By: Captain Scott Spurr

The Wing Commander, Colonel Bill Seymour and Member of Parliament (MP) for West Nova, Greg Kerr were on hand on Friday, September 10, 2010 for a sod turning event at the Wing. The brief ceremony was to mark the start of construction for the new Health Service Centre for military members of the Base. As Colonel Seymour stated, "This is another example of the Government of Canada taking care of its military personnel."

The new facility has been in development for a while and is part of the 90 million dollar infrastructure announcement that the Honourable Peter MacKay, Minister of National Defence, made at the Wing last fall.

The building will replace the current one which dates back to 1942 and

will be a two story, 4,473 square meter centre that will encompass all the requirements for medical, dental, mental health and physiotherapy for the Wing. It will be the first time that the Base will have all these services under one roof which will increase the quality of health services to the military personnel of the Wing.

As MP Kerr stated at the ceremony, "Today's event illustrates the Government is committed to following through on its *Canada First* Defence Strategy commitments to revitalize Canadian Forces facilities. This new health services centre will ensure Canadian Forces personnel continue to receive the first-class medical care they need to stay healthy and perform

The overall projected cost for the project is 25.4 million dollars with 13.4 million dollars awarded to Pomerleau Incorporated (who are based in Dartmouth, Nova Scotia) for the actual construction of the facility.

The venture will create over 100 jobs and is expected to be completed sometime in early 2012.

CANSOFCOM

Each year, CANSOFCOM conducts a recruiting drive across Canada, in order to educate and potentially recruit CF members into special types of employment. While members often perceive that CANSOFCOM only want to recruit members from the Army element, the Air Force is no exception, and each year members of 14 Wing Greenwood express interest and apply for special employment.

CANSOFCOM provides the Chief of Defence Staff

and Special Operations commands with a high-readiness force that is agile and able to conduct special operations both domestically and internationally. This is an excellent opportunity for CF members to learn more about employment within the three main Special Operations Forces:

- 1) The Joint Task Force Two (JTF 2) - The roles

- of Assaulter, Support/ Specialist, and Special Operations Coxswain
- 2) The Canadian Special Operations Regiment (CSOR) - The roles of Operator and Supporter
- 3) The Canadian Joint Incident Response Unit (CJIRU) - The roles of Operator or Supporter

A CANSOFCOM briefing will be held on the

05 October 2010 at 1330 hrs at the Birchall training Centre Theatre. This briefing will be available to Regular Force and Primary Reserve members of any gender, rank, or MOSID, and to their chains of command.

No registration is required for this briefing; however members must provide a valid CF ID card. Please be seated NLT 1330 hrs.

For more information, please contact the Wing Personnel Selection Office at extension 5979.

14 Wing Greenwood Skateboard Union Club Bottle Drive!

The next Greenwood Skateboard Union Club meeting is set for Wednesday September 22nd from 4:00 - 5:00 p.m. inside the 14 Wing Community Centre Conference Room. During this meeting, you'll have an opportunity to voice your opinions and recommend the changes that you would like to see in the future. Please note that the Community Centre Conference Room is located on the second floor of the Centre.

The 14 Wing Community Centre has held three Greenwood Skateboard Union Club meetings, and our Club is now officially formed. At our last meeting, we decided how to spend the \$1,000.00 grant we relieved for upgrades to our park. Plus, we decided to raise funds by organizing a bottle drive on Sunday October 3rd from 1:30 – 4:00 p.m. This bottle drive will take place around the PMQ's and community.

Another example of the changes at the park that are a result of recommendations from the Club, is the edition of the bottle container, in which all funds collected from bottles go towards the skate park. It is important to note that we want to keep the park clean but it is only your responsibility when using the park to ensure that you place your bottles and garbage in the appropriate containers.

This Club is opened to anyone between the ages of 9-18 but anyone under 9 can join the club, provided a parent or

guardian (18 or older) is present when they visit the skate park. This includes our BMX users and skateboard users. Our membership is only \$15.00 a year, \$12.00 for each additional child, and all of your registration dues go towards fundraising purposes to provide upgrades to the park. Membership forms are available at Limitless Skate and Snow, in the Greenwood Mall, and at the 14 Wing Community Centre. Please note that your completed form must be submitted at the Community Centre where you will be given a receipt for your payment.

Other benefits include discounts on entry fees to our event, such as the recent Wing Welcome competition that took place Saturday September 18th 2010. In addition, by forming this Club, we will improve our chances to be approved for additional grants and also improve the success of our fundraising initiatives, since we will have a group of committed members who are dedicated to helping improve our park.

We hope to continue to meet monthly, and discuss what upgrades the park needs and how to fundraise the necessary funds. This Club, in partnership with Limitless Skate and Snow, allows users of the park to provide feedback and collectively set a plan in place for what direction we would like to see our park go. If you are interested in joining the Club, please contact Eric MacKenzie at 765 – 1494 ext 5337.

Stark's HeadQuarters

Our Deepest Gratitude

Following the terrible fire that destroyed our home and salon in the early morning hours of September 2, the outpouring of warm wishes and offers of help have touched us profoundly. We would like to thank our wonderful clients and the whole community for your kindness during these difficult days. We are grateful to the fire departments and emergency service personnel, who responded so quickly, and acted so bravely, and we are especially thankful that nobody was injured. We owe our lives to the courageous couple who happened to be driving by, and went far above the call of duty in making sure everyone was alerted to the fire and safely out of the building.

Now, as we begin to plan our rebuild, we look forward to serving you better than ever, in the brand new Stark's Head Quarters.

Back to School *en français*

By Ludmilla Tremblay

It's back to school time and learning is in the air! The 14 Wing Language School is gearing up for a busy year of courses and is looking forward to welcoming as many students as possible. As military members you have the opportunity to continually enrich your personal lives as well as your careers by enrolling in a French or English course, at no extra cost to your pocketbooks, so why not give it a try?

There are many reasons why taking French or English courses could benefit your life. As expressed by Sergeant (Sgt) Strickland, a brave member of our year-long French course, "Speaking Canada's second language is

very important. Our country is bilingual and in the military we should be able to communicate with everyone in it. Everyone should be given the opportunity to succeed at this." Ideally, everyone would be able to communicate with each other freely. The National Defence's Transformation Model aims at ensuring that we are operate bilingually at a functional level. This means that services/support, administration, health and safety, management and training should be attainable in anyone's First Official Language. This is the first important level that we should be aiming to comply with, and the first step is getting people into a classroom.

All courses are managed

by the Wing Coordinator of Official Languages (WCOL) unit, housed on the second floor of the Birchall building in the Greenwood Language School. This unit has two major mandates: to organize and execute language courses and to uphold and implement Official Language policies on the Wing. Other tasks include managing all Wing-related translations and booking Public Service Commission testing.

Presently there is a

motivated group of students posted to the WCOL unit for a year-long French course. When questioned as to why he would choose to dedicate an entire year in his pursuit of bilingualism Master Corporal (MCpl) Heighington answered, "It offers the opportunity to think differently. It's a change of pace and it opens doors career wise. I can also communicate with my children who are in French immersion." Anyone who wishes to be posted on a

year-long course must contact their career manager.

As for anyone who would like to dip their toe into French before diving in, you can take a beginner or intermediate course with the Military Second Language Training Program. There is an autumn class schedule for full-time courses available on the WCOL website and on Wing-Wide emails. If the times and dates do not suit your schedule, the language school is very flexible. In fact,

in order to accommodate as many members as possible, we can start a course almost any time and of various formats: part-time, a few days a week or full-time. If you don't know which level you are at, just call the WCOL's office to set up a placement test. For those who already have valid linguistic profiles, you can take a course to maintain that profile or improve just one component of it. Again, we are very flexible in the scheduling, so just contact the WCOL to discuss options.

As the poster says in my office, "Learning a new language expands your horizons." The WCOL is here to help you in the quest towards bilingualism.

La rentrée *in English*

Article de Ludmilla Tremblay

C'est la rentrée et on peut sentir que les gens se remettent en mode « apprentissage ». L'École des langues de la 14^e Escadre Greenwood se prépare pour une année chargée et espère accueillir le plus grand nombre possible d'étudiants. En tant que militaires, vous avez l'opportunité de continuer à enrichir votre vie personnelle et votre carrière en vous inscrivant à un cours d'anglais ou de français, sans qu'il en coûte plus à votre portefeuille, alors c'est le moment ou jamais!

Les cours de français ou d'anglais pourraient vous être bénéfiques pour plusieurs raisons. Comme l'a exprimé le Sergent (Sgt) Strickland, un membre courageux qui suit notre cours de français

d'une durée d'un an, « il est très important de parler la langue seconde. Notre pays est bilingue et les militaires devraient être en mesure de communiquer avec tous ceux qui en font partie; tout le monde devrait avoir l'occasion d'apprendre leur langue seconde ». Idéalement, tous les gens devraient pouvoir communiquer librement entre eux. Le Modèle de transformation du Programme des langues officielles de la Défense nationale vise un bilinguisme fonctionnel. Cela signifie que les services, le soutien, l'administration, la santé et la sécurité, la gestion et la formation devraient être accessibles dans la langue officielle de chacun. Il s'agit du premier niveau important que nous devons atteindre pour nous conformer au modèle, et la première étape

Students participate in the french language training at the 14 Wing Language School. From left, MCpl Griffin, Sgt Strickland, WO Snider, CWO Whitman, Sgt Ripley and MCpl Heighington. (Image: Sgt Pete Nicholson, 14 Wing Photojournalist)

consiste à amener les gens en classe.

Tous les cours sont administrés par l'unité du coordonnateur des langues officielles de l'Escadre (CLO Ere), située au deuxième étage de l'immeuble Birchall à l'École des langues de Greenwood. Les deux principaux mandats de cette unité consistent à organiser et à administrer les cours de langue, et à appliquer les politiques en matière de langues officielles à l'Escadre et à veiller à ce qu'elles soient respectées. L'unité est par ailleurs chargée de gérer la traduction des documents de l'Escadre et d'inscrire les

participants aux examens de la Commission de la fonction publique.

Il y a actuellement un groupe d'étudiants motivés inscrits à un cours de français d'une durée d'un an à l'unité du COL Ere. Lorsqu'on a demandé au Caporal-chef (CPLC) Heighington pourquoi il consacrerait une année entière pour devenir bilingue, il a répondu que « cela lui donnait l'occasion de penser différemment. C'est un changement de rythme, et sur le plan de la carrière, cela ouvre des portes. Je peux aussi communiquer avec mes enfants qui sont en immersion française ». Toute

personne souhaitant s'inscrire au cours d'une durée d'un an doit communiquer avec son gestionnaire des carrières.

Quant à ceux qui aimeraient d'abord sonder le terrain avant de faire le grand saut, vous pouvez suivre un cours d'initiation ou un cours intermédiaire grâce au Programme militaire d'enseignement de la langue seconde. Vous pouvez consulter l'horaire des cours à temps plein pour l'automne sur le site Web du COL Ere et dans les courriels diffusés à toute l'Escadre. Si les heures et les dates ne sont pas adaptées à votre emploi du temps, sachez que l'École

des langues est très flexible. Cela dit, pour s'adapter aux besoins du plus grand nombre possible de membres, l'École permet aux étudiants de débiter les cours à presque n'importe quel moment et offre divers formats de cours : les cours peuvent être suivis à temps partiel, quelques jours par semaines ou à temps plein. Si vous ne connaissez pas votre niveau de compétence linguistique, communiquez simplement avec le bureau du COL Ere afin de fixer une date pour un examen de placement. Ceux qui possèdent déjà un profil linguistique valide peuvent suivre un cours pour maintenir leur profil ou pour améliorer une de ses composantes. Nous vous rappelons que l'horaire de nos cours est très flexible; communiquez simplement avec le COL Ere pour discuter des options qui s'offrent à vous.

Comme il est écrit sur l'affiche dans mon bureau, apprendre une nouvelle langue permet d'élargir vos horizons. Le bureau du COL Ere est là pour vous aider dans votre quête de bilinguisme.

Le coin des Padre's Corner

By: Padre Claude Pigeon, 14 Wing Chap, Queen-of-Heaven Chapel.

Battle of Britain Sunday commemorates the great victory won by the Royal Air Force which saved Britain from invasion in 1940 and became a dramatic turning point in the history of World War II. The enemy's objective was to eliminate the Royal Air Force both in the air and on the ground, and to obtain air superiority in preparation for a seaborne and airborne invasion. Many Canadians served in the squadrons of Spitfires and Hurricanes which repulsed the Luftwaffe. In this summer of 1940, the Royal Canadian Air Force received its "baptism of fire."

At the beginning of the struggle, the Luftwaffe had 2,790

aircraft to launch against England. Britain had fewer than 60 fighter squadrons, – some 650 aircraft – and the ground staff had to work sometimes 16 hours a day to keep the machines in the air. Between 24 August and 6 September alone, Fighter Command lost 103 pilots and 128 seriously wounded (including Canadians), while 366 fighters had been put out of action, including Canadians pilots. There were 1495 pilots and crew killed during the Battle of Britain, of which 49 were Canadian. Of 103 Canadian fighter pilots in battle, 23 were killed in action.

In commemorating the airmen who fought in the Battle of Britain, we pay tribute also to those who in later years of the war served in all the Allied Forces at sea, land, and air. Today

we record our continuing sense of gratitude for what was achieved in the darkest moments of war, and we rededicate ourselves to strive untiringly for peace, justice, and freedom in the world.

This commemoration is not about the past. The Irish political philosopher Edmund Burke (1729-1797) said "All that is necessary for the triumph of evil is that good men do nothing." Let us be proud because we received an inheritance of strength and courage in the adversity. This legacy must stay alive. Today, as our predecessors fought to preserve our rights, liberty and values, do not allow evil to triumph. Do not sit by and do nothing. Stand up and be counted, speak up against evil and speak out against any injustice.

LE DIMANCHE DE LA BATAILLE D'ANGLETERRE commémore la grande victoire remportée par la Royal Air Force qui évita à l'Angleterre l'invasion en 1940 et marqua un tournant décisif pour l'histoire de la Deuxième Guerre Mondiale. Le projet de l'ennemi était d'éliminer la Royal Air Force dans les airs et sur la terre et d'obtenir ainsi la supériorité en préparation d'une invasion par la mer et par les airs. Plusieurs Canadiens ont servi dans les escadrons de Spitfires et Hurricanes qui repoussèrent la Luftwaffe. En cet été de 1940, l'Aviation Royale Canadienne reçut son 'baptême du feu'.

Au début de l'affrontement la Luftwaffe comptait 2 790 engins prêts être lancés contre l'Angleterre. Les Britanniques avaient à peine 60 escadrons de combat, -environ 650 appareils – et le personnel au sol devait parfois travailler 16 heures par

jour pour garder les engins dans les airs. Entre le 24 août et le 6 septembre seulement, le Commandement aérien perdit 103 pilotes et 128 furent blessés sérieusement (incluant des Canadiens), alors que 366 combattants furent mis hors-combat, dont des pilotes canadiens. Il y eut 1 495 pilotes et membres d'équipage tués pendant la bataille d'Angleterre, dont 49 étaient canadiens. Au nombre des 103 pilotes canadiens, 23 furent tués au combat.

Lorsque nous faisons mémoire du personnel aérien qui a combattu lors de la bataille d'Angleterre, nous rendons hommage à ceux qui, pendant les années de guerre, ont servi dans les Forces Alliées sur mer, sur terre et dans les airs. Aujourd'hui, nous signifions notre perpétuelle gratitude pour ce qu'ils ont accompli aux moments les plus sombres

de la guerre, et nous renouvelons notre engagement à servir inlassablement la paix, la justice et la liberté au sein de notre monde.

Cette commémoration ne concerne pas le passé. Le politicien et philosophe irlandais Edmund Burke (1729-1797) a dit : « Tout ce qu'il faut pour que le mal triomphe, c'est que les gens de bien ne fassent rien ». Soyons fiers, car nous avons reçu en héritage la force et le courage nécessaires pour affronter l'adversité. Ce legs doit rester vivant. Aujourd'hui, de la même manière que nos prédécesseurs ont combattu pour préserver nos droits, nos libertés et nos valeurs. Ne laissons pas le mal triompher. Ne restons pas assis sans rien faire. Levons-nous, parlons haut et fort contre le mal et toute forme d'injustice.

Community Connections and Support - Thanks for a Great Summer from the GMFRC!

Submitted by: Michelle Thibodeau Wagner, Coordinator of Special Events and Promotions, Greenwood Military Family Resource Centre 765-1491 local 1421 michelle.thibodeau-wagner@forces.gc.ca

Our local community is amazingly supportive of the troops of 14 Wing Greenwood, their families, and the Greenwood Military Family Resource Centre (GMFRC). The GMFRC's Special Events and Promotions team has been fortunate this summer to work with businesses, individuals, and organizations that have fundraised, sponsored events, and sold Red T-shirts and golf balls all to raise money to support GMFRC programs and services for the troops and their families.

Sobeys in Greenwood sponsored the 3rd Annual Support our Troops BBQ with all proceeds going to the GMFRC! The wonderful staff of the Greenwood Sobeys also generously donated their casual Friday funds that were compiled throughout the year to show their support for our troops.

Upper Clements Park has been actively selling Red T-shirts at the park on behalf of the GMFRC all summer. Their Salute to the Troops weekend also provided the GMFRC with an opportunity to meet the community and for the community to sign a banner of support for our deployed troops.

Exit Realty and Bounce Kingdom took part in Canada Day celebrations to provide a fun event for military families.

We Engrave & Customize Gifts continue to be a supporter of our centre by selling numerous Red Friday T-shirts at their store.

Single handed, MCpl Tracey Everett, sold over 120 packages of Support our Troop golf balls as a fundraiser for the GMFRC. Support our Troops golf balls can be found everywhere in the woods at a golf course near you!

From August 27-29th the GMFRC was invited to participate in the Greenwood Golf Shootout event where we were able to raise funds by hosting a BBQ and selling raffle tickets. The GMFRC also received a wonderfully generous donation from Micco Promotions from Bedford, NS, a sponsor of the Golf Shootout.

All funds raised are used to support programs and services of the GMFRC. As a not for profit organization, fundraised monies directly benefit our military families who participate in our programs. The Morale Mail Parcels to Deployed Troops program is one of the many reasons we raise funds. As well, deployed families benefit from respite childcare and other offerings at the GMFRC while their family member is deployed overseas. Funds are also used for such things as the free Spaghetti supper during National Family Week and pays for the free BBQ during the duck pond walk also during National Family Week.

The GMFRC would be unable to provide the extensive programs and services that it currently does if not for the generous support of the community. To everyone who purchased a hotdog, a raffle ticket, a Red Friday T-shirt or a package of golf balls... Thank you. To all who made it possible... Thank you! Your support of our troops is

outstanding, heart-warming and very much appreciated! In our military community, the partnerships and connections with our local communities are vital to both the Wing and every military family. Thank you for embracing our military families and for allowing us to be contributing members in our wonderful communities.

North Mountain Gun Club Summer Review

It was a long, warm, and eventful summer at the North Mountain Gun Club, featuring many exciting events. None of which were effected by the weather. To close the summer season there was a military rifle shoot held in late August. This shoot was for any military issue rifle with iron sights. It was a four position shoot: prone; kneeling; at rest from slit trench; and standing, all at paper target at 100 yards. A large contingent of enthusiastic shooters turned out for this one, sporting military rifles from the 19th, 20th, and 21st century, from many countries such as Canada, USA, Great Britain, USSR, China, and even Turkey. Competition was extremely tight. As a result, two shooters - Scott

Russell and Paul McNeil - tied for first place with a score of 18m out of a possible 20, and Tom Blackwell came in third with a score of 16. Quite a large group of shooters scored 15. A shoot-off was necessary to settle this one. Paul used a Chinese-made copy of the USA's M14. Scott, ever the show-off, used two antique rifles in the shoot. A Canadian-made 1910 Ross .303 and an 1893 Turkish Mauser 8mm. He selected the Mauser for the five-shot, off-hand tie breaker at 100 yards. Scott won this one with five bull's-eyes. Many favourable comments were heard as the happy shooters left the range. Everyone was looking forward to the fall season at the North Mountain Gun Club. We will begin with our annual Thanksgiving turkey shoot on the third of October. This shoot will be for any legal deer rifle. Many thanks to Chris, Cliff, Ward, Horst, Savannah, and all of those who worked so hard to organize and run these events.

The winners (L-R): Paul McNeil (2nd); Scott Russell (1st); Tom Blackwell (3rd).

Morfee Annex Nursery School

By: Sergeant Pete Nicholson

Another gem in the 14 Wing family is the Morfee Annex Nursery School. Located on School Road in the Permanent Married Quarters area across from the larger AVM Morfee building, they provide high quality developmental experiences for children between the ages of two and one half and five years.

Offering both English and French Immersion programs, they are a licensed, non-profit organization and parent fees are used to cover their operating costs. The staff is highly trained and they provide a safe environment for children to explore at their own pace.

Local Teens Paint Black Light Murals

Six students volunteered two weeks of summer holidays to participate in a Teen Artist Mural Painting Project at Roo's Playhouse and Family Adventures in Greenwood Mall.

The students ranged from ages 11 years to 20 years old and were from Bridgetown to Aylesford. They were given the mural themes and worked together to create a spectacular array of colourful black light murals in the Lazer Tag Arena. Project Manager Karen Dodge says that in 25 years of working with children, this group was the best teen team she has ever worked with. "I was thrilled to see the teens support each other and become good friends. They are pillars of their communities and should be proud in their accomplishments." We would like thank our artists, Teri Boates, Kathleen Quirk, Nick Cooper, Maegan Currie, Kaitlin

Chamberlin and Roselyn Bevis. Roo's Playhouse and Family Adventures would like to extend an invitation to all to come and see these fantastic murals.

The Wing's Public Affairs Officer, Captain Scott Spurr, reads a story to some of the children at the Morfee Annex Nursery School on Wednesday, September 8, 2010.

HOROSCOPES

September 19 - September 25

ARIES - Mar 21/Apr 20

Aries, a few moments of complete solitude and sanctuary are on the horizon this week. Make the most of this rarity and enjoy the break from your hectic schedule.

TAURUS - Apr 21/May 21

Taurus, a business rival wants to infringe on your territory. You are not about to let that happen. Higher-ups know that you have the goods to get the job done.

GEMINI - May 22/June 21

It might be time to lay low for awhile, Gemini. When conflicts arise you want to stay below the radar until things smooth over. Thursday proves to be a challenging day.

CANCER - Jun 22/Jul 22

Cancer, put your trust in someone close to you. You will need this person in the weeks to come to help you through a difficult situation. Chances are it could stretch on for a while.

LEO - Jul 23/Aug 23

Leo, complacency is not your credo. Take matters into your own hands if you find things aren't going according to how you see them. Do it right.

VIRGO - Aug 24/Sept 22

Virgo, you may have taken on more than you can handle. Now is the time to backtrack and see what items you can delegate to someone else ... and pronto.

LIBRA - Sept 23/Oct 23

Libra, a work project that's baffled others will take a lot of hard work and determination. If anyone can get it done, it is you. This could be grounds for a raise.

SCORPIO - Oct 24/Nov 22

Scorpio, recurring health woes could mean something is amiss and it's not just a coincidence. This is a good time to visit the doctor and get a check-up.

SAGITTARIUS - Nov 23/Dec 21

A silly mistake has the potential to snowball into something with a life of its own, Sagittarius. Just get a handle on the situation and things will quickly return to normal.

CAPRICORN - Dec 22/Jan 20

Use your instincts when making an important financial decision, Capricorn. While others are consulting charts and figures, stick with what your gut is telling you.

AQUARIUS - Jan 21/Feb 18

Aquarius, you may need a little push to get motivated. That's OK. There are plenty of people who can offer the gentle support that you need to get by.

PISCES - Feb 19/Mar 20

Pisces, spend this week fostering any and all friendships that might have grown estranged in recent months.

Blood Donor Clinic

By: Eric MacKenzie, Community Recreation Coordinator

Canadian Blood Services held another successful two day Blood Donor clinic at the 14 Wing Community Centre on Wednesday September 8th and Thursday September 9th. Roughly 250 donors came to support this worthy cause and as a result 193 donations were collected, which can be used to save close to 600 lives!

As a result of our outstanding support, Canadian Blood Services will continue to hold two day clinics, and their next *two day clinic*, at the 14 Wing Community Centre, will be on Tuesday November 30th and Wednesday December 1st 2010.

Please note that 14 Wing is now registered as a “Partner for Life” with Canadian Blood Services, and have set a goal to have 50 members register for the remainder of 2010, and 150 members signed up for 2011! Currently, we already have 30 members registered and you can easily sign up on site during the clinics or at the Community Centre. The other option is signing up on-line at <https://www.blood.ca/> (select the “forms” option on the left hand side and then you’ll see a link to the “Become a Partner for Life”), and remember that our official Partner ID number is 14WI011270.

Once you sign the form, you will never have to do it again. It’s a simplistic form (name, DOB, postal code, etc) that will allow CBS to track how many times you have donated on behalf of 14 Wing, and what % of our collective goal has been achieved.

To sign up as a “Partner for Life”, please contact Eric MacKenzie, at the 14 Wing Community Centre, by calling 765 – 1494 ext. 5337. If you are interested in booking an appointment to give blood or to volunteer at this next two day clinic, please call 1-888-236-6283.

The 14 Wing Community Centre would like to thank Tim Hortons and McDonald’s for their continued sponsorship towards this event.

Fun By The Numbers
Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Greenwood Minor Basketball Program 2010-2011

It's that time of year; the GMBA is organizing for the upcoming season. Registration for the program will commence at the Wing Welcome Booth in the Base Gym (18 Sep) and will continue on 25 Sep. and 2 Oct. at the Greenwood Mall.

We have programs for boys and girls ages 4 - 13:

Our introduction to basketball is a CO-ED program intended for 4-5 year olds; consisting of basic skills development and fun games. Children have one session per week, from 16 Oct. - 29. Jan on Saturday mornings at the Base Gym.

For 6-7 year olds, the Mini Tot CO-ED program consists of one practice during the week at Dwight Ross Elementary School and a Scrimmage on Saturday mornings, from 16 Oct. - 26 Feb. Several occasions during the season, the kids will participate in Jamborees, to play against other Valley Teams, in a fun and non-competitive introduction to games.

For 8-9 year olds, we have both Boys and Girls Junior

Mini teams that participate in the Annapolis Valley Minor Basketball League (from Greenwood to Hants West). Practice Times are on Wed and Thurs evenings at Pine Ridge Middle School, and the teams will play one game per week and a year end tournament from 16 Oct. - 26 Feb.

For 10-11 year olds, we have both Boys and Girls Mini teams that participate in the Annapolis Valley Minor Basketball League. Practice Times are on Wed and Thurs evenings at Pine Ridge Middle School, and the teams will play one game per week and a year end tournament from 16 Oct. - 26 Feb. As well, one Boys and one Girls team will be registered to Participate in the NS Provincial Tournament (usually taking place in Apr.).

Lastly for 12-13 year olds, our Bantam Program practices at Kingston Elementary on Mon and Wed evenings and also participate in the Annapolis Valley Minor Basketball League.

As well, we will send teams to provincials in Apr.

Coaches & Volunteers

As always, we are actively searching for coaches and volunteers for the program. We will provide training sessions for first time coaches and will organize clinics through Basketball NS to allow coaching certification. We are not only looking for coaches and assistants, but also equipment managers and fundraisers etc., so any involvement with the program would be greatly appreciated.

Junior Referees Program

Starting this year, we will also be offering a Junior Referee mentorship program. We will be selecting 6 deserving kids between the ages of 13 - 17 for referee training. Kids will be trained by the GMBA, certified through the NSBO, and will be paid to referee all GMBA home games.

The 19th Hole

The last article was saying how lovely the weather was and all of a sudden we are in *fall* weather. Dropping from 35 degrees to 12 degrees in just a couple of days is a bit drastic. Oh well... just put on another layer and off to the golf course we go...

The Greenwood Fall Ball Mixed tournament was a huge success. Although the weather could have co-operated a little bit better, we were able to play both days. Hats off to Sandy Adams for the tremendous job she did organizing this event. Next year will be the 25th tournament and plans are already in progress to make it a memorable event. The competitors from this year will be given priority, so get those entries in and for those of you who didn't play this year, get your entry in as well... only 106 teams will be accepted. It takes a lot of help to run a tournament and Sandy would like to thank, all the Greenwood Golf Club staff (Kitchen, Greens, pro Shop, Karen) .the Sponsors, Laurie and Alex Penny (Subway), Ernie Hatfield (Labatts) Dana & Pam Wong- Village Golf Shop, Steve Willmets, Berwick teaching pro, and the Greenwood Golf Club. Where would we be without volunteers?: Gail Croucher, Doug and Wendy, Doug & Hazel, Ron and Honna, Sheila J., Sue B, Betty S., Sue Hersey, Bob Moore, Joan Conrad Cormier & sib Calvin Mills and Frank Croucher. Most of all, we want to thank the golfers who came from far and wide to attend, New Brunswick, Pubnico/Yarmouth, south shore, Halifax, and surrounding area, Antigonish, New Glasgow, ...this year we were missing our friends from Cheticamp... hope they come back next year. Thank you also to Glenn Watters (Club President) who along with Lt.Col Smith McBride looked after our prize presentation.

This year we had the Glow Ball putting contest on Friday and Saturday evening. Judy Mason won the 50/50 for putting within 2" of the hole... not bad for putting in the dark. Howard Parker took home the winnings on Saturday night. Hats off to those who braved the cold both nights, but in particular on the Saturday night. Thanks to Doug who organized the Glow Ball putting and his helpers, Bruce and Linda Bond ...etc.

Now for the Drum Roll: The Winners of the 24th Annual Fall Ball Mixed Golf Tournament are:: John and Judy Mason (NSPPC)... this is the same lady who was the best

There were lots of funny stories going around: Scottie is looking for another woman who would run home from the NSLC: Lee Robinson says taking a shot for medicinal purposes put them in prizes, Wanda M had a second shot on #16 that went 8", first time ever, Gail C. had no muffins... not even in the freezer (no excuses, just because you had a sore hand), Bruce Bond must have been upset, after the second round he ran into the Ladies washroom... oops!!, Donna Bonner got stung on the B.B... OUCH!..and when Linda Bond couldn't play, Amanda England filled in and she and Doug shot an 87 (and this young lady doesn't even golf)... but on the money side, Pete Foy won the 50/50 and Vern and Brenda won their entry back. Bill & Shelley had us all dancing up a storm on Sat. Night... for those of you, who don't stay for the dance... you missed a great party. The roast pig meal was yummy and so was the cake. For those of us who missed the first 2 cakes, we had my birthday cake later in the evening... thanks for all the Birthday wishes... now I wait for the brown cheque to arrive... *I've come of age!*

Guess that is it for this week. Interesting to hear that *this* article is being read in B.C... I guess military people like to keep track of what's going on at the Greenwood Golf Club.

Still lots of golf weather left. By the way, I hear there will be a General Meeting some time late in October... more on that in next issue. Hit 'em Long and Straight. The Cross Country tournament is coming up on October as well.

Western Valley Wings Football Club

Bantam quarterback and player-of-the-game Tyler Bowers prepares to launch a pass as Truro Freightliner Damien Hartlen closes in during the first home game for the Western Valley Wings Bantam team on Sept. 12 at the Rotary Park in Middleton.

(Image: Bob Sanford)

On Sept. 12 the Rotary Park in Middleton was alive with activity as two football games were played before many enthusiastic parents and fans. The host club, the Western Valley Wings, fielded their Pee-Wee team against the Bombers from Truro and later the newly formed Bantam team squared off against the Freightliners also from Truro. Although both Truro teams posted shut-out victories, it was evident that the Valley Wings players enjoyed the competition if the smiles that most exhibited at the end

of the games as the teams shook hands are any indication. Both Wings teams are scheduled to be in action again at the Rotary Park on Thanksgiving Day. Go to westernvalleywings.pointstreaksites.com for the latest updates, photos and contact information about volunteering or joining as a player. An Atom team is also being formed and they will be hosting some exhibition games TBA. All these teams play under the auspices of the Nova Scotia Minor Football League.

Mexican Fiesta a Success

(Image: Karen Doiron)

Mexican Fiesta a Success!

On Monday, September 13, the GMFRC held a delicious and fun cooking class for children aged 6 – 9 years. Our group of mini chefs were busy in our kitchen creating their own beef tacos and sweet churro's for desert. Of course no true Mexican fiesta would be complete without a Piñata – which our chefs had lots of fun with at the end of their class. Under the supervision of our head volunteer chef Miss Celine and her trusty Sous Chef Sam, the children learned simple cooking skills and a little about some of the interesting customs, food and life in Mexico. Workshops such as these provide children with excellent opportunities to make connections with peers while learning a new skill. If you would like more information on programs for your child to participate in this fall, call Kim Dixon at the GMFRC at local 1812.
