The streets and back roads in and around the Greenwood, Nova Scotia area are being well travelled by an elite and dedicated group of personnel from 14 Wing. They are the 14 Wing Nijmegen team led by Captain (Capt) Craig Little, from 404 Long Range Patrol and Training Squadron. These privileged Canadian Forces men and women are nearing the mid point of their training for this years Nijmegen March in Holland which will take place July 19 – 22, 2011.

The Nijmegen March also known as Vierdaagse (Dutch for “Four day Event”) is the largest marching event in the world. This event is the 95<sup>th</sup> edition of the four-day, 160 km march, which is a grueling examination of individual physical fitness and endurance. The Nijmegen March is not just military orientated as it is comprised of civilian groups, police/

emergency services, military and cadet teams from all over the world.

The 14 Wing Nijmegen Team started training April 1<sup>st</sup> of this year with thirty-four participants and as of April 27<sup>th</sup>, they are now down to eighteen. This attrition is mainly due to operational deployments and injury. When they are ready to depart for Holland there will be eleven team members. Each person tries to train three to four days per week, consisting of strength and weights, yoga and of course marching! By the end, each marcher will have walked approximately 720 kilometers with a 10 kilogram rucksack in preparation for this event.

Weather has not proven to be a factor as of yet, but the temperatures in the Annapolis Valley in Nova Scotia are warming up. As they march along the roads of Greenwood and Kingston area, many Valley residents

GMFRC Deployment Services are available to anyone who is experiencing a "family separation" as a result of a family member being away from home for more than 24 hours due to operational commitments. This includes deployment,

temporary duty (TD), training (such as pre-deployment training), courses, and imposed restriction (IR). The GMFRC definition of family is very broad and Deployment Services can be provided to the spouses, children, parents, brothers/sisters, and friends, etc of a deployed member – whomever the member indicates as a loved one requesting services. GMFRC Deployment Services are available to family members

of deployed 14 Wing regular force and reservists; to family members who live in the Greenwood and surrounding area but whose deployed member is deployed from another base or wing; and to family members of 14 Wing Civilian Personnel deployed overseas.

The services available to deployed families include morale mail, information packages, telephone outreach calls, social and support

activities, quarterly GMFRC newsletters, special events, and respite childcare to name a few. All services offered by Deployment Services are on a voluntary basis, so you can choose which services you would like to receive. It is very important that the deploying member visit us at the GMFRC and complete a pre-deployment family information form to let us know of family members requiring support during their

deployment. Without this information we do not know that you are in need of our services. If for any reason your deploying loved one was unable to complete this form please give the GMFRC a call at 765-5611. If the member is already away, we can still complete the necessary paperwork required to provide you with any of the programs/services/activities that may interest you.

Upcoming activities and

services for April include Card Club Craft Night, Easter Brunch for Deployed Families, Pamper Me Day, and Children's Deployment Support Group. Respite Childcare is available every month to give the parent at home a much-needed break while their CF member is away on duty. For more information or to register for any event please call 765-5611.

## Les Services d'aide au déploiement du CRFMG - À qui sont-ils destinés ?

Quiconque vit une séparation familiale parce qu'un membre de sa famille est à l'extérieur en raison d'un engagement opérationnel de plus de 24 heures peut

profiter des Services d'aide au déploiement du CRFMG. Ces services incluent notamment les déploiements, le service temporaire, la formation (par exemple, la formation préalable au déploiement), les cours et les restrictions imposées. La définition qu'utilise le CRFMG pour désigner la famille est très large et les Services d'aide au déploiement peuvent donc être offerts aux conjoints, aux enfants, aux parents, aux frères

et sœurs, aux amis ou autre d'un membre déployé – bref, la personne que le militaire a indiquée comme étant un proche qui a besoin de ces services. Les Services d'aide au déploiement du CRFMG sont offerts aux familles des membres en déploiement de la Force régulière et de la Réserve de la 14<sup>e</sup> Escadre, ainsi qu'aux familles qui vivent à Greenwood et dans les environs, mais dont le proche est affecté à partir d'une autre base ou d'une autre escadre, ou est un membre du personnel civil de la 14<sup>e</sup> Escadre en déploiement à l'étranger.

Les services offerts aux

familles militaires dont un membre est déployé comprennent notamment les colis de réconfort, les trousseaux d'information, les contacts téléphoniques, des activités sociales et de soutien, le bulletin trimestriel du CRFMG, des événements spéciaux et le service de garde de relève pour n'en nommer que quelques-uns. Les services offerts par les services d'aide au déploiement sont offerts sur une base volontaire, vous pouvez donc choisir seulement ceux que vous désirez recevoir. Mais il est très important que le militaire passe au CRFMG

pour remplir le formulaire de renseignements avant de partir en déploiement, afin de nous indiquer quels membres de sa famille ont besoin de soutien pendant qu'il est parti. Sans ces renseignements, nous ne pouvons savoir si vous avez besoin de nos services. Si pour une raison quelconque votre proche a été dans l'incapacité de compléter le formulaire, n'hésitez pas à nous appeler au 765-5611. Si le militaire est déjà parti, nous pourrions tout de même remplir les formalités requises pour que vous puissiez profiter des programmes, services et activités qui vous intéressent.

Parmi les activités et les services à venir en avril, mentionnons une soirée avec le club de confection de cartes, le brunch de Pâques pour les familles des militaires déployés, la journée « Dorlotons-nous » et le groupe de soutien pour les enfants dont un proche est en déploiement. Le service de garde de relève est offert tous les mois afin de permettre aux parents de faire une pause dont ils ont grandement besoin pendant que leur conjoint militaire est absent. Pour en savoir davantage ou pour vous inscrire à une activité, veuillez communiquer au 765-5611.

# Update from Trapani

By: Major Jim Hutcheson, TFL Trapani Detachment  
Public Affairs Officer

The Chief of Air Staff, Lieutenant General (LGen) Andre Deschamps and Deputy Commander of the Canadian Expeditionary Force Command (CEFCOM) Major General Alain Parent, paid a visit to the men and women of Task Force Libeccio at Trapani, Italy on April 21, 2011...exactly one month to the day after their CF-18s' first mission over Libya.

LGen Deschamps informally addressed the task force gathered at Zulu ramp, expressing his pride in the professionalism and dedication they continue to demonstrate. He noted that they are making a valuable contribution to the coalition, which is particularly important during the critical early days of the military operation if a political resolution to the situation in Libya is ultimately to be achieved.

In the 34 days since LGen Deschamps bid them farewell at their departure ceremony from 3 Wing, Bagotville on March 18, the six CF-18s from 425 Squadron have carried out more than 140 sorties in the skies over Libya. Their ongoing mission is to maintain the No-Fly-Zone, help enforce the arms embargo, and to protect Libyan citizens from the threat of attack. The multi-role, upgraded CF-18 is an ideal aircraft for the complex and dynamic environment in this theatre of operations. Able to conduct both air-to-air and air-to-ground missions and to adjust in-flight to the changing conditions on the ground, the aircraft continues to make a significant contribution to this multi-national effort. While they have engaged and destroyed numerous verified targets on the ground, including electronic warfare sites and ammunition bunkers, sometimes mission success means coming back without using their weapons. The careful selection and verification of targets, along with strict Rules of Engagement, are designed to minimize the risks of collateral damage or harm to civilians. In the words of the Task Force Libeccio CF-18/CC-150T Detachment Commander, Lieutenant Colonel Sylvain Menard, "We are here to help the people of Libya, not to harm them. The loss of one innocent life is one too many."

In addition to the fighter component, Task Force Libeccio includes two CC-150T Polaris strategic air-to-air refuelers also based in Trapani, two CP-140 Aurora Long Range Patrol aircraft based nearby at Sigonella Naval Air Station, Italy and the Air Component Command detachment in Poggioronatico, Italy. The two Auroras, one each from 19 Wing Comox and 14 Wing Greenwood, are supporting the arms embargo by patrolling the skies off the coast of Libya. This is an essential part of the effort to establish stable conditions on the ground, which will allow for effective humanitarian assistance and evacuation operations. The improved and impressive capabilities of the upgraded Aurora have allowed it to detect and report vessels that may be in contravention of the United Nations Security Council Resolutions. It has also been used to help develop the overall picture of what is taking place off the coast of Libya.

The deployed tankers are emblematic of the cooperative

**A CP-140 Aurora surveillance aircraft operated by the Canadian Forces long range patrol squadrons waits on the flight line in Sigonella, Sicily on 7 April 2011.**

coalition nature of this operation. They provide fuel not only for Canadian CF-18s, but also to a wide range of other compatible fighter aircraft from numerous other nations, including Britain, France, the United States, Sweden, Italy and Qatar. In the first five weeks of operations, they have provided over three million pounds of fuel to other aircraft, giving them the added range and endurance they need to carry out their missions safely and effectively. The 437 Squadron tanker aircraft and crews from 8 Wing Trenton were also essential in supporting the rapid response of our CF-18s as they made the long trip from Bagotville to Trapani at the start of the deployment.

The rapid response of Canada's Air Force was impressive by any standard. Less than 24 hours after the passage of United Nations Security Council Resolution 1973 and the resulting order to deploy, our aircraft were in the air from Bagotville en route to Italy. The next day the fighter aircraft and essential support personnel were on the ground in Trapani, and a day later they were ready for their first mission. This timeline clearly demonstrates not only the dedication, training and professionalism of our people,

**An air combat systems officer from 407 Long Range Patrol Squadron, Comox, checks coordinates aboard a CP-140 Aurora.**

(Images: Corporal Marc-André Gaudreault, Canadian Forces Combat Camera)

but also the impact that transformation has had in creating a flexible and responsive Air Force that truly puts the "expedite" in "expeditionary."

The duration of this deployment is still unknown, but the Air Force is committed to supporting this important operation for as long as it is needed. Contingency plans have been prudently developed to rotate personnel if required in the coming weeks and months. Their ultimate mission success is also greatly dependent on the excellent support provided by CF personnel back in Canada, as well as from the families and loved-ones of those who are deployed. The nation of Italy has also been an excellent host to the forces from Canada and many other nations as they pursue their common goal of helping the people of Libya.

## Sparky 5km Fun Run/Walk

Submitted by: Captain Patrick Armstrong, TEAM Kingston, Joints in Motion

Are you new to the area and looking to meet people? Are looking for fun family activities you can participate in? Want to complete your first 5km event? Well here's an event for everyone!

The first Sparky 5km Fun Run/ Walk hosted by TEAM Kingston of the Nova Scotia Arthritis Society's Joints in Motion program. TEAM Kingston is a group of people that in 2008 joined together under the Arthritis Society's Joints in Motion program to help raise money for treatments/programs and awareness about the effects of arthritis on people of all ages. Since starting we have raised over \$44,000. In 2009 Statistics Canada reported that over 190,000 Nova Scotians live with one of over 100 forms of Arthritis. At the end of our fundraising year, all members will complete at least a half marathon at the Walt Disney World Marathon in January 2012. Some team members will be completing the Goofy Challenge, which includes 5km January 6th, Half Marathon January 7th and Full Marathon January 8th!

Our event, although a fundraiser towards our goal, is centered around a fun family/community event that will bring people together for a relaxed, not timed 5km Run or Walk around the community of Kingston. Kids of all ages welcome, pet friendly event (must be on leash).

June 4th, 2011 starting 9:00 a.m. at the Kingston Fire Station, participants will set out on a route that is 95% on the sidewalks of Kingston. Sparky and the EHS Bearamedic will be on hand to cheer all participants to their finish line. There will be a water station at roughly the halfway point sponsored by Valley Pharmsave Kingston. Registration is \$10/person or \$25/family and can be done by emailing: captain007@eastlink.ca or by mail to Kingston Fire Department, c/o Sparky 5km Fun Run/ Walk, P.O. Box 322, Kingston, NS, B0P 1R0.

This will be an event everyone is talking about so don't miss it! Inquiries can also be sent to captain007@eastlink.ca.

## Business of the Week ~ Evergreen Theatre ~

### Local Theatre Presents Second Juno Award Winner This Year

A mere 15 minute drive from CFB Greenwood, the Evergreen Theatre in Margaretsville seems at times to be one of the best kept secrets in the area. And this in spite of widespread posterage, a robust web presence and kudos from entertainers from Nova Scotia, the rest of Canada and further abroad for being one of their favourite places to play!

The Evergreen Theatre was created in 1999 from the former Evergreen Baptist Church, a 160 year old building in East Margaretsville, just minutes from the Bay of Fundy over the North Mountain. It was a community run enterprise from the beginning, relying on volunteer labour and donations for its gradual but fairly extensive renovations. The altar was replaced with a good sized stage with full curtains and professional lighting, and the rather spartan pews with soft seat theatre seating (the latest set being obtained from the demolition of a major Halifax Nunnery). Soundwise, the compact size (36 feet square)

and wooden construction make for a very acoustic experience, with many performers performing with no sound gear at all.

But a theatre with no performers is just another building. The most astonishing thing about the Evergreen to most people is how it can attract such an array of professional performers from across Canada. The list of acts that have graced its stage is a who's who of Canadian musicians including such well known figures as Joel Plaskett, George Canyon, Matt Minglewood, Melanie Doane and many others. While the Evergreen is primarily a concert hall, professional travelling theatre companies who can squeeze on to its stage are featured when available.

From March until December there are performances about every

two weeks, depending on who is travelling through at the time. 2011 Juno award winner Old Man Luedecke opened our season in March this year. Our Mother's Day (May 8) performer is another Nova Scotian who brought home a Juno this year, Meaghan Smith.

With a seating capacity of 115, there is hardly a bad seat in the house. And one is treated to a very intimate up close performance with artists who are usually wandering around at break time or at the end of the night kibitzing with the audience. And break time is made all the sweeter by the efforts of the Middleton Band Association who, as their most successful fundraiser, offer homemade treats and fair trade coffee.

Full program listings and a wealth of information about our performers including videos and links are available at our website [www.evergreentheatre.ca](http://www.evergreentheatre.ca). There are also driving directions (in the Contact section) and tickets can be purchased online. Hope to see you at the Evergreen!

# Wing Logistics and Engineering Annual Mess Dinner

Submitted by: Second Lieutenant Michelle Guertin, Traffic O TEME

Lieutenant-Colonel Letourneau, Wing Logistics and Engineering (WLE) Officer, hosted the annual WLE Branch Mess Dinner on 14 April 2011 at the Annapolis Mess. The event was well attended by a good mix of WLE military and civilian personnel from Construction Engineering, Supply and Food Services, Telecommunications and Information Services, Transportation and Electrical and Mechanical Engineering, Environment, WLE Headquarters staff and 14 Construction Engineering Squadron (Bridgewater). The Guest of Honour was Colonel Mark Matheson, former 14 Wing Logistics Officer from 2000 to 2003 and currently the Deputy Chief of Staff Support at Canada Command.

Other distinguished guests were 14 Mission Support Squadron Honorary Colonel Ed Arsenault (former 14 Wing Logistics Officer 1994-96), Annapolis East Elementary School Principal Mr. Karl West, Wing Commander Colonel Bill Seymour and Wing Chief Warrant Officer CWO Jim Jardine.

The evening was enhanced by the outstanding service and support provided by the Annapolis Mess and Café staff. As well, the evening was majestically accompanied by the professional musical talents of the 14 Wing Band and Piper.

Upon completion of the traditional and formal aspects of the Mess Dinner, personnel adjourned to the more relaxing venues and quickly became immersed in Branch camaraderie. The event went well into the evening (morning for some) and culminated with a very energetic and bragging

Colonel Matheson receiving from Lieutenant-Colonel Letourneau, Wing Logistics and Engineering (WLE) Officer, a token of appreciation on behalf of the WLE Branch for his participation as Guest of Honour during the WLE Mess Dinner 2011.

Le Colonel Matheson reçoit du Lieutenant-colonel Letourneau, Officier de Logistique et de Génie de l'Escadre (L&G Ere), un cadeau de remerciement de la part de la division de L&G Ere pour sa participation en tant qu'invité d'honneur au dîner régimentaire L&G Ere 2011.

The WLE Mess Dinner

was an extremely successful opportunity for 180 members of the WLE Branch to reflect

on a very tumultuous and hectic year and look forward to the upcoming challenges

and expectations for the WLE Branch, 14 Wing and the Canadian Forces.

# Dîner militaire annuel du service de logistique et d'ingénierie de la 14e Escadre

Submitted by: **Sous-Lieutenant Michelle Guertin, Traffic O TEME**

Lieutenant-colonel Létourneau, l'Officier de Logistique et de Génie de l'Escadre (L&G Ere), était l'hôte du dîner régimentaire annuel de la division L&G Ere le 14 avril dernier au Mess Annapolis. L'événement a vu la participation active d'un bon nombre de membres civils et militaires du Génie construction, Approvisionnement et Services d'alimentation, Télécommunications et services d'information, Transport et Génie électrique et mécanique, Environnement, Quartier général L&G Ere et 14<sup>e</sup> Escadron de Génie construction (Bridgewater). L'invité d'honneur était le Colonel Mark Matheson, ancien Officier de Logistique de la 14<sup>e</sup> Escadre entre 2000 et 2003 et présentement le Chef d'état-major adjoint –

Soutien au Commandement du Canada. Parmi les autres invités distingués on pouvait compter le Colonel honoraire du 14<sup>e</sup> Escadron de soutien à la mission Ed Arsenault (ancien Officier de Logistique de l'Escadre 1994-96), le Directeur de l'École élémentaire Annapolis East M. Karl West, le Commandant de l'Escadre Bill Seymour et l'Adjudant-chef de l'Escadre Jim Jardine.

La soirée a été agrémentée par le service et le soutien hors-pair fourni par le personnel du

Mess et Café Annapolis. De plus, la soirée a été majestueusement accompagnée par les talents musicaux professionnels de la Musique et d'un cornemuseur de la 14<sup>e</sup> Escadre. Après les parties traditionnelles et formelles du dîner régimentaire complétées, les participants se sont retirés vers les lieux plus relaxants et ont rapidement été immergés dans la camaraderie de la division. L'événement s'est poursuivi jusque tard en soirée (tôt en matinée pour certains) et a été

couronné par un tournoi de « crud » des plus enlevants qui a procuré un droit de vantardise à l'équipe gagnante.

Le dîner régimentaire de

la division L&G Ere fut une occasion extrêmement réussie pour 180 membres de la division L&G Ere pour effectuer un retour sur une année excitante et

occupée et pour jeter un coup d'œil sur les défis et attentes auxquels feront face la division de L&G Ere, la 14<sup>e</sup> Escadre et les Forces canadiennes.

As the end of the season approaches for our skaters, it is a great time to reflect back on our successes. As a finale to the spring session, the Greenwood Skating Club plays host to a regional seminar that is tops on skaters calendars from across the province. Douglas Leigh, famed coach of Brian Orser and Elvis Stojko among many others, has put the Greenwood Club onto his 'preferred location' list. During his recent visit, not only was he

impressed again by our skaters, he shared that he believes in the work being done here by our coaches and has given them his nod of approval. Skaters from the club and beyond always enjoy his clinics and he was accompanied by Turkish Champion Tugba Karademir. This was Doug's 3rd visit and Tugba's 2nd...and reservations are already being made for them to

return next year...a regular Easter event!

# Safety & Health A Commitment for Life • “What’s Your Plan?”

Submitted by:

**Second Lieutenant  
Michelle Guertin,  
Traffic O Teme**

**01 to 07 May 2011**

North American Occupational Safety & Health (NAOSH) Week is being celebrated the week of 1st to 7th May 2011. The goal of NAOSH Week is to focus on reinforcing and strengthening our commitment to health and safety through solid risk management practices, education and injury and illness prevention. This can only be accomplished by starting today and planning for safety & health “What’s Your Plan?”

This year’s continuing slogan: “Safety and Health, A Commitment for Life” reflects

the need to focus on the concept of health and safety and the vigilance and dedication required to the principles of hazard and risk control management.

This year’s theme “What’s Your Plan?” challenges each and every one of us to take time to plan how we can improve the level of safety & health both at home and in the workplace. Planning is a key step in the safety & health process. Are we safe or not safe? Have you ever taken the time to ask that very interesting question? Weather it be cutting the grass, taking down those Christmas decorations, driving on a busy highway or just performing the daily tasks associated with our jobs we have a tendency to try to get things done as quickly and efficiently as possible. Although this type of attitude allows us to find more efficient ways of doing things, efficiency only enhances production or the task

when safety is a key component of the processes from the onset. As with many accomplishments in life there is an associated journey we pursue to achieve our outcomes and successes and without a well laid out plan for our journey we in most case tend to fall short on our successes. Over the years I have come to realize that “Safety & Health” is one such journey. It’s a road or journey that leads us home safely at the end of every work day, thus it is extremely import that take time to plan and ensure we lay out the proper safety road map looking for better ways to ensure we reach our ultimate destination safely. Regardless of the safety journey we embark on there will always be hazards and risks along the way. The key is to look for and identify these signs, follow the proper rules for the road and travel our journey

with care. There have always been differing philosophies surrounding accidents and safety. Some may philosophize that accidents simply happen while others may suggest that “safety” happens. Accidents and safety are different sides of the same coin related to such common concepts as risk and benefit. Even though there may be an element of chance and uncertainty related to both concepts, I would offer that accidents and safety don’t just “happen”; they are caused. We must continue to instil and promote a “safety culture” that strives for zero injuries, illnesses and most importantly zero fatalities. To ensure we are all safe and make it home safely to our family and loved ones every day; we all must take responsibility for health and safety and be pro-active in identifying potential causes of injury and illness. Once identified; we must ensure appropriate action is taken to correct these causes so that no one becomes injured or ill. We can all take

action to improve our processes, programs and performance in occupational health and safety. By doing so; we can make our work environments, home environments and communities safer and healthier places.

We must all be pro-active safety leaders at work and in our communities and spread the message that health and safety is a way of life. In the workplace, we can work towards instilling a very powerful form of social energy called a positive safety culture, which focuses on putting the organizations priorities on protecting people’s health and safety. We must include clear performance measurements in our safety & health plans which enable us to assess our success and failures and find ways to improve upon our level of safety & health on a continual basis. We can all work towards recognizing and supporting community initiatives that help to protect the public and spread the health and safety message. Let’s ensure that this year you take the time to

plan. I am confident that a well laid out plan will lead to ensuring a safer and healthier environment for yourself, your family, your workplace and your community. As the old proverb states “He who fails to plan, plans to fail”

## Lieutenant-General (Retired) Visits Kingston Legion

Submitted by: **Don MacCoy, Service Officer, Royal Canadian Legion Br. 098 Kingston**

On Wednesday the 27<sup>th</sup> of April at 10 o’clock in the morning I had the distinct pleasure of listening to Lieutenant-General (Retired) Honourable Romeo Dallaire as he addressed a crowd of approximately 125 people in the auditorium of Royal Canadian Legion Br. 098 Kingston, NS.

Never in my life have I heard such an eloquent and knowledgeable individual. He told the story of Rwanda and the terrible genocide, hardships and horror of the massive loss of life inflicted on the people of that country by people of their own nationality.

Dallaire described how during this immense crisis the problem of not being able to acquire the support he needed to bolster his own troops and stop the senseless killing of the

people he was trying to protect weighed heavily upon his psyche. He explained the devastating consequences of Post Traumatic Stress Disorder (PTSD) and encouraged all to support our soldiers and acknowledge this invisible affliction.

His eloquence while explaining his position was such that everybody listened with rapt attention and you could have heard a pin drop in the room.

His talk lasted for about an hour and I am sure everyone left the room knowing that this individual had done his very best with the equipment and men that he had at his disposal.

My congratulations go out to Romeo Dallaire for his efforts to do what he could under such horrific circumstances. ‘You served your country well Sir and you make all Canadians proud of leaders such as yourself.’

~ *In Appreciation* ~  
**GRANT, Walter Roy "Wally"**

Dear Family & Friends;

Perhaps you sent lovely card or sat quietly in a chair. Perhaps you sent a lovely card or sat quietly in a chair. Perhaps you sent a floral piece. If so we saw it there, perhaps you said the kindest words that only a friend could say. Perhaps you were not there at all, but thought of us that day. Because of all the generous donations Wally's memory will live on. He will continue to help others

even after he was gone.

To all of you who "Hugged" our hearts in so many different ways, I can't tell you how much your kindness helped us make it through "those days". Just weeks ago we were not sure of just how much we could endure. But now we know with friends like you, we're stronger than we ever knew.

Special thanks to everyone who helped us in New Minas in our hour of need. Wendy who just happened to be there shopping and just happened to be an R.N., Paula (winners). The paramedics who responded to our 911 call, the doctors and staff who were working in emergency that afternoon; all the nurses and staff who could not do enough to comfort us at Valley Regional Hospital, Kentville. Gold Bless You All. Rev Debra Orton and the C.C. Priest at St. Joseph's, Kentville who came to the hospital to pray with us. Tom and Gary and staff at the Middleton Funeral Home Ltd who helped us in so many

ways and was so patient with us and granted every wish. Rev Bill McLean, Nictaux Baptist Church who took the extra step to do our service at our request. Thank you Rev Bill, our family and friends who took part in our service; the Baptist Friendly Club and the Baptist Ladies Auxiliary from "Beautiful Downtown Nictaux, who planned and served the delicious refreshments. Great job as always ladies, thank you! Tammy Belanger from Greenleaf Enterprises who put the finishing touches on the day.

We believe there are angels among us! For whatever you did to console our hearts, we thank you so much. Together we had one more perfect day.

*With our love and thanks,  
 Sincerely Teresa, Todd, Elaine, Tammy, Dave, Troy,  
 Susan, Meghan, Emma and Tyler.  
 Our Hearts Will Remember.*

Easter weekend is over and I am sure everyone enjoyed their time with friends and family and some even managed to get a round of golf in. I hear the weather was good (it was good in Cape Breton too). Good Friday will be a day Pat Rice will remember. He aced the 8th Hole and it was witnessed by Max Pennell and Mike Fallis. This was the first ace of the year for Greenwood. Congratulations Pat, a Hole in One is a nice Easter present, beats a chocolate bunny any day.  
Special thanks to all those who volunteered on April 20th for the Clean Up Day. Volunteers are essential to every club and the Management team, the Executive and fellow golfers appreciate all your efforts. I was working and couldn't attend but there were at least 15 volunteers and from all reports and a lot was accomplished. Apparently a lot of raking was done on #12 and #15. As a reward they were all treated to a steak dinner.  
I have only been out for 9 holes so far, but the course is in great shape. The greens are in tremendous shape, now lets keep them in that condition. (Remember, repair your ball marks and help keep the greens in great shape.)  
I now have a calendar of events so I guess the season really is underway: The first event on the calendar is the Ladies Get Acquainted tournament on May 8th and will start at 1:00 p.m. This tournament is for Members and more info will be on the bulletin board. Check it out. On Sunday May 15th, the Ladies will have the Early Bird tournament, more on that next issue.  
The decision has been made that ALL Club Tournaments will start at 1:00 p.m. - no more morning starts.  
Men's Night is scheduled to start on May 17th. Ladies Night is

scheduled to start on Wednesday May 18th (4:30 p.m.) and Ladies Morning will start on May 19th (9:00 a.m.) The Kitchen is slated to open on May 20th and Friday Night 2-Ball is back again and will start on May 20th (4:30 p.m.).  
There are still openings for the Founders Mixed Tournament, check out the Greenwood Golf Club website for entries and more details. (Betty Saltzman is the contact person for this tournament).  
The Pro Shop is going to have a Mother's Day Special starting on May 2nd - May 8th. If you purchase a Nancy Lopez shirt you get a free shopping bag, call the pro shop for more details (765-5800).  
Next week I will try to have a list of the executive and the Management / Club staff, so that we can acquaint ourselves with everyone. I know there are some new faces and it would be nice to put a name to them.  
If anyone has any golf stories or info you would like to have included in this article, please send me an e-mail to: wdrichardson@eastlink.ca.  
On April 15th our club lost a valued member, Myron Lane passed away on that day. He was truly a gentleman and he will be missed by those who had the privilege of knowing him. Our heartfelt prayers are with Betty and family.  
Until next issue, enjoy The Challenge, take a friend out for a round of golf. Check out the rates (and the specials) on the Greenwood Golf Club's website.

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
