Never leave children or pets alone in vehicles, which absorb heat rapidly.
- Ensure pet needs for water and shade are also met.
- Prevent sunburn by limiting direct exposure and frequently apply SPF-15 or higher sunscreen.
- Since air conditioning puts extra demand on electrical grids, have a household emergency kit stocked and handy in case of a power outage.
- Take first aid and CPR training to be better prepared to treat heat-related emergencies.
- Be vigilant for, and know what to do, in case of two life-threatening conditions: heat cramps or heat stroke: Heat Cramps are muscle

pains or spasms, usually in the legs or abdomen caused by high heat and humidity and a resulting loss of fluids and electrolytes. Signs of heat exhaustion include cool, moist, pale or flushed skin, heavy sweating, headache, nausea or dizziness, overall

weakness, and exhaustion. Move the person to a cooler place, remove or loosen tight clothing and apply cool, wet cloths to the skin. If the person is conscious, have them slowly drink small amounts of cool water. If the person vomits or begins to lose consciousness, call 9-1-1.

Heat Stroke (sunstroke) is life-threatening and occurs when the body is no longer able to cool itself. Signs can include hot, red skin that can be moist or dry; fainting, vomiting, and high body temperature. Call 9-1-1, move the person to a cooler place, remove or loosen tight

clothing and apply cool, wet cloths to the skin. If available, apply ice or cold packs wrapped in cloth to key points like the neck, armpits, groin, wrists and ankles.

For additional tips on heat preparedness and other summer safety, check: www. redcross.ca.

The Aurora

The Wing Intelligence Section selects one photo each month as worthy of note for its clarity and intelligence potential.

The selected photo of the USS Wasp, HMS Ark Royal, HNLMS Amsterdam and HMCS Moncton was taken by 404 Squadron, Crew 1 on 25 Jun 10, during the Canadian Navy Centennial in Halifax Harbour. Each ship's communications equipment, radar systems, weapon systems and even personnel are clearly visible.
The USS Wasp is a

USA-flagged, Wasp Class, amphibious assault aircraft carrier. The HMS Ark Royal is a UK-flagged, Invincible Class aircraft carrier. The HNLMS Amsterdam is a Dutch-flagged, Amsterdam Class, fast combat support ship. The HMCS Montreal is a Canadian-flagged, Halifax class frigate. The HMCS Moncton, Shawinigan and Kingston are Canadianflagged, Kingston Class coastal defence vessels.

Bravo Zulu to the members of 404 Squadron,

# RIMPAC 2010 Begins as Ships Arrive in Pearl Harbor

**Commander Nathalie** Garcia, Commander, Navy Region Hawaii Public Affairs

Page 8

PEARL HARBOR (1 Jul 2010) - The last of two Canadian Long Range Patrol Aircraft based out of Comox, British Colombia arrived today in Kaneohe Bay, Hawaii to participate in the Rim of the Pacific (RIMPAC).

RIMPAC, a biennial multinational exercise taking place in the Hawaiian operating area from 23 Jun to 1 Aug 10, is designed to improve interoperability and understanding between military interest in the Pacific Rim. As part of the Canadian Forces contribution to the exercise, aircrew and maintenance personnel from both 407 Squadron based out of Comox, BC, and 405 Squadron based out of Greenwood, NS, will exercise their patrol, surveillance and detection skills over land and sea with a variety of nations and assets.

The deployment also has a unique significance for 407 Squadron. "2010 is the 100th birthday of the Canadian Navy and we are proud to commemorate our own naval

forces from nations with an aviation history by showcasing the Naval Centennial logo on our tail fins," said Canadian Air Force Major Brent Vaino. "I'm looking forward to working side-by-side once again with our sister service, and showing the world what we're made of.

> Anti-Submarine Warfare (ASW) and Anti-Surface (ASUW) is 405 (MP) Squadron's primary combat function. The Squadron regularly trains for its roles by participating in a number of naval exercises at home and abroad. "The crew is pleased to be here, working alongside other nations and our sister squadron 407, honing our

anti-submarine warfare skills,' said Captain Tom Goldie, a pilot with the Squadron. "We look forward to representing 405 Squadron in this unique training

opportunity," he said.

The CP-140 Aurora provides a very versatile platform to perform roles that include anti-submoring that include anti-submarine warfare, surveillance over land and sea, and reconnaissance.

RIMPAC 2010 will involve forces from Australia, Canada, Chile, Columbia, France, Indonésia, Japan, Malaysia, Netherlands, Peru, Republic of Korea, Singapore, Thailand and the United States.

Corporal Hal Keller of Charlottetown, PE, a Supply Tech with 407 Long Range Patrol Squadron is responsible for ensuring the squadron and its members have all the equipment and supplies required while deployed in Hawaii.

Sergeant Paul Bourgoin of Riviere Verte, NB, is welcomed to Kane'ohe Bay, Hawaii by Corporal Dina Rusu of 407 Long Range Patrol Squadron based out of 19 Wing Comox, BC. Sgt Bourgoin is a Flight Engineer for 405 (LRP) Squadron based out of 14 Wing Greenwood, NS.

405 Squadron is participating in the Rim of Pacific Exercise (RIMPAC) 2010. RIMPAC is a biennial, multinational maritime exercise held off Hawaii designed to improve interoperability and understanding between military forces from nations with an interest in the Pacific Rim. As such, the series of exercises has contributed to the security and stability of the region for 22 years. Canada has participated in every RIMPAC exercise since 1971.

# The Eagle Speaks

since the last article Eagle Speaks and a lot has gone on at 405 Long Range Patrol (LRP) Squadron (Sqn). The roles and taskings that 405 Sqn undertakes are many surveillance of our seemingly endless coasts, sovereignty

It has been a long while patrols to the north, search Pathfinders. and rescue, pollution patrols, drug interdiction, immigration flights, exercises and more Granted some of these taskings do not occur on a regular base, but we are always ready for any mission anti –submarine missions not

For those new to the Wing and unfamiliar with the CP-140 Aurora, the aircraft was first flown by Canada in 1980. The primary role of the Aurora and its crews was to conduct type assigned to us. We are only in Canadian waters but

around the world.

To maintain a high proficiency in this role 405 Pathfinder Squadron participates in exercises locally and abroad and below was some of the exercises the Sqn participated in this year.

In March, Crew 3 honed their skills on exercise at Culdrose, England. As with many exercises there were several nations participating, employing air, surface and

sub-surface assets. The crew had several issues to overcome throughout the exercise, which included poor weather, challenging waters of the English Channel and a new airfield that required the full attention of our flight station crewmembers. In the end, crew training was obtained and many lessons were learned, that in itself is important during any training evolution

In June, Crew 4 deployed to Scotland to participate in Exercise Joint Warrior (JW). This exercise has been conducted for many years and offers excellent training to crews that attend. Navies and Air Forces from several nations "normally" have excellent opportunities to carry out their submarine and surface warfare skills at this event. However Mother ... continued on page 15.

Members of the 2010 Pathfinder March at the Little Grandsen, England church where the 405 Sgn stained glass window is found. Marchers are (L to R): Capt Gerry Collins, Capt Bruce Jarvis, Capt Bruno Parent, MCpl Shane Best (413 Sqn SAR Tech), Cpl Jen Furey, MCpl Ash Brown, Sqt Chuck Paquette and Ocdt Leslie MacDonald.

# FOR YOUR INFORMATION

FYI is The Aurora Newspaper's format for publishing items of interest to the community submitted by NOT-FOR-PROFIT Service Groups, Clubs and Organizations. Due to space limitations, submissions are limited to approximately 25 words. Items MUST be submitted each week either in person to our offices located on School Road (Morfee Annex), 14 Wing Greenwood, by FAX to (902)765-1717 or e-mail: aurora@ auroranewspaper.com. These announcements will be published on a first-come, first-served basis and are limited to the space available for that particular publication. To guarantee that your announcement will be published, you may choose to place a paid advertisement at our current advertising rates. The deadline for FYI submissions is Thursday at 9:30 a.m. previous to publication unless otherwise notified.

ARIES - Mar 21/Apr 20

Lead and don't follow this week. Aries. It may be difficult to go against your normal grain, but it is for the best. Keep an open mind Tuesday.

#### TAURUS - Apr 21/May 21

Taurus, don't allow your confidence to wane this week. Get a morale boost from friends and family. A meeting of great importance takes place on Saturday.

#### GEMINI - May 22/Jun 21

Gemini, certain things that have to get done this week will be out of your realm of expertise. That doesn't mean you can't try to tackle them. Just have a helper on hand.

#### CANCER - Jun 22/Jul 22

Cancer, there's so much that needs to get done you don't know where to start. Making a list of your tasks will help you better cross one thing off at a time.

#### LEO - Jul 23/Aug 23

If you can't laugh at yourself, Leo, it will be harder to maintain successful relationships. Things can't always be serious: lighten up. Virgo offers a clash of personalities.

#### VIRGO - Aug 24/Sept 22

Virgo, give yourself a muchdeserved break. You've been working so hard for the last several months. Now is the time for a vacation or a weekend away from everything.

## LIBŘA - Sept 23/Oct 23

Libra, you don't have the answers to everything so seek help from others. Relationship woes leave you in a funk, but it's likely just a temporary bump in the road.

#### SCORPIO - Oct 24/Nov 22

Scorpio, it will be difficult to contain your frustration but that's just what you have to do this week. Soon you may need to take matters into your own hands and face the results.

#### SAGITTARIUS - Nov 23/Dec 21

Sagittarius, take a few days to get all of your affairs in order. There have been a lot of changes lately, and you haven't had a chance to wrap your head around them.

#### CAPRICORN - Dec 22/Jan 20

Burning the candle at both ends again, Capricorn? You have to learn that this isn't the best way to get things done. Consider the consequences and take things

#### AQUARIUS - Jan 21/Feb 18

Aquarius, you can't put your finger on it but something just seems out of sorts. The truth could reveal itself in the next few days. In the meantime, focus on outdoor fun.

#### PISCES - Feb 19/Mar 20

Pisces, fight against the current rather than give in to the situation at hand. Unexpected events arise late in the week.

## 14 Wing Greenwood **Skateboard Union Club!**

The 14 Wing Community what direction we would like to see Centre held our first Greenwood Skateboard Union Club meeting on Wednesday June 23rd. Our Club is now officially formed with several individuals becoming members before our Canada Day Skate Competition.

This Club is opened to anyone between the ages of 9-18 but anyone under 9 can join the club, provided a parent or guardian (18 or older) is present when they visit the skate park. This includes our BMX users and skateboard users. Our membership is only \$15.00 a year, \$12.00 for each additional child, and all of your registration dues go towards fundraising purposes to provide upgrades to the park. Membership forms are available at Limitless Skate and Snow, in the Greenwood Mall, and at the 14 Wing Community Centre. Please note that your completed form must be submitted at the Community Centre where you will be given a receipt for your payment.

We hope to meet monthly, and the first order of business will be to determine how to spend the allocated grant funding that we have received to provide upgrades to the park. This Club, in partnership with Limitless Skate and Snow, allows users of the park to provide feedback on where our grant funding should be spent, and collectively set a plan in place for our park go.

Other benefits will include discounts on entry fees to our event, such as the upcoming Wing Welcome competition set for Saturday September 18th 2010. Plus, we are already trying to organize skateboarding lessons for those who would like to learn how to skate. In addition, by forming this Club, we will improve our chances to be approved for additional grants and also improve the success of our fundraising initiatives, since we will have a group of committed members who are dedicated to helping improve

If you are interested in joining the Club, please contact Eric MacKenzie at 765 - 1494 ext 5337 or attend our next meeting set for Tuesday July 20th from 2:30 - 3:30 p.m. inside the 14 Wing Community Centre Conference Room. This is your opportunity to voice your opinions and recommend the changes that you would like to see. Please note that the Community Centre Conference Room is located on the second floor of the Centre.

Congratulations to last week's winner: VIOLET EMPEREALE

# "Youth Happenings" at 14 Wing Community Centre

#### By: Recreation Youth Worker; Megan LeMoine

Here are some ways to beat the summer heat! Drink plenty of water; plan certain activities like a run or a walk in the morning or late evening to avoid the hottest part of the day. Always keep protected from the sun, wear sun screen, sun glasses and a hat! Use a fan or air conditioner to keep very cool, to make your own air conditioner, put a bowl of ice in front of your fan and let the cool air blow on you! Here is what's happening this week at The Community Centre. For any information please call. 765-8165.

#### **Boys Club Out-Door Water Games** Monday July 12 4:30-6:00 p.m.

Today we are going to beat the summer heat with some cool water games! Meet at the Community Centre then we'll get ready to go out-side. Dress in something that you don't mind getting wet! After, we'll cool down with a cool treat!

## **Canadiana Crossword**

#### Watch for the Birdie

By Bernice Rosella and James Kilner

Solution page 14

#### **Fun By The Numbers**

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

# **Amanda Forster Memorial Soccer Tournament**

July 16, 17 and 18

Come out and support our youth! More than forty teams will participate in the KGSC tournament this year and we're calling on all business and citizens to cheer on the players and welcome the visiting families

Soccer is one of our community's most popular sports and it is all made possible through the generous donations by our sponsors Dundee, Aliant, Valley Credit Union, JC Hot Tubs, Haines, Dooley's, Subway and Avery's Farm Markets Ltd. Thank you a to 14 Wing for supplying the much-appreciated tents and man power. Thank you also to all of the parents who volunteer during the soccer season and beyond.

The opening ceremony and game will be at the Apple Bowl on Friday, July 16th at 5:30pm. Local dignitaries will be there to kick off the tournament in memory of Amanda. See you there!

If you would like to sponsor our teams or make a donation, please go to our website and contact our president: www.kingstongreenwoodsoccer.org.

# The Eagle Speaks

... page 9 continued.

Nature would alter everyone's plans as an Icelandic volcano that had been dormant for 200 years erupted and created havoc with air travel throughout that part of the world, including Crew 4 at JW. Although the crew prepared for each mission, they ultimately could not fly safely with volcanic ash filling the skies and were kept on the ground. After an unsuccessful week of training, (except mission planning), a small window of opportunity to get airborne presented itself and the crew was able to fly the aircraft back home

A third exercise took place in Jacksonville. Florida earlier this month. This event was busy with a crew flying six times in seven days. Excellent training opportunities were available, several warships with helicopters on-board and two subsurface targets, (nuclear and diesel) being searched for and tracked through four missions ensured that all crew members received extensive training. This type of exercise is vital

to the development of LRP aircrews in order to maintain down being pulled through the standard of knowledge and operating skills required to be successful.

Closer to home 405 participated in Exercise Halcyon involving the Canadian Navy, Air Force and Army as well as those elements from other countries. This was the first large exercise of this type held in Canada in many years. Sqn personnel were busy throughout this ten day event again re-enforcing the skills needed for real world operations. During this exercise, on Tuesday, June 21st, the Commanding Officer (CO) of 405 San. Lieutenant Colonel (LCol) Jim Irvine, conducted his last flight at 405 Sqn. The mission was very successful with several simulated attacks carried out against the HMCS Corner Brook. Attaining a flying milestone, LCol Irvine reached the 4,000 hour mark in the CP-140 Aurora, a feat not often reached in this era. After a fly past, the CO was met by his family and Sqn personnel on the ground. He was quickly secured and

received a congratulatory soak the aircraft birdbath, followed by a get together in the Sqn lounge. The CO will be in Ottawa attending a French Language training course until his Change of Command parade this August.

As mentioned the CO is posted as are twenty other 405 Sqn personnel. This includes the Sqn, Deputy Commanding Officer, Major Mike Adamson and Sqn Flight Commander, Major Rich Hone. On June 4<sup>th</sup> a squadron mugout took place at the VPI to thank all those leaving for their hard work and dedication while at 405 Sqn. In total twenty personnel are moving on to new units throughout Canada. Best wishes to all and good luck in the future, thanks for serving the best LRP Sqn in

In conjunction with a Long Range Pilot Proficiency flight (LRPPF), a crew of Sgn members travelled to St Hubert, Ouebec in May to participate in a static display for Air Cadets. The cadets from all over the greater

Montreal region gathered to Captain's Bruce Jarvis and during the Second World War. view several aircraft types from the Air Force. Along with this type of tasking, many questions about the aircraft, what we do and where we go in the world occurred. The crew had a great time answering these questions and it was wonderful to see such interest in the Aurora as approximately 600 cadets toured the aircraft throughout

On June 15 -22, seven 405 Sqn personnel and a Search and Rescue Technician from 413 (Transport and Rescue) Sqn participated in the annual Pathfinder March held in England This event which began in 1997 is held to commemorate the Pathfinder Force which operated out of several Royal Air Force Stations throughout England during World War II. To this day only two Pathfinder Sqns are still operational, 7 Sqn of the Royal Air Force and 405 Sqn, Canada's only Pathfinder Sqn. The march is a twenty hour, seventy six kilometre test of strength and stamina. Six marchers from 405 Sqn,

Bruno Parent, Sergeant Chuck Paquette, Master Corporal (MCpl) Ash Brown, Corporal Jen Furey and Officer Cadet Leslie MacDonald lead by Captain Gerry Collins as their coach/morale enforcer successfully completed the march but not without severe blisters and aching bones. MCpl Shane Best from 413 Sqn provided outstanding medical care for the marchers throughout the long day and post march.

When not on the march the group visited WWII historical sites located in the towns of the old Air Stations talking to locals who shared informative memories of the past. At Little Gransden, England, a small hamlet where 405 Sqn members were billeted during the war, the group presented a donation of 200 pounds to The Church of SS. Peter and Paul. In that church a stained glass window with 405 Sqns Heraldic Crest and 801 maple leafs, one for each fallen member of 405, reminds all that see it of the sacrifice that this Canadian Sqn gave

On July 30, 2010, 405

(LRP) Sqn will be holding a memorial ceremony for nine people who lost their lives July 31, 1950 during a mission near Alert. Seven 405 Sqn members, one Canadian researcher and one American researcher perished when a supply drop over Alert went horribly wrong. As a drop took place the parachute caught in the Lancaster's vertical stabiliser bringing the aircraft to the ground. A stone memorial along with the crew's gravesites currently marks the nearby crash site in Alert. On July 30, the Commanding Officer and 405 Sqn will conduct a parade in remembrance of these airmen, along with the unveiling of a memorial stone at the memorial park of the Greenwood Military Museum. Through tireless efforts some family members of the crew have been located and will be present for the ceremony. This will be a significant event for family members and 405 Sqn. DUCIMUS (WE LEAD)

The Heat Wave has hit us, isn't it funny how we want the heat and when we get it, we complain it is too hot. The nature of the beast ...we are never satisfied. Hats off to the Maintenance crew, the course is in great shape. Ladies: The gardens look awesome...

great job. Men's Night results for June 29th is as follows: There were 38 golfers out and the winner of the 50/50 was Mike Pineo. Now for the golfing results: 1st Division: 1st LG- Steve Lake: 2nd LG Randy Anderson, 1st LN Doug Carpenter, 2nd LN Scott Cooper. Skins were Cooper #7,#14: Lake #9: Pritchett #13, Brooks #16 and Anderson #18: 2nd Division: 1stLG Wayne Pellerine, 2nd LG Ian MacKenzie; 1st LN Brent Jones, 2nd LN Nelson Mullen; Skins McDowell #3 & # 14 and Cathcart #5. 3rd Division: 1st LG Ron Jenkins, 2nd LG Ray Hunter, 1st LN Jack Keddy, 2nd LN Dave Adams. Skins winners were Richter #6. Thurber #8 and Jenkins #10.Tuesday, July 13th will be a 3 Man Scramble (18 Holes). Sign up at 2:30 for 3:00 start time. Meal to follow.

The Ladies Night on June 30 had 16 ladies out to golf. It was a lovely evening and the group welcomed two new golfers to the Ladies night... Diane Moore and Kate Downs. Hope to see you out every Wednesday evening. The format was 2 person scramble and each lady had to use two of their tee shots. The big winners were Sandy Adams and Joan Dixon; Diane Moore and Kate Downs, Margie Welin and Erma Rains and Sue Burke and Deena McNeil. The 50/50 winner was Joan Dixon ...the Big Winner and the 50/50 ..that's really cashing in!

July 1st, Canada Day... what a great day. It was great to see so many people wearing Red and White. We had 35 golfers sign up for the Mixed Scramble, which was a good turn out, considering it was organized in 5 days. There were guests from Paragon and from Ontario and from all reports everyone had a great

# The 19th Hole

time. It was fun to golf with new people, and I was really impressed with the number of golfers who dressed in Red and White. Although some had to wait to tee off, no one seemed to mind..it gave people a chance to get acquainted and celebrate the day. The Club house was decorated with streamers, balloons, banners and our Canadian flags, there were even some on the front railing of the patio. I had the pleasure of golfing with Scottie, Ralph and Steve Swan lots of laughs. Scottie said it takes him 4 holes to get warmed up, so on the 5th Tee, I told him "Enough with the whining... this shot better be a good one) ...and it was. Most of the time, either Scottie or Steve were the big hitters off the tee... Until... #10. Steve didn't make it past the hazard in front of the tee box and Scottie was blocked in the trees. Thanks to Ralph we had a safe shot... clear view to the Flag.! My putter was hot for most of the round, so at the end of the day we were the Big Winners... Scottie, Steve, Ralph and Wendy. The Most Honest golfers for the round were Dallas, Dave, Bob and Sharyn Trimm. The Closest to the Pin prizes were won by Betty Saltzman #8 and Marcel Levesque #11. The 50/50 winner was Sharyn Trimm.

(Thanks to Gail for selling

the tickets.) Every golfer went home with at least a \$5.00 gift certificate, so for \$15.00. it was a pretty good deal. We had prizes for the best costume and Dallas was the winner for the ladies... dressed as Captain Canada ...complete with a flag cape. The gent's prize went to Doug Carpenter who wore a Canadian Flag Jester hat and a Canadian Flag/Golf scene shirt. It was fun to see some people had Canada socks, fake tattoos and Dallas even showed her real Canadian tattoo Great spirit for the club.

After the golf everyone was treated to Chicken Burger and Fries and then fresh strawberries and ice cream ...two different bowls of yummy strawberries. But...the best part of the day (I Think) was when we all stood up and sang "Oh Canada" ...makes you proud to be a Canadian and enjoy the freedoms of this

great country. We will have to have another mixed scramble some time soon. Thanks to all who helped organize this one, Gail and Frank Croucher, Doug Carpenter, Wendy Richardson, and to Dave Adams who helped blow up balloons and do some decorating., Melissa (front Desk) who helped blow up balloons, Dave and Dallas who helped with decorating ...if I have missed anyone, I

apologize. Getting together as a club really was fun; hopefully more will join us next time. (Special Thanks to Dallas for taking down the decorations on Monday).

Sunday, July 4th I had the pleasure of golfing with Randy Anderson, Doug C., and Dave Ronaldson and the other group was Charlie C, Scottie C., Gary Bond and Mr. Aube ...we were playing Stableford and Greenies. Yeah, I won the Greenie on # 11 and tied for 2nd in Stableford.(with Scottie... Doug C was the winner) ...it felt really good to take some money out of Gary and Charlie's pockets. I might not get invited back so I will brag while I can!

The Club schedule for the week ending July 18th, looks

July 13th - Men's Night..3 Man Scramble 2:30 for 3:00

July 14th - Intersection and Ladies Night

July 15th - Ladies Morning 9:00 -9:15 Jr. Program 1:00 July 16th - Junior Ranks 10:00 (5 Tee TImes); 2-Ball 4:30 - 6:00

July 17 and July 18<sup>th</sup> - open July 19<sup>th</sup> - Valley Seniors -9:00 Shot Gun Start

Until next week enjoy your round of golf. Keep up the Pace of Play, repair ball marks and replace divots. Results of the Pres,/Vice Pres. will be in the next issue.

Eleven ladies made the trek to Berwick Heights for a fun day of golf, on July 6th. Sandra C, Gail C, Sharyn T, Erma R., Donna H, Betty S, Sandy A, Betty L, Margie W, Dawn?, and Brenda C. played as a 4 man scramble.

Low score went to Donna Hill and team, 71.

Sandra Cathcart won closest to line, Betty Lane and team predicted their score and was only 1 off.

Sandy Adams won door prize of a tapestry golf throw and 2 lessons with Dana Wong. (heaven knows, she sure can use them).

Everyone got a little something. Meal of pasta salad and chicken was great. The weather held off (touch and go for a couple of holes) so a good time was held by all! Thanks Sandy for this info.

# Congratulations Olivia!

The Active Chicks would like to wish, from the bottom of their hearts, big congratulations to Olivia Beer who graduated from West Kings High School in June! Olivia has been volunteering with the Active Chicks for the past 3 years and she has been a tremendous help to myself and the girls! We would like to thank her for her smile that brightens the room, her helpfulness and her thoughtfulness! We love you Olivia!

# Summer Camps Touch the Torch

The 2011 Canada Winter Games will be in Halifax this February. To celebrate this awesome event, the Canada Games organization brought the torch to Greenwood to have a torch relay. We divided the Summer Campers into 13 groups symbolizing the 13 provinces and territories, each group made their provincial flag. Then we headed to the gym for to see a piece of history in the making!

a very quick game and then went to the Apple Bowl for our torch relay. Each Summer Camp leader was able to run with the torch to the next Leader while all the campers were right behind them. The Canada Games may not be in Nova Scotia for years to come, so this was a great opportunity for the campers

# he Power of a Family

Russell Acker (deceased) formally from Middleton, wanted to do something as a group that would honour his memory and allow them to work together as a unit for that cause. Russ had been a director and agent for the Multi Addiction Center Society (MACS) in North Kingston for 17 years prior to his death. His children and grandchildren often remember helping both Russ and Barb

The wife and family of with projects at MACS in the old days when they were all helping to raise money to get the building in shape and the fun they used to have working as a family. They decided to hold a supper to raise money to help with the bathroom renovations in the hall.

They started out by canvassing the businesses in the local area and gathered up enough donated articles to make up a large basket. They sold tickets on the basket. The ham scallop and bean supper, prepared by the family was held on June 27th in the MACS hall and was attended by over 100 people. Leo Glavine was asked to draw the tickets for the door prize and the basket. The winner of the

door prize - a large hanging Keddy of North Kingston. basket, donated by Den Haans in Brickton, was Dale Veinot and the winner of the basket filled with goodies donated by local merchants was Karen raised a total of \$1,414.50.

The family would like to thank everyone who donated goods and cash or food

# **Head Honcho Head** Shave; Fundraiser BBQ!

September 19th, and this run will be part of the 2010 Wing Welcome which will start on Friday September 17th. However, this year's Terry Fox Run will be a special occasion because it also marks the 30th anniversary of Terry's Marathon of Hope.

To help celebrate this remarkable anniversary, 14 Wing will also be participating in the Terry Fox Head Shave, known as the Great Canadian Hair "Do", for the second time! This wonderful event is scheduled to take place on Friday September  $17^{\text{th}}$  at 3:45p.m. in the Back Bar of the Annapolis Mess.

In 2008, the former 14 Wing CWO J.K. set a goal of \$5,000 to have their heads shaved and help raise funds for cancer research. The response and support from 14 Wing and the surrounding communities was overwhelming and, as a result, over \$6,500 was raised. In addition, a total of over \$11,000 was collected for the Terry Fox Foundation, in combination with the funds raised during the Terry Fox Run!

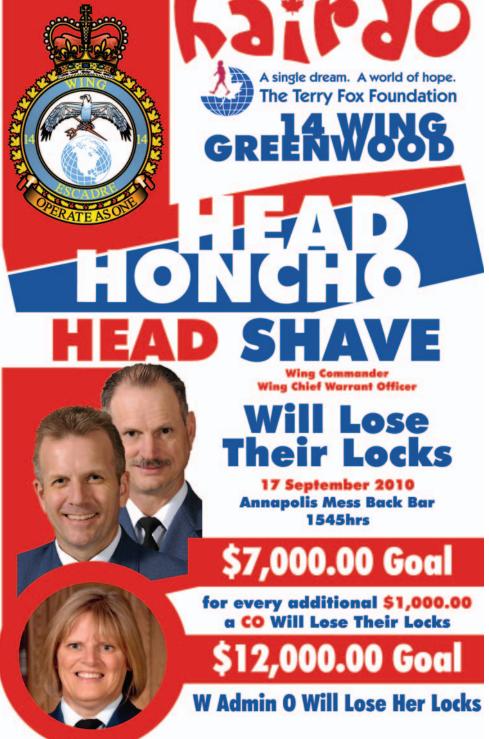

This year, 14 Wing CWO J.M. Jardine and WComd Col. W.F. Seymour have agreed to support this worthy cause and shave their heads if \$7,000 is raised. Plus, for the first time CO, will be shaved for every additional \$1,000

14 Wing Greenwood will once again be collected, and the WAminO is willing to lose hosting another Terry Fox Run on Sunday her locks if \$12,000 is raised! However, not one single hair will fall from the head of the WCWO or WComd unless the \$7,000 goal has been reached, and the other participants are only willing to do the same if their respected goals have been achieved.

In order to achieve this goal, several fundraising initiatives are being planned to ensure that the funds will be raised and their locks will fall. The first major fundraiser will be a barbeque at Sobeys from 11:00 a.m. until 1:00 p.m. It is our plan to offer a second barbeque during August, and we also plan on selling 50/50 tickets during upcoming T.G.I.F's at the Annapolis Mess. In order to Hamalainen and WComd. Col. D.W. Joyce take full advantage of these opportunities, we require the support from numerous volunteers. If you are willing to help assist any of these events, please call Eric MacKenzie at 765 -1494 ext. 5337.

Please note that if the goal is not reached then all individuals involved will get to keep their locks but all monies raised will be donated to the Terry Fox Foundation as a 14 Wing Terry Fox Charity donation.

If you have any further questions about this wonderful event or if you are interested in volunteering, then please contact Eric ever, another head, which will be a squadron MacKenzie, at the 14 Wing Community Centre, by calling 765-1494 ext. 5337.
