405 Squadron Alert Lancaster Crash Memorial

... cover story continued.

The memorial stone, situated along the Greenwood Memorial Garden Walkway, offers friends and families a quiet place to remember and contemplate the sacrifices of these brave "Eagles". It is also worth mentioning that this stone was unveiled on the eve of yet another 405 Squadron crew deployment to the Canadian Arctic to conduct surveillance and support.

On 31, July 2010, approximately fifty military and civilian members stationed at Canadian Forces Station Alert braved the cold to pay their respects to the fallen crew. The poem "High Flight", which adorns the memorial stone in Greenwood, was read during the Alert ceremony and will hopefully become a yearly act of remembrance.

On behalf of the Commanding Officer of 405 (Long Range Patrol) (LRP)

Squadron, Lieutenant Colonel Irvine, and the men and women of 405 (LRP) Squadron, I would like to offer my sincere thanks and appreciation for the cooperation and effort of all who helped make this dedication ceremony memorable. Many thanks to the Greenwood Military Aviation Museum, members of the VP International, members of 14 Wing Logistics and Engineering Branch, graphic designer Mr. Bruce Gormley of the Maritime Proving and Evaluation Unit, Heritage Memorials and the many businesses and individuals who generously donated and supported this significant project.

As stated by LCol Irvine during the unveiling ceremony, "Our remembrance of our fallen comrades remains in our hearts. At the going down of the sun, and in the morning, we will remember them. DUCIMUS!"

Members of 405 Long Range Patrol Squadron stand on parade during the Alert Lancaster Crash Memorial Ceremony at the Greenwood Military Aviation Museum Memorial Garden Walkway.

On July 31, 1950 a 405 'Eagle' Squadron Lancaster (#965) crashed during an arctic survey, surveillance, and resupply mission in support of Operation NANOOK. All nine crewmembers perished.

Childcare During Your Move

Submitted by: Kim Dixon, GMFRC Coordinator of Child and Youth Services at 765-1494 local 1812

The Greenwood Military Family Resource Centre (GMFRC) recognizes the need for short-term childcare for military families during the active posting season. If you are a CF Family moving to 14 Wing or are posted out this summer and are having difficulty finding childcare during your pack and unpack, your GMFRC is here to help. Due to current renovations at our centre we are unable to provide childcare on site; however we do have a couple of screened childcare homes in the local area that can provide childcare to CF Families during this busy time. Families are required to pay the childcare provider directly, and will be issued a receipt for

your moving claim. Please contact Kim Dixon at the GMFRC (local 1812) for booking information. Space is limited, so please book in advance.

Priority Public Service Entitlement for the Surviving Spouses of CF Personnel

The Public Service Commission of Canada has established a new priority entitlement for the surviving spouses and common-law partners of Canadian Forces personnel who have died while performing their duties.

The priority entitlement gives eligible spouses increased access to public service employment opportunities by placing their names and résumés on a priority listing for external federal government job competitions. Spouses then have the right to compete for positions and be appointed in priority to all other persons, except statutory priorities, to any term or

indeterminate position in the public service for which they meet the essential qualifications.

The program will be administered by Director Casualty Support Management (DCSM) and the Public Service Commission of Canada. A representative from DCSM will be contacting all eligible spouses to make sure they are aware of this opportunity should they choose to take advantage of the entitlement.

“Director Military Family Services (DMFS) is pleased to help spread the word about this significant gesture on

the part of the Canadian government, which honours and acknowledges the sacrifices of these spouses by offering them new employment opportunities that may help build a brighter future,” indicated Celine Thompson, Director, DMFS.

For complete details about this opportunity, please visit the Public Service Commission’s website at <http://www.psc-cfp.gc.ca/lhhr-lcrh/2010/10-07/attach-ci-joint-eng.htm>. A helpful list of Frequently Asked Questions about this initiative is also available at <http://www.psc-cfp.gc.ca/lhhr-lcrh/2010/10-07/faq-surviv-eng.htm>.

Droit de priorité à la Commission de la fonction publique pour les conjoints survivants des membres des Forces canadiennes

La Commission de la fonction publique du Canada a établi un nouveau droit de priorité pour les conjoints et conjoints de fait survivants des membres des Forces canadiennes qui ont perdu la vie dans le cadre de leurs fonctions.

Le droit de priorité donne aux conjoints admissibles un accès accru aux occasions d’emploi dans la fonction publique. Pour ce faire, leurs noms et curriculum vitae sont inscrits sur une liste prioritaire en prévision des concours externes du gouvernement fédéral. Ainsi, les conjoints peuvent ensuite poser leur candidature dans le cadre d’un concours et être nommés en priorité, sauf en cas de priorités légales, à tout poste de durée déterminée ou indéterminée au sein de la fonction publique pour lequel ils possèdent les qualifications essentielles.

Le programme sera administré par le Directeur – Gestion du soutien aux blessés (D Gest SB) et la Commission de la fonction publique du Canada. Un représentant du D Gest SB communiquera

avec tous les conjoints admissibles pour s’assurer qu’ils sont au courant de cette occasion, s’ils choisissaient d’en tirer parti.

« La Direction des services aux familles des militaires (DSFM) est heureuse d’aider à répandre les renseignements touchant cette initiative importante du gouvernement canadien, qui honore et reconnaît les sacrifices de ces conjoints en leur offrant de nouvelles occasions d’emploi pour les aider à bâtir un avenir prometteur », déclare Céline Thompson, directrice de la DSFM.

Pour en savoir plus sur cette initiative, visitez le site Web de la Commission de la fonction publique en visitant le site web suivant: <http://www.familyforce.ca/sites/Other%20Locations/FR/Employment%20Assistance/Pages/PSentitlement.aspx?>. Mission Information Line ... a GMFRC Resource

Questions about Deployment? Call the Mission Information Line at 1-800-866-4546

Submitted by Margaret Reid, GMFRC Executive Director
The Mission Information Line (MIL) has been helping families experiencing deployment for over 18 years. Just as the nature of Canadian Forces (CF) deployments have changed over time, the concerns of MIL callers have also evolved.

This winter, the MIL was especially busy answering calls and updating messages about the deployment of CF personnel to Haiti for Operation Hestia. An officer from the Disaster Assistance Response Team provided updates to an automated MIL message box almost daily so that families could hear firsthand how their loved ones were helping with the relief effort.

"Families called in regularly to hear about everything from the first baby born in the CF makeshift hospital, to how many litres of water they had made safe for drinking, to how the people of Haiti are doing," says Robin Whitford, MIL Manager.

"Though this deployment happened suddenly, it was great that word of mouth let people know where to call for information. During the two month deployment, the message boxes dedicated to Op Hestia received over 1000 hits!"

The MIL provides message boxes dedicated to each military operation on deployment, and works with CF personnel to keep the boxes updated regularly. Families can call and listen to the recorded messages at any time to get a sense of what their loved ones have recently experienced, and feel connected even through

they may be far apart.

The message boxes can also provide updates for families on when to expect their loved ones back from deployment.

"Deployment Support Centres can use their message boxes to record the flight return timings of the soldiers returning from tour. As flight information can change right up until the last minute, the Deployment Support Centres are able to update this information with one simple recording and hundreds of families are able to call as often as they wish. During this anxious time, many families call repeatedly!"

In addition to the message boxes, the MIL also provides families with access to a counselor from 8 a.m. until midnight (EST), Monday-Friday by pressing '0'. Callers can also leave messages for the MIL and all messages will be returned. Urgent messages will be returned even on weekends and holidays.

Whether callers are working up to a deployment, already have a loved one overseas, or the reunion has brought its own set of challenges, the MIL can help make the transitions easier for families. The MIL's services don't start only when a loved one departs, and they don't end when the planes land back in Canada. Families are welcome to call the MIL anytime with their questions, concerns or even just to talk.

Call 1-800-866-4546 or visit www.missioninfo.ca for more information.

Ligne d'information sur les missions ... une Ressource de CRFMG

Avez-vous des questions à propos des déploiements? Communiquez avec un des intervenants de la Ligne d'information sur les missions au 1-800-866-4546.

Depuis plus de 18 ans, les intervenants de la Ligne d'information sur les missions (LIM) aident les familles qui vivent un déploiement. La nature des déploiements des Forces canadiennes (FC) a changé au fil du temps, et les préoccupations de ceux qui composent le numéro de la LIM sont différentes.

Cet hiver, les intervenants de la Ligne d'information pour les missions ont été particulièrement occupés à répondre aux appels et à mettre à jour les messages touchant le personnel des FC

déployé à Haïti dans le cadre de l'opération *Hestia*. Un officier de l'Équipe d'intervention en cas de catastrophe mettait à jour presque quotidiennement la boîte vocale pour que les familles obtiennent un compte rendu direct des efforts de secours fournis par leurs proches.

« Les familles téléphonaient régulièrement pour tout savoir, de la naissance du premier bébé né à l'hôpital improvisé des FC, au nombre de litres d'eau purifiée pour la consommation, à l'état d'âme des Haïtiens », déclare Robin Whitford, gestionnaire de la LIM.

« Bien que ce déploiement soit arrivé soudainement, par chance les gens savaient où téléphoner pour obtenir de l'information grâce au bouche-à-oreille. Nous avons reçu plus de 1000 appels à la boîte vocale dévouée à l'opération *Hestia* au cours des deux mois qu'a duré la mission! »

Les intervenants de la MIL gèrent des boîtes vocales dédiées à chaque opération militaire et déploiement, et travaillent de concert avec le personnel des FC pour les mettre à jour régulièrement. Les familles peuvent appeler en tout temps et écouter des messages enregistrés leur donnant un aperçu de ce que leurs proches vivent et leur permettant de se sentir en contact malgré la distance.

Les familles peuvent également obtenir des renseignements à jour sur la date de retour de leurs proches à partir de la boîte vocale.

« Les Centres de soutien aux déploiements peuvent utiliser ces boîtes vocales pour enregistrer les renseignements sur les heures des vols de retour des soldats après une affectation. Puisque les détails sur les vols peuvent changer jusqu'à la dernière minute, les Centres de soutien aux déploiements peuvent mettre à jour ces renseignements à l'aide d'un simple enregistrement. Des centaines de familles peuvent téléphoner aussi souvent qu'elles le veulent. De nombreuses familles appellent fréquemment pendant cette période stressante! »

En plus de l'accès aux boîtes vocales, les familles peuvent obtenir des services de consultation en composant le « 0 », du lundi au vendredi, de 8 h à minuit, HNE. Elles peuvent également laisser des messages pour les intervenants de la MIL, qui répondront à chacun d'eux. On répondra aux messages urgents mêmes les fins de semaine et les jours de congé payé.

Les intervenants de la MIL peuvent aider les familles en transition qui se préparent à un déploiement, qui sont séparées de leurs proches affectés outre-mer, ou qui font face à des défis lors des retrouvailles. Les services qu'offrent les intervenants de la MIL couvrent bien plus que la période du déploiement et ne s'arrêtent pas dès que les militaires reviennent au pays. Les intervenants accueillent les appels des familles des militaires en tout temps et sont prêts à répondre à leurs questions et à leurs préoccupations, ou à simplement discuter.

Tuesday, we started the day by making our very own binoculars which we used later on that day for an outdoor scavenger hunt! Wednesday, French campers made some creative paper bag puppets. Thursday, we made our way over to the Birchall Centre to watch Madagascar 2 and eat some yummy popcorn! To end off the week, French camp travelled to the Dartmouth Sportsplex for a super fun swim at Pirate's Cove.

French camp Week 5 "Soleil, soleil!" was a huge hit! We

started the week off making kites, playing games and playing at the park! Tuesday, we got rained out but thankfully, our special visitor April Denney came over from the F&S Centre to give the kids a super fun yoga lesson! French campers had a blast Thursday on a blow up bouncer slip'n'slide! To finish the week off, we spent the day with Day camp and had some yummy ice cream sundaes! French camp would like to send out a huge thank you to April Denney for the yoga lesson.

French camp Week 6 "Junior Einstein" was filled with lots of fun science activities! We kicked the week off watching a Search and Rescue (SAR) Tech jump and planting our own

carrot seeds! Tuesday, we continued the fun by making Dirt cups (a yummy chocolate pudding treat). In the afternoon, we made homemade silly putty! Wednesday, we travelled to Halifax to the Discovery Centre to explore the world of science! Thursday, French campers got creative tie dying T-shirts. To end off the week, we made our own invisible ink to write secret messages!

French campers would like to thank all the lifeguards who work every day at the pool, all our great volunteers as well as the great bus drivers! Stay tuned next week for more French camp news!

Mr Nelson Mullen, Chapter President of Canadian Association of Veterans in United Nations Peacekeeping

By Sergeant
Pete Nicholson

Nelson Mullen is a founding member of the William C. Hall VC Chapter of the Canadian Association of Veterans in United Nations (UN) Peacekeeping {CAVUNP} www.cavunp.org. This is a National organization formed in 1986 in Toronto and has more than a 1,000 members Canada wide. Consisting of all three elements of the Canadian Forces, Army, Navy and Air Force; all members must have done at least one United Nations (UN) peacekeeping tour! He recently received a Minister of Veterans Affairs Commendation for his commitment and dedication to veterans. Nelson was very surprised and deeply honoured that he received this Commendation.

From Weymouth, Nova Scotia originally, he joined the Royal Canadian Air Force in 1959 as Radio Operator

and his career spanned twenty five years! He retired in Debert Nova Scotia, and then moved to Greenwood to become the Greenwood Detachment Commander and the Annapolis Valley Area supervisor for the Canadian Corps of Commissionaires and served with them for fifteen years.

In 1988 the CAVUNP Greenwood chapter was founded. Since then, Nelson has held every position, secretary, treasurer and now President for the past four years and it looks like it may be more. It is an organization providing a social atmosphere for UN tour personnel, to share in the benefit of talking and listening. Meetings are held monthly at the Royal Canadian Air Force Association (RCAFA) Wing in Greenwood, and there is a TGIF (thank God it is Friday) on the first Friday of every month. With a maximum of eighty members at its peak, it

now has thirty two. A very small chapter, but it has members all across Canada!

For the first time, the National meeting is going to be held this year in Greenwood, 24-26 September 2010! The first time it has been east of Quebec City. Other events that are attended are the July 1st parade, Steer BBQ, August 9 National UN Peacekeeping (the day nine UN soldiers were killed in plane crash in 1974 in Syria!) and November 11th parade in Kingston.

Nelson and his wife Isabelle have a son Steve, who is a Lieutenant Commander at Canada Command in Ottawa and a daughter Patty, a dietician, who is married and resides in Hawaii. To relax, he plays his version of golf in the summer and bowls in the winter.

Nelson has helped build a tremendous venue of recognition and public awareness and like all Veterans should not be forgotten!

14 Wing Logistics and Engineering Branch Change of Command Parade

Incoming 14 Wing Logistics and Engineering Branch Commanding Officer, Lieutenant-Colonel (LCol) Létourneau, 14 Wing Commander, Colonel Seymour, and outgoing 14 Wing Logistics and Engineering Branch Commanding Officer, LCol Ubbens, sign the Change of Command Scrolls as members of the 14 Wing Logistics and Engineering Branch stand on parade inside 11 Hangar at 14 Wing Greenwood, Nova Scotia.

On the 4th of August, 2010 LCol R.U. Ubbens transferred command of the 14 Wing Logistics and Engineering Branch to LCol J.G.B. Létourneau during the 14 Wing Logistics and Engineering Change of Command Parade and Ceremony.

By: Officer Cadet Patrick Dornan

On Wednesday, August 4, 2010, the 14 Wing Logistics & Engineering Branch (WLE) held a Change of Command parade at 11 Hangar. Outgoing 14 Wing Logistics and Engineering Officer (WLEO) Lieutenant Colonel (LCol) Ron Ubbens thanked the Branch for their dedicated service and professionalism over the past two years.

The official handover of the Unit to the new incoming WLEO, LCol Ghislain Létourneau took place with an official signing of documents between the two LCol's and the Wing Commander, Colonel (Col) Bill Seymour. LCol Létourneau then shook hands and congratulated outgoing Commanding Officer (CO), LCol Ubbens on a job well done over a tough two years which saw the deployment of many WLE personnel as part of the 14 Mission Support Squadron as well as issues with water shortages across the Wing.

Hundreds attended the parade at the Hangar including special guests such as Major General Ian Patrick (retired) and former 14 Wing Commander Colonel Brian Handley (retired) as well as the families of both the incoming and outgoing COs.

This past year had been one of the most demanding years for the Branch as more than 100 WLE personnel from all sections were deployed overseas. Base functions saw very little slow down, even with the reduced numbers of available personnel, a testament, noted Col Seymour, to the superb leadership of LCol Ubbens and the dedication of the personnel of the WLE Branch in Greenwood. Col Seymour then went on to commend LCol Ubbens for his outstanding service, and offered words of welcome to the new WLEO, LCol Létourneau.

Prior to his new posting to the Wing, LCol Létourneau was posted to the Canadian Forces Staff College in Toronto, Ontario. LCol Ubbens has been posted to an overseas assignment.

In a short speech, LCol Létourneau also offered his compliments to LCol Ubbens for his leadership and hard work during his time as the Wings WLEO and added that he looks forward to the continued success of the WLE Branch under his command.

14 Wing Operations Branch Change of Command Parade

On Thursday, 5 August 2010, the 14 Wing Operations (WOps) Branch held a Change of Command parade. The outgoing 14 Wing Operations Officer (WOpsO) Lieutenant-Colonel (LCol) Dave Cummings thanked the Branch for their dedicated service and professionalism over the past two years.

The official handover of the Unit to the new incoming WOpsO, LCol Steve Chouinard, took place with an official signing of documents between the two LCol and the Wing Commander, Colonel (Col) Bill Seymour. LCol Chouinard then shook hands and congratulated the outgoing Commanding Officer (CO),

LCol Cummings, on a job well done over a busy two years that saw 14 Wing play an important role in multiple operations at home and abroad.

LCol Cummings had many praises for all of the staff under his command over the past two years but he was most impressed with how well the Wing's motto "Operate as One" was implemented. The excellent teamwork that was demonstrated by all personnel was certainly noticed and recognized by LCol Cummings. The significance of this motto to LCol Cummings was clearly seen when he was presented with his parting gift of a print with 14 Wing insignia of the

unit and the Wing motto. The only words he had upon receiving the print were "It's perfect!"

Prior to his new posting to the Wing, LCol Chouinard completed Staff College at Paris, France. LCol Cummings has been posted to the Strategic Joint Staff (SJS) in Ottawa, Ontario.

In a short speech, LCol Chouinard also offered his compliments to LCol Cummings for his leadership and hard work during his time as the WOpsO, added that he looks forward to the continued success of the WOps Branch under his command and continuing to promote the Wing motto "Operate as One."

The Wing Operations Change of Command ceremony, held on the 5th of August 2010 in the Annapolis mess, 14 Wing Greenwood signified the changing of Commanding Officer (CO) Lieutenant Colonel (LCol) David Cummings to the newly appointed CO LCol Steve Chouinard. Colonel Bill Seymour was the signing authority for the Change of Command ceremony.

Annapolis Valley Health Teddy Bear Picnic

Submitted by: Wendy Walters, BPR, CIM, Acting Director - Public Relations

Annapolis Valley Health will be hosting a Teddy Bear Picnic on Saturday September 11, from 12:00 p.m. – 4:00 p.m. at Centennial Park in Berwick. Children from the community are invited to bring a Teddy Bear or other stuffed animal to a picnic where our local health care team and partners are on scene to provide a full teddy bear health check up. This event helps children become more comfortable with local emergency service providers (RCMP, EHS, Fire Department, Health Care Team, Canadian Forces) by interacting with them vicariously through teddy bears. Children will watch as their teddy bears have their Vital Signs done, get weighed and measured, have an X-ray, get examined, get a "needle", a cast and a Band-Aid, etc. AVH is taking interest from local media who may want to set up on scene for a live broadcast or to sponsor this important community event.

ZX Cycle N Run Cabot Trail Ride

Submitted by: MCpl Mike Dymond

31 Jul – 2 Aug 2010
Eight members (MWO. Andre Daigle, Mr Dean Peach, Mr Steve Moores, MCpl Mike Dymond, Cpl Yvette Cedeno, Mr Ian Giles, Mrs Annette Dymond, Lt (USN) Greg Becker) of the ZX Cycle N Run Club participated in a three day ride around the beautiful and challenging 300 km Cabot Trail on Cape Breton Island. Day one's leg (the easy day) departed Baddeck and rode over Hunter Mountain and west through the rolling Margaree Valley, then north to Cheticamp for a distance of 90 km. The duty of driving the support vehicle was shared by all, with handovers every 10-15km. The group then set up camp at Roberts Brook campground in Cape Breton Highlands National Park. Day two (the hard day 100km) departed the campsite and immediately went into the "Grades" that doubled as the warm-up for the ominous French Mountain. The beautiful and scenic grunt up the 6km (elev. 455m) climb was "Breath Taking". Kudos Andre, Annette and Yvette! Riders then regrouped at the

top of McKenzie Mountain, and were stopped by a park Warden asking if we had seen any Coyotes. Three coyotes had been spotted earlier that morning, which was unusual, and he informed us you normally only hear them "Crunching on Bones" near the roadside. All sixteen legs and arms were accounted for. The harrowing descent down the multiple switchbacks of McKenzie Mountain had a surprise for Dean, as he hit a bird (claims the bird hit him), causing his stereo speaker to depart his bicycle. Next was a quick lunch at Pleasant Bay and on to the dreaded North Mountain (elev. 433m). This 4km climb, with the first 3km at 11% was brutal. But all riders were eventually successful in ascending. Andre discovered that when he could not maintain forward momentum, and his pedals could not rotate, the bike will fall on its side if your foot is not on the ground first. He had a short rest, unclipped his shoes, climbed back on, and conquered the Mountain. Kudos Andre! The harrowing descent down the other side had mixed reviews as "Little Greg" shredded the hill and rocketed down to the rest

stop at Big Intervale. Mike lost his nerve, climbing the mountain faster than he descended it. The group split as Greg and Steve took the Neils Harbour coastal route while Ian took the remainder over South Mountain, eventually enjoying an 8km 6% downhill. The riders regrouped shortly before the day's destination at the Broad Cove Campground near Ingonish. Day three (the not so easy day 113km) we were pointed south towards Cape Smokey. After a 15 km warm-up through multiple construction zones and beautiful scenery through Ingonish Beach we started up the supposed 15km climb to the summit. Our group weatherman/tour guide Ian had a great surprise for us as it was "Only" an 8km climb. Some of us had a bailout plan, and fortunately didn't have to use it. After a couple of kickers near the bottom, the climb was fairly gradual, and Yvette was seen occasionally adjusting her hair (blamed her helmet). The descent down Smokey again had mixed reviews, but the road eventually wound along the shore and settled to some undulating hills. We

regrouped at the St. Ann's Bay turnoff and headed for the final destination at Baddeck. All arrived with a great sense of accomplishment at the finish at the Bra's D'or

Lake Campground. Andre, Annette and Yvette are new road riders this year. Their riding accomplishments are impressive and this weekend they rode the following

personal bests:
Andre Daigle – 100km Ride
Annette Dymond – 90km Ride
Yvette Cedeno – 100km Ride

More Firsts in Flight

Submitted by: Heather Gardner

For the past 3 months I've been living with nesting Sharp Shinned Hawks (SSH) in my yard. They would wake me at dawn with their shrill cry that seemed to go on all day. Tonight, July 23rd 2010, there was a payoff. While out for a bike ride we got to see about 20 juvenile SSH out for what appeared to be their first flight! Quite a fantastic sight here in Ravenwood Subdivision. The Valley has so much to offer, even just outside your front door!

Three Weeks of Fun, Sports Camp Style!

Submitted By: Carly Gillis

Week 4 at the 14 Wing sports camp was all about Canada's favourite sports, hockey and lacrosse! The week was filled with hockey and lacrosse drills, scrimmages, and tournaments. Big thanks goes out to the Nova Scotia Lacrosse Society who put on a lacrosse camp for the kids, to the Halifax Discovery Centre who allowed us to visit, and to our bus drivers who made this trip possible.

After the long weekend, it was Week 5 at camp and the greatly anticipated "Adventure Week" had

arrived. During this week we went on a rewarding scavenger hunt, and also had the chance to perform Yoga, and even Aikido.

Thursday night was also "Sleepover Night" and the kids had tonnes of fun playing flashlight tag, watching movies, and enjoyed a healthy supper thanks to the donations from the Greenwood Subway. Thanks again to Aprill Denney who gave us a lesson in yoga, Steve Nickerson who taught us the skills of Aikido, and the Greenwood MacDonald's who provided us with prizes in our scavenger hunt. This

past week was Week 6 which was filled with net and racquet games. The kids got to enjoy fun games like volleyball, badminton, ping pong, tennis, and even squash thanks to the F&S Centre who allowed us to use their squash courts. Other thanks go out to our bus drivers who took us to Pirates Cove on Friday and to the staff of Pirates Cove who allowed us to visit. Also, we would like to thank the lifeguards of the Greenwood outdoor pool who allow us to swim safely everyday. See you next week for the "Extreme Survivor Challenge!"

Remi Zinck and Tyler Badcock try their new Aikido skills as instructed by Steve Nickerson during Adventure Week.

14 Wing Band Performs in Bridgetown

By: Captain Scott Spurr

Residents of the town of Bridgetown were treated to a concert by 14 Wing Greenwood's Band on Wednesday, August 11, 2010 at the town's Jubilee Park. The hour long concert started at 7:00 p.m. and featured several musical arrangements that included contemporary and modern numbers.

The band was directed by acting band director Maggie Helmes from Kentville. It was also the last concert that outgoing band director Master Warrant Officer Lisa Paquette had the opportunity to play and conduct with the 14 Wing. MWO Paquette is currently

posted to Halifax where she will have the opportunity to play with the Stadacona Band of Maritime Atlantic Forces.

The event was a way for the Wing to interact with the residents of the town and is part of a planned series of mini concerts that will be performed at other locations in the future around the Annapolis Valley.

It is past the middle of August and it seems like ages since I wrote a 19th Hole article. I will try to give a condensed article of what has happened over the past couple of weeks.

Just to catch up on the Tuesday night men's league: On the 27th of July there were 50 golfers out. The first Division winners were: Scott Cooper, Steve Lake, Charlie Costin and Pat Rice. Skins were won by Cooper, Lake, Theriault and Costin. The 2nd Division winners were: I MacKenzie, G. Watters, K. Caldwell and P. Goulding and the skins were won by Greenwood, B. McDonald, Rideout and Goulding. The 3rd Division winners were M Levesque, D. Adams, T. Litsas and B. Thurber and the skins were won by Levesque, Litsas, E. Marshall and Thurber. The 50/50 was won by Charlie Costin.

Men's Night Aug 3rd there were 32 golfers out. 1st Division winners were: 1st LG Doug Carpenter, 2nd LG Ken Theriault, 1st LN Randy Anderson and 2nd LN Charlie Costin. Skins were won by Theriault #9, Carpenter #11 & #15 and Cooper #14 & #16. 2nd Division: 1st LG Wayne Pellerine, 2nd LG Bill McDonald, 1st LN Mike Marshall, 2nd LN Doug Smith. Skins were won by: MacKenzie #2, Cathcart

#9, Pellerine #12 & #15 and Greenwood #13. 3rd Division winners were: 1st LG M. Levesque, 2nd LG Bob Baker, 1st LN B. Thurber, 2nd LN Brad Fayant. Skins: Eric Marshall #12. The 50/50 winner that night was Wayne Pellerine. The format for the 17th of August will be a 3 - Man Scramble, sing up at 2:30 for a 3:00 p.m. start. Meal included.

The Ladies news: August 4th several ladies from our club were at Paragon for the Texas Scramble: Sandra Cathcart came home with the closest to the Sub Box prize and Wendy and Connie Armstrong won 2nd L.G. in the 3rd Division... what a day that was... it rained so hard but the organizers didn't want to give in to Mother Nature, so after an hour delay we finally got to play... a bit wet for the first couple of holes but we were all dry by the time the round ended. Hats off to the organizers... it really was a fun day. On August 11th there were 13 ladies out for Ladies Night and they played Bingo Bango Bongo and the winners were Faye Penny, Poullette Swindells, Deborah Melanson, Cyndi Landry and Hazel McEwan. The 50/50 was won by Sandra Cathcart. The team from our club that will be going to the Bronze competition at Oakfield will be Audrey Costin, Wendy

The 19th Hole

Richardson, Sandy Adams, Betty Lane and Carolyn Litsas ...good luck ladies.

Steve Greenwood did an excellent job of organizing the 2nd Annual Leafs vs Habs grudge match-play challenge. After last year's very close loss to those Leafs, the Habs team expected a better result this year. The Challenge was tied at 10-10 with the last 2 matches coming up the 18th. Unfortunately (*that depends on who you are cheering for*) ...the Leafs took both matches and finished with a 12-10 victory. It was a tough defeat for the Habs for the second year, but they can always say that the Leafs had an extra month to practice after the hockey season. For several of the players it was their first experience of match-play and they all enjoyed the experience. It was nice to see more ladies participate this year. Results for the Leafs were: Cooper over Dan Smith, Gorman over Stoddard, Jenkins over Keilback, Donna Hill over B. Saltzman, Sheila Johnson over Sandra Cathcart., Youden over Bill McDonald, Rideout over Ian MacKenzie,

Paul over Swindells, McDowell over Swan, Nauss over Pritchett, Lake over Doucette: Results for the Habs were: McCorry over Jones, McNeil over Moulaison, Paulette Swindells over Audrey Costin, Snow over B. Pellerine, W. Pellerine over Bruce, Watters over Ubbens, N. Peckham over Laquant, W. Peckham over Brunt, Greenwood crushed Caldwell. Ties were Crane and Cathcart, Debbie M. and Deena McNeil. The Blue Machine rules yet again!

The Ladies 2-Ball competition was rained out and a new date will be announced soon.

Doug Carpenter had a good show at the N.S. Provincial Seniors in KenWo. He placed 2nd in the

Second Division. He is still smiling about the Eagle he had on #1.

Randy Anderson and Bill McDonald were in Eden on the Aug 7th weekend and they came home with 3rd Net in the 1st Div. (I think that is correct) ...also Congratulations to Randy and Jackie on their recent marriage.

Scottie Cooper had some friends visiting on Aug 10,11 and both Joe MacKinnon and Rick Powell managed to take some coins from Scottie's pocket. Rick said it was around \$9.00 over 2 days... well worth the trip from Edmonton.

Congratulations to Mike Newman who scored a Hole in One on July 17th. He aced the 8th hole with a 7 iron (playing partners Steve Newman, Mike Newman and Keith Abriel)

The Club Championship is scheduled for Aug 21/22 ...sign

up sheets are in the Ladies Locker Room and for the Men... it is on the Bulletin Board in the Hallway.

Don't forget the Fall Ball Mixed tournament is just around the corner ...Sept 11/12 ...give Sandy a call. 765-3705.

Now, for those of you who don't know, Mike McCorry our club manager has taken a position with Annapolis Royal Golf Club. The Club had a Farewell Luncheon for Mike and Jamie on Monday, July 26th... (I have heard quite a few people say they didn't know about it... sorry, the notice was on the door) ...it was nice and thanks to Karen for making the cake. We will miss him, he had some great ideas and was working hard to bring the club together. Good luck in your new position.

Until Next issue... *Hit 'em Long and Straight.*

2010 Terry Fox Run! Volunteers Needed

By Eric MacKenzie Community Recreation Coordinator

The 30th Annual Terry Fox Run (Site # 1060) is set to once again happen on Sunday September 19th 2010, as part of our annual Wing Welcome weekend. Registration will take place at the 14 Wing Community Centre at 12:00 p.m. where a warm up will be offered at 12:45 p.m. prior to the official start at 1:00 p.m.

Individuals can either participate by walking, running or biking the 10KM route planned. However, please note that helmets are mandatory and you will not be permitted to bike the route if you do not have a helmet. If you do not have a helmet you can still walk or run the route if you wish. Also, please be aware that participants under the age of 8 must be accompanied by an adult. Finally, it is important to note that both the 5km and 10km routes

will be the same as last year; the run will start at the Community Centre and then proceed down Kingswood Rd, through the flower streets, through the PMQ gate, around the Wing and then back to the Community Centre through the main gate.

Speaking of the run, the Terry Fox 100KM CHALLENGE has once again been set. Are you ready for it? This challenge is for anyone who would like to run, walk or bike 10KM a day, for ten straight days, starting on Friday September 10th. The goal is to complete your final 10KM during the 30th Annual Terry Fox Run event on Sunday September 19th. If you are interested in signing up or learning more about this challenge, please contact Eric MacKenzie at the 14 Wing Community Centre at 765 – 1494 ext. 5337.

This is the third year that the Village of Kingston has

partnered with 14 Wing and with this great partnership, we expect this event to be even larger and more successful than ever. It is also our goal that this partnership will increase the amount of donations that we are able to collect in support of the Terry Fox Foundation!

However, as a result of this event growing, the demand and need for volunteers has also grown. This event is just over a month away but we would like to remind everyone that the success of this annual community fundraiser requires a great deal of community assistance and support. If you are interested in volunteering, please contact Eric MacKenzie at 765-1494 ext. 5337.

Lastly, please keep an eye out for pledge sheets and Terry Fox Run posters in the community.

14 Wing Greenwood Skateboard Union Club!

The 14 Wing Community Centre held our second Greenwood Skateboard Union Club meeting on Tuesday July 20th. Our Club is now officially formed, and we have started to make decisions on how to spend the grant we received on the park, and pick a day to raise funds through a community bottle drive.

This Club is opened to anyone between the ages of 9-18 but anyone under 9 can

join the club, provided a parent or guardian (18 or older) is present when they visit the skate park. This includes our BMX users and skateboard users. Our membership is only \$15 a year, \$12 for each additional child, and all of your registration dues go towards fundraising purposes to provide upgrades to the park. Membership forms are available at Limitless Skate and Snow, in the Greenwood Mall,

and at the 14 Wing Community Centre. Please note that your completed form must be submitted at the Community Centre where you will be given a receipt for your payment.

We hope to continue to meet monthly, and discuss what upgrades the park needs and how to fundraise the necessary funds. This Club, in partnership with Limitless Skate and Snow, allows users of the park to provide feedback on where our

grant funding should be spent, and collectively set a plan in place for what direction we would like to see our park go.

Other benefits will include discounts on entry fees to our event, such as the upcoming Wing Welcome competition set for Saturday September 18th 2010. Plus, we are already trying to organize skateboarding lessons for those who would like to learn how to skate. In addition, by

forming this Club, we will improve our chances to be approved for additional grants and also improve the success of our fundraising initiatives, since we will have a group of committed members who are dedicated to helping improve our park.

If you are interested in joining the Club, please contact Eric MacKenzie at 765-1494 ext 5337 or attend our next meeting set for Wednesday August 18th from 2:30 - 3:30 p.m. inside the 14 Wing Community Centre Conference Room. During this meeting we'll discuss plans of holding a bottle drive at the end of August / early September, and this will be an opportunity to voice your opinions and recommend the changes that you would like to see. Please note that the Community Centre Conference Room is located on the second floor of the Centre.

Welcome to Greenwood!

Submitted by: Michelle Thibodeau Wagner, Coordinator of Special Events and Promotions, Greenwood Military Family Resource Centre 765-1491 local 1421 michelle.thibodeau-wagner@forces.gc.ca

The Greenwood Military Family Resource Centre (GMFRC) would like to extend a heartfelt welcome to everyone posted to Greenwood this posting season. Greenwood is a wonderful place to be, the people are friendly, the community is supportive, and the landscape is fabulous.

What is there to do in Greenwood? This posting will give you the chance to enjoy some of the wonderful things the Annapolis Valley and Nova Scotia have to offer. Take a hike to Crystal Falls; watch the sun set in Margaretville; check out a local u-pick for the freshest fruit and veggies available; or attend a local festival, play or concert. July and August are great times to find a local beach or lake. September is a great time to go whale watching and apple picking. October brings the chance to go to a farm and pick your own pumpkins for Halloween!

Looking to get involved? In the Greenwood/Kingston area there are many things to do or get involved with, depending on your interests. Volunteering is a great way to meet new people and learn about your new area or to add new skills to your resume. The GMFRC has many volunteering opportunities from tutoring to childcare, packaging parcels to promotion and everything in between! For all those looking to get involved in their new community there are many organizations that are looking for volunteers, coaches, or members and would love your help.

Looking for casual childcare? Forecasted for September, the GMFRC will be offering full day casual child care to military families at a minimal cost. It's nice knowing your children are looked after in a state of the art, safe, licensed, and stimulating environment. Casual childcare is a great service to take advantage of for an afternoon just for you. The GMFRC Open House that was scheduled for August 27th has been cancelled this year to allow the staff to focus on the new child care project. Even though there will not be a formal Open House this year, the GMFRC "house" is always open for you, please feel free to drop in anytime.

Got questions about your new community? In September, the GMFRC offers a wonderful program to initiate you into your new community. Greenwood 101 is a guided bus tour of our local area. Bilingual tour guides will fill you in on the area and answer any questions you may have. The tour is followed by a family BBQ to allow you to meet GMFRC staff, as well as, other families new to the area. Greenwood 101 takes place on September 16th, contact the GMFRC for further details and to book your spot on the bus. Childcare, during the bus trip, is offered free to all who attend.

Looking for information? The GMFRC has information that you may need to get settled in a new community. Information such as daycare and babysitter lists; doctor and dentist lists are available to you if you should need them. The doors of the GMFRC are always open for questions and information; please feel free to drop by. Access to a fax machine, internet, and photocopier services are also available should you require it.

The GMFRC offers many programs, events, and service for adults, volunteers and children; a little something for everyone. An on site social worker is on staff to help with questions or concerns and to help find resources that you may need. An employment councillor is on hand to assist with updating

resumes and sprucing up skills. The deployment coordinator is available to help military family's successfully complete periods of deployment. Check out the GMFRC newsletter at www.familyforce.ca or drop in to pick up a hard copy at the front desk, it's full of information on all the programs and services the GMFRC has to offer.

The GMFRC has a professional, knowledgeable, and friendly staff. Please drop by to say hi and to get a tour of the facility. The GMFRC is open Monday to Friday from 8:00 a.m. – 4:00 p.m. with winter evening hours from 4:00 – 9:00 p.m. starting in September. Staff at the GMFRC very much looks forward to meeting you and your family! A warm welcome to Greenwood!

HOROSCOPES

August 15 - August 21

ARIES - Mar 21/Apr 20

Take some time for introspection, Aries. You need to slow down and focus on recharging your inner batteries. Otherwise you run the risk of overdoing it.

TAURUS - Apr 21/May 21

Slow down and take in the scenery, Taurus. You've been missing out on quite a bit by hustling all the time. You meet up with a friend on Tuesday.

GEMINI - May 22/Jun 21

Gemini, a tricky situation arises and you have to weigh all your options before making a decision. Put all of your thoughts on paper to make things more coherent.

CANCER - Jun 22/Jul 22

Cancer, when others turn to you for advice you really don't know what to say. While you enjoy being friendly and outgoing, you don't want to hinder relationships with the wrong advice.

LEO - Jul 23/Aug 23

Speak your mind, Leo. Others are just waiting to hear what you have to say. When it comes between choosing a friend or a family member, go with family.

VIRGO - Aug 24/Sept 22

Virgo, control will be difficult to garner this week, so avoid starting any important projects. Better to leave them for when you are in the driver's seat.

LIBRA - Sept 23/Oct 23

Libra, someone is going to come to your rescue. You just don't know who this person will be just yet. Keep an eye out for your guardian angel.

SCORPIO - Oct 24/Nov 22

It seems like you don't have much luck lately, Scorpio. It could take a while for things to turn around for the better. Hang on and be patient for a little while longer.

SAGITTARIUS - Nov 23/Dec 21

There's not much room for error with a current situation, Sagittarius. Therefore, make sure you dot all of your "i"s and cross all of your "t"s this week.

CAPRICORN - Dec 22/Jan 20

Capricorn, someone questions your authority this week and you don't have the strength to get into an argument about it. Instead, pay no attention and go about your business.

AQUARIUS - Jan 21/Feb 18

You feel backed against a wall, Aquarius, and rightly so. Instead of worrying about every little thing, check out the bigger picture. You could be surprised by the results.

PISCES - Feb 19/Mar 20

The GMFRC Went to Camp Aldershot

Submitted by: **Michelle Thibodeau Wagner**, Coordinator of Special Events and Promotions, GMFRC 765-1491 local 1421 michelle.thibodeau-wagner@forces.gc.ca

The Greenwood Military Family Resource Centre was fortunate to have participated in Camp Aldershot's Open House on August 7th. Camouflaged kids (and some adults) had fun blasting their way their way through the

kiddie commando course, a heavy equipment display and getting the most gruesome fake wounds ever. "Juno," the army mascot, even took a minute to visit our booth to meet volunteers and staff. Deployed troops were very much on the minds of all who stopped by our booth and signed the GMFRC banner for the troops. The GMFRC supports the military families from Camp Aldershot, and the Reserve Units of Bridgewater and Yarmouth.

Lots of British Cars at Windsor Antique Car Show

By: R.E.H.

For car buffs who attended the first ever held antique British built cars in Windsor, NS, last month, Saturday July 24th, 2010.

The Kings Edge-Hill

Campus where the car show was held will never be the same as hundreds of people drooled over the 144 British built vehicles on display.

There were Jags, Rolls Royces from all parts of

Canada and a host of other cars such as Morris Minors, MGS, Triumphs and even a Lotus (Europa) purchased on EBay in Texas; by a friend of our boy John; by the name of Trevor Bain who attended

school here in the eighties and nineties in Greenwood and now resides in Porters Lake.

In attendance as well was graphic artist Paul Shinard who draws racing cars as a hobby; by request he drew several cars on display. Paul's a great story teller who has rubbed shoulders with many professional race car drivers. His exceptional drawings of drivers with their cars were done without missing a stroke while telling interesting tales of past experiences of life on the fast track.

The organizers of this first ever held event did a 1st class job and hope to continue these shows of several hundred viewers and 144 Antique British built cars on display why not?

Some of the owners carried photo albums of their restored work from start to finish and if you asked a question regarding their work they were only to happy to explain or show you part of their restoration exploits in picture form.

If this event is held again next year it is well worth the price of admission to attend. One word of advice though, bring a lawn chair to cool off in the shade.

What's Up in Day Camp

Day Campers thinking hard about what they want to be when they grow up!

WOW the past three weeks of Day Camp have just been a blast! Looking back at week four, we were mad scientists doing all kinds of crazy experiments! Monday, we started off by constructing the tallest free standing structure, using limited supplies. Tuesday, we made a cradle for an egg out of straws, tape and newspaper, and then dropped it off the top of the stairs outside. Our campers sure know how to make some strong cradles because during the first drop, none of the eggs broke! Wednesday, we made some homemade volcanoes! Thursday the campers took a trip to Halifax to see the new Toy Story 3 movie in 3D. To finish off the week, the day campers made some of their own silly putty that they were able to take home!

Before we knew it, it was week five and we were diving into some wild adventures! Monday we had no camp... bummer... but we sure made up for it Tuesday with our trip over to the

Birchall Centre to watch Madagascar 3! On Wednesday we made scavenger hunt posters and painted rocks with all kinds of wild designs! Thursday was another big day because we explored outer space with our scavenger hunt using our completed our posters we had made the day before. In the afternoon we tie dyed T-shirts which turned out groovy! Friday, our campers were a little upset that the rain washed out our trail at the Duck Pond, meaning we couldn't go on our hike. To make up for it French Camp and Day Camp got together that afternoon for a trip to the park and made some homemade sundaes that were delicious!

Week six was jam packed with guest visitors! On Monday, the Search and Rescue (SAR) Techs came over to the Apple Bowl and we all got to watch them to do a parachute drop. After snack we had the 14 Wing Fire Fighters come over with Sparky the Dog and gave us some great tips on what to do if a fire ever happens! Wednesday, we explored the Discovery Centre to find out some cool things scientists might do! Thursday we had two more guests come in, our first being Wesley Norris who showed us some sick tricks on his skateboard while giving the kids some safety tips about extreme sports such as this! Our second guest was Aprill Denney who came in to give our campers a pretty sweet yoga lesson! Friday we had Clp Ferris come over from the Military Police to talk to us about her job and what she does on a day to day basis! After snack we had Stacey Hanninen come in and talk about her job as a dietician. She had tons of cool facts and key hints on ho to stay healthy for the campers!

Day Camp would like to send out a huge thanks to all of our volunteers and bus drivers for these past few weeks. Without you guys it just wouldn't have been the same! Thanks again!

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

North Mountain Gun Club Annual Muzzel Loader Shoot

On July 4th, the North Mountain Gun Club held its annual shoot for muzzle loading rifles. The day was warm and sunny with a light breeze; perfect for an outdoor event. A large crowd of shooters and observers showed up early, with shooters from the North Mountain Gun Club, Mack Meadow Fur Outpost, and Blue Mountain Long Rifles. At noon everyone set down to a fine meal of moose chilli and all the fixings, served up by Chris Tanner and Horst Leogler. At 1:00 p.m. the competition began under direction of range safety officer Cliff Neiley and score keeper Ward Thompson. The shooters took turns shooting off-hand at a selection of silhouettes, gongs, water jugs, and paper targets at ranges of 25 to 100 yards. These were devised by and constructed by Ward Thompson. The event took about two hours and featured very competitive shooting and close scores. So much so that there was three-way tie for first place in the women's division, and a tie-breaker was needed to settle it. After the smoke had settled the happy winners of gift certificates were: in the women's division; Judy Drew (1st); Wanda Height (2nd); and Beverly Gossen took third. All of were from Mack Meadow Fur Outpost. In the men's division first place went to Fred Jones of Blue Mountain Long Rifles, with a score of 17 out of a possible 19. Second place went to

The Men: Erwin Meisner (2nd); Fred Jones (1st); Keith Burges (3rd).

Erwin Meisner, also of Blue Mountain Long Rifles. Rounding out third was Keith Burges of Mack Meadow Fur Outpost. At

The Women: Judy Drew (1st); Wanda Height (2nd); Beverly Gossen (3rd).

the end of the day everyone -- shooters and observers alike -- left in a fine mood, looking forward to next year's event.

KGSC Soccer Tournament

Submitted by: Craig Sawler
On July 16th-18th, the Kingston/Greenwood Soccer Club hosted the annual Amanda Forster Memorial Soccer Tournament. Amanda was a treasured member of the Club, who tragically passed away in 2006 at the age of 14 years. Each year, teams from across Nova Scotia join the Kingston/

Greenwood Soccer Club to honour Amanda's memory by participating in a soccer filled weekend. This year, 46 teams braved the heat to compete in 85 matches in age divisions ranging from 6 to 16 years. Opening Ceremonies were held at the Apple Bowl on Friday evening, followed by the opening match in the U14 female age division. A special thank-you to our

sponsors for making the weekend possible (Valley Credit Union, Avery's Farm Markets, McDonald's, Dairy Queen, Subway & 14 Wing Greenwood). Congratulations to all the players and families for another successful tournament celebrating "the beautiful game".

Pictured from left to right are Courtney Foster (captain of Somerset), Alexander Forster (brother of Amanda Forster), Leo Glavine (MLA for Kings West) and Alexandra Walbourne (captain of Kingston/Greenwood). Somerset won the opening game 2-1 in a close fought match.
