14 Wing Greenwood took a must-win semi-final to face 12 Wing Shearwater in the January 26 Atlantic regional hockey final - and won the title!

14 Wing makes best of uphill regionals

Major Michael Hiltz

Following a two-year break in men’s hockey regionals due to COVID-19 restrictions, 2023 presented the opportunity to get back on the ice. CFB Gagetown was selected to host the Canadian Armed Forces Atlantic regionals January 23 to 26.

The 14 Wing Greenwood men’s team started out from the get-go, enduring adversity from the moment it left Greenwood: the day began with a freezing rain and snow storm, which saw 10-plus centimetres

fall - which resulted in one of the team’s vehicles colliding with a truck en route to Gagetown. Thankfully, there were no injuries - but this started many a conversation among the occupants.

The tournament schedule was condensed into three days, which meant every team would play two intense games per day. Greenwood’s first game January 24 against CFB Halifax saw the Bombers take a 3-1 lead, but holding to a 4-4 draw after 60 minutes. There was no resolution after

a five-minute three-on-three overtime, which then forced a shoot-out – and the Bombers failed to make the winning goal.

Greenwood’s second game of the day was against 12 Wing Shearwater, a back-and-forth battle that saw Shearwater coming out on top 5-4.

Other action January 24 saw Shearwater defeat Gagetown 7-5, and Gagetown beat Halifax 10-7.

This result put the Bombers in a “must win” situation against the host team, Gagetown, January 25. Following 15 minutes of regulation time, the Bombers found themselves down 3-0 but, as a team, they stormed back with seven unanswered goals (four by Corporal Williams and three by Corporal Hawes) to cinch a final 8-5 win.

This game’s mental resilience and fortitude became contagious, as Greenwood headed into the semifinal game that evening, once again against Gagetown. Here the teams played with confidence and discipline, easily coming out with a 9-3 win. In an ear-

lier game that same morning, Shearwater defeated Halifax 6-3 to head directly to the championship.

January 26, with Greenwood in the final against Shearwater, play was an evenly-matched test between two competitive rivals. Though nearly all members on both teams have lasting friendships with each other, this became a competitive “war” – but remained a clean, hard fought and respectful battle. The Bombers prevailed with a solid defensive game, holding a 2-1 lead

throughout the third period to clinch the gold medal in the 2023 Atlantic Regional Men’s Hockey Championship.

Greenwood will now head to the Canadian Armed Forces nationals in Wainwright February 26 to March 3.

The 14 Wing Bombers would like to thank 5 CDSB Gagetown and their Personnel Support Program staff for hosting the tournament, as well as recognize all the continued support here at home, from 14 Wing leadership and our PSP staff. ➔

Community partnerships ensured Christmas hamper success

WOW! Just WOW! Thank you, Kingston and Greenwood, for coming through when the chips were down! You made sure families in your community were able to have a great Christmas, with food and toys. The power of community, united in a single cause to support families, was awesome to behold. The unanticipated demise of the Friendly Neighbors association late last year, which normally, over the course of a year, raised funds for and assembled Christmas food

and toy hampers for families, including in the Kingston/Greenwood area, left many facing a bleak Christmas during trying times. Local groups, businesses, faith organizations, the villages of Kingston and Greenwood, along with community members; quickly partnered in gathering donations, fundraising, canvassing, hosting toy drives and bringing the community together to ensure families received holiday food and toy hampers. Amazingly, in just two months, determined community support and effort resulted in 91 families being served. This was an increase over previous years, and is indicative of the financial stresses the current economic conditions are causing

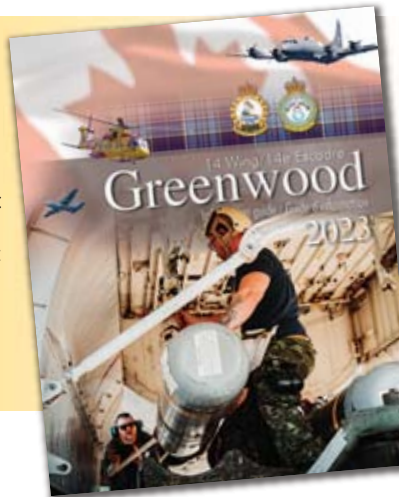

families and individuals. December 19, all the community groups dropped off their gathered contributions at the Kingston Lions Hall, including toys prepared off site. The hampers were assembled December 20 and distributed December 21 from the Lions Hall. The power of community and partnerships cannot be overstated! What normally took one year happened in just two months. This could not have been done without the coming together of our community to support our neighbours. Again, thank you for making a difference in the lives of your fellow community members. ➔

Black History Month opportunity to celebrate

Sara White,
Managing editor

Crisp black, red and green colours went up over 14 Wing Greenwood February 1 – a brand new Pan African flag, raised for the first time at the wing to launch February as Black History Month. “We’ve celebrated Black History Month on the wing, and now we have the flag – this is the first time to fly it here,” said Wing Chief Warrant Officer Jonathan Proulx. “It’s a huge accomplishment, and we’re leading the way – here, and across the Royal Canadian Air Force. “It’s days and months like this when we should hold our head up.” Proulx said he is proud at the progress – “not leaps and bounds, but certainly progress” – the Canadian Armed Forces has made in the years since he himself put on the uniform. “I attended the apology in 2022 to soldiers and the community of the No. 2 Black Construction Battalion, and it was quite touching. I’m proud to wear the uniform.” Wing Commander Colonel Jeff Davis also highlighted the contributions of members of the No. 2 Battalion from its challenging start as a segregated unit during the First World War. “Black soldiers and sailors, public servants and others have and continue to bring their skills and talents to what we need as the Canadian Armed Forces,” Davis said. “Diversity is a strength – essential to all our operational effectiveness. “Black History Month is a chance for us to take the time to celebrate the contributions and achievements of Black Canadians – whether it’s the culture, diversity, passion: it’s what has brought us to the country we are today.” The Pan-African flag was

Fun By The Numbers
Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Service Advisory - Greenwood Water Utility

KINGS COUNTY, N.S. - The Municipality of the County of Kings is asking customers of the Greenwood Water Utility to reduce water use whenever possible between now and February 24.

The Greenwood Water Treatment Plant will be operating at a reduced capacity while important upgrades are completed between February 6 and the anticipated construction end date of February 24. Service advisories and project updates will be posted in the Municipal News section of the www.countyofkings.ca homepage.

If you have any questions, please contact Acting Manager of Environmental Services Carme Telesford at (902) 690-2219 or Treatment Plant Operator Larry Fredericks at (902) 679-7974.
