It certainly is hard to believe, what with the weather we've had, but its June already. It is the time to get outside and participate in Recreation Month! The 14 Wing Community Centre, located on Church Street between the skate park and outdoor pools is where it is happening!

The 14 Wing Community Centre is run by an efficient staff that provides a huge

benefit to the Wing. Jill Jackson is the Community Recreation Director,

They look after all twenty-eight clubs, a Youth Centre, the Library, Bowling Alley, Morfee Annex Nursery school and Lake Pleasant (Lake Pleasant has ten cabins and camp grounds for

tents or RV's for rent on a daily or weekly basis). Recreation Cards, required for all the Clubs, and entry into the Fitness and Sports Centre are available from here!

All inclusive Summer Camps start 4 July 2011 and run for eight weeks. There are Day Camps, for both official languages; as well as a Sports Camp.

The Day Camps offer children ages six to twelve, from 0730 to 1600 daily, a wide range of fun, recreational activities www.highfive.org

to occupy their summer. The Sports Camp provides skills for both traditional and non-traditional sports.

Le brunch de Pâques pour les familles qui vivent un déploiement – Beaucoup de plaisir!

Soumis par : Amy Snow,
Coordonnatrice des
services de déploiement
du CRFMG, 765-1494,
poste 5583 ou courriel
Amy.Snow@forces.gc.ca

Le samedi 23 avril, le CRFMG était très fier d'être l'hôte du huitième brunch de Pâques annuel pour les familles qui vivent un déploiement. Ces familles se sont jointes à nous pour célébrer Pâques au mess Annapolis, déguster un bon repas et prendre part à des activités amusantes, tout cela en agréable compagnie. Nous avons eu beaucoup de plaisir à fabriquer et à décorer nos propres oreilles de lapin et autres ornements de Pâques, et nous avons même reçu une visite toute spéciale du Lapin de Pâques, qui a pris le temps, malgré son horaire très chargé, de faire un saut pour venir passer du temps avec les familles qui vivent un déploiement et surtout pour prendre des

photos avec les enfants! C'était si agréable d'entendre, durant toute la matinée, la rétroaction de nos familles. De nombreuses familles ont exprimé à quel point elles appréciaient l'occasion de se rassembler, et les enfants étaient tout contents de voir le Lapin de Pâques en personne! Ce fut vraiment une belle fête remplie de rires et de beaux souvenirs.

Un gros merci à nos serveurs extraordinaires, le Colonel (Col) Seymour, commandant de l'Escadre, le Lieutenant colonel (LCol) Smith McBride, officier de l'Administration de l'Escadre, et l'Adjudant-chef (Ajuc) Gaudreault, adjudant-chef par intérim de l'Escadre, qui ont servi le petit déjeuner à nos familles vivant un déploiement et qui ont aussi donné leurs oreilles de lapin spéciales aux enfants qui leur ont montré le plus grand sourire!

Merci aussi au mess Annapolis pour toute leur

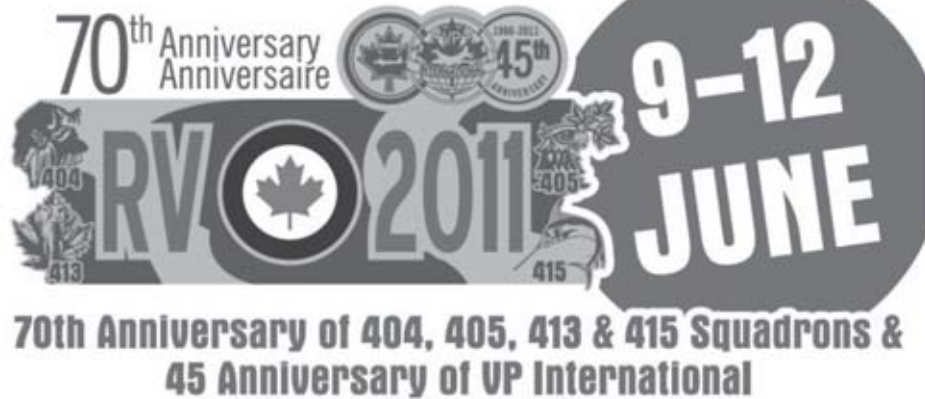

aide qui a contribué à faire du brunch une occasion vraiment spéciale, aux cuisiniers du Café Annapolis qui ont offert bénévolement de leurs temps pour préparer notre délicieux brunch, et aux nombreux bénévoles sans qui la tenue de tels événements ne serait pas possible.. Que ce soit pour avoir aidé les enfants à faire leur bricolage de Pâques, pour avoir agi en tant que photographe professionnel du Lapin de Pâques ou pour avoir préparé un gâteau de Pâques pour les familles (merci Natasha!), nous vous remercions du fond du coeur!

Pour ajouter la touche finale à un matin parfait, le Col Seymour nous a aidés à procéder au tirage pour nos prix de présence. Les heureux gagnants étaient Rachel Ryan et son fils Caleb, ainsi qu'Oliver Hocquard et sa maman Vanessa, qui ont ramené avec eux des paniers de Pâques remplis d'articles pour les loisirs d'été de même que tout le nécessaire pour une soirée cinéma!

Merci encore à tous ceux et celles qui ont rendu possible la tenue de cet événement, et un gros merci à toutes nos familles vivant un déploiement qui y ont participé. J'espère que vous avez eu autant de plaisir que moi!

French version of article as seen in May 30, 2011 edition.

2011 marks the 70th Anniversary of the formation of 4 World War II Squadrons (Sqn): 404, 405, 413 and 415 Squadrons; as well as the 45th Anniversary of VP International. RV-2011 commemorates these significant milestones with 4 Major Events and several smaller events from 9-12 June 2011 at 14 Wing Greenwood. It is hoped that these events will allow current and former 404 Sqn "Buffalos", 405 Sqn "Eagles", 413 Sqn "Tuskers", 415 Sqn "Swordfish" and members of VPI to celebrate our "History and Fellowship"

RV-2011 commences on June 9th. Registration packages will be available all day and in the evening VPI will host a "Fellowship Night" at the VPI Building, open to all RV-2011 registered guests. On June 10th registration will continue all day. In addition, there will be a morning "Shotgun Start" Golf Tournament at the 14 Wing Golf Club at 8:00 a.m. followed by the "Meet and Greet" at the Annapolis Mess commencing at 6:30 p.m. June 11th will have "The Main Event"; commencing at 9:00 a.m. with Squadron and Industry displays, a Beer Tent with live music provided by the 14 Wing Band, as well as tours of aircraft and simulators. The evening has the "Dinner and

Dance" in 14 Hangar. Starting at 6:30 p.m., music will be provided by the internationally acclaimed HMCS Stadacona Band. On June 12th there will be a "Farewell Breakfast" at the Annapolis Mess from 8:00-10:00 a.m. followed by the VPI Memorial Parade at 11:00 a.m.

Cost for the event is two tiered: Premium Level includes all events (Golf Tournament fees are extra) is \$90.00 and the Basic Level includes the Fellowship Night, Meet & Greet and Main Event is \$35.00

These events serve as a unique opportunity for alumni of these 4 Squadrons to reunite with former colleges, meet current members and forge new friendships; all while celebrating our impressive military aviation history. All who have contributed to 404, 405, 413 & 415 Sqn successes over the last 70 years as well as those working with VPI these last 45 years are encouraged to join in this momentous occasion.

More information is available at the RV-2011 webpage www.rv2011.ca or RSVP by email to database@rv2011.ca or call Major Pitcher at (902) 765-1494 ext 3936 indicating which level you would like to participate in. Space is limited so RSVP no later than 27 May 11.

413 Squadron (Sqn) Cormorant Flight Has Productive Boat Camp!

(File Image: GP2010-0146.jpg: Sgt Pete Nicholson, 14 Wing Photojournalist)

Submitted by Major Dany Poitras, Cormorant Flight Commander, 413 Squadron

413 Transport and Rescue Squadron deployed to Prince Edward Island (PEI) from 24 May until 27 May 2011 for a boat camp. The Sqn sent two CH-149 Cormorant helicopters to Charlottetown to focus and exercise its boat hoisting capability. Approximately 30 persons were involved in this concentrated training and Captain Trevor Pellerin was the officer in charge for this very successful deployment.

Hoisting to and from a vessel is by far one of the most challenging sequences flown by helicopter search and rescue (SAR) crews. The intent of the boat camp was to provide our helicopter crews with intensive exposure to live boat hoisting prior to the busy summer season. The training was done in collaboration with the Canadian Coast Guard (CCG) and the Auxiliary Canadian Coast Guard (ACCG).

The CCG and the ACCG were able to provide numerous vessels to support both day and night training. The variety of vessels available made this training invaluable as it accurately

represented the harsh conditions faced by SAR crews on real missions. Some of the fishing vessels used during the boat camp were actually the same type commonly used for fisheries in the Maritimes. PEI provided a centralized location to minimize the transit time for the helicopters. It also provided excellent training to CCG and ACCG sailors not commonly involved in boat hoisting due to the distance from the unit home base.

The unit works regularly with the CCG and the ACCG. This partnership is essential to helicopter crews to maintain their skills and proficiency with respect to boat hoisting. The CCG has organized numerous SAR exercises in which 413 Sqn has been in or is planning to participate in. This joint training makes the SAR crews and the CCG better at what they do for living...

Holocaust Survivor Book Signing at 14 Wing

Submitted by: **Eric MacKenzie, Community Recreation Coordinator**

**Book signing
Wednesday June 22nd 2011
Lounge C of the Annapolis Mess
between 2:00 p.m. and 4:00 p.m.**

Mr. Philip Riteman was a prisoner at Auschwitz-Birkenau and still lives with the constant reminders of the camp by having the number 98,706 tattooed on his left arm. Although the gray numbers have faded, the nightmares and horrific memories of the Holocaust have not.

After over forty years of silence, Mr. Riteman has dedicated the last twenty years to speaking to the next generation so they can learn what happened in hopes that this type of evil does not occur again. As a result of his tremendous work, Mr. Riteman has received honorary degrees from Memorial University and St. Thomas University. Plus, he has received the Order of Nova Scotia for educating the next generation and keeping the memories of those who perished alive.

(Image: Flanker Press)

Mr. Riteman first shared his remarkable life story to our 14 Wing Community in February of 2010. In October of 2010, he released his Holocaust Memoir, titled "Millions of Souls," and will return to 14 Wing on June 22nd, 2011 for an official book signing.

"Millions of Souls is told in three parts. First is Philip's account of life in his hometown and as an eyewitness to the struggle for survival in the concentration camps. Second is the story of Philip's exodus to Newfoundland after the war, where he discovered that there was still some humanity

left in the world. Third is the story of Philip Riteman today, and his commitment to spreading his message: "Hate destroys people, communities, and countries. Love binds us all together and makes a better world." Courtesy of Flanker Press.

"Philip Riteman's story was recorded by Mireille Baulu-MacWillie during a series of interviews at Philip's home in Nova Scotia, Canada. Since its release, over 10,000 copies have already been printed and the book reached #1 on the Chronicle Herald (Nova Scotia) Bestseller List (January 9, 2011)" Courtesy of Flanker Press.

Mr. Riteman, who was born in Poland, now resides in Bedford, Nova Scotia.

Copies of "Millions of Souls" will be available for purchase, at a cost of \$16.95 (tax incl.), and cash, cheque, or Visa and MasterCard will be accepted. Please note that a portion of the proceeds will go towards The Atlantic Jewish Council's Holocaust Education Fund.

Finally, this event is open to 14 Wing Military and Defense Team members and to the local community.

Sunshine, lots of sunshine. This is awesome. The course is dry, the mowing is done and the course is in awesome shape.

I am sorry for reporting that - never meant to offend either of you - but I know you know that. Your Lifetime Membership is available for use, any time.

The Founders Golf Tournament was the weekend of May 28-29 and the headline for that is: THREE "PETE" FOY FOURSOME WINS AGAIN: The third annual Founders and Builders tournament was held weekend of 28/29 May. The maintenance crew did a great job of getting the course in good condition despite the wet weather leading up to the tournament date and the weather was great for play on the weekend. There were 11 teams with golfers from Yarmouth/Clare to Halifax participating on two male/two female member teams for a four person scramble. Betty Saltzman chaired the committee that ran the tournament and she thanks her committee and the volunteers and staff who worked the weekend. The Mexican Chicken on Saturday was enjoyed by all. A few door prizes were handed out during the meal with the table of the Hartlen Point teams having most of the luck. The winner of the Saturday 50/50 draw was Wayne Stroud and the Sunday 50/50 draw went to Mr. Spinney.

Closest to the Hole winner for Hole # 8 on Saturday was Pat Stroud and on Sunday it was Donna Hartigan and Closest to the Hole on # 11 on Saturday was Bruce Walker and on Sunday it was Bob Sexton. Second Field Low Net went to Eric and Margie Welin (Greenwood) and Wayne Paul, Mary

Pretty (Ashburn) - 100. First Field Low Net went to Dale and Kathy Wilson (Clare) and Don, Lori Houston (Yarmouth) - 99. Thanks to Scottie Cooper for organizing another fun Stapleford game. We had 14 out this time, nice to have Gail C. join, so I wasn't the only female. After a fun round, the scoring began with Dan Smith acting as the auditor for the scoring. Scottie had us draw a number to see who would be partners and the winners were: Pat Grist and Wendy Richardson, tied with Doug Carpenter and Charlie Costin: bringing up the rear were Mike Pineo and Doug Smith (nice to see Mike out for the first time this year.) The winners of the Greenies were: Doug Carpenter #2, Dan Smith #11 and since there was no winner on #13, Dan Smith & Bobby Baker split #14. It really was fun. Congratulation to Scottie Cooper, aka - H.D. Cooper - bet you think that means Hard Drive or High Drive, nope, High Definition, the kid from the Rock has finally got HD hookup for his HD T.V. You've come a long way!

Until Next week, please remember to keep up the pace of play, that means stay close to the group in front of you, not just ahead of the group behind! Replace your divots and repair the ball marks on the greens. This is our course so everyone should help look after it. *(Speaking of that, someone broke the tee markers on #8, they were new and it appears to be just vandalism to have broken them, if you see something like that happening, report it to the office).* Hit 'em Long and Straight and enjoy THE CHALLENGE.

Letter to the Editor

Dear Editor:

I was pleased to help the Greenwood Military Family Resource Centre (GMFRC) celebrate 25 years of serving military families this spring. This is an organization that is dedicated to making families stronger and by doing that, it makes our community stronger. I want to thank the employees and volunteers who work so hard for our military families; at the same time I want to celebrate why this organization, and so many others like it, are so successful.

In its 25 years, much of the GMFRC's work has been done by more than two thousand volunteers, and those people have put in an incredible 47,000 volunteer hours. The Centre is run by a volunteer Board of Directors and all of its programs rely on volunteers in some form or another. Whether its to offer a little child care respite to a parent whose spouse has been deployed, or welcoming new members to the community. Volunteers are at the heart of the GMFRC. This organization is a fine example of families helping families, something I am proud to support.

It's not just the GMFRC that I celebrate today. 14 Wing as a whole is an integral part of our community and we are proud to call them neighbours and friends. These men and women of 14 Wing and their families are not just serving Canada as our defenders, they are serving in our communities coaching our soccer teams and organizing the school fundraisers. They visit our seniors and feed our hungry. They, and all the volunteers like them, are the true heart of this community.

We, here in Nova Scotia, are lucky to live in a place where people are committed to

the communities in which we live. Be it the military members in Greenwood or the seniors in Berwick or the students at West Kings, there are thousands of people right here in our communities giving selflessly of their time. Westerners often comment about how friendly Maritimers are; about how strangers greet them in the street. That's because we don't just live here, we ARE Nova Scotia. More than the land or the sea or the government, the people of Nova Scotia make this the great place that we all know it to be.

Nearly ½ a million Nova Scotians volunteer their time in some way or another and those people contribute \$1.8 billion to our economy annually. Many of the institutions we rely upon as a society simply could not operate without these generous people. The numbers are really incredible when you stop to look that them, nearly ½ the population of Nova Scotia volunteer in some format. More than 11,000 people work annually with the Canadian Cancer Society, Feed Nova Scotia works with 700 volunteers and 7,000 brave men and women protect us in our volunteer fire departments.

I encourage you today to help me celebrate not only the volunteers who have made the GMFRC strong for a quarter of a decade, but all volunteers who make our community vibrant. I ask you to thank a volunteer today and then I ask you to consider joining their ranks. Our community depends on our volunteers be they firefighters or dog walkers or brownie leaders. You make me proud to be a Nova Scotian. Thank you for all you do.

**Leo Glavine, MLA
Kings West**

Exploratory Day

Submitted by: Ann Marie Chalifoux, PTA President
May 13th was Exploratory Day at Dwight Ross Elementary School. All students had the opportunity to explore a different subject that was interesting to them for the afternoon. Exploratory included arts, painting, construction, French, fun science, cooking, photography, various sports, Ukrainian egg painting, puppet making, cartooning plus others. Above, parent volunteer, Mike Pletsch from 14 Wing takes students through various activities in Military Boot Camp. The afternoon was a great success and a sincere “thank you” is extended to all staff and parent volunteers who made this afternoon so much fun for the students!

14 Wing Library - Serving those who read!

By Judy McCool and Joanne Sealby, AV Morfee Building, Greenwood, 765-1494 local 5430

June is here and summer will soon be upon us, along with a multitude of kids who will be released from school and looking for summer activities. Why not come on in to your local library and check out the latest books recommended for summer reading.

Our shelves are always receiving new titles and you never know when you may find a treasure! For the little ones we also have Under The Story Tree with Miss Somer on Tuesdays at 10:30 a.m. Story Tree

will be wrapping up for the summer at the end of the month, but you still have a few weeks to bring your pre-schoolers in for a fun story as well as a craft to go along with it.

A big welcome is extended to Joanne Sealby, our new 14 Wing Library assistant.

Thanks are extended to Peter Gregoroff who has taken it upon himself to repair/recover some of our "old" beloved books that need some TLC. Peter you do a fantastic job!

We have several NEW Bestsellers available this month including:

A New Kind of Monster: The Secret

Life and Chilling Crimes of Colonel Russell Williams by Timothy Appleby.

"This book is a solid piece of journalism that meticulously records what is known about the murderous life of Russell Williams. Its many insights into this rapist, fetishist and killer are frequently illuminating; and, given the unlikelihood that further information will become available, the book will probably remain the source on this bizarre case. Appleby is an experienced and respected reporter. Appleby provides us with a sound and reliable account of how Williams devastated so many lives."

As reviewed by the Globe and Mail.

Sanctuary: The Story of Naturalist Mary Majka by Deborah Carr whose

articles have appeared in Saltscapes, Progress, Nature Canada, Wildlife Canada, and Homemakers Magazine. As a child, she watched Mary Majka's television show, Have You Seen. Her first home as a married woman was on Caledonia Mountain, where she encountered the formidable Mary Majka more than twenty years ago.

American Assassin: A Thriller by New York Times bestselling author Vince Flynn. He returns with yet another explosive

thriller, introducing the young Mitch Rapp, the best CIA-trained human weapon this side of Jason Bourne as he takes on his first assignment.

Also among the newest books are some donations from the Friends of the Greenwood Library Society which include **Stephen King's Full Dark, No Stars; Clockwork Angel** by **Cassandra Clare**, and **Sing You Home** by **Jodi Piccoult** "who has crafted another winner and cleverly examines the modern world of reproductive science, how best to nurture a child and what, exactly, being a family means." —*People*
DID YOU KNOW that

we have a large selection of **FRENCH** Fiction and Non Fiction for both adults and children?

We have a room full of paperbacks and hard covers for sale. A bag of books is only \$5.00.

A reminder to all, that 14 Wing Library is a public library open to military and civilians. We invite all our registered patrons to visit us and if you're not a member, drop in and sign up to enjoy your local library. Snowbirds Launch 2011 Season

The Snowbirds begin their performance.

Source: D-News

June 1, 2011

The Canadian Forces 431 Air Demonstration Squadron ("The Snowbirds") officially began their 41st season in front of hundreds of family members, friends and military personnel at the 2011 acceptance show in Moose Jaw, Sask., on May 7.

"What a great start to the season," said Lieutenant-Colonel Maryse Carmichael, Commanding Officer of the Snowbirds. "I'm proud of all the pilots, technicians and support staff of 431 Squadron for all their hard work over the past several months in preparation for this moment."

The acceptance show is an annual event in which the Snowbirds performance is given the stamp of approval for the season by the officials of 1 Canadian Air Division.

The 2011 show is comprised of more than 50 different aerobatic manoeuvres during the 30 minute performance, including the newly created "Kaleidoscope" and "Hero Split" manoeuvres - dedicated to Canadians everywhere who contribute to our national pride.

"I'm very happy with the effort put on by the pilots and technicians over the course of the winter training season, and now we get to do our job, by putting on our show for

the public right across North America," said Major Chris Hope, Snowbird #1 and team lead.

The event was even more special as he was recognized for achieving a flying milestone at 19 Wing Comox, B.C. recently: 5,000 flight hours in the CT-114 Tutor.

The Canadian Forces Snowbirds will perform approximately 50 shows in 31 locations during the 2011 season. Upcoming air shows include North Bay, Ont., on June 1 and Sydney, N.S., on June 4 and 5.

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

June is Recreation Month!

“Recreation, For Every Age and At Every Stage”

Submitted by:
Eric MacKenzie,
Community Recreation Coordinator

The Theme:

For the third year, Canadian Forces Personnel and Family Support Services (CFPFSS) celebrates “June is Recreation Month (JRM)”.

Recreation plays an important role in the Canadian Forces both operationally and in family support. JRM provides an opportunity to celebrate these roles and educate the community about the importance of participating in recreation and

leisure activities.

This year’s theme, “Recreation, For Every Age and At Every Stage”, was chosen to promote the benefits of active lifestyle from childhood to adulthood. Each CF location offers a diverse mix of activities, all designed to promote wellness and enhance the time that families spend together. From the largest base to the smallest wing, PSP recreation departments around the country are united in their mission to improve health and well being, contribute to operational success, provide safe and enjoyable recreation opportunities, and provide the CF community with a higher quality of living.

The Campaign:

“June is Recreation Month campaign is part of a growing national movement honored across the country. JRM draws public attention to the benefits and values of recreation and parks to individuals, families, neighborhoods and communities, and works to recognize and celebrate the contributions recreation and parks makes to the quality of life to Canadians.” DGPFS

The Contest:

By following the contest link, on the National Recreation Services website, you can enter for a chance to win a Family Trip to experience Recreation in Toronto valued at \$10,000. To enter, simply visit; <http://www.cfpsa.com/en/psp/Recreation/index.asp> and tell them how you

benefit from Recreation and Win a Recreation Prize Package!

Celebrate June is Recreation Month at the 14 Wing Community Centre:

In recognition of June being Recreation Month, the Community Centre will be participating in many different recreational activities. We started the campaign off with a Walk or Wheel event, and our next youth event will be Ultimate Frisbee and a BBQ on June 17th. Finally, to wrap up JRM, we’ll have an Open House on June 28th, highlighting our great programs and special events during the summer.

Here are our regular programs to look forward to; Boys Club will be playing out-door games, tennis, going for a bike

ride and having a campfire at Yogi Bear Camp ground; the Active Chicks will be biking, making crafts, relaxing during spa night, playing out-door games and going to Yogi Bear Campground; the Teens will be walking on the fitness trail, playing croquet, swimming, cooking and going to Yogi Bear Campground.

Kings Transit is helping to celebrate ‘June Is Recreation Month’ by allowing all cyclists to ride transit free and encourage the use of bike racks on buses.

To find out more about any of these youth based programs, please contact Megan LeMoine,

the 14 Wing Community Centre Recreation Youth Worker, at 765-8165.

For a complete list of all the programs and services offered by the 14 Wing Community Centre, please visit the national website at; www.cfcommunitygateway.com and click on 14 Wing. You can also keep an eye out for further info regarding JRM in the upcoming editions of The Aurora Newspaper.

For more information on the JRM Campaign or national contest, please contact the 14 Wing Community Centre at 765-1494 ext. 5337, 5331 or 5341.

On Friday, April 29th, children and staff from Annapolis East Elementary School celebrated their 2nd annual “International Day of Dance”. Fingers were snapping and feet were tapping as each class danced into the gym dressed in attire from the roaring 20’s to modern day.

Everyone enjoyed dance routines performed by their own 4 – 6 Dance Club to Firework, Stuttering, Grenade and a school-wide performance of Waka Waka. The children were dazzled by the finale as their own Isis Brooks sang “Less Than Perfect” while staff moved to the beat behind her.

Mrs. Cindy Perry would like to thank all those who helped make this day so special.
