June 8, the staff of 26 Canadian Forces Health Services Centre walked with a mission to kick-off the annual Relay for Life event that evening in Middleton. Armed with smiles, sneakers and sunscreen, staff walked a five-kilometre route around 14 Wing Greenwood, sporting a specially designed T-shirt to support a very personal cause. Lieutenant-Colonel Erin Savage, a CF doctor, is in a fight for her life against breast cancer. With clinic staff's support - and thousands others across Canada, her family designed and is selling a T-shirt to raise money for cancer research. The shirt reads: "Operation Erin - HSS Coy - Fight like a Girl - LCol Erin Savage M.D." Greenwood personnel raised \$475, part of the overall Op ERIN's \$17,000 total. This shows it takes only one hour to make a difference in someone's life.

Hello to all residents of the 14 Wing Community. Here are details regarding the annual spring community clean-up event July 2.

After a short brief on the morning's activities, er the number of participants, personnel will be broken down into six teams, one per ward. The teams will make their way to starting points within their assigned ward, and start a sweep of the common areas, bagging trash as they go. We all know the minute our spouse has left for any type of training or deployment, Murphy's Law comes into effect! When it comes to finding a plumber for the leaky tap or a repair man for the washer, it is as simple as looking though the yellow pages and finding that expert to fix the problem.

Parenting on your own during a family separation unfortunately isn't that easy. Our children did not come with an instruction manual, nor can you find a listing in the phone book under parenting repair. Taking time for yourself while your spouse is away is essential for good mental health. This does not mean that your children will not be your top priority; it simply means you need to do activities that are just for you, without the chil-

During periods of family separations the Greenwood Military Family Resource Centre has respite childcare available to you at no charge. These scheduled sessions are offered to all Canadian Forces families experiencing a family

separation, such as deployment, IR or the many courses that take our spouses away from home on any given day. Respite childcare is there for you - an easy, guilt-free day for you to do whatever it is that makes life a little easier, or simply makes you smile. Some spouses use it to go for groceries without having to drag the kids to the store, while others take full advantage of having the house all to themselves and nap the day away, or have a lunch date with friends without trying to look for a babysitter. During respite childcare days at the GMFRC, your child will have a fun-filled day of playing with friends, making crafts and having a great time with the toys and equipment the GMFRC has for young children in our childcare rooms.

Parenting on your own during a family separation offers few tangible rewards, and there is no awards banquet or financial bonus at the end of the day. Think of respite childcare as your treat to yourself while your spouse is away. For more information, or to register your child, contact the GMFRC at 765-5611.

Nouveau terrain de jeu remplis de familles pour l'ouverture officielle

Sara Keddy, Éditrice en chef

Deux années de planifications et de travail ont été fêtées un beau matin ensoleillé en juin par une foule enthousiasmée.

Plusieurs douzaines d'enfants de la pré-maternelle. les « diplômés » de l'école pré-maternelle de l'annexe du centre Morphee ont été les premiers à se glisser sur les nouvelles glissages et ont exploré l'équipement récemment installé dans le terrain de ieux du Centre communautaire sur la rue Church de Greenwood. Des officiers de la 14 e escadre et plusieurs familles étaient présents pour fêter la graduation de leurs enfants et l'ouverture du nouveau terrain de ieux.

Lors que les étudiants prenaient leur place sur la paroisse d'une des structures,

leur enseignante Maurina Duret donna la bienvenue et expliqua les procédures de la cérémonie. Elle termina d'un ton taquin « ..et pour terminer, nous allons rentrer chez nous. » « Non! », exclama les filles et garçons derrière elle, enthousiasmés par l'idée de se défaire de leurs cravates, robes propres et chapeaux de graduation pour jouer. « Ce projet est un vrai exemple de notre devise, Unis dans l'action » commenta le Maire du conseil Mike Peters, se référant à la devise de la 14e escadre. Il continua, « Il y a deux ans nous avions unis une équipe- le Génie de construction, le conseil communautaire, les loisirs communautaires, Construction de défense Canada- toues sortes de gens, et le voici. APPLICATIONS

Elections Nova Scotia is currently accepting applications for the positions of returning officer and election clerk.

Under the *Elections Act*, the delineation of new provincial electoral district boundaries leads to a merit-based competition and selection of returning officers across the province.

Appointed by Nova Scotia's chief electoral officer for a 10-year period, a provincial returning officer administers the electoral process in one of 52 electoral districts. The position calls for broad management experience and a variety of skills. The work is diverse, challenging and rewarding. And, by its nature, it is impartial and non-partisan.

The election clerk in each electoral district is appointed by the returning officer in consultation with the Chief Electoral Officer and serves for the duration of an electoral event.

Applications are available on the Elections Nova Scotia website at *electionsnovascotia.ca* or may be requested, toll-free, at 1-800-565-1504. Completed applications should be received by Elections Nova Scotia by July 6, 2012.

Pick-up effort

Wayne Atwater, a Kings County councillor for North Kingston, Aylesford and North Mountain communities; recently put his efforts where his thoughts were, organizing a litter pick-up around Highway 101's Exit 16, at Aylesford. June 8, he invited the West Kings senior boys' softball team – regional winners this season – to help him for the afternoon. Besides the dirty diapers, a lobster tail and a mailbox cover recovered from the exit's ditches, the crew picked up countless other bits of trash. Atwater earlier this spring urged his peers on council to get behind Clean Nova Scotia's June 9 weekend litter pick-up initiative.

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
