Susan MacAskill, MADD Canada's Atlantic regional supervisor, invites guests at the November 12 launch of the annual Red Ribbon safe holiday driving campaign to join local volunteers for cake.

"Make sure roads are safe. ones you will regret down

MADD's red ribbons are tied on vehicle antennas Bay of Fundy volunteers used a checkpoint in Greenwood to pass out the first of their campaign's ribbons as a reminder to think before getting into a vehicle as a drunk driver or passenger.

"The red ribbon has been a powerful symbol for 28 years," said Sue MacASkill, the MADD Atlantic regional supervisor. "There are millions of red ribbons across Canada every year: tie it on, wear it, show it.

"The holidays are the busiest time of year on social calendars, with lots of toasts to good cheer. But, the cost of holiday drinking and driving is high. It is never okay. Four people die every day in

Canada from drunk driving, and 175 are injured. These are senseless, needless and totally preventable injuries and deaths."

MADD partners were on hand for the launch, including 14 Wing Greenwood, Kings RCMP and Emergency Health Services officials.

Lieutenant-Colonel Ted Cosstick, 14 Wing's Wing Administration officer, said the entire Greenwood military community considers itself part of the "team"

supporting MADD.

"This is a caring community, and we congratulate MADD for the great work it does. It's very important for us at the wing to be affiliated with this cause, and promote what MADD does - not just during the holidays, but preciate MADD's efforts. know we're all victims." every day of the year."

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Is it a bird? A plane? No, it's an unmanned air vehicle

Captain Dave Hunter, 14 Wing Greenwood Air Traffic Control

Unmanned air vehicles - "drones" - are quickly becoming a must-have item. However, they are raising issues of unwanted intrusion into people's private lives and activities and sometimes causing close calls with aircraft.

14 Wing Greenwood's airfield is not exempt. It is clear not everyone is operating these drones in a responsible manner, and ignorance is not an excuse.

As a military community, we are all well-versed in the principles of flight safety and understand the importance of reducing the risk to aircrews and passengers. Aircraft and lives have been lost through bird strikes, and there should be no need to spell out the potential risks of an aircraft/ drone collision. Wildlife control operators work the 14 Wing air field to manage the risk of bird strikes, and a clear set of rules has been developed by Transport Canada for those operating a drone either for fun or as a commercial activity.

A quick search of www.tc.gc.ca lays them out clearly: the drone operator is responsible for using the drone safely and legally. If your drone weighs less than 35 kilograms and is being used for recreational purposes, then you do not need permission to fly but are you are expected to not fly within nine kilometers of an airport, heliport or aerodrome; not fly over military bases, prisons or in restricted airspace and not fly above 90 metres. If you are flying for commercial purposes, check

You're responsible to use your unmanned aircraft safely and legally

Always:

- Fly during daylight and in good weather (not in clouds or fog).
- Keep your aircraft in sight where you can see it with your own eyes.
- Make sure your aircraft is safe for flight before take-off.
- Know if you need permission to fly and when to apply for a Special Flight Operations Certificate.
- Respect the privacy of others avoid flying over private property or taking photos or videos without permission.

Closer than 9 km from an airport,

Do not fly:

- heliport, or aerodrome.
- Higher than 90 metres
- Closer than 150 metres from people, animals, buildings, structures, or vehicles.
- In populated areas near large groups of people – such as beaches, sporting events, outdoor concerts, festivals, or firework shows.
- Near moving vehicles avoid highways, bridges, busy streets or anywhere you could endanger or distract drivers
- Within restricted airspace, including near or over military bases, prisons, and forest fires.
- Anywhere you may interfere with first responders.

the Transport Canada website as there are stricter regulations.

The Greenwood airfield is surrounded by controlled airspace with a radius of 13 kilometres, and extending from the surface to 5,000 feet; in short, there is nowhere a drone can be operated in the Kingston/ Greenwood area and comply with either Transport Canada or 14 Wing Greenwood's airfield dos and don'ts.

As a community surrounded by aviation activity, we can all play our part by understanding and following the rules if we choose to fly a drone, and by remaining vigilant for those who, for whatever reason, decide to do otherwise. What might be intended as an innocent, fun-filled activity could end up as something far less enjoyable, placing the lives of others at risk.

Safety first - if you see, or know of someone operating a drone close to the airfield, please inform the Military Police (902-765-5111 or 902-765-1494 local 5111) or Air Traffic Control (902-765-1494 local 3205).

Sign aid

Aylesford Fire Department Chief Shawn Carey recently accepted signs for the area's dry hydrants from Municipality of Kings District 5 Councillor Wayne Atwater. The signs will help Aylesford firefighters educate the public on areas with restricted parking, as the fire trucks and crews need to be able to gain access to the hydrants for their water supply. More of these signs will be distributed throughout the county in the coming months.

Wonderful story on Players' stage

The Greenwood Players are in the final days of polishing their next production, the modern classic, "It's a Wonderful Life," set for December 1 to 5.

Director Jeffery Pocock has honed the production into one "wonderful" show. Each cast member has developed their character into a truly believable person: from the main character, George Bailey, played convincingly by Jaden Braniff; to hapless Uncle Billy, played lazily by Pat Cottreau, to the cutest little paperboy you have ever seen, played of seeing what the world Mr. Potter is played so vilely Second Class Clarence and by Keira Braniff.

collected toys, clothing and furniture to be distributed to needy families from Coldbrook to Lawrencetown.

The Christmas Mommies and Daddies Telethon started some 24 years ago as a fundraiser for Friendly Neigh-Friendly Neighbours start- bours' efforts. The telethon was originally broadcast live from the Mid-Valley Cable studio on Victoria Road, Aylesford. Today, it regularly raises over \$20,000 a year, about 80 per cent of the funds needed to run the Christmas hamper program. The telethon is sponsored by Eastlink TV, the Lions Clubs of Kingston, Aylesford, Ber-

Throughout the telethon broadcast, local entertainers, dancers and musicians donate their time and talents, providing superb live entertainment. You may take in this excellent show either at home on Channel 13, or drop in to the fire hall and be part of the live audience.

To make a pledge or bid on an auction item, generously donated by local businesses and individuals, call local 902-341-3200 or, toll free, 1-844-323-2015. Income tax receipts will be issued for donations received. The Greenwood Scotiabank team will match pledges taken as bank staff volunteer on the phone lines, between 1 p.m.

Live stage entertainment keeps the Mommies and Daddies Telethon warm, local and a Christmas tradition for Valley residents, with song, dance and special guests all on the roster.

or make a donation at the Royal Bank in Coldbrook and Berwick, CIBC Kingston and Greenwood, Bank of Nova Scotia in Middleton and Greenwood, the Credit Union in Greenwood and Cambridge and Chisholm's Pharmachoice in Aylesford.

Telethon funds raised help Friendly Neighbours provide food hampers (including all items needed for a Christmas dinner) and boxes of toys to families in our area. Hampers are filled by volunteers from 14 Wing Greenwood at the Aylesford fire hall before Christmas, picked up by Lions Clubs and distributed within their respective areas.

Servings: 8 Prep Time: 10 minutes Cook time: 45 minutes Ingredients:

4 small-medium sized acorn squash, seeded, cut • 1/2 cup (125 mL) walnuts,

in half lengthwise

- mushrooms (portabella, shiitake, oyster), coarsely chopped
- 2 celery stalks, thinly diced
- diced
- 3 tbsp (45 mL) butter
- 1 tbsp (15 mL) fresh sage leaves, finely chopped
- 1 cup (250 mL) vegetable stock

roughly chopped. 1 small loaf of day-old sourdough or French bread, cut into 1/4 inch cubes (approximately 5 cups)

Directions:

- 1. Preheat oven to 350°F/ 175°C.
- lengthwise. Remove the seeds. Season the inside with salt and pepper. Place cut side down on a baking sheet lined with parchment. Bake about 30 minutes or until soft.

3. Meanwhile, in a large sauce pan heat olive oil. Add mushrooms and sauté for three to four minutes. Add celery and continue to sauté for five minutes. Lower heat and add apples. Continue to cook until apples become tender, about five

minutes. To the pan add butter, sage, and vegetable stock. Heat just until butter is melted. Remove from heat and allow to cool.

. Place chopped walnuts and diced bread in a large bowl. Pour warm vegetable stock mixture over bread. Using your hands toss the bread until it is well coated and most of stock is absorbed.

- 5. Remove squash from oven and turn it cut side up. Divide the stuffing among each squash half; spoon the stuffing into the cavity of each squash until filled. Return to 350°F/ 175°C oven and bake until stuffing is golden brown, approximately 15 to 20 minutes.
- 6. Serve hot alongside a festive ham or weeknight roast chicken.

Tip: Use Honeycrisp or Empire apples.
